In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, qualified to vote in elections, to meet at the polling places designated for the several precincts in said Town on

SATURDAY, THE SIXTH DAY OF MARCH, 1965

at seven o'clock in the forenoon, to act on the following Articles, namely:

Article 1. To elect by ballot the following Town Officers: One Moderator for three years; one Selectman for three years; one Assessor for three years; one member of the School Committee for two years (to fill vacancy); three members of the School Committee for three years, and one member of the Arlington Housing Authority for five years; also, in accordance with the provisions of Chapter 43A of the General Laws, in each precinct the number of Town Meeting Members as hereinafter specified: in Precinct 1, twelve to be elected; in Precinct 2, six such members for three years, two such members for two years and one such member for one year; in Precinct 3, nine to be elected; in Precinct 4, fifteen to be elected; in Precinct 5, seven such members for three years and one such member for one year; in Precinct 6, twelve to be elected; in Precinct 7, twelve to be elected; in Precinct 8, five such members for three years; in Precinct 9, twenty-one to be elected; in Precinct 10, five such members for three years and one such member for one year; in Precinct 11, twenty-seven to be elected; in Precinct 12, six such members for three years and one such member for one year; in Precinct 13, six such members for three years and one such member for one year; in Precinct 14, twenty-seven to be elected; and to see if the Town will accept the provisions of Section 11B of Chapter 32B of the General Laws, as amended by Chapter 461 of the Acts of 1964, by placing the following question on the ballot, "Shall the Town extend contributory group hospital, surgical and medical insurance to elderly persons retired from the service of the Town and to their dependents with fifty per cent of the premium cost, a portion of the administrative expense and the payment of a surcharge or subsidiary rate to be paid by the Town?"

For these purposes, the polls will be opened at seven o'clock A.M. and remain open until eight o'clock P.M., at each of the polling places designated, viz: Precinct One, in the East Arlington Branch Library, entrance on Massachusetts Avenue; Precincts Two and Four, in the Hardy School Building, entrance on Lake Street; Precinct 3, in the Junior High School Building East, entrance on Tufts Street; Precinct 5, in the Thompson School Building entrance on North Union Street; Precincts Six and Eight, in the Town Hall; Precinct 7, in the Fidelity House, St. Agnes Parish, entrance on Medford Street; Precinct 9A, in the Bishop School, entrance from Stowcroft Road; Precincts 9B and 11B, in the Stratton School, entrance from Mountain

Avenue; Precincts 10A and 12A, in the Cutter School Building, entrance on School Street; Precincts 10B and 12B, in the Brackett School Building, entrance on Eastern Avenue; Precinct 11A, in the Highland Hose House, entrance on Massachusetts Avenue; Precinct 13, in the Peirce School Building, entrance on Park Avenue North, Heights; Precinct 14A, Park Avenue Congregational Church, entrance on Paul Revere Road; Precinct 14B, in the Dallin School Building, entrance on Florence Avenue.

You are, also required to notify and warn the said inhabitants to meet at the Town Hall, in said Town on Monday, the fifteenth day of March, 1965, at eight o'clock in the evening, at which time and place the following articles are to be acted upon and determined exclusively by town meeting members, in accordance with, and subject to, the referendum provided for by Chapter 43A of the General Laws.

Article 2. To choose and appoint all other usual Town officers not hereinbefore mentioned, in such manner as the Town may determine.

Article 3. To hear and act on the reports of the committee under vote of the Town passed March 28, 1951, to investigate and consider the matter of a Fire Prevention Code for the town of Arlington; of the committee under votes of the Town passed March 20, 1953, and March 24, 1954, to investigate, consider and make recommendations to the Town relative to the construction and operation of refuse disposal incinerators; of the committee under vote of the Town passed March 15, 1954, to investigate and study the adequacy of the present school buildings within the Town and the future locations of new school building; of the committee under vote of the Town passed March 24, 1954, to procure plans and estimates for the construction of a school building in the Florence Avenue area; of the committee under vote of the Town passed March 24, 1954, to investigate, consider and make recommendations as to the swimming conditions at the Arlington Heights Reservoir Beach; of the Arlington Brotherhood Committee under vote of the Town passed March 28, 1955; of the High School additions and reconstruction committee under vote of the Town passed April 4, 1956; of the Arlington Development Commission under vote of the Town passed March 25, 1957; of the committee under vote of the Town passed March 23, 1959, to procure plans and estimates for the construction of an elementary school building on land owned by the Town located on Pheasant Avenue; of the Board of Directors of Youth Services under vote of the Town passed March 21, 1962; of the Arlington Historical Committee under vote of the Town passed March 27, 1963, to investigate, consider and make recommendations relative to the replacement of the Police operations desk in the Police Station; of the committee under vote of the Town passed March 16, 1964, to make professional comprehensive survey of compensation paid to all Town employees including a survey of the wages, salaries, job descriptions, job evaluations and related matters contained in Article 7C of the By-Laws of the Town; of the committee under vote of the Town passed March 23, 1964, to procure plans and estimates for the construction of a skating arena and recreational center on land owned by the Town located on Summer Street, east of Mill Street, or on other Park land of the Town; and of other Town Boards and officers and of the Finance and other committees heretofore appointed.

Article 4. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1966, and to issue a note or notes therefor, payable within one year, and to renew any note or notes that may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 5. To see if the Town will make an appropriation or appropriations to pay the claims or charges of Symmes Arlington Hospital including such claims and charges for aid, relief or care furnished prior to January 1, 1965, to persons falling into distress and standing in need of immediate relief; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 6. To see if the Town will vote to amend Article 7C of the By-Laws, by striking out said Article 7C and inserting in place thereof the following:

ARTICLE 7C
CLASSIFICATION AND COMPENSATION PLANS
and PERSONNEL BY-LAW

Section 1. THE CLASSIFICATION PLAN

The official classification plan shall consist of class titles appearing in Schedule A which is made a part hereof, together with class definitions which are on file with the Personnel Board.

Section 2. THE COMPENSATION PLAN

The official compensation plan which appears in Schedule B shall consist of salary ranges which provide minimum and maximum rates together with intermediate step rates or of single salary rates for each full-time position class in the Classification Plan. The Compensation Plan shall include compensation grades to which position classes are allocated in Schedule A.

Section 3. AMENDMENT OF THE PLANS

The classification and compensation plans have been established pursuant to the authority contained in Section 108C of Chapter 41 of the General Laws. Either plan may be amended in the manner provided in this statute and the by-laws of the Town. Rates appearing in the compensation plan may be established or changed by vote of the Town at a Town Meeting, or as provided by law, whichever is applicable. Requests to the Personnel Board for any amendment to this by-law at any Annual Meeting shall be in writing and shall be received by the Personnel Board on or before November 1st of the year preceding such Annual Town Meeting in order to be considered by said Board.

Section 4. PERSONNEL BOARD

The Moderator shall appoint a Personnel Board consisting of five members who shall be citizens and registered voters of the Town. Two members shall be town employees from two different departments, but not elected by the Town, who are elected by a majority of the employees of the Town present at a meeting duly called for the purpose of such nominations.

Members of the Board in office at the time of adoption of this by-law shall continue to hold office pursuant to the terms of their appointment until their successors have been appointed and qualified. Thereafter, each appointment shall be for a term of three years.

It shall be the duty of this Board to administer the classification and compensation plans and other provisions of this By-Law not inconsistent with legislation establishing a Town Manager form of government for Arlington.

In making appointments to the Board, the Moderator shall give consideration to the personal qualifications of those citizens who will best meet the responsibility of the Board to represent both town employees and taxpayers. If possible, the Board shall consist of members professionally qualified who are familiar with the principles and experienced in the methods and practices of labor relations and personnel administration.

Section 5. CLASS DEFINITIONS

The Personnel Board shall prepare and may amend, from time to time, written definitions of the classes in the classification plan, each consisting of a statement describing the essential nature of the work characteristic of positions in the class that distinguish such positions from positions of other classes, with such examples as may be deemed appropriate.

Section 6. INTERPRETATION OF CLASS DEFINITIONS

The definitions of the classes shall be interpreted as descriptive only and not restrictive. The definition for any class shall be construed solely as a means of identifying positions classified under the appropriate class title, and not as prescribing what the duties or responsibilities of any position of the class shall be, or as modifying or in any way affecting the power of any administrative authority, as otherwise existing, to appoint, to assign duties to, or to direct and control the work of, any employee under the jurisdiction of such authority.

Section 7. RECORDS AND REQUISITIONS

The Personnel Board shall keep such records of all employees of the Town, including the name, age, date of employment, classification of position occupied, department in which employed, nature of duties and other information as it deems desirable.

All requisitions for persons to fill positions or perform duties classified under the Civil Service Law, all requests for transfers, increases in salary, changes in rating, or other requests made to the Director of Civil Service or the Department of Civil Service, shall be cleared through the Personnel Board.

Similarly, all such personnel actions relating to positions which are not subject to Civil Service Law, but which are subject to the classification and compensation plans, shall be processed by the Personnel Board.

Section 8. ALLOCATION OF POSITIONS TO CLASSES

The Personnel Board shall classify each position subject to the provisions of this by-law in accordance with the classification plan. Whenever a new position is established, or the duties of an existing position are so changed that in effect a new position of a different classification is substituted for the old position, the Personnel Board shall, in the same manner, classify such new or changed position.

In the event the Board determines that a new or changed position requires the establishment of a position class not included in the classification plan, it may authorize temporarily the necessary new classification subject to ratification at the next succeeding Special or Annual Town Meeting.

The Personnel Board shall have the authority to reclassify a position if it finds that such action is warranted by reason of error in the classification then in effect.

The Board shall afford reasonable opportunity to be heard to any employee or appointing authority affected by any classification or reclassification, upon written request therefor.

Section 9. TITLES OF POSITIONS

No person shall be appointed, employed or paid as an employee in any position subject to the provisions of this by-law under any title other than that set forth in the classification plan for the position which he occupies. The title of each class shall be the official title of every position classified thereunder for all purposes having to do with the position as such, and shall be used to designate the position on all payrolls, budget estimates and official records and reports, and in every other connection involving personnel and fiscal processes, but any abbreviation or code symbol approved by the Personnel Board may be used in lieu of the title to designate the class of a position in any such connection.

Section 10. INTERPRETATION OF PAY PLAN

A Town Meeting vote which authorizes any change in rates from those which appear in either Schedule A or Schedule B under Sections 1 and 2 of this by-law shall include the appropriation of funds required to finance the change.

Section 11. VACATION LEAVE

Sub-section A

1. Vacation leave shall be granted to all regularly employed personnel, subject to the classification and compensation plans. An employee, except a member of the Police or Fire force, shall be considered regularly employed if he has worked for the Town for thirty weeks in the aggregate during the preceding year, which shall be interpreted as the twelve months' period beginning with June 1 and ending the following May 31.

2. A member of the Police or Fire force shall be considered regularly employed for the purpose of vacation leave if he has been regularly employed by the Town for at least six months on January 1 of each year.

3. Department heads shall allow vacation with pay to employees who have met the requirements set forth above, as follows:

- a. Two calendar weeks vacation for employees, except professional librarians and library assistants, who have less than ten years of service with the Town.
- b. Three calendar weeks vacation for employees, except professional librarians and library assistants, who have served not less than ten years of continuous full-time service with the Town, said ten years service to be completed prior to June 1.
- c. Four calendar weeks vacation for employees, except professional librarians and library assistants, who have served not less than twenty years of continuous full-time service with the Town, said twenty years of service to be completed prior to June 1.
- d. Four calendar weeks vacation for professional librarians.
- e. Three calendar weeks vacation for library assistants; provided, however, that any library assistant who has served not less than twenty years of continuous full-time service with the Town shall be entitled to a vacation of four calendar weeks, said twenty years service to be completed prior to June 1.

Sub-section B

The assignment of vacation periods within any vacation year shall be arranged by the department head for such time or times as best serve the public interest. Vacation allowance may not be accumulated from one vacation year to another except when, in the opinion of the appointing authority, it is impossible or impractical because of work schedule or other emergencies to do otherwise. Preference should be given on the basis of years of employment, whenever possible.

Sub-section C

Absences on account of sickness in excess of those authorized or for personal reasons not provided for under leave regulations may, at the discretion of the department head, be charged to vacation leave.

Sub-section D

Whenever employment is terminated by dismissal through no fault or delinquency on an employee's part, or by resignation, retirement or death, without his having been granted a vacation to which he is entitled, he, or in the case of his death his estate, shall be paid vacation pay at the regular rate of compensation payable to him at the termination of his employment.

Sub-section E

If a holiday falls within the vacation period, it shall not count as part of the vacation allowance.

Section 12. SICK LEAVE**Sub-section A**

Regularly employed personnel subject to the classifications and pay plans must complete six months of service before qualifying for sick leave, at the end of which time seven and one-half days credit will be allowed.

Sub-section B

Earned sick leave with pay will be limited to one and one-quarter days per month, not to exceed fifteen days per year, and will be credited on the first day of each month. Sick leave credit will begin on the first day of the month following employment except as otherwise provided in Sub-section A. Employees having an aggregate of more than two days of authorized leave without pay in any calendar month shall not receive sick leave credit for that month. Employees having unauthorized absence without pay in any calendar month shall not receive sick leave credit for that month.

Sub-section C

Sick leave will accumulate for each year of employment.

Sub-section D

Sick leave with pay shall be granted to employees only when they are incapacitated for the performance of their duties by sickness, injury or quarantine by health authorities.

Sub-section E

Sick leave will commence on the day notification of the illness is given by the employee, his family, or his physician. Such notification shall be given within one hour of the regular appointed starting time.

Sub-section F

For absence on account of sickness, the department head or the appointing authority may require evidence in the form of a physician's certificate for the necessity for absence, such certificate to give the nature of illness and the expected duration. If such certificate is not filed after request therefor, such absence may be applied, at the discretion of the department head, to vacation leave or leave without pay. The department head shall require such certificate at the end of two weeks of illness and subsequent certificates may be required at the discretion of the department head or the appointing authority.

Sub-section G

Employees whose services are terminated shall not be entitled to compensation in lieu of any sick leave not taken. No sick leave credit for prior employment will be allowed to employees re-hired or re-instated after a termination of service other than approved leave of absence.

Sub-section H

Every department of the Town shall keep a uniform attendance record on such form as approved and audited by the Town Accountant for each employee showing sick leave both accrued and granted. The information on such record shall be transmitted by the head of the department to the Personnel Board upon request.

Sub-section I

Part-time employees whose hours of work follow a regular schedule will be allowed such proportion of sick leave credit as their actual part-time service bears to full-time service.

Sub-section J

Employees injured on the job and receiving Workmen's Compensation may, upon request, be granted such sick leave allowance payment as will when added to the amount of Workmen's Compensation, result in the payment to them of their full salary, provided they have such sick leave credit. Permanent employees suffering an injury on the job related to their work shall continue to earn ordinary sick leave credit and vacation allowance during their absence from work due to such injury.

Sub-section K

Discretionary sick leave not exceeding fifteen days may be granted by the appointing authority provided all accumulated sick leave and vacation leave have been exhausted, and shall be charged against future sick leave credit, provided further that in connection with employees with at least twenty years of service with the Town and in the event of extenuating circumstances as determined by the appointing authority, additional sick leave not to exceed 150 days may be granted, which shall be similarly charged to future sick leave credit.

Section 13. MISCELLANEOUS

Sub-section A

The lunch period shall not exceed one hour.

Sub-section B

An absence with pay, to the extent necessary but not to exceed three days, shall be granted in case of death of immediate member of an employee's family. Immediate family means spouse, child, father, mother, sister, brother or grandparents. An absence with pay of one day shall be granted in case of death of an employee's in-laws or grandparents of spouse.

Sub-section C

Any permanent employee of the Town called for an annual tour of duty with the armed forces shall be paid his usual salary for a period not exceeding two calendar weeks and shall also be entitled to the same leaves of absence or vacation with pay given to other like employees.

Sub-section D

A regular employee called for jury duty shall be paid an amount to bring his salary up to his usual rate of pay. Notice of service shall be filed with the department head upon receipt of a summons.

Sub-section E

Leave of absence with pay may be granted by the appointing authority to permanent employees who are authorized delegates to state or national conventions of the following veterans' organizations: American Legion, AMVETS of World War II, Disabled American Veterans, Legion of Valor, Marine Corps League, Military Order of the Purple Heart and Veterans of Foreign Wars.

Sub-section F

All payments made for any absence, regardless of nature, will be so noted on the payroll and employee's attendance record. The department head shall be responsible for the accuracy of such record.

Sub-section G

In order to qualify for holiday credit, a regular employee shall have worked on the last regularly scheduled work day prior to, and the next regularly scheduled work day following such holiday, unless it is an absence for which compensation is payable as provided under this by-law. The following days in each year shall be considered as holiday credits:

New Year's Day	Labor Day
Washington's Birthday	Columbus Day
Patriots' Day	Veterans' Day
Memorial Day	Thanksgiving Day
Independence Day	Christmas

Whenever a holiday falls on Saturday, another working day off with pay shall be arranged at the discretion of the department head.

Sub-section H

Leave of absence with pay may be granted by the appointing authority to permanent employees who are authorized delegates of recognized employee organizations for the purpose of attending annual state conventions of their parent AFL-CIO or independent organizations. However, if said employees' regular compensation is paid by the employee organization, then such leave of absence as may be granted by the appointing authority shall be without pay.

Sub-section I

Maternity leave of absence without pay shall be required before the sixth month of pregnancy. A certificate from the attending physician shall be presented to the department head and the leave shall be for a period which must be of sufficient duration to allow for pre-natal and post-natal care. A physician's certificate shall be required before the employee returns to work.

Section 14.

Nothing in this by-law shall be construed to conflict with the General Laws of the Commonwealth of Massachusetts.

THE CLASSIFICATION PLAN — SCHEDULE A
(arranged Alphabetically)

said amendment to be effective April 1, 1965; appropriate the sum of \$23,700 to be expended by the departments affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Committee appointed under Article 27 of the 1964 Annual Town Meeting.)

Article 7. To see if the Town will vote to amend Schedule A of the Classification Plan as established by Article 7C of the By-Laws, by reallocating Executive Secretary, Board of Selectmen, from Grade AG 17 to Grade AG 19; said amendment to be effective April 1, 1965; or take any action relating thereto.

Article 8. To see if the Town will vote to amend Schedule A of the Classification Plan and Schedule B of the Compensation Plan, as established by Article 7C of the By-Laws and as amended under any preceding Article of the Warrant for this meeting, by increasing all money figures contained therein by approximately four per cent (4%) to the nearest even dollar in the annual salary schedules, and four per cent (4%) to the nearest ten cents (10¢) in the weekly salary schedule, and by increasing the compensation of regularly employed part-time employees by approximately four per cent (4%) to the nearest dollar; said amendment to be effective April 1, 1965; appropriate the sum of \$110,000.00, to be expended by the departments affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 9. To see if the Town will vote to strike out Paragraph 4 of the limitations and conditions voted under Article 36 of the Warrant for the 1964 Annual Town Meeting relative to the determination of persons eligible to receive an annuity in accordance with the provisions of Section 95A of Chapter 32 of the General Laws which reads as follows:

“4. If the widow is eligible to receive benefits under the provisions of General Laws Chapters 115, 118A, 118C and 118D or receives assistance or a pension from the Veterans' Administration or Social Security, or is eligible for medical care payments under Old Age Assistance or Medical Care for the Aged, or similar programs, the amount of the annuity shall be not greater than the maximum amount that can be received by the widow without reducing or adversely affecting the amount of such benefits”, or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 10. To see if the Town will amend Schedule A of the Classification Plan as established by Article 7C of the By-Laws, by reallocating Veterans' Services Investigator from Grade AG 3 to Grade AG 7; said amendment to be effective April 1, 1965; make an appropriation for said purpose to be expended by the department affected; and to determine how the money shall be raised; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 11. To see if the Town will amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C of the By-Laws and as amended under any Article of the Warrant for this meeting, by increasing all money figures contained therein by approximately four per cent (4%) to the nearest even dollar or \$208.00, whichever is the greater, in the Annual Salary Schedule, excepting the money figures contained in Grades PF2, PF3, PF4, PF5 and PF6, and \$4.00 or approximately four per cent (4%) to the nearest even daily rate, whichever is the greater, in the Weekly Salary

Schedule, and by increasing the compensation of regularly employed part-time employees by approximately four per cent (4%) to the nearest dollar; said amendment to be effective April 1, 1965; appropriate a sum or sums of money for said purpose or purposes to be expended by the various departments affected; determine in what manner the money shall be raised; or take action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 12. To see if the Town will amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C of the By-Laws and as amended under any article of the Warrant for this meeting, by increasing all money figures contained in all PF grades by approximately four per cent (4%), in the annual salary schedule, said amendment to be effective April 1, 1965; appropriate a sum or sums of money for said purpose or purposes to be expended by the various departments affected; determine in what manner the money shall be raised or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 13. To see if the Town will amend Section 13 of Article 7C of the By-Laws and as amended under any article of the Warrant for this meeting, by deleting Subsections a, b, and c of Paragraph 3 of Section A of said Section 13 and inserting in place thereof the following:

- a. Two calendar weeks vacation for employees, except professional librarians and library assistants, who have less than five years of service with the Town.
- b. Three calendar weeks vacation for employees, except professional librarians and library assistants, who have served not less than five years of continuous full-time service with the Town, said five years service to be completed prior to June 1.
- c. Four calendar weeks vacation for employees, except professional librarians and library assistants, who have served not less than fifteen years of continuous full-time service with the Town, said fifteen years service to be completed prior to June 1.

(Inserted at the request of ten (10) registered voters)

Article 14. To see if the Town will vote to amend Section 13 of Article 7C, Section A of the Town By-Laws entitled "Vacation Leave", by inserting in Sub-Section 3 of said Section 13, Section A; the following new paragraphs thereof:

- F. Three calendar weeks vacation for the Police and Fire Force who have served not less than five years of continuous full-time service with the Town, said five years service to be completed prior to June 1.
- G. Four calendar weeks vacation for the Police and Fire Force, who have served not less than fifteen years of continuous full-time service with the Town, said fifteen years service to be completed prior to June 1.

(Inserted at the request of ten (10) registered voters)

Article 15. To see if the Town will accept the provisions of Section 100D of Chapter 41 of the General Laws, entitled "Indemnification for Officers or Employees for Damages Incurred on Account of Injuries Arising Out of Their Operation of Municipally Owned Vehicles or Vessels".

Article 16. To see if the Town will amend the Town's By-Laws by inserting the word, "snow", after the word filth in Section 19 of Article 9 of the Town's By-Laws making said Section read as follows:

Section 19. Except as otherwise provided by statute, by-law or department regulation, no person shall, in any manner, place or cause to be placed in or upon any public way, public place or body of water within the Town, rubbish, waste material, filth, snow, or discarded substance of any kind.

Article 17. To see if the Town will appoint a committee to be known as The Committee To Investigate, Consider and Make Recommendations To The Town Relative To The Final Disposition Of The Matter Of The Arlington Center Railroad Station, among the purposes of which shall be to consider all possible solutions to this problem and to also consider the use of the Railroad Station as a Community Service Center; and to make a final determination relative to the matter of providing permanent quarters at said Railroad Station for the Arlington Post No. 1775, Veterans of Foreign Wars of the United States, Inc., said committee to consist of seven (7) registered voters of the Town who shall serve without compensation and who shall be appointed by the Town Manager; said committee is to include a member of the Veterans of Foreign Wars, a member of the Planning Board, a member of the Finance Committee, a registered professional engineer, an attorney-at-law and two registered voters of the Town; said committee to make a final report of its findings to the 1966 Annual Town Meeting; and appropriate the sum of \$100.00, for the use of said committee; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 18. To see if the Town will rescind the vote taken under Article 63 of the Warrant for the 1963 Annual Town Meeting, wherein the Town Manager was authorized and empowered on behalf of the Town to sell, convey or otherwise dispose of the wooden building now located in the rear of Railroad Avenue and formerly known as the Arlington Center Railroad Station to Arlington Post No. 1775, Veterans of Foreign Wars of the U.S., Inc. for the sum of one dollar (\$1.00), subject to the following terms and conditions:

1. Said sale shall be completed within two (2) years from the date when offered for sale by the Town Manager.
2. Said building shall be removed by the Arlington Post No. 1775, Veterans of Foreign Wars of the United States, Inc., at its own expense, at the time of sale from its present location on Town owned land to some other location within the Town to be obtained by the said Arlington Post No. 1775, Veterans of Foreign Wars of the United States, Inc.; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 19. To see if the Town will appoint a committee to be known as the Permanent Building and Survey Committee; the primary purposes of which are to study, consider, and recommend relative to construction, reconstruction, alteration, improvements and other undertakings pertaining to all future municipal building projects of the Town; said committee to consist of seven (7) registered voters of the Town who shall serve without compensation and who shall be appointed by the Chairman of the Finance Committee; said Committee is to include a building contractor experienced in heavy construction who has done work other than simple residences, a registered professional structural engineer, a registered professional mechanical engineer,

an attorney, preferably one who has had experience with building contracts and the public bidding laws, a banker or broker who possesses specialized experience in finance, a businessman who possesses a reputation for good business judgment and a registered voter familiar with the parliamentary and administrative structure of the Town; the initial appointments to said committee to be made in the following manner: two (2) members to be appointed to serve for a term of one year, two (2) members for a term of two years, and three (3) members for a term of three years, all to serve until their respective successors are duly appointed and qualified, and thereafter the said appointing authority to appoint annually such number of members as there are terms expiring in such year to serve for a period of three years and until their respective successors shall be duly appointed and qualified, vacancies to be filled by appointment in the same manner as original appointments for the period of the unexpired term, said committee to choose annually from its members such officers as it shall deem desirable; appropriate a sum of money for the use of said committee, or take any action relating thereto.

Article 20. To see if the Town will vote to appropriate a sum or sums of money to be expended under the direction of the Pheasant Avenue School Building Committee, appointed under Article 88 of the Warrant for the 1959 Annual Town Meeting, for the purpose of procuring preliminary plans and estimates for an addition to the M. Norcross Stratton School; determine in what manner the money shall be raised; or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 21. To see if the Town will vote to make an appropriation for the purpose of installing new oil burning boilers, an incinerator and a complete pneumatic heat control system and other related equipment at the Cutter School; said sum to be expended under the direction of the Town Manager; determine in what manner the money shall be raised; to take any action relating thereto.

(Inserted by the School Committee and the School Survey Committee)

Article 22. To see if the Town will vote to appropriate the sum of \$66,000. to be expended under the direction of the Town Manager for the purpose of the installation of new boilers, oil burners, and an automatic temperature control system in the Peirce School; determine in what manner the money should be raised; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 23. To see if the Town will make an appropriation for a survey to be made of the physical plant of the Robbins Library to determine whether or not there is a necessity for an addition to said building to provide for present and future library needs; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Trustees of Robbins Library)

Article 24. To see if the Town will authorize the Selectmen to lease voting machines for use in two precincts of the Town during the 1966 Annual Town Election; make an appropriation for this purpose; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 25. To see if the Town will vote to construct a skating arena and recreational centre on certain land of the Town held for park purposes and situated on Summer Street and Washington Street; make an appropriation for such construction, including cost of original equipment and furnishings; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Committee
for the Construction of a Skating Arena)

Article 26. To see if the Town will vote to petition the General Court for any permission necessary to erect a skating arena and recreational centre on certain land of the Town held for park purposes and located on Summer Street and Washington Street; or take any action relating thereto.

(Inserted at the request of the Committee
for the Construction of a Skating Arena)

Article 27. To make appropriations to defray Town obligations, liabilities, outlay and expenses and especially for or relating to all or any of the boards, departments, purposes and matters hereinafter mentioned, and to provide for the disposal of motor vehicles and other personal property belonging to the Town; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Finance Committee; Board of Selectmen; Town Manager; Purchasing Agent; Maintenance Department; Accountant; Town Treasurer and Collector of Taxes Department; Assessors' Department; Legal Department; Claims; Town Clerk's Department; Vital Statistics; Public Works Department; Engineering Department; Elections and Town Meetings; Planning Board; Board of Survey; Robbins Memorial Town Hall; Town House Grounds Department; Police Department; Parking Meters; Fire Department; Fire and Police Signal System; Building, Plumbing and Gas Inspection; Boards of Appeals (Building and Zoning); Wire Department; Sealer of Weights and Measures; Gypsy and Brown Tail Moth Suppression; Tree Warden's Department; Health Department; Inspector of Animals; Sewerage System Maintenance; Removal of Ashes, Offal and Rubbish; Highway Division; Snow and Ice Removal; Lighting of Streets and Ways; Traffic Signals; Public Welfare Department; Aid to Dependent Children; Old Age Assistance; Disability Assistance; District or Other Nurses; Veterans' Benefits; Schools; Robbins Library and Branches; Parks; Playgrounds; Pensions (Non Contributory); Contributory Retirement System; Memorial Day; Patriots' Day; Printing Town Reports; Insurance; Workmen's Compensation Insurance Funds; Municipal Insurance Fund; Reserve Fund; Maintenance of Robbins House and Houses Owned by the Town; Water Department Maintenance; Cemeteries; Interest; Debt; Sinking Fund; Personnel Board; Civil Defense; Board of Directors of Youth Services; Group Life Insurance; Group Health, Medical, Surgical Insurance.

Article 28. To see if the Town will make an appropriation for the Extension of the Sewerage System; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 29. To see if the Town will make an appropriation for the Extension of Water Mains; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 30. To see if the Town will make an appropriation for the Extension of Storm Drains; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 31. To see if the Town will make an appropriation for the Construction and Installation of Sidewalks and Edgestones; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 32. To see if the Town will make an appropriation for the Reconstruction and Maintenance of Permanent Sidewalks and Resetting of Edgestones Upon the Public Ways of the Town; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 33. To see if the Town will make an appropriation for Improvements throughout the Town to the Town's Drainage System and to increase its capacity; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 34. To see if the Town will make an appropriation for the relocation, alteration and widening, construction of, specific repairs upon and improvement of all or any parts of Summer Street, Medford Street, Massachusetts Avenue, Lowell Street and Mystic Street, within the town as now existing or hereafter reallocated, altered and widened, including land damages, if any, under the provisions of law authorizing the assessment of betterments or otherwise; said appropriation to be used with any sum or sums which may be allotted by the Commonwealth or County of Middlesex, or both, for such purpose or purposes; determine in what manner the money shall be raised and expended; or take any action in any way relative to all or any of the foregoing.

Article 35. To see if the Town will accept the laying out of a Town way from Forest Street to No. 33, substantially in the location of the private way known as Dodge Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southeasterly side line of Forest Street and the northeasterly side line of Dodge Street, thence southerly and southeasterly on said northeasterly side line of Dodge Street on a curve to the left with a radius of 24.56 feet a distance of 34.69 feet to a point of tangency, thence southeasterly on said northeasterly side line of Dodge Street, a distance of 671.40 feet, thence southwesterly across said Dodge Street a distance of 40.0 feet to the point of intersection of the northwesterly side line of Maybie Street and the southwesterly side line of Dodge Street, thence northwesterly on said southwesterly side line of Dodge Street a distance of 650.08 feet to a point of curve, thence northwesterly, westerly and southwesterly on said southwesterly side line of Dodge Street on a curve to the left with a radius of 25 feet a distance of 46.84 feet to the point of intersection of said southwesterly side line of Dodge Street and the southeasterly side line of Forest Street, thence northeasterly on said southeasterly side line of Forest Street on a curve to the right with a radius of 679.25 feet a distance of 96.05 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Board of Survey Plan and Profile of Dodge Street, Arlington, Mass. Scales, Hor. 1" = 40', Vert. 1" = 6', July 1953, James M. Keane, Town Engineer".

Article 36. To see if the Town will accept the laying out of a Town way from Dodge Street to Dodge Street, substantially in the location of the private way known as Lorraine Terrace, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southwesterly side line of Dodge Street and the northwesterly side line of Lorraine Terrace, thence southeasterly on said southwesterly side line of Dodge Street a distance of 91.86 feet to a point on said southwesterly side line of Dodge Street and the southeasterly side line of Lorraine Terrace, thence northwesterly, westerly and southwesterly on said southeasterly side line of Lorraine Terrace on a curve to the left with a radius of 20 feet a distance of 38.15 feet to a point of tangency, thence southwesterly on said southeasterly side line of Lorraine Terrace a distance of 183.84 feet to a point of curve, thence southwesterly, southerly and southeasterly on said southeasterly side line of Lorraine Terrace on a curve to the left with a radius of 30 feet a distance of 37.82 feet to a point of tangency, thence southeasterly on the northeasterly side line of Lorraine Terrace a distance of 109.37 feet to a point of curve, thence southeasterly, easterly and northeasterly on said northeasterly side line of Lorraine Terrace on a curve to the left with a radius of 30 feet a distance of 48.27 feet to a point of tangency, thence northeasterly on the northwesterly side line of Lorraine Terrace a distance of 162.30 feet to a point of curve, thence northeasterly, northerly and northwesterly on said northwesterly side line of Lorraine Terrace on a curve to the left with a radius of 25 feet a distance of 37.65 feet to the point of intersection of said northwesterly side line of Lorraine Terrace and the southwesterly side line of Dodge Street, thence southeasterly on said southwesterly side line of Dodge Street a distance of 90.18 feet to the point of intersection of said southwesterly side line of Dodge Street and the southeasterly side line of Lorraine Terrace, thence northwesterly, westerly and southwesterly on said southeasterly side line of Lorraine Terrace on a curve to the left with a radius of 25 feet a distance of 40.89 feet to the point of tangency, thence southwesterly on said southeasterly side line of Lorraine Terrace a distance of 187.63 feet to a point of curve, thence southwesterly, westerly and northwesterly on said southeasterly side line of Lorraine Terrace on a curve to the right with a radius of 40 feet a distance of 64.36 feet to a point of tangency, thence northwesterly on the southwesterly side line of Lorraine Terrace a distance of 162.43 feet to a point of curve, thence northwesterly, northerly and northeasterly on said southwesterly side line of Lorraine Terrace on a curve to the right with a radius of 40 feet a distance of 50.42 feet to a point of tangency, thence northeasterly on the northwesterly side line of Lorraine Terrace a distance of 226.64 feet to a point of curve, thence northerly and northwesterly on said northwesterly side line of Lorraine Terrace on a curve to the left with a radius of 30 feet a distance of 37.02 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Street Plan and Profile of Lorraine Terrace, Arlington, Mass. Hor. Scale: 1 in. = 40 ft. Ver. Scale: 1 in. = 6 ft. March 31, 1953, Fred A. Joyce, Surveyor, Belmont, Mass."

Article 37. To see if the Town will accept the laying out of a Town way from Quincy Street to its end, substantially in the location of the private way known as Benjamin Road, as made and filed in the office of the Town Clerk

by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northeasterly side line of Quincy Street and the southwesterly side line of Benjamin Road, thence northeasterly, northerly and northwesterly on said southwesterly side line of Benjamin Road on a curve to the left with a radius of 25 feet a distance of 36.57 feet to a point of tangency, thence northwesterly on said southwesterly side line of Benjamin Road a distance of 145.46 feet, thence northeasterly across said Benjamin Road a distance of 40.29 feet to a point on the northeasterly side line of Benjamin Road, thence southeasterly on said northeasterly side line of Benjamin Road a distance of 140.56 feet to a point of curve, thence southeasterly, easterly and northeasterly on said northeasterly side line of Benjamin Road on a curve to the left with a radius of 25 feet a distance of 41.97 feet to the point of intersection of said northeasterly side line of Benjamin Road and the northwesterly side line of Quincy Street, thence southwesterly on said northwesterly side line of Quincy Street a distance of 90.50 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Benjamin Road, Estate of Ira L. Russell, Arlington, Mass. Scale Hor. 1" - 40' Ver. 1" - 6' Jan. 1921, C. H. Gannett, C. E. 53 State Street, Boston."

Article 38. To see if the Town will accept the laying out of a Town way from Fisher Road to Colby Road, substantially in the location of the private way known as Hillcrest Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at a point on the southeasterly side line of Hillcrest Street at the end of the present accepted portion of Hillcrest Street, thence northeasterly on said southeasterly side line of Hillcrest Street distances of 100.0 feet and 40.99 feet to the point of intersection of said southeasterly side line of Hillcrest Street and the northeasterly side line of Colby Road, thence northwesterly across said Hillcrest Street a distance of 38 feet more or less to a point on the northwesterly side line of Hillcrest Street, thence southwesterly on said northwesterly side line of Hillcrest Street on a curve to the left with a radius of 367.99 feet a distance of 41 feet more or less to a point of tangency, thence southwesterly on said northwesterly side line of Hillcrest Street a distance of 97.35 feet to the point of intersection of said northwesterly side line of Hillcrest Street and the northeasterly side line of Fisher Road, thence southeasterly across said Hillcrest Street and by the end of the accepted portion of Hillcrest Street a distance of 40.0 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Hillcrest Street, Arlington, Mass. Petitioned For By Edgar C. Linn, Brookline, Hor. 40' to 1" Vert. 6' to 1" Dec. 1919, H. A. Millhouse, C. E."

Article 39. To see if the Town will accept the laying out of a Town way from Mountain Avenue to Dickson Avenue, substantially in the location of the

private way known as Wheeler Lane, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northeasterly side line of Mountain Avenue and the northwesterly side line of Wheeler Lane, thence southeasterly, easterly and northeasterly on said northwesterly side line of Wheeler Lane on a curve to the left with a radius of 25 feet a distance of 39.27 feet to a point of tangency, thence northeasterly on said northwesterly side line of Wheeler Lane a distance of 215.0 feet to the point of intersection of said northwesterly side line of Wheeler Lane and the northeasterly side line of Dickson Avenue, thence southeasterly across said Wheeler Lane a distance of 40.0 feet to a point on the southeasterly side line of Wheeler Lane, thence southwesterly on said southeasterly side line of Wheeler Lane, a distance of 215.0 feet to a point of curve, thence southwesterly, southerly and southeasterly on said southeasterly side line of Wheeler Lane on a curve to the left with a radius of 25 feet a distance of 39.27 feet to the point of intersection of said southeasterly side line of Wheeler Lane and the northeasterly side line of Mountain Avenue, thence northwesterly on said northeasterly side line of Mountain Avenue a distance of 90.0 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Street Plan & Profile Wheeler Lane, Arlington, Mass. Scale Hor. 1" - 40' Ver. 1" - 4' Sept. 27, 1955 Kenneth B. Oates Co. Civil Engineers & Reg. Land Surveyors".

Article 40. To see if the Town will accept the laying out of a Town way from end of acceptance to its present end, substantially in the location of the private way known as Woodside Lane, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at a point on the southwesterly side line of Woodside Lane at the present end of the accepted portion of Woodside Lane, thence northwesterly on said southwesterly side line of Woodside Lane a distance of 669.42 feet to a point, thence northeasterly across said Woodside Lane a distance of 40.29 feet to a point on the northeasterly side line of Woodside Lane, thence southeasterly on said northeasterly side line of Woodside Lane a distance of 661.41 feet to a point, thence southwesterly across said Woodside Lane and by the end of the present accepted portion of Woodside Lane a distance of 40.02 feet to the point of beginning as shown on two plans on file in the office of the Town Clerk, Arlington, Mass. the first entitled, "Board of Survey Plan & Profile of Woodside Lane, Arlington, Mass. Scales Hor. 1" - 40' Vert. 1" - 6' April 1954 Richard D. Carney, Engineer" and the other entitled "Board of Survey Plan & Profile of Woodside Lane, Arlington, Mass. Scales Hor. 1" - 40' Vert. 1" - 6' December 12, 1959 Joseph Selwyn Civil Engineer".

Article 41. To see if the Town will accept the laying out of a Town way from Wollaston Avenue to Williams Street, substantially in the location of the private way known as Rublee Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northwesterly side line of Wollaston Avenue and the southwesterly side line of Rublee Street, thence northeasterly, northerly and northwesterly on said southwesterly side line of Rublee Street on a curve to the left with a radius of 15 feet a distance of 21.81 feet to a point of tangency, thence northwesterly on said southwesterly side line of Rublee Street a distance of 537.96 feet to a point of curve, thence northwesterly, westerly and southwesterly on said southwesterly side line of Rublee Street on a curve to the left with a radius of 15 feet a distance of 26.61 feet to the point of intersection of said southwesterly side line of Rublee Street and the southeasterly side line of Williams Street, thence northeasterly on said southeasterly side line of Williams Street a distance of 71.47 feet to the point of intersection of said southeasterly side line of Williams Street and the northeasterly side line of Rublee Street, thence southerly and southeasterly on said northeasterly side line of Rublee Street on a curve to the left with a radius of 15 feet a distance of 20.52 feet to a point of tangency, thence southeasterly on said northeasterly side line of Rublee Street a distance of 542.68 feet to a point of curve, thence southeasterly, easterly and northeasterly on said northeasterly side line of Rublee Street on a curve to the left with a radius of 15 feet a distance of 24.71 feet to the point of intersection of said northeasterly side line of Rublee Street and the northwesterly side line of Wollaston Avenue, thence southwesterly on said northwesterly side line of Wollaston Avenue, distances of 16.19 feet and 53.67 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Rublee Street, Appleton Terrace, Arlington, Mass. Scales Horizontal 40 feet to an inch, Vertical 6 feet to an inch, Ernest W. Branch, Civil Engineer".

Article 42. To see if the Town will accept the laying out of a Town way from its present end to Rublee Street, substantially in the location of the private way known as Hibbert Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at a point on the southeasterly side line of Hibbert Street at the present end of the accepted portion of Hibbert Street, thence southwesterly on said southeasterly side line of Hibbert Street a distance of 220.0 feet to the point of intersection of said southeasterly side line of Hibbert Street and the southwesterly side line of Rublee Street, thence northwesterly across said Hibbert Street a distance of 40.0 feet to the point of intersection of said southwesterly side line of Rublee Street and the northwesterly side line of Hibbert Street, thence northeasterly on said northwesterly side line of Hibbert Street a distance of 220.0 feet to a point, thence southeasterly across said Hibbert Street and by the end of the present accepted portion of Hibbert Street a distance of 40.0 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Board of Survey Plan and Profile of Hibbert Street, Arlington, Mass. Scales Hor. 1" - 40', Vert. 1" - 6' Oct. 21, 1935 James M. Keane, Town Engineer".

Article 43. To see if the Town will accept the laying out of a Town way from Hibbert Street to the Lexington Line, substantially in the location of the

private way known as Rublee Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the westerly side line of Hibbert Street and the southerly side line of Rublee Street, thence northwesterly on said southerly side line of Rublee Street a distance of 534.04 feet to the point of intersection of said southerly side line of Rublee Street and the Arlington-Lexington Town Line, thence northeasterly on said Arlington-Lexington Town Line and across said Rublee Street a distance of 45.57 feet to the point of intersection of said Arlington-Lexington Town Line and the northerly side line of Rublee Street thence southeasterly on said northerly side line of Rublee Street a distance of 502.21 feet to a point of curve, thence easterly and northeasterly on said northerly side line of Rublee Street on a curve to the left with a radius of 15 feet a distance of 23.56 feet to the point of intersection of said northerly side line of Rublee Street and the westerly side line of Hibbert Street, thence southwesterly on said westerly side line of Hibbert Street a distance of 55.0 feet to the point of beginning as shown on two plans on file in the office of the Town Clerk, Arlington, Mass. one entitled, "Board of Survey Plan and Profile of Rublee Street, Arlington, Mass. Scales Hor. 1" - 40' Ver. 1" - 6' Aug. 1960 John J. Sullivan, C. E." and the other entitled "Plan and Profile of Rublee Street Arlington, Mass. Scales Hor. 1" - 40' Vert. 1" - 6' Oct. 1964 Fred A. Joyce, Surveyor".

Article 44. To see if the Town will accept the laying out of a Town way from Station 6 + 07.93 to Rublee Street, substantially in the location of the private way known as Udine Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southerly side line of Rublee Street and the easterly side line of Udine Street, thence southwesterly on said easterly side line of Udine Street a distance of 188.70 feet to a point of curve, thence southwesterly, southerly and southeasterly on said easterly side line of Udine Street on a curve to the left with a radius of 142.33 feet a distance of 148.20 feet to a point of tangency, thence southwesterly across said Udine Street a distance of 40.0 feet to a point of curve on the westerly side line of Udine Street, thence northwesterly, northerly and northeasterly on said westerly side line of Udine Street on a curve to the right with a radius of 182.33 feet a distance of 189.85 feet to a point of tangency, thence northeasterly on said westerly side line of Udine Street a distance of 160.30 feet to a point of curve, thence northerly and northwesterly on said westerly side line of Udine Street on a curve to the left with a radius of 12.74 feet a distance of 23.58 feet to the point of intersection of said westerly side line of Udine Street, the southerly side line of Rublee Street and the Arlington-Lexington Town Line, thence southeasterly on said southerly side line of Rublee Street a distance of 58.54 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Udine Street, Appleton Terrace Arlington, Mass. Scales Horizontal 40 feet to an inch. Vertical 6 feet to an inch, Ernest W. Branch, Civil Engineer".

Article 45. To see if the Town will accept the laying out of a Town way from Lots 33 and 54 to Rublee Street 340' southerly, substantially in the location of the private way known as Sylvia Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northerly side line of Rublee Street and the westerly side line of Sylvia Street, thence easterly and north-easterly on said westerly side line of Sylvia Street on a curve to the left with a radius of 25 feet a distance of 39.27 feet to a point of tangency, thence north-easterly on said westerly side line of Sylvia Street a distance of 315.0 feet to a point, thence southeasterly across said Sylvia Street a distance of 40.0 feet to a point on the easterly side line of Sylvia Street, thence southwesterly on said easterly side line of Sylvia Street a distance of 315.0 feet to a point of curve, thence southerly and southeasterly on said easterly side line of Sylvia Street on a curve to the left with a radius of 25 feet a distance of 39.27 feet to the point of intersection of said easterly side line of Sylvia Street and the northerly side line of Rublee Street, thence northwesterly on said northerly side line of Rublee Street a distance of 90.0 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of a portion of Sylvia Street Arlington, Scale Vertical 6 ft. - 1 in. Horizontal 40 ft. - 1 in. J. O. Goodwin, Surveyor, Medford, Oct. 1907".

Article 46. To see if the Town will accept the alteration and reconstruction of the way known as Edmund Road, on the southeasterly corner at Summer Street, as made and reported by the Board of Selectmen, in its capacity as a Board of Survey; will make an appropriation for the taking, alteration, construction of, and specific repairs upon all or any part of said way as now existing or hereafter altered; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Said way as so altered and reconstructed is to include the parcel of land bounded and described as follows:

Beginning at a stone bound at the point of intersection of the easterly side line of Summer Street, and the southerly side line of Edmund Road, thence easterly on said southerly side line of Edmund Road, a distance of 22.42 feet, thence southwesterly and southerly through private lands on a curve to the left with a radius of 25.0 feet a distance of 36.55 feet, to a point on the easterly side line of Summer Street, thence northerly on said easterly side line of Summer Street, a distance of 22.42 feet, to the point of beginning and shown on a plan on file in the office of the Town Clerk, Arlington, Mass., entitled "Board of Survey Plan and Profile of a Portion of Edmund Road, Arlington, Mass. Scales: Hor. 1" - 10', Vert. 1" - 3, November 19, 1964, W. H. Roby, Town Engineer".

Article 47. To see if the Town will make an appropriation under the provisions of law authorizing the assessment of betterments, for the original construction of public ways in the Town, the laying out of which is accepted at this meeting, including land damages and the cost of pavement and sidewalks laid at the time of said construction; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 48. To see if the Town will authorize the acquisition by purchase, eminent domain or otherwise of any land easements or rights therein, including an easement or easements in land adjoining the location of any or all public ways, the laying out of which is accepted at this meeting, consisting of a right to have the land of the location protected by having the surface of such adjoining land slope from the boundary of the location; make an appropriation for such acquisition; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 49. To see if the Town will accept the laying out of a Town way from River Street to Everett Street, substantially in the location of the private way known as Yale Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southeasterly side line of River Street and the northeasterly side line of Yale Road, thence southwesterly, southerly and southeasterly on said northeasterly side line of Yale Road on a curve to the left with a radius of 20 feet a distance of 31.42 feet to a point of tangency, thence southeasterly on said northeasterly side line of Yale Road a distance of 413.46 feet to a point of curve, thence southeasterly, easterly and northeasterly on said northeasterly side line of Yale Road on a curve to the left with a radius of 20 feet a distance of 31.16 feet to the point of intersection of said northeasterly side line of Yale Road and the northwesterly side line of Everett Street, thence southwesterly on said northwesterly side line of Everett Street distances of 11.75 feet and 67.64 feet respectively to the point of intersection of said northwesterly side line of Everett Street and the southwesterly side line of Yale Road, thence northeasterly, northerly and northwesterly on said southwesterly side line of Yale Road on a curve to the left with a radius of 20 feet a distance of 31.07 feet to a point of tangency, thence northwesterly on said southwesterly side line of Yale Road a distance of 414.28 feet to a point of curve, thence northwesterly, westerly and southwesterly on said southwesterly side line of Yale Road on a curve to the left with a radius of 20 feet a distance of 31.42 feet to a point of intersection of said southwesterly side line of Yale Road and the southeasterly side line of River Street, thence northeasterly on said southeasterly side line of River Street a distance of 80.0 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Yale Road, Arlington, Mass. Hor. Scale 1 in. = 40 ft. Ver. Scale 1 in. = 4 ft. Dec. 10, 1952, Fred A. Joyce, Surveyor".

Article 50. To see if the Town will accept the laying out of a Town way from Washington Street to its end, substantially in the location of the private way known as Wigwam Circle, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the westerly side line of Washington Street and the southerly side line of Wigwam Circle, thence northwesterly and westerly on said southerly side line of Wigwam Circle on a

curve to the left with a radius of 20 feet a distance of 31.42 feet to a point of tangency, thence South 84 degrees 18' 20" West a distance of 122.68 feet to the point of curve, thence southwesterly on said southerly side line of Wigwam Circle on a curve to the left with a radius of 40 feet a distance of 28.71 feet to a point of reverse curve, thence westerly, northerly and easterly on a curve to the right connecting said southerly side line of Wigwam Circle with the northerly side line of Wigwam Circle with a radius of 40 feet a distance of 183.48 feet to the point of reverse curve, thence southeasterly and easterly on said northerly side line of Wigwam Circle on a curve to the left with a radius of 40 feet a distance of 28.71 feet to a point of tangency, thence North 84 degrees 18' 20" East a distance of 122.68 feet to a point of curve, thence northeasterly and northerly on said northerly side line of Wigwam Circle on a curve to the left with a radius of 20 feet a distance of 31.42 feet to the point of intersection of said northerly side line of Wigwam Circle and the westerly side line of Washington Street, thence southerly on said westerly side line of Washington Street a distance of 30.0 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Wigwam Circle in Arlington, Mass. Scales Horiz. 1 in. - 40 ft. Vert. 1 in. - 6 ft. Rowland H. Barnes & Co., Civil Engineers, May 1957".

Article 51. To see if the Town will accept the laying out of a Town way from Washington Street 220' westerly, substantially in the location of the private way known as Gay Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the westerly side line of Washington Street and the southerly side line of Gay Street, thence northwesterly, westerly and southwesterly on said southerly side line of Gay Street on a curve to the left with a radius of 21.14 feet a distance of 36.73 feet to a point of tangency, thence southerly 79 degrees 17' 10" westerly a distance of 187.66 feet to a point, thence northwesterly across said Gay Street a distance of 40.57 feet to a stone bound on the northerly side line of Gay Street, thence northerly 79 degrees 17' 10" easterly a distance of 207.93 feet to a point of curve, thence easterly and northeasterly on said northerly side line of Gay Street on a curve to the left with a radius of 20 feet a distance of 29.66 feet to the point of intersection of said northerly side line of Gay Street and the westerly side line of Washington Street, thence southerly on said westerly side line of Washington Street distances of 17.59 feet and 66.29 feet respectively to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Gay St. in Arlington, Mass. Scales Horiz. 1 in. - 40 ft. Vert. 1 in. - 6 ft. Rowland H. Barnes & Co. Civil Engineers, 681 Main St. Waltham, Mass. Sept. 6, 1957".

Article 52. To see if the Town will accept the laying out of a Town way from Wollaston Avenue 170' southeasterly, substantially in the location of the private way known as Rublee Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southeasterly side line of Wollaston Avenue and the northeasterly side line of Rublee Street, thence southerly and southeasterly on said northeasterly side line of Rublee Street on a curve to the left with a radius of 15 feet a distance of 22.41 feet to a point of tangency, thence southeasterly on said northeasterly side line of Rublee Street a distance of 28.51 feet to a point of curve, thence southeasterly on said northeasterly side line of Rublee Street on a curve to the right with a radius of 439.24 feet a distance of 134.0 feet, thence southwesterly across said Rublee Street a distance of 40 feet more or less to the point of curve in the southwesterly side line of Rublee Street, thence northwesterly on said southwesterly side line of Rublee Street on a curve to the left with a radius of 399.24 feet a distance of 123.92 feet to a point of tangency, thence northwesterly on said southwesterly side line of Rublee Street a distance of 21.13 feet to a point of curve, thence northwesterly, westerly and southwesterly on said southwesterly side line of Rublee Street on a curve to the left with a radius of 15 feet a distance of 25.23 feet to the point of intersection of said southwesterly side line of Rublee Street and the southeasterly side line of Wollaston Avenue, thence northeasterly on said southeasterly side line of Wollaston Avenue distances of 57.02 feet and 13.86 feet respectively to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Rublee Street, Appleton Terrace, Arlington, Mass. Scales Horizontal 40 feet to an inch, Vertical 6 feet to an inch, Ernest W. Branch, Civil Engineer."

Article 53. To see if the Town will accept the laying out of a Town way from Yerxa Road to Dickson Avenue, substantially in the location of the private way known as Hemlock Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at a point on the southwesterly side line of Hemlock Street at the end of the present accepted portion of Hemlock Street, thence northwesterly on said southwesterly side line of Hemlock Street a distance of 221.96 feet to a point, thence northeasterly across said Hemlock Street and by the end of the present accepted portion of Hemlock Street, a distance of 40.60 feet to a point on the northeasterly side line of Hemlock Street, thence southeasterly on said northeasterly side line of Hemlock Street a distance of 225.32 feet to a point, thence southwesterly across said Hemlock Street and by the end of the present accepted portion of Hemlock Street a distance of 40.06 feet to the point of beginning as shown on a plan on file in the office of the town Clerk, Arlington, Mass. entitled, "Plan and Profile of Hemlock Street, Arlington, Mass. Scale Hor. 1 in. - 40 ft. Vert. 1 in. - 6 ft. Jan 5, 1958, Francis J. DeRoche, Eng.".

Article 54. To see if the Town will make an appropriation under the provisions of law authorizing the assessment of betterments for the reconstruction of any or all parts of certain public ways in the Town, the laying out of which is accepted at this meeting including costs of acceptance, land damages and the cost of paving any or all sidewalks to be laid out at the time of said reconstruction; determine how the money shall be raised and expended; or take any action relating thereto.

Article 55. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury a sum of money for the reconstruction, including sidewalks and edgestones, of the public way in the Town known as Chestnut Terrace; or take any action relating thereto.

(Inserted at the request of the Arlington Housing Authority)

Article 56. To see if the Town will make an appropriation for the conversion of a portion of the traffic signals now existing within the Town to conform with the requirements contained in the manual on Uniform Traffic Control Devices issued by the Bureau of Public Roads of the U. S. Department of Commerce; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 57. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury a sum or sums of money for the reconstruction, channelization and the installation of pedestrian actuated traffic signals at the intersection of Summer Street and Brattle Street; or take any action relating thereto.

Article 58. To see if the Town will make an appropriation for the construction of permanent sidewalks and granite edgestones on Appleton Street, between the Concord Highway (Route 2) and Claremont Avenue; determine how the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 59. To see if the Town will make an appropriation for new Fire Department communication equipment and for further replacement of fire alarm equipment in fire alarm central office at Fire Headquarters; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 60. To see if the Town will vote to authorize the Town Manager to sell, transfer, or otherwise dispose of one 1929 Seagrave 750-gallon pumper fire engine owned by the Town and formerly used by the Fire Department; or take any action relating thereto.

Article 61. To see if the Town will make an appropriation for the reconstruction, including all necessary repairs, of the bridge over the Boston and Maine Railroad located at Park Avenue, between Massachusetts Avenue and Downing Square; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 62. To see if the Town will amend its Zoning By-Laws by altering the Zoning Map therein referred to so as to include in the Residence C District the area now included in the Residence B District, and bounded and described, as follows:

SOUTHEASTERLY by Gardner Street, 540.23 feet;

SOUTHWESTERLY by land of the Arlington Housing Authority, as shown on a plan hereinafter mentioned, 290 feet;

NORTHWESTERLY by Lot 25 as shown on said plan, 422.77 feet;

NORTHEASTERLY by Lot B as shown on said plan, 59 feet;

NORTHWESTERLY again by said Lot B as shown on said plan, 26.04 feet; and

NORTHEASTERLY again by Lot A2 as shown on said plan, 94.79 feet.

Being shown as Lots A and Pts. 22, 23 & 24 on Block Plan 36 of the Arlington Assessors' Plans. Containing 78,345 square feet of land according to said plan.

(Inserted at the request of ten (10) registered voters)

Article 63. To see if the Town will amend its Zoning By-Law by altering the Zoning Map therein referred to so as to include in the Residence C District the area now included in the Residence B District, and bounded and described as follows:

WESTERLY by Summer Street, 125.4 feet;
NORTHERLY by Lot numbered 157, 100 feet;
EASTERLY by Lot A, 115 feet; and
SOUTHERLY by Lot C, 103 feet.

Containing 11,950 square feet of land. Said parcel being shown as Lot numbered 158 and Lot Bon "Sub-Division of Land in Arlington, Mass. Owned by Angelo Pasquantonio, by J. M. Keane, C.E." recorded with the Middlesex South District Deeds in Book of Plans 406, Plan 7.

(Inserted at the request of ten (10) registered voters)

Article 64. To see if the Town will petition the General Court for authority to sell, convey or otherwise dispose of the parcel of land hereinafter described, which is now part of the public parks within the Town and will vote to authorize and direct the Board of Selectmen to sell, convey or otherwise dispose of said parcel to Anthony J. DiMare and Dominic F. DiMare d.b.a. DiMare Brothers, or their nominee, hereinafter called the buyer.

DESCRIPTION

Said parcel of land is bounded and described, as follows:

Beginning at a point twenty-nine (29) feet from the southerly side of land now owned by the Boston and Maine Railroad, thence northwesterly for a distance of Two Hundred and Thirteen (213) feet to a angle point along property of Boston and Maine Railroad, thence northerly a distance of Fifty-One and 43/100 (51.43) feet to an angle point along property now of the Boston and Maine Railroad, thence northeasterly a distance of Sixty-Five (65) feet, thence easterly for a distance of Three Hundred and Eighty (380) feet to an angle point of property now owned by DiMare Brothers, thence southwesterly for a distance of Sixty-Eight and 20/100 (68.20) feet, thence to an angle point southerly of Seventy-One and 33/100 (71.33) feet to land owned by the Boston and Maine Railroad and containing about Twenty-Four Thousand (24,000) square feet, more or less.

(Inserted at the request of ten (10) registered voters)

Article 65. To see if the Town will amend its Zoning By-Laws by altering the Zoning Map therein referred to so as to include in the Industrial District, all or any part of the area now included in land owned by the Town of Arlington for park purposes, bounded and described, as follows:

DESCRIPTION

Said parcel of land is bounded and described as follows:

Beginning at a point twenty-nine (29) feet from the southerly side of land now owned by the Boston & Maine Railroad, thence northwesterly, for a distance of two hundred and thirteen (213) feet to an angle point along property of Boston & Maine Railroad, thence northerly a distance of fifty-one and 43/100 (51.43) feet to an angle point along property now of the Boston & Maine

Railroad, thence northeasterly a distance of sixty-five (65) feet, thence easterly for a distance of three hundred and eighty (380) feet to an angle point of property now owned by DiMare Brothers, thence southwesterly for a distance of sixty-eight and 20/100 (68.20) feet, thence to an angle point southerly of seventy-one and 33/100 (71.33) feet to land owned by the Boston & Maine Railroad and containing about twenty-four thousand (24,000) square feet more or less.

(Inserted at the request of ten (10) registered voters)

Article 66. To see if the Town will amend Division 4 of the Building Code established under Article 15 of the Town's By-Laws by inserting after Section 4 - 4 the following new section.

Section 4 - 5 Swimming Pools

BUILDING DEPARTMENT CONSTRUCTION PERMITS AND APPROVAL

Before work is commenced on the construction of a swimming pool or family pool or on any alteration, addition, remodeling or other improvement to a swimming pool or family pool, an application for a permit to construct and the plans and specifications and pertinent explanatory data shall be submitted to the Building Department for its approval, and no part of the work shall be commenced until the Inspector of Buildings has granted such approval by a written permit to construct and has further evidenced his approval by a suitable endorsement upon such plans and specifications. No department of the town charged with the duty of issuing permits for building, plumbing or for other work in connection with the construction of a swimming pool or the construction of any alteration, addition, remodeling or other improvement to a swimming pool or family pool shall issue a permit for a swimming pool until the plans and specifications thereof have been thus endorsed by the Inspector of Buildings.

ENCLOSURE OF SWIMMING POOLS

Every outdoor swimming pool or family pool shall be completely surrounded by a fence or wall not less than 4 feet in height, which shall be so constructed as not to have openings, holes, or gaps larger than 4 inches in any dimension except for doors and gates; and if a picket fence is erected or maintained, the horizontal dimension shall not exceed 4 inches. A dwelling house or accessory building may be used as part of such enclosure.

All gates or doors opening through such enclosure shall be equipped with a self-closing and self-latching device for keeping the gate or door securely closed at all times when not in actual use, except that the door of any dwelling which forms a part of the enclosure need not be so equipped.

This requirement shall be applicable to all new swimming pools or family pools hereinafter constructed, other than indoor pools, and shall apply to all existing pools which have a minimum depth of 18 inches of water. No person in possession of land within the town, either as owner, purchaser, lessee, tenant or a licensee, upon which is situated a swimming pool or family pool having a minimum depth of 18 inches shall fail to prove and maintain such fence or wall as herein provided.

The Inspector of Buildings may make modifications in individual cases, upon a showing of good cause with respect to the height, nature or location of the fence, wall, gates or latches, or the necessity therefore, provided the protection as sought hereunder is not reduced thereby. The Inspector of Buildings may permit other protective devices or structures to be used so long as the

degree of protections afforded by the substitute devices or structures is not less than the protection afforded by the wall, fence, gate and latch described herein. The Inspector of Buildings shall allow a reasonable period within which to comply with the requirements of this Section.

Article 67. To see if the Town will amend its Zoning By-Law by altering the Zoning Map therein so as to include in the Business C District the area now included in the Business A District and the Residence C-1 District, bounded and described as follows:

1st Section:

Beginning at the point of intersection of the centerline of Winter Street and the centerline of Mass. Avenue, thence northwesterly on said centerline of Mass. Avenue to a point opposite the division line between the properties numbered 395 and 397 Mass. Avenue, thence northeasterly on said division line and its extension and on the northwesterly boundary line of the property numbered 280 Broadway and its extension to the centerline of Broadway, thence southeasterly on said centerline of Broadway to a point, thence southwesterly by the present C-1 district and on a line 100 feet southeasterly of and parallel to the southeasterly sideline of Franklin Street to an angle point located 125 feet northeasterly of the northeasterly sideline of Mass. Avenue, thence southeasterly on a line 125 feet northeasterly of, parallel to and concentric with the northeasterly sideline of Mass. Avenue to the centerline of Winter Street, thence southwesterly on said centerline of Winter Street to the point of beginning.

2nd Section:

The area now included in the Business A district located between the centerline of Marathon Street and the centerline of Trowbridge Street and between Mass. Avenue and the present Residence C-1 district.

3rd Section:

The area now included in the Business A district located between the centerline of Windsor Street and the centerline of Amsden Street and between Mass. Avenue and the present Residence C-1 district.

4th Section:

The area now included in the Business A district located between the division line between 103 and 105 Mass. Avenue, which is 50 feet southeasterly of the southeasterly sideline of Amsden Street and the centerline of Henderson Street and between Mass. Avenue and the present Residence C-1 district.

5th Section:

The area now included in the Business A district located between the centerline of Lafayette Street and the division line between 80 and 82 Mass. Avenue, which is located 50 feet southeasterly of the southeasterly sideline of Thorndike Street and between Mass. Avenue and the present Residence C-1 district.

6th Section:

The area now included in the Business A district located between the division line between 114 and 116 Mass. Avenue, which is located 100 feet northwesterly of the northwesterly sideline of Magnolia Street and the division line between 130 and 132 Mass. Avenue, which is located 50 feet southeasterly of the southeasterly sideline of Milton Street and between Mass. Avenue and the present Residence C-1 district.

7th Section:

The area now included in the Business A district located between the division line between 218 and 220 Mass. Avenue and the division line between 230 and 232 Mass. Avenue, which is located about 100 feet southeasterly of Orvis Road and between Mass. Avenue and the present Residence C-1 district.

8th Section:

The area now included in the Business A district located between the centerline of Orvis Road and the division line between No. 314 and No. 324 and which is located about 125 feet northerly of the northerly sideline of Linwood Street and between Mass. Avenue and the present Residence C-1 district.

9th Section:

The area now included in the Business A district located between the centerline of a right-of-way between 364 and 370 Mass. Avenue and the centerline of Moore Place and between Mass. Avenue and a line 125 feet southwesterly of, parallel to and concentric with the southwesterly sideline of Mass. Avenue.

10th Section:

The area now included in the Business A District located between the center line of Henderson Street and the westerly boundary line of the property No. 39 Mass. Avenue and between Mass. Avenue and a line 125 feet north-easterly of the northeasterly side line of Mass. Avenue.

(Inserted at the request of the Planning Board)

Article 68: To see if the Town will amend its Zoning By-law as follows:

1. By inserting after Section 17-1 the following new title, "Business C Districts" and new sections:

17-1.1 USE REGULATIONS:

In the Business C Districts, no new building or part thereof shall be constructed or used and no building or part thereof shall be altered, enlarged, reconstructed or used and no land shall be used for any purpose except the following:

- (a) Any purpose which is authorized or may be permitted in the Residence C-1 districts.
- (b) One or more of the following uses:
 - (1) Funeral home
 - (2) Business or professional office or agency
 - (3) Public or semi-public building
- (c) Any other purpose which the Zoning Board of Appeals shall specifically find is of the same general character as any of the foregoing purposes authorized or permissible in the district, provided the approval of the Zoning Board of Appeals is obtained in the manner set forth in Section 4 and 4a of the Zoning By-Law.
- (d) Such other accessory purposes as are customary or usual in connection with any of the foregoing purposes and are incidental thereto.

17-1.2 BUILDING COVERAGE AND COURT REGULATIONS

In the Business C districts, all buildings used for residential purposes shall conform to the building coverage and court regulations as set forth in Section 15-A for Residence C districts, except that where a particular business district has a maximum dimension of less than 500 feet and is bounded on all sides by a Residence A and/or Residence B district, the coverage and court regulations as set forth in Section 15-2 for Residence D districts shall apply instead.

17-1.3 HEIGHT AND AREA REGULATIONS

The height and area regulations in the Business C districts are hereby established as set forth in the "Schedule of Heights and Area Regulations" attached hereto. All buildings in the Business C districts used for residential purposes shall conform to the yard, parking and Landscaping and Recreation Area regulations as set forth for Residence C and C-1 districts, except that

where a particular business district has a maximum dimension of less than 500 feet and is bounded on all sides by a Residence A and/or Residence B district, the yard, parking and Landscaping and Recreation Area regulations as set forth for Residence D districts shall apply. Buildings in Business C districts used exclusively for residential purposes may rise to the height permitted in adjacent Residence C-1 districts except that where a particular business district has a maximum dimension of less than 500 feet and is bounded on all sides by a Residence A and/or Residence B district the height limitation shall be 40 feet and 3 stories.

Buildings in Business C districts used primarily for non-residential purposes shall not exceed 40 feet and three stories in height.

17-1.4 ENCLOSURE OF USES

In the Business C districts, all uses which are authorized or may be permitted, and all uses accessory thereto, shall be conducted wholly within a completely enclosed building, except the following:

1. Uses which are authorized or may be permitted in the Residence C districts.
2. Plants growing in the soil.
3. Automobile parking lots.
4. Exterior signs, if so arranged as not to shine upon secondary streets and away from adjacent residential districts.
5. Exterior lights, if so arranged as to reflect away from streets and from adjacent residence districts.

(Inserted at the request of the Planning Board)

Article 69. To see if the Town will amend its Zoning By-Law as follows:

By inserting within Section 6. Definitions, the following new definition:

“Office”: The term “office” is defined as a place in which functions such as directing, consulting, record keeping, clerical work, and sales (without the presence of merchandise) of a firm are carried on. An office is also defined as a place in which a professional man conducts his professional business.

(Inserted at the request of the Planning Board)

Article 70. To see if the Town will amend its Zoning By-Law as follows:

1. By making the following additions to the Schedule of Height and Area Regulations attached to and made a part of the Zoning By-Law pertaining to the Business C District:

- | | | |
|----|-------------------------------------|----------|
| a. | District Designation - Business C | |
| b. | Height limitations | |
| | Feet: | - 17-1.3 |
| | Stories: | - 17-1.3 |
| c. | Yard Spaces required | 17-1.3 |
| d. | Front yard minimum depth in feet | 17-1.3 |
| e. | Side yard minimum width in feet | 17-1.3 |
| f. | Rear yard minimum depth in feet | 17-1.3 |
| g. | Minimum areas and Court Regulations | 17-1.2 |

(Inserted at the request of the Planning Board)

Article 71. To see if the Town will amend its Zoning By-Law as follows:

1. By striking out the first paragraph of Section 1 entitled Establishment of Districts and inserting in place thereof the following new paragraph:

“For the purpose of this By-Law the Town of Arlington is hereby divided into districts of ten classes to be known as:

1. Residence A Districts
2. Residence B Districts
3. Residence C Districts
4. Residence C-1 Districts
5. Residence D Districts
6. Residence E Districts
7. Business A Districts
8. Business B Districts
9. Business C Districts
10. Industrial Districts

(Inserted at the request of the Planning Board)

Article 72. To see if the Town will amend its Zoning By-Law by striking out Section 18-B, inserting in place thereof the following Section 18-B and adding the following new sections 18-C and 18-D:

18-B HEIGHT AND AREA REGULATIONS:

The Height and Area regulations in the Industrial Districts are hereby established as set forth in the “Schedule of Area Regulations” attached hereto. All buildings in the Industrial Districts used for residential purposes shall conform to the height and yard regulations as set forth for Residence B districts, except that all buildings containing three or more dwelling units shall conform to the height and area regulations as set forth in Section 15-1.3 of the Zoning By-Law for Residence E Districts.

18-C PARKING REQUIREMENTS:

In the Industrial Districts automobile parking spaces and driveways for buildings containing three or more dwelling units shall be required in conformance with the regulations set forth in Section 15-1.2 of the Zoning By-Law for Residence E Districts.

18-D LANDSCAPING AND RECREATION AREAS:

In the Industrial Districts, Landscaping and Recreation Areas shall be required for all buildings containing three or more dwelling units in conformance with the Landscaping and Recreation Area requirements as set forth in Section 15-1.4 of the Zoning By-Law for Residence E Districts.

(Inserted at the request of the Planning Board)

Article 73. To see if the Town will amend its Zoning By-Law as follows:

1. By making the following additions to the Schedule of Height and Area Regulations attached to and made a part of the Zoning By-Law pertaining to the Industrial District:

- a. Height Limitation
 - feet: 18-B
 - stories: 18-B
- b. Front yard minimum depth in feet: 18-B
- c. Side yard minimum width in feet: 18-B
- d. Rear yard minimum depth in feet: 18-B

(Inserted at the request of the Planning Board)

Article 74. To see if the Town will amend its Zoning By-Law as follows:

By inserting within Section 6. Definitions, the following new definition:

“Political Sign”: A political sign is an outdoor sign of a temporary nature used in an election campaign which may pertain to candidates for elective office or to matters brought before the public in the form of referendum. Town precinct bulletin boards and any notices thereon shall not be constructed as political signs.

(Inserted at the request of the Planning Board)

Article 75. To see if the Town will amend its Zoning By-Law as follows:

By inserting after Section 25-M the following new section:

25-N POLITICAL SIGNS:

Political signs, as herein defined, shall not be permitted in any zoning district.

(Inserted at the request of the Planning Board)

Article 76. To see if the Town will amend its Zoning By-Law as follows:

By inserting within Section 6. Definitions, the following new definitions:

“Accessory Signs”: Any billboard, sign or other advertising device that advertises, calls attention to, or indicates the person occupying the premises on which the sign is erected, or the business transacted thereon. The definition does not include signs which advertise the property itself or any part thereof for sale or rent.

“Awning”: The word awning shall be held to have the following meaning: A rooflike covering, as of canvas, stretched upon a frame that is affixed to a building and used above or before any place as a shelter from rain or sun.

“Business Area”: A business area is any area included within a district zoned primarily for business or commercial purposes under the Zoning By-Law. It does not include any area within a district zoned for residential purposes under said Zoning By-Law as hereinafter defined, regardless of whether the area is being lawfully used or is available for such use through a special permit or a variance granted by the Board of Appeals or through a non-conforming use or by any other means.

“Erected”: The word erected shall include the words attached, built, constructed, reconstructed, altered, enlarged and moved.

“Marquee”: The word marquee shall be held to have the following meaning: A rigid surface canopy structure projecting from a building over an exterior entrance thereto and used as a shelter from rain or sun.

“Non-accessory Sign”: Any billboard, sign or other advertising device that does not come within the foregoing definition of an accessory sign.

“Parking Area”: A public parking area or private parking area that is open to parking of motor vehicles by customers of the stores.

“Person”: The word person shall include one or more individuals, a partnership, an association or a corporation.

“Residential Area”: A residential area is any area situated within a district zoned primarily for residential purposes under the Zoning By-Law.

“Sale or Rent Signs”: A sale or rent sign includes signs which advertise the property itself or any part thereof for sale or rent.

“Sign”: The word sign shall include any letter, word, symbol, drawing, picture, design, device, article and object that advertises, calls attention to or indicates any premises, person or activity, whatever the nature of the material and manner and composition or construction.

“Size”: In applying the maximum height and width limitations described in this By-Law for signs, any intermediate removable surface to which a sign is affixed shall be deemed to be part of the sign.

“Standing Sign”: The term standing sign shall include any and every sign erected on or affixed to the land and every exterior sign that is not attached to a building.

“Store”: A store shall include any establishment, place of business or office.

“Street”: Any public way or a private way that is open to public use.

“Zoning By-Law”: The Zoning By-Law of the Town of Arlington which as from time to time is in force and effect.

(Inserted at the request of the Planning Board)

Article 77. To see if the Town will amend its Zoning By-Law as follows:

By inserting after Section 24 the following title, “Signs and Advertising Devices” and new sections:

25-A NUMBER:

There shall not be more than one exterior sign for each store, except that if the store has direct entrances into the store in walls other than the store front there may be a secondary sign affixed to each of such walls. If the store has a wall, other than the store front, that faces upon a street or parking area, there may be a secondary sign affixed to such wall whether or not such wall contains an entrance to the store; provided, however, that no store shall have more than three secondary signs in any event. The cumulative width of the secondary sign or signs shall not exceed fifty percent of the maximum possible width of the sign on the store front. In addition to the foregoing sign or signs, there may be one directory of the occupants or tenants of the building affixed to the exterior wall of the building at each entrance to the building. Such directory shall not exceed an area determined on the basis of one square foot for each occupant or tenant of the building.

25-B LOCATION:

In any industrial and business district, no sign shall be affixed to a building except as hereinafter provided. A sign attached to a building shall be securely affixed to one of the walls and shall be parallel with and not project more than twelve inches from the face of such wall and shall not project beyond the face of any other wall of the building to which it is affixed. No sign shall project above the highest line of the wall of the building to which it is affixed. If the sign is attached to a parapet, it shall not exceed the height of the parapet.

25-C ILLUMINATION AND ANIMATION:

Flashing, moving and animated signs are prohibited in all zoning districts. No red or green lights shall be used on any sign if, in the opinion of the Building Inspector, such light would create a driving hazard. No sign shall be illuminated between 10:30 P.M. and 6:00 A.M. except signs identifying police or fire stations and such other signs as the Zoning Board of Appeals may specifically authorize to be illuminated at other hours, if the Board finds that the nature of the use of the premises is such that illumination should be permitted in the public interest. The provisions of this paragraph shall apply

not only to exterior signs but also to interior signs that are designed or placed so as to shine through windows and doors of any building.

25-D SIZE:

In all industrial and business districts, a sign on the exterior wall of the first floor of a building shall not be more than four feet over-all in height, and may extend across the full width of the store front. A sign on the exterior wall of a store occupying other than the first floor of a building shall not exceed two feet in height and three feet in width.

25-E MARQUEES AND AWNINGS:

1. A marquee and/or awning shall be permitted at each public entrance or display window of a store.

2. A marquee, including any lettering which may be attached to the top surface thereto, shall not be more than four feet over-all in height; such letters must be three-dimensional and parallel with the store front.

3. All regulations pertaining to animation, illumination, and location of signs shall also apply to marquees and awnings, with the exception that painted letters may be applied directly to an awning without the requirement of an intermediate surface thereto.

4. Notwithstanding the foregoing, any marquee or awning shall be subject to the provisions of the Building Code and the Regulations of the Board of Survey regulating signs, marquees, etc., projecting into, on, or over a public street or way.

25-F STANDING SIGNS:

Standing signs are prohibited except as follows:

(1) In particular instances, the Zoning Board of Appeals may permit standing signs in industrial and commercial districts if it is determined that the nature of the use of the premises, the architecture of the building or the location of the building with reference to the street is such that a standing sign or signs should be permitted in the public interest. In granting such permission, the Board of Appeals shall specify the size, type and location of the sign and impose such other terms and restrictions as it may deem in the public interest, subject, however, to the provision of the Building Code and the regulations of the Board of Survey regulating signs projecting into, on or over a public street or way.

(2) During the construction of a building in residential, commercial and industrial districts, a standing sign may be erected on the premises identifying the building, the owner, the contractors, the architects, or the engineers, but such sign shall not exceed thirty-five square feet in surface area nor ten feet in any dimension. Such sign shall be removed promptly after the completion of the building.

25-G GASOLINE FILLING STATIONS AND GARAGES:

Gasoline filling stations and garages may, if they elect to do so, divide the one exterior sign affixed to the front wall of the building to which they are entitled as hereinabove provided into separate signs affixed to and parallel to such wall to indicate the separate operations or departments of the business, provided, however, that the total of the widths of the separate signs shall not exceed the maximum width permitted under the section of this By-Law pertaining to number of signs. In addition, one sign, standing or otherwise, indicating the company whose gasoline is being sold may be erected of such

type, in such location and in such manner as the Zoning Board of Appeals may permit. The standard type of gasoline pump, bearing thereon in usual size and form, the name or type of gasoline and the price thereof, shall not be deemed to be in violation of this By-Law.

25-H CONSTRUCTION:

No sign shall be painted or posted directly on the exterior surface of any wall, including windows and doors. All signs must be painted, posted, or otherwise securely affixed to a substantial intermediate removable surface and such surface shall be securely affixed to the wall of the building. The foregoing, however, shall not prevent installation of a sign by individual letters of devices cut into or securely affixed to the exterior wall of a building, provided that such letters or devices have a minimum depth or projection of one fourth (1/4) of an inch. The material of the sign and intermediate surface and the manner of affixation of the sign to the intermediate surface and of the intermediate surface to the wall of the building shall be subject to the approval of the Building Inspector for the purpose of protecting the safety of the public. Notwithstanding the foregoing, signs may be painted or posted on the interior surface of any wall including windows and doors.

25-I PERMITS:

No sign shall be erected on the exterior of any building or on any land unless and until application for the erection of such sign has been filed with the Building Inspector, with such information and drawings as he may require, and a permit for the erection of the sign has been issued by him. The provisions of this section shall not apply to permitted signs in residential districts except such as by the terms of this By-Law are permitted only with specific permission of the Board of Appeals.

25-J PERTINENCE TO OTHER LAWS:

The Zoning By-Law shall not be construed so as to be inconsistent with or in contravention to sections twenty-nine through thirty-three inclusive of Chapter 93, or section eight of Chapter 85 of the General Laws of the Commonwealth of Massachusetts as Amended.

25-K NONCONFORMING SIGNS:

1. Any nonconforming sign legally erected prior to the adoption of this section, or any amendment thereof, may be continued to be maintained for a period not longer than five years after the date of adoption of this section. Such a sign shall not be enlarged, reworded (other than in the case of theater signs), redesigned or altered in any way unless it is brought into conformity. Any such sign which has been destroyed or damaged to such an extent that the cost of restoration would exceed 35% of the replacement value of the sign at the time of the destruction or damage, shall not be repaired or rebuilt or altered unless in conformity with this section.

2. The exemption herein granted shall terminate with respect to any sign which (1) shall have been abandoned; (2) advertises or calls attention to any products, business or activities which are no longer carried on or sold, whether generally or at the particular premises; or (3), shall not have been repaired or properly maintained within sixty days after notice to that effect has been given by the Building Inspector.

25-L SPECIAL SIGNS:

In particular instances the Zoning Board of Appeals may permit more than the number of signs hereinabove permitted or signs of a greater size or in a location other than hereinabove specified, if it is determined that the

architecture of the building, the location of the building with reference to the street or the nature of the use being made of the store is such that additional sign or signs of a larger size should be permitted in the public interest. In granting such permission, the Board of Appeals shall specify the size and location of the sign or signs and impose such other terms and restrictions as it may deem to be in the public interest.

25-M NON-ACCESSORY SIGNS:

1. No non-accessory signs shall be erected or maintained in any residential district.

2. No nonaccessory signs shall be erected or maintained in any business or industrial district except as permitted under a permit lawfully issued, and remaining in full force and effect by the Outdoor Advertising Authority, or any board or officials succeeding to this authority in the administration of Sections 29-33, inclusive, of Chapter 93 of the General Laws, or any act in addition thereto or amendment thereof.

3. Any non-accessory sign shall comply with the provisions of this by-law with respect to Illumination, Movement, Construction, and Maintenance.

(Inserted at the request of the Planning Board)

Article 78. To see if the Town will amend its Building Code by striking out the paragraph entitled SKY SIGNS of Division 18 -- SIGNS and BILLBOARDS, and inserting in place thereof the following:

SKY SIGNS: Any letter, word, model, sign, device, or representation in the nature of an advertisement, announcement, or direction, supported wholly or in part over or above any structure, shall be deemed to be a sky sign. Any three-dimensional letters affixed to the top surface of a marquee shall not be deemed a sky sign. Sky signs shall not be permitted on any buildings within the Town of Arlington. Three-dimensional letters may be affixed to the top surface of a marquee, subject, however, to the regulations set forth in the zoning by-law with regard to marquees and awnings.

(Inserted at the request of the Planning Board)

Article 79. To see if the Town will amend its Zoning By-Law by striking out Paragraph 1 of Section 13-A and inserting in place thereof the following:

Paragraph 1 -- Section 13-A:

1. Lot area. In the Residence A districts, no lot shall have a frontage of less than sixty feet, or an area of less than seven thousand and five hundred (7,500) square feet, and no building or buildings on any one lot including garages, stables and other accessory buildings, shall be constructed, altered, enlarged, reconstructed or moved, so as to have an average gross floor area per story of more than 30 percent of the area of the lot, provided, however, that this restriction shall not prohibit the erection of a private garage for not more than two cars which is accessory to and used with a building existing when this by-law takes effect and used as a residence for a single family.

(Inserted at the request of the Planning Board)

Article 80. To see if the Town will amend its Zoning By-Law as follows:

1. By striking out the following in the Schedule of Height and Area Regulations attached to and made a part of the Zoning By-Law pertaining to the Residence A District:

- | | |
|--------------------------------------|------|
| a. Maximum lot occupancy in percent: | 35 |
| b. Minimum area in square feet: | 6000 |

and

2. Inserting in place thereof the following:

- | | |
|--------------------------------------|------|
| a. Maximum lot occupancy in percent: | 30 |
| b. Minimum area in square feet: | 7500 |

(Inserted at the request of the Planning Board)

Article 81. To see if the Town will amend its Zoning By-Law by striking out Paragraph 1 of Section 14-A and inserting in place thereof the following:

1. In the Residence B District, no lot shall have a frontage of less than 60 feet or an area of less than seven thousand and five hundred (7,500) square feet, and no building or buildings on any one lot, including garages, and other accessory buildings, shall be constructed, altered, enlarged, reconstructed, or moved so as to have an average gross floor area per story of more than 30 percent of the area of the lot, provided, however, that this restriction shall not prohibit the erection of a private garage for not more than two cars which is accessory to and used with a building existing when this by-law takes effect and used as a residence.

(Inserted at the request of the Planning Board)

Article 82. To see if the Town will amend its Zoning By-Law as follows:

1. By striking out the following in the Schedule of Height and Area Regulations attached to and made a part of the Zoning By-Law pertaining to the Residence B District:

- | | |
|--------------------------------------|------|
| a. Maximum lot occupancy in percent: | 35 |
| b. Minimum area in square feet: | 6000 |

and

2. Inserting in place thereof the following:

- | | |
|--------------------------------------|------|
| a. Maximum lot occupancy in percent: | 30 |
| b. Minimum area in square feet: | 7500 |

(Inserted at the request of the Planning Board)

Article 83. To see if the Town will amend its Zoning By-Law by altering the Zoning Map therein referred to so as to include in the Residence E District the area now included in the Residence B, Residence C and Business A districts bounded and described as follows:

1st Section:

Beginning at the point of intersection of the centerline of River Street and the extension of the southwesterly sideline of Decatur Street, thence southeasterly by said southwesterly sideline of Decatur Street distances of 514.65 feet and 165.65 feet respectively, thence northeasterly across Decatur Street and by the Mystic Valley Parkway a distance of 113.1 feet, thence easterly, southeasterly and southerly by said Mystic Valley Parkway a distance of 900 feet more or less to a point of compound curve, thence southwesterly, westerly and northwesterly by said Mystic Valley Parkway a distance of 39.47 feet to a point on the northeasterly side line of Decatur Street thence southwesterly across Decatur Street a distance of 35 feet to the southwesterly side line of Decatur Street, thence southeasterly by said Decatur Street a distance of 164.9 feet to an angle point, thence southwesterly by land of the Commonwealth of Massachusetts distances of 130.97 feet, 132.77 feet and 179.64 feet respectively, thence northwesterly by property lines distances of 111.02 feet, 10.2 feet, 119.85 feet and 20.5 feet respectively to the centerline of Gardner Street, thence southwesterly on said centerline of Gardner Street, to its intersection with the centerline of Fremont Street, thence north westerly on said centerline of Fremont Street to its intersection with the centerline of N. Union Street, thence southwesterly on said centerline of N. Union Street to a point opposite the division line between Lot 50 and the Thompson School property, thence northwesterly on said division line and extensions thereof to the centerline of Everett Street, thence northeasterly on said centerline of Everett Street to its end, thence northwesterly by the rear boundary lines of Lots 21 to 26 inclusive and the extensions thereof to the centerline of River Street, thence northeasterly on said centerline of River Street to the point of beginning.

2nd Section:

Beginning at the intersection of the centerline of Warren Street and the centerline of River Street, thence northeasterly on said centerline of River Street to its intersection with the centerline of Ernest Road, thence southeasterly on said centerline of Ernest Road to its intersection with the centerline of Everett Street, thence southwesterly on said centerline of Everett Street to a point opposite the northeasterly boundary line of Lot B, thence northwesterly by said northeasterly boundary line of Lot B and the extension thereof a distance of 120 feet to an angle point, thence southwesterly by the northwesterly boundary line of Lot B and the extension thereof a distance of 130 feet to the centerline of Broadway, thence northwesterly on said centerline of Broadway to its intersection with the centerline of Warren Street, thence northwesterly on said centerline of Warren Street to the point of beginning.

3rd Section:

Beginning at the point of intersection of the centerline of Broadway and the centerline of Heath Road, thence northeasterly on said centerline of Heath Road a distance of about 125 feet to a point opposite the northeasterly boundary line of the property numbered 79 Broadway, thence northwesterly by the rear boundary lines and the extensions thereof of the properties numbered from 79 to 93 Broadway inclusive to the centerline of N. Union Street, thence northeasterly on said centerline of N. Union Street to a point opposite the southwesterly boundary line of Lot 8, thence southeasterly on the southwesterly boundary line of Lot 8 and the extension, thereof a distance of 142.42 feet to an angle point, thence northeasterly by the rear boundary lines

of Lot 8 and 35 N. Union Street a distance of 98.46 feet to an angle point, thence southeasterly by the rear boundary lines of the Lots on the southwesterly side of Norcross Street, the Lots on the northeasterly side of Hilton Street and the northeasterly boundary line of No. 22 Gardner Street to the centerline of Gardner Street, thence northeasterly on said centerline of Gardner Street to its intersection with the centerline of Hadley Court, thence southeasterly on said centerline of Hadley Court to the rear boundary line of the Lots on the northwesterly side of Silk Street, thence southwesterly by said boundary line and the extension thereof to the centerline of Broadway, thence northwesterly on said centerline of Broadway to the point of beginning.

(Inserted at the request of the Planning Board)

Article 84. To see if the Town will amend its Zoning By-Law by altering the Zoning Map therein so as to include in the Residence A District the area now included in the Residence C District, bounded and described as follows:

Beginning at the point of intersection of the centerline of Ernest Road and the centerline of River Street, thence northeasterly on said centerline of River Street to a point opposite the rear boundary line of Lot 21 or No. 2 Yale Road, thence southeasterly by the rear boundary lines of Lots 21 to 26 inclusive and the extensions thereof to the centerline of Everett Street, thence southwesterly on said centerline of Everett Street to its intersection with the centerline of Ernest Road, thence northeasterly on said centerline of Ernest Road to the point of beginning.

(Inserted at the request of the Planning Board)

Article 85. To see if the Town will amend its Zoning By-Law by altering the Zoning Map therein referred to so as to include in the Business A District the area now included in the Residence B District between Everett Street and North Union Street and between the Business A District and the Playground Area, bounded and described as follows:

Beginning at a point on the centerline of N. Union Street, 100 ft. northeasterly of the northeasterly sideline of Broadway and on the northeasterly boundary line of the Business A district, thence northwesterly by said Business A district to the centerline of Everett Street, thence northeasterly on said centerline of Everett Street a distance of 20.0 ft. to an angle point, thence southeasterly on line 20.0 ft. northeasterly of and parallel to the northeasterly boundary line of the Business A districts to the centerline of N. Union Street, thence southwesterly on said centerline of N. Union Street 20.0 ft. to the point of beginning.

(Inserted at the request of the Planning Board)

Article 86. To see if the Town will acquire by purchase, eminent domain or otherwise, for the purpose of a public playground or recreation centre, the parcels of land hereinafter described, any portion thereof, any interest or easement therein and any rights or easements of way or otherwise as appurtenant thereto; and subject to or with reservation of any rights or easements therein; determine by whom the powers conferred by Section 14 of Chapter 45 of the General Laws shall be exercised; make an appropriation of money for the purpose aforesaid; determine in what manner the money shall be raised and expended; or take any action relating to any or all of the foregoing. Said parcels of land are bounded and described, as follows:

1st Parcel: Beginning at a point on the southeasterly side line of Magnolia Street 305.0 feet southwesterly of the southwesterly side line of Herbert Road, thence southeasterly on the division line between land of Town of Arlington and Lot 55 a distance of 100.06 feet to a point, thence southwesterly on the southeasterly boundary line of Lots 55, 54, 53, 52, 51, 50 and 49 a distance of 210.0 feet to a point, thence northwesterly on the division line between Lot 49 and Lot 48 a distance of 100.06 feet to a point on the southeasterly side line of Magnolia Street, thence northeasterly on said southeasterly side line of Magnolia Street a distance of 210.0 feet to the point of beginning and containing 21,000 square feet, as shown on a plan on file in the office of the Town Engineer entitled "Plan of Land taken for playground purposes, Arlington, Mass. Scale: 1" - 40', Jan. 1965, W. H. Roby, Town Engineer".

2nd Parcel: Beginning at a point on the northwesterly side line of Magnolia Street 229.98 feet southwesterly of the southwest side line of Herbert Road, thence southwesterly on said northwesterly side line of Magnolia Street a distance of 220.0 feet to a point, thence northwesterly on the division line between Lot 38 and Lot 39 a distance of 100.0 feet to a point, thence northeasterly by the northwesterly boundary line of Lots 38, 37, 36, 34, 33 and 32 a distance of 220.0 feet to a point, thence southeasterly on the division line between Lot 32 and Lot 31 a distance of 100.0 feet to the point of beginning and containing 22,000 square feet, as shown on a plan on file in the office of the Town Engineer entitled "Plan of Land taken for playground purposes, Arlington, Mass., Scale: 1" - 40', Jan. 1965, W. H. Roby, Town Engineer".

(Inserted at the request of the Board of Park Commissioners)

Article 87. To see if the Town will transfer the sum of Eight Thousand Dollars (\$8,000.00) from the Mount Pleasant Cemetery Sale of Lots and Graves Fund to the Cemetery Commissioners for the improvement of the Town Cemeteries.

(Inserted at the request of the Board of Cemetery Commissioners)

Article 88. To see if the Town will vote to appoint a committee to investigate, consider and make recommendations for the proper observance of the One Hundredth Anniversary of the renaming the Town from West Cambridge to Arlington; said committee to report at the next Special Town Meeting, if any, but not later than the 1966 Annual Town Meeting; appropriate a sum of money for use of said committee; determine in what manner the money shall be raised; or take any action relating thereto.

Article 89. To see if the Town will appoint a committee to be known as The Committee Pertaining to a Code of Ethics Among Elected and Appointed Officials; the purposes of which shall be to seek the cooperation of the elected and appointed officials of the town to ascertain facts relative to any conflict between their private interests and their official duties in accordance with Chapter 268A of the General Laws of Massachusetts commonly known as the Conflict of Interests Law; said committee shall consist of fifteen (15) registered voters of the town who shall serve without compensation; fourteen (14) members of said committee shall be appointed by the Precinct Chairmen of the Town Meeting Members, each Precinct Chairman shall appoint one (1) member from his Precinct to said committee and the fifteenth member shall be a member-at-large and shall be appointed by a majority vote of the fourteen (14) members of said committee chosen as aforesaid; no member of said committee shall be an elected, appointed or salaried employee of the town nor shall any member of said committee belong to the immediate family of an elected, appointed or salaried employee; the words "immediate family" shall

be interpreted to include the elected, appointed, or salaried employee and his spouse, and their parents, children, brothers and sisters, nor shall any member of said committee hold any financial interest or derive any financial benefit in any transaction to which the town is a party; the words "elected official" under the provisions of this Article shall be interpreted to exclude Town Meeting Members who do not hold any other elective or appointive post which comes within the provisions of this Article; said committee to file a report in writing of its findings to the Board of Selectmen no later than December 31st and said report shall be a matter of public record and said committee shall also read said report to the Town Meeting at the Annual Town Meeting immediately subsequent to the filing of said report; the said committee may make recommendations to the Board of Selectmen relative to the classification of elected and appointive officials as regular or special municipal employees and may make such general suggestions and recommendations as it may deem expedient; if any member of the said committee is absent from three or more successive meetings, the other members of the committee may by the affirmative vote of a majority of its members remove such absenting member from his membership and the committee shall then promptly fill the vacancy so created by appointing a successor from the precinct of the member so removed; other vacancies to be filled by appointment in the same manner as original appointments said committee to choose annually from its members such officers as it shall deem desirable; or take any action relating to all or any part of the foregoing.

(Inserted at the request of ten (10) registered voters)

Article 90. To see if the Town will make an appropriation for the use of the Arlington Historical Committee to promote appreciation and preservation of Arlington's unequalled contributions to our national heritage with emphasis at this time of the erection of a fitting memorial on the occasion of the 200th Anniversary of the birth of a native son, Samuel Wilson, the prototype of Uncle Sam, the symbol of our great nation, or take any action relating thereto.

(Inserted at the request of the Arlington Historical Committee)

Article 91. To see if the Town will authorize the Board of Selectmen to grant an easement to the Town of Lexington for the installation and maintenance of a storm drain pipe, with appurtenances, over land in the Great Meadows, hereinafter described, for the purpose of draining surface waters from Circle Road and vicinity in Lexington into and onto the Great Meadows. Said easement is bounded and described as follows:

Beginning at the division line between Lot 5 and Lot 6 said point being 140 + or - feet northwesterly of Circle Road and on the boundary line of the Great Meadows, thence southwesterly by said Lot 6 a distance of 17 - or - feet, thence northwesterly through the Great Meadows a distance of 68 + or - feet, thence northeasterly a distance of 15 feet to an angle point, thence southeasterly a distance of 60 feet to the point of beginning and being an extension of the drain easement shown on Lot 6 and as shown on a plan on file in the office of the Town Engineer made by Miller and Nylander and dated June 12, 1964.

Article 92. To see if the Town will accept a perpetual easement or right of way from Antonio Busa to the Town of Arlington, its boards, officers, agents and employees for municipal purposes to provide access by foot and by vehicle into the Great Meadows over a certain strip of land in Lexington, bounded and described, as follows:

Beginning at the point of tangency of a curve to the left at the northwesterly intersection of Circle Road and an unnamed street, thence northwesterly a distance of 57 + or - feet to a point on the southerly property line of the Great Meadows, thence easterly along said property line of the Great Meadows a distance of 46 + or - feet to a point, thence southeasterly along the easterly sideline of said unnamed street a distance of 34 + or - feet to a point, thence southwesterly at right angles to the easterly sideline of said unnamed street a distance of 40 feet to the point of beginning, all as shown on a plan on file in the office of the Town Engineer made by Miller and Nylander and dated June 12, 1964.

Article 93. To see if the Town will make an appropriation for the construction of a storm drain system in Private Lands, between Renfrew Street and George Street from Oakland Avenue southerly 300 feet; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 94. To see if the Town will authorize the Selectmen to sell and convey to Walter J. Davidson a parcel of land on the southwesterly side of Peabody Road and determine the price to be paid to the Town by Mr. Davidson therefor, said parcel being more fully bounded and described as follows:

A certain parcel of land situated in Arlington, Middlesex County, Massachusetts, and shown as "One-foot Strip Reserved" on a "Plan of House Lots in Arlington, Mass., belonging to Frances M. Snow" dated June 10, 1916, by Charles H. Gannett, C. E., duly recorded with Middlesex South District Deeds, bounded and described as follows:

WESTERLY by Pleasant Street, one (1) foot;
 NORTHERLY by Peabody Road, three hundred fifteen and 88/100 (315.88) feet;
 EASTERLY by Peabody Road, one (1) foot; and
 SOUTHERLY by land formerly of Ella H. Colman, three hundred fifteen and 88/100 (315.88) feet

(Inserted at the request of ten (10) registered voters)

Article 95. To see if the Town will make an appropriation for the erection of a chain link fence, not to exceed eight (8) feet in height, on the westerly property line of the Bishop School property and the adjacent Park Property this being also the rear property line of land fronting on Crosby Street; determine how the money is to be raised and expended; or take action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 96. To see if the Town will make an appropriation for the revaluation of all real estate in the Town; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 97. To see if the Town will appropriate a sum or sums of money for the celebration of the Fourth of July; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 98. To see if the Town will make an appropriation for the proper observance of Veterans' Day determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 99. To see if the Town will make an appropriation to be expended under the direction of the Town Clerk, for the purpose of defraying the expense of advertising and other incidental costs relating to the By-Laws voted at this Town Meeting; determine in what manner the money shall be raised; or take any action relating thereto.

Article 100. To see if the Town will vote to make an appropriation for the purpose of providing ornamental and additional light to the streets in the business area of the Town during the Christmas holiday season; determine in what manner the funds shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 101. To see if the Town will make an appropriation of sum of money to be expended under the direction of the Board of Selectmen for the purpose of providing suitable headquarters for the Lt. Stanley G. Benner Detachment, Marine Corps League of Arlington; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of (10) registered voters)

Article 102. To see if the Town will make an appropriation of sum of money (not to exceed \$1,200.00), to be expended under the direction of the Town Manager for the purpose of providing suitable headquarters for the Barracks No. 2701 of the Veterans of World War I of the U. S. A., and to determine in what manner the money shall be raised and expended or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 103. To see if the Town will make an appropriation to be added to the Stabilization Fund created under Article 73 of the Warrant for the 1958 Annual Town Meeting in accordance with the provisions of Massachusetts General Laws (Ter.Ed.), Chapter 40, Section 5B, as amended, determine in what manner the money shall be raised; or take any action relating thereto.

Article 104. To see if the Town will authorize taking a sum of money voted for the appropriation heretofore made at this Town Meeting under this Warrant, and not voted to be borrowed, from any available funds in the treasury and will authorize the Assessors to use free cash in the treasury in any available funds to an amount not exceeding \$550,000.00, in the determination of the 1965 tax rate.

And you will notify and warn the voters of the Town of Arlington to meet at the times and places herein specified by leaving at every dwelling house in the Town a printed copy of this Warrant, and also by posting a copy of the same at the doors of the Town Hall, and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least before the day of said meeting for the election of officers.

Hereof, fail not, and make due return of the Warrant, with your doings thereon, to the Town Clerk before the day of said meeting.

Given under our hands, at said Arlington this twenty-fifth day of January, in the year of our Lord one thousand nine hundred sixty-five.

Constable, Town of Arlington

CONSTABLE'S RETURN

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

Arlington, March 4, 1965

By virtue of this Warrent I have notified and warned the legal voters of the Town of Arlington to meet at the time and place and for the purpose herein specified by causing a printed attested copy of said Warrant to be left at every dwelling house in the Town, previous to the day of the meeting for the election of officers and by posting an attested copy of said Warrant at the doors of the Town Hall and in two or more conspicuous places in each of the fourteen precincts of the Town, seven days at least before the day of said meeting. A notice of the times, places and objects of the meetings was published in the local papers.

(signed) Frank K. Nicksay
Constable of the Town of Arlington,
Massachusetts

ANNUAL TOWN ELECTION, MARCH 6, 1965

In pursuance of the foregoing Warrant, the inhabitants of the Town of Arlington, qualified to vote in elections, met in the polling places designated by the Board of Selectmen for the several precincts in said Town on Saturday, March 6, 1965, at seven o'clock in the forenoon.

Upon receipt of the returns as made by the election officers of the several precincts, they were canvassed by Miss Ann Mahon, Town Clerk, Messrs. Joseph H. Cormier, Alfred M. DeVito and Harlan P. Smith, Registrars of Voters assisted by Miss Mary A. Farrington, Assistant Town Clerk, and Charlotte E. Emerson, Assistant Registrar of Voters and the results were announced at 6:45 A.M. on Sunday, March 7, 1965.

All used and unused ballots, tally sheets, total vote sheets, voting lists, and all other records pertaining to the Town Election, properly signed and sealed, were delivered to the Town Clerk to be preserved by her during the time required by law.

The persons declared elected town officers, including town meeting members, were notified as required by the General Laws.

A true record.

ATTEST:

Ann Mahon
Town Clerk

In accordance with Section 61 of Chapter 51 of the General Laws, the return of the registered voters in Arlington at the close of registration for the Town Election on February 13, 1965, was forwarded to the Secretary of the Commonwealth.

The results of the count of votes cast at the Town Election were forwarded to the Secretary of the Commonwealth.

In accordance with Section 132 of Chapter 54 of the General Laws, the total number of voters checked on the voting lists in each precinct was forwarded to the Secretary of the Commonwealth.

In connection with the work of the Department of Corporations and Taxation, a list of Town Officials was forwarded to the Director of Accounts.

 RECORD OF RECOUNT - MARCH 13, 1965

Pursuant to the petitions filed with the Town Clerk in accordance with the provisions of law, a recount of the ballots cast in Precincts 11A and 11B for the office of Town Meeting Member at the Annual Town Election on March 6, 1965, was held by the Registrars of Voters, assisted by duly appointed clerks, in the Town Hall on Saturday, March 13, 1965, at 9:00 o'clock in the forenoon.

The results of the recount, which becomes the official record, were as follows:

PRECINCT 11 - TOWN MEETING MEMBERS FOR ONE YEAR

	Recount Total	Original Total
* Alfred H. Dwyer, 36 Crawford Street	667	666
* James F. Turner, 321 Washington Street	670	663
* Joseph J. Doyle, 30 Ronald Road	552	550
* Elizabeth Greeley, 71 Brattle Street	611	611
* Thomas M. Kelly, 20 Pine Street	551	542
* John P. Ligor, 28 Candia Street	626	617
* Peter Lucarelli, Jr., 67 Grove Street	604	599
* John J. Maguire, 51 Edmund Road	645	648
* Daniel C. Whitney, 16 Fabyan Street	579	570

PRECINCT 11 - TOWN MEETING MEMBERS FOR TWO YEARS

	Recount Total	Original Total
* Richmond A. Bishop, 33 Hemlock Street	782	781
* Janet L. Daly, 143 Washington Street	799	801
* Lorimer E. Higgins, 50 Ronald Road	775	777
* Grace C. Kelly, 46 Yerxa Road	760	760
* Frederick A. Mahony, 22 Governor Road	720	724
* William E. Taylor, 34 Governor Road	760	759
* Margaret M. Wall, 170 Washington Street	731	728
* Carl F. Allen, Jr., 23 Tomahawk Road	725	722
* Ronald A. Nigro, 43 Dudley Street	717	705

PRECINCT 11 - TOWN MEETING MEMBERS FOR THREE YEARS

	Recount Total	Original Total
* Harvey C. Abbott, 70 Ridge Street	825	825
* John J. Bilafer, 59 Cutter Hill Road	1108	1105
* Chester G. Brown, 78 Cutter Hill Road	826	826
* Robert R. Bryant, 33 Dickson Avenue	805	803
* Philip G. Clark, 285 Washington Street	861	857
* Andrew A. Cuniff, 21 Peter Tufts Road	835	835
* Joseph S. Daly, 143 Washington Street	818	816
* William J. Donovan, Jr., 115 Hemlock Street	874	871
* William B. Manning, 263 Washington Street	818	815

* Elected

PRECINCT 11 - NOT ELECTED

	Recount Total	Original Total
Joseph J. Agri, 22 Mead Road	449	451
Theresa S. Agri, 22 Mead Road	386	389
Paul Russell Campbell, 7 Martin Street	512	511
Ben R. Cole, 74 Oak Hill Drive	539	541
Michelina B. DeNisi, 66 Yerxa Road	379	377
Gilbert F. Dillon, 316 Washington Street	519	522
John F. King, 16 Edmund Road	516	511
Robert F. Knowles, 32 Hemlock Street	481	482
Muriel D. Learnard, 179 Brattle Street	367	366
Anthony J. Loconto, 37 Dickson Avenue	275	279
Edmund R. Mahoney, 24 Fabyan Street	434	432
Leopoldo J. Manfredonia, 30 Yerxa Road	296	291
Dominic C. Papagni, 12 Clyde Terrace	255	259
Michael T. Petrowicz, 5 Ronald Road	274	272
Constantinos L. Philips, 34 Pine Street	342	340
Patricia A. Sacco, 184 Brattle Street	478	472
Edward R. Santoro, 16 Teresa Circle	400	401
Edward M. Schuster, 337 Washington Street	466	470
Robert L. Shaffer, 14 Janet Road	438	431
Rita M. Sullivan, 1 Maybie Street	488	492
Blanks	18939	19012

In accordance with the law, the ballots were returned to the Town Clerk, and the Registrars of Voters certified the returns as herein tabulated to be the amended result.

A true record.

ATTEST:

Ann Mahon
Town Clerk

ANNUAL TOWN MEETING - MARCH 15, 1965

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town of Arlington by a constable of said Town, notices having been sent by mail by the Town Clerk at least seven days before the day of the meeting to the town meeting members elected and qualified to act in town meetings in Arlington under the provisions of Chapter 43A of the General Laws, as amended, and published in the local newspapers as required by the Town's By-Laws, the town meeting members met in the Town Hall, in said Town, on Monday, March 15, 1965, at eight o'clock in the evening. The Warrant calling the meeting served as the notice sent by mail to the town meeting members by the Town Clerk.

Certificates were filed with the Town Clerk by the Chairman and Clerk of Precinct 5 relative to a meeting held on March 15, and of the election to fill the town meeting vacancies until the next annual election, as follows:

Patrick Francis Duddy, 20 Amherst Street, to fill until the next annual election the vacancy arising from the resignation of Anthony F. Campobasso, whose term was to expire in 1966.

Richard F. Ronan, 19 Arizona Terrace, to fill until the next annual election the vacancy arising from the resignation of Patrick J. Duddy, whose term was to expire in 1966.

Lists of the duly qualified town meeting members were used at the entrances to the meeting place and were in charge of Mary A. Farrington and Charlotte E. Emerson. The lists contained the names of two hundred forty (240) town meeting members and six (6) town meeting members at large qualified to participate and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that two hundred twenty-nine (229) town meeting members and six (6) town meeting members at large (95.5% of total 246) attended the meeting.

Philip H. Burt was sworn by the Town Clerk as Stenographer to impartially and correctly report the proceedings of the meeting to the best of his ability.

The Moderator, Lawrence E. Corcoran, declaring a quorum present, called the meeting to order at 8:12 P.M.

The meeting was opened with the singing of "The Star Spangled Banner" by the assembly, accompanied by Mr. Anton Kovar, pianist, and Mr. Richard Laman, trumpeter, both of the School Department.

The invocation was given by the Rev. James Christon, Pastor of the Greek Orthodox Church of Lexington.

The Town Meeting Members who had not previously been sworn were thereupon sworn by the Moderator.

On the motion of Mr. William E. Collins, town meeting member from Precinct 14, which was seconded by Mr. Joseph P. Greeley, Chairman of the Board of Selectmen, the following resolution was adopted by unanimous vote:

RESOLUTION

Let it be moved, Town Meeting deploras the fact that similar conditions of democracy, as we enjoy here tonight, do not exist in other parts of our land in the year 1965: A young minister who served in Boston, James J. Reeb, was bludgeoned to the point of death, and later died, last week, in Selma, Alabama.

We pay homage to the Reverend James J. Reeb and to others who have met brutal death and beatings at the hands of the unlawful. We pay homage to the three men from Arlington who marched with Reverend Reeb: Reverend Lawrence Burkholder, Reverend Max Stackhouse and Byron Shafer. We pay homage to Father Thomas J. Carroll, Father Francis J. McDonnell, Father Walter M. McDonough of our area... and to all the others, of all religious persuasions, who, in a sense, represented Arlington, Boston and Massachusetts, as well as many other states of our nation, in the town of Selma. They risked their bodies in answer to the question: "To whom does free and equal citizenship belong?"

On Saturday night a cross of hate was burned at St. Bridgid's Church in Lexington. It was a cross that was built and assembled expertly, and carefully rigged. The work was, obviously, not that of an amateur, nor a group of amateurs. The sign beside the cross read "We hate Negroes."

Can we say the problem of human and civil rights for all, does not exist in the North as well as in the South? Must not we, here, affirm that the questions and problems surrounding the struggle for free citizenship and human dignity, belong as much to us in Arlington as they do to the people in Selma? If we hold with the laws of our land, must we not bear witness to our belief?

Then, let it be resolved that on this day, this assembled body has met the challenge presented by Reverend Reeb, the men who marched with him in Selma and of those who burned the cross at St. Bridgid's. The challenge can be no less than this: We, here, present tonight, pledge ourselves to the establishment of this, our Town, as an equal opportunity Town for all, regardless of race, color or creed. We will endeavor, in behavior and action, to acknowledge to all people what is their right: the equality of opportunity to live, to work, to partake in, the life of our harmonious community.

At this point permission was granted by general consent of the meeting for the Reverend Max L. Stackhouse to address the body relating to the foregoing resolution.

There being no objection to the request of Mr. Joseph P. Greeley, Chairman of the Board of Selectmen, permission was granted by general consent for Mr. Feeley of the Board of Selectmen; Mr. Nicksay, Executive Secretary of the Board of Selectmen; Messrs. Cooledge and Hauser of the Board of Assessors; Mr. Waterman, Executive Secretary of the Board of Assessors; Messrs. Andrews, O'Leary, Doherty and Bowler of the Personnel Board; Mr. Morris, Executive Secretary of the Personnel Board; Messrs. Cataldo, Shea and Miller of the Planning Board; Messrs. Dunn, Higby, Sliney, Lawlor, Bartholomew, Cotter, Sisson and Dillon of the Finance Committee; Mr. Ahern, Executive Secretary of the Finance Committee; Miss Carter, Mrs. Porteus, Mrs. Cremens, Messrs. Allen, Morine, Coughlin and Baker of the School Committee; Mr. Roens, Superintendent of Schools, Mr. Anderson, Assistant Superintendent of Schools, Mrs. Buzzell, Secretary, School Committee, and Mr. Purcell, Town Counsel, be permitted to sit within the Town Meeting enclosure.

The Town Clerk read the call of the meeting and the constable's return of the Warrant, the reading of the remainder of the Warrant being waived by consent of the meeting.

A motion offered by Mr. Joseph P. Greeley, Chairman of the Board of Selectmen, duly seconded, was declared substituted on a voice vote by a motion offered by Mr. John P. Stanton, town meeting member from Precinct 13, duly seconded. Thereupon, on the motion as substituted, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Thursday evening, March 18, 1965 at 8 o'clock.

On motion of Selectman Greeley, duly seconded, it was

VOTED: That Article 2 be taken up. (Choice of other Town Officers.)

On motion of Selectman Greeley, duly seconded, it was

VOTED: That the following be appointed Measurers of Wood and Bark:

John M. Wilfert, Jr., 19 Windmill Lane
Edward L. Kelley, 20 Paul Revere Road

There being no further business under Article 2, the Moderator declared it disposed of.

On motion of Selectman Greeley, duly seconded, it was

VOTED: That Article 3 be taken up. (Reports of Town Boards, Finance and other Committees.)

On motion of Selectman Greeley, duly seconded, it was

VOTED: That the reports of the Selectmen and of the various Town officers and the committees heretofore appointed, together with the statistics of the Assessors as printed in the Town Report, be received.

On motion of Mr. George J. Remmert, Chairman of the Finance Committee, duly seconded, it was

VOTED: That the report of the Finance Committee as presented in the printed form be received.

On the motion of Mr. Joseph P. Greeley, Chairman of the Board of Selectmen, duly seconded, it was

VOTED: That the committee under vote of the Town passed March 28, 1951, to investigate and consider the matter of a Fire Prevention Code for the Town of Arlington be discharged.

Mr. Horace H. Homer presented the report of the Committee under vote of the Town passed March 24, 1954, to procure plans and estimates for the construction of a school building in the Florence Avenue area and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Mr. Edward G. Grey presented the report of the High School additions and reconstruction committee under vote of the Town passed April 4, 1956, and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Mr. Daniel C. Whitney presented the report of the Committee under vote of the Town passed March 23, 1959, to procure plans and estimates for the construction of an elementary school building on land owned by the Town located on Pheasant Avenue, and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Mr. Anthony J. DiNatale presented the report of the Board of Directors of Youth Services, under vote of the Town passed March 21, 1962, and on his motion, duly made and seconded, it was

VOTED: That the report be received and the committee be discharged.

Mr. Carl A. Johnson presented the report of the Arlington Historical Committee under vote of the Town passed April 2, 1962, and on his motion, duly seconded, it was

VOTED: That the report be received.

Mr. Everett E. Colburn presented the report of the Committee under vote of the Town passed March 27, 1963, to investigate, consider and make recommendations relative to the replacement of the Police operations desk in the Police Station, and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Mr. William J. Frost presented the report of the committee under vote of the Town passed March 16, 1964, to make a professional comprehensive survey of compensation paid to all Town employees including a survey of the wages, salaries, job descriptions, job evaluations and related matters contained in Article 7C of the By-Laws of the Town, and on his motion, duly seconded, it was

VOTED: That the report be received.

Mr. Arthur D. Saul, Jr. presented the report of the committee under vote of the Town passed March 23, 1964, to procure plans and estimates for the construction of a skating arena and recreational center on land owned by the Town located on Summer Street, east of Mill Street, or on other Park land of the Town, and on his motion, duly seconded, it was

VOTED: That the report be received.

On motion of Mr. George J. Remmert, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Article 3 be laid on the table.

On motion of Mr. George J. Remmert, duly seconded, it was

VOTED: That the remaining articles in the Warrant be now taken up separately in the order in which they appear in said Warrant unless otherwise voted as to any particular article, and that the recommendations of the Finance Committee under said articles as presented in their printed report be considered as now before the meeting, to be voted upon without further motion, separately, under the respective articles as they appear in said report.

Article 4. (Treasurer; Power to Borrow.)

VOTED: (Unanimously) That the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money on and after January 1, 1966, in anticipation of the revenue of the financial year beginning January 1, 1966 and to issue a note or notes therefore, payable within one year, and to renew any note or notes that may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws and any amendments thereof; any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1966.

There being no further business under Article 4, the Moderator declared it disposed of.

Article 5. (Claims or Charges of Symmes Hospital.)

VOTED: (Unanimously) That the sum of nine thousand dollars (\$9,000) be and hereby is appropriated to pay claims and charges of Symmes Hospital, including such claims and charges for aid, relief or care furnished prior to

January 1, 1965 to persons falling into distress and standing in need of immediate relief; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 5, the Moderator declared it disposed of.

Article 6. (Amendment of Town By-Laws - Classification and Pay Plan.)

VOTED: (Unanimously) That Article 7C of the By-Laws be and hereby is amended by striking out said Article 7C and inserting in place thereof the following new Article 7C with the stipulation that no present incumbent of any position in the Classification Plan shall suffer any reduction in salary as the result of the adoption of said new Article 7C of the By-Laws which reads as follows:

ARTICLE 7C
CLASSIFICATION AND COMPENSATION PLANS
and PERSONNEL BY-LAW

Section 1. THE CLASSIFICATION PLAN

The official classification plan shall consist of class titles appearing in Schedule A which is made a part hereof, together with class definitions which are on file with the Personnel Board.

Section 2. THE COMPENSATION PLAN

The official compensation plan which appears in Schedule B shall consist of salary ranges which provide minimum and maximum rates together with intermediate step rates or of single salary rates for each full-time position class in the Classification Plan. The Compensation Plan shall include compensation grades to which position classes are allocated in Schedule A.

Section 3. AMENDMENT OF THE PLANS

The classification and compensation plans have been established pursuant to the authority contained in Section 108C of Chapter 41 of the General Laws. Either plan may be amended in the manner provided in this statute and the by-laws of the Town. Rates appearing in the compensation plan may be established or changed by vote of the Town at a Town Meeting, or as provided by law, whichever is applicable. Requests to the Personnel Board for any amendment to this by-law at any Annual Meeting shall be in writing and shall be received by the Personnel Board on or before November 1st of the year preceding such Annual Town Meeting in order to be considered by said Board.

Section 4. PERSONNEL BOARD

The Moderator shall appoint a Personnel Board consisting of five members who shall be citizens and registered voters of the Town. Two members shall be town employees from two different departments, but not elected by the Town, who are elected by a majority of the employees of the Town present at a meeting duly called for the purpose of such nominations.

Members of the Board in office at the time of adoption of this by-law shall continue to hold office pursuant to the terms of their appointment until their successors have been appointed and qualified. Thereafter, each appointment shall be for a term of three years.

It shall be the duty of this Board to administer the classification and compensation plans and other provisions of this By-Law not inconsistent with legislation establishing a Town Manager form of government for Arlington.

In making appointments to the Board, the Moderator shall give consideration to the personal qualifications of those citizens who will best meet the responsibility of the Board to represent both town employees and taxpayers. If possible, the Board shall consist of members professionally qualified who are familiar with the principles and experienced in the methods and practices of labor relations and personnel administration.

Section 5. CLASS DEFINITIONS

The Personnel Board shall prepare and may amend, from time to time, written definitions of the classes in the classification plan, each consisting of a statement describing the essential nature of the work characteristic of positions in the class that distinguish such positions from positions of other classes, with such examples as may be deemed appropriate.

Section 6. INTERPRETATION OF CLASS DEFINITIONS

The definitions of the classes shall be interpreted as descriptive only and not restrictive. The definition for any class shall be construed solely as a means of identifying positions classified under the appropriate class title, and not as prescribing what the duties or responsibilities of any position of the class shall be, or as modifying or in any way affecting the power of any administrative authority, as otherwise existing, to appoint, to assign duties to, or to direct and control the work of, any employee under the jurisdiction of such authority.

Section 7. RECORDS AND REQUISITIONS

The Personnel Board shall keep such records of all employees of the Town, including the name, age, date of employment, classification of position occupied, department in which employed, nature of duties and other information as it deems desirable.

All requisitions for persons to fill positions or perform duties classified under the Civil Service Law, all requests for transfers, increases in salary, changes in rating, or other requests made to the Director of Civil Service or the Department of Civil Service, shall be cleared through the Personnel Board.

Similarly, all such personnel actions relating to positions which are not subject to Civil Service Law, but which are subject to the classification and compensation plans, shall be processed by the Personnel Board.

Section 8. ALLOCATION OF POSITIONS TO CLASSES

The Personnel Board shall classify each position subject to the provisions of this by-law in accordance with the classification plan. Whenever a new position is established, or the duties of an existing position are so changed that in effect a new position of a different classification is substituted for the old position, the Personnel Board shall, in the same manner, classify such new or changed position.

In the event the Board determines that a new or changed position requires the establishment of a position class not included in the classification plan, it may authorize temporarily the necessary new classification subject to ratification at the next succeeding Special or Annual Town Meeting.

The Personnel Board shall have the authority to reclassify a position if it finds that such action is warranted by reason of error in the classification then in effect.

The Board shall afford reasonable opportunity to be heard to any employee or appointing authority affected by any classification or reclassification, upon written request therefor.

Section 9. TITLES OF POSITIONS

No person shall be appointed, employed or paid as an employee in any position subject to the provisions of this by-law under any title other than that set forth in the classification plan for the position which he occupies. The title of each class shall be the official title of every position classified thereunder

for all purposes having to do with the position as such, and shall be used to designate the position on all payrolls, budget estimates and official records and reports, and in every other connection involving personnel and fiscal processes, but any abbreviation or code symbol approved by the Personnel Board may be used in lieu of the title to designate the class of a position in any such connection.

Section 10. INTERPRETATION OF PAY PLAN

A Town Meeting vote which authorizes any change in rates from those which appear in either Schedule A or Schedule B under Sections 1 and 2 of this by-law shall include the appropriation of funds required to finance the change.

Section 11. VACATION LEAVE

Sub-section A

1. Vacation leave shall be granted to all regularly employed personnel, subject to the classification and compensation plans. An employee, except a member of the Police or Fire force, shall be considered regularly employed if he has worked for the Town for thirty weeks in the aggregate during the preceding year, which shall be interpreted as the twelve months' period beginning with June 1 and ending the following May 31.

2. A member of the Police or Fire force shall be considered regularly employed for the purpose of vacation leave if he has been regularly employed by the Town for at least six months on January 1 of each year.

3. Department heads shall allow vacation with pay to employees who have met the requirements set forth above, as follows:

- a. Two calendar weeks vacation for employees, except professional librarians and library assistants, who have less than ten years of service with the Town.
- b. Three calendar weeks vacation for employees, except professional librarians and library assistants, who have served not less than ten years of continuous full-time service with the Town, said ten years service to be completed prior to June 1.
- c. Four calendar weeks vacation for employees, except professional librarians and library assistants, who have served not less than twenty years of continuous full-time service with the Town, said twenty years of service to be completed prior to June 1.
- d. Four calendar weeks vacation for professional librarians.
- e. Three calendar weeks vacation for library assistants; provided, however, that any library assistant who has served not less than twenty years of continuous full-time service with the Town shall be entitled to a vacation of four calendar weeks, said twenty years service to be completed prior to June 1.

Sub-section B

The assignment of vacation periods within any vacation year shall be arranged by the department head for such time or times as best serve the public interest. Vacation allowance may not be accumulated from one vacation year to another except when, in the opinion of the appointing authority, it is impossible or impractical because of work schedule or other emergencies to do otherwise. Preference should be given on the basis of years of employment, whenever possible.

Sub-section C

Absences on account of sickness in excess of those authorized or for personal reasons not provided for under leave regulations may, at the discretion of the department head, be charged to vacation leave.

Sub-section D

Whenever employment is terminated by dismissal through no fault or delinquency on an employee's part, or by resignation, retirement or death,

without his having been granted a vacation to which he is entitled, he, or in the case of his death his estate, shall be paid vacation pay at the regular rate of compensation payable to him at the termination of his employment.

Sub-section E

If a holiday falls within the vacation period, it shall not count as part of the vacation allowance.

Section 12. SICK LEAVE

Sub-section A

Regularly employed personnel subject to the classifications and pay plans must complete six months of service before qualifying for sick leave, at the end of which time seven and one-half days credit will be allowed.

Sub-section B

Earned sick leave with pay will be limited to one and one-quarter days per month, not to exceed fifteen days per year, and will be credited on the first day of each month. Sick leave credit will begin on the first day of the month following employment except as otherwise provided in Sub-section A. Employees having an aggregate of more than two days of authorized leave without pay in any calendar month shall not receive sick leave credit for that month. Employees having unauthorized absence without pay in any calendar month shall not receive sick leave credit for that month.

Sub-section C

Sick leave will accumulate for each year of employment.

Sub-section D

Sick leave with pay shall be granted to employees only when they are incapacitated for the performance of their duties by sickness, injury or quarantine by health authorities.

Sub-section E

Sick leave will commence on the day notification of the illness is given by the employee, his family, or his physician. Such notification shall be given within one hour of the regular appointed starting time.

Sub-section F

For absence on account of sickness, the department head or the appointing authority may require evidence in the form of a physician's certificate for the necessity for absence, such certificate to give the nature of illness and the expected duration. If such certificate is not filed after request therefor, such absence may be applied, at the discretion of the department head to vacation leave or leave without pay. The department head shall require such certificate at the end of two weeks of illness and subsequent certificates may be required at the discretion of the department head or the appointing authority.

Sub-section G

Employees whose services are terminated shall not be entitled to compensation in lieu of any sick leave not taken. No sick leave credit for prior employment will be allowed to employees re-hired or re-instated after a termination of service other than approved leave of absence.

Sub-section H

Every department of the Town shall keep a uniform attendance record on such form as approved and audited by the Town Accountant for each employee showing sick leave both accrued and granted. The information on such record shall be transmitted by the head of the department to the Personnel Board upon request.

Sub-section I

Part-time employees whose hours of work follow a regular schedule will be allowed such proportion of sick leave credit as their actual part-time service bears to full-time service.

Sub-section J

Employees injured on the job and receiving Workmen's Compensation may, upon request, be granted such sick leave allowance payment as will when

added to the amount of Workmen's Compensation, result in the payment to them of their full salary, provided they have such sick leave credit. Permanent employees suffering an injury on the job related to their work shall continue to earn ordinary sick leave credit and vacation allowance during their absence from work due to such injury.

Sub-section K

Discretionary sick leave not exceeding fifteen days may be granted by the appointing authority provided all accumulated sick leave and vacation leave have been exhausted, and shall be charged against future sick leave credit, provided further that in connection with employees with at least twenty years of service with the Town and in the event of extenuating circumstances as determined by the appointing authority, additional sick leave not to exceed 150 days may be granted, which shall be similarly charged to future sick leave credit.

Section 13. MISCELLANEOUS

Sub-section A

The lunch period shall not exceed one hour.

Sub-section B

An absence with pay, to the extent necessary but not to exceed three days, shall be granted in case of death of immediate member of an employee's family. Immediate family means spouse, child, father, mother, sister, brother or grandparents. An absence with pay of one day shall be granted in case of death of an employee's in-laws or grandparents of spouse.

Sub-section C

Any permanent employee of the Town called for an annual tour of duty with the armed forces shall be paid his usual salary for a period not exceeding two calendar weeks and shall also be entitled to the same leaves of absence or vacation with pay given to other like employees.

Sub-section D

A regular employee called for jury duty shall be paid an amount to bring his salary up to his usual rate of pay. Notice of service shall be filed with the department head upon receipt of a summons.

Sub-section E

Leave of absence with pay may be granted by the appointing authority to permanent employees who are authorized delegates to state or national conventions of the following veterans' organizations: American Legion, AMVETS of World War II, Disabled American Veterans, Legion of Valor, Marine Corps League, Military Order of the Purple Heart and Veterans of Foreign Wars.

Sub-section F

All payments made for any absence, regardless of nature, will be so noted on the payroll and employee's attendance record. The department head shall be responsible for the accuracy of such record.

Sub-section G

In order to qualify for holiday credit, a regular employee shall have worked on the last regularly scheduled work day prior to, and the next regularly scheduled work day following such holiday, unless it is an absence for which compensation is payable as provided under this by-law. The following days in each year shall be considered as holiday credits:

New Year's Day	Labor Day
Washington's Birthday	Columbus Day
Patriots' Day	Veterans' Day
Memorial Day	Thanksgiving Day
Independence Day	Christmas

Whenever a holiday falls on Saturday, another working day off with pay shall be arranged at the discretion of the department head.

Sub-section H

Leave of absence with pay may be granted by the appointing authority to permanent employees who are authorized delegates of recognized employee organizations for the purpose of attending annual state conventions of their parent AFL-CIO or independent organizations. However, if said employees' regular compensation is paid by the employee organization, then such leave of absence as may be granted by the appointing authority shall be without pay.

Sub-section I

Maternity leave of absence without pay shall be required before the sixth month of pregnancy. A certificate from the attending physician shall be presented to the department head and the leave shall be for a period which must be of sufficient duration to allow for pre-natal and post-natal care. A physician's certificate shall be required before the employee returns to work.

Section 14.

Nothing in this by-law shall be construed to conflict with the General Laws of the Commonwealth of Massachusetts.

that Schedule A of the Classification Plan and Schedule B of the Pay Plan previously established by Article 7C of the By-Laws be and hereby are deleted and are replaced by the Classification Plan - Schedule A and the Compensation Plan-Schedule B as presented to this Town Meeting under Article 6 of the Warrant; said amendments to be effective April 1, 1965; and that for this purpose or these purposes the sum of Twenty-Three Thousand and Seven Hundred (\$23,700.00) Dollars be and hereby is appropriated; said sum to be raised by general tax and expended by the departments affected.

There being no further business under Article 6, the Moderator declared it disposed of.

Article 7. (Amendment of Town By-Laws-Classification and Pay Plan.)

A substitute motion offered by Mr. Joseph P. Greeley, Chairman of the Board of Selectmen, duly seconded, was declared lost by the Moderator on a voice vote. On the original motion of the Finance Committee, it was

VOTED: That no action be taken under Article 7 of the Warrant.

There being no further business under Article 7, the Moderator declared it disposed of.

Article 8. (Amendment of Town By-Laws - Classification and Pay Plan.)

VOTED: That the Classification Plan - Schedule A and Pay Plan - Schedule B as established by Article 7 C of the By-Laws be and hereby are amended by increasing all money figures contained therein by approximately four per cent (4%) to the nearest even dollar in the annual salary schedules, and four per cent (4%) to the nearest ten cents (10¢) in the weekly salary schedule, and by increasing the compensation of regularly employed part-time employees by approximately four per cent (4%) to the nearest dollar; said amendment to be effective April 1, 1965; and for this purpose the sum of one hundred and ten thousand dollars (\$110,000) be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the departments affected.

There being no further business under Article 8, the Moderator declared it disposed of.

Article 9. (Amendment to General Laws - Annuities.)

VOTED: (Unanimously) That the Town will strike out Paragraph 4 of the limitations and conditions voted under Article 36 of the Warrant for the 1964 Annual Town Meeting relative to the determination of persons eligible to receive an annuity in accordance with the provisions of Section 95A of Chapter 32 of the General Laws and insert the following paragraph:

"4." If the widow receives benefits under the provisions of General Laws Chapters 115, 118A, 118C and 118D or receives assistance or a pension from the Veterans' Administration or Social Security, the amount of the annuity shall be not greater than the maximum amount that can be received by the widow without reducing or adversely affecting the amount of such benefits."

There being no further business under Article 9, the Moderator declared it disposed of.

Article 10. (Amendment of Town By-Laws - Classification and Pay Plan.)

VOTED: That no action be taken under Article 10 of the Warrant.

There being no further business under Article 10, the Moderator declared it disposed of.

Article 11. (Amendment of Town By-Laws - Classification and Pay Plan.)

VOTED: That no action be taken under Article 11 of the Warrant.

There being no further business under Article 11, the Moderator declared it disposed of.

Article 12. (Amendment of Town By-Laws - Classification and Pay Plan.)

VOTED: That no action be taken under Article 12 of the Warrant.

There being no further business under Article 12, the Moderator declared it disposed of.

Article 13. (Amendment of Town By-Laws.)

A substitute motion offered by Francis X. Callahan, town meeting member from Precinct 7, duly seconded, was declared lost by the Moderator on a standing vote, 95 having voted in the affirmative and 132 in the negative. On the original motion of the Finance Committee, it was

VOTED: That no action be taken under Article 13 of the Warrant.

There being no further business under Article 13, the Moderator declared it disposed of.

Article 14. (Amendment of Town By-Laws.)

VOTED: That no action be taken under Article 14 of the Warrant.

There being no further business under Article 14, the Moderator declared it disposed of.

Article 15. (Employees' Indemnification - Motor Vehicles.)

VOTED: That the Town does hereby accept the provisions of Section 100 D of Chapter 41 of the General Laws, entitled "Indemnification for

Officers or Employees for Damages Incurred on Account of Injuries Arising Out of Their Operation of Municipally Owned Vehicles or Vessels."

There being no further business under Article 15, the Moderator declared it disposed of.

Article 16. (Amendment of Town By-Laws.)

VOTED: (Unanimously) That Section 19 of Article 9 of the By-Laws be and here by is amended by inserting the word "snow" after the word filth, making said Section read as follows:

"Section 19. Except as otherwise provided by statute, by-law or department regulation, no person shall, in any manner, place or cause to be placed in or upon any public way, public place or body of water within the Town, rubbish, waste material, filth, snow or discarded substance of any kind."

There being no further business under Article 16, the Moderator declared it disposed of.

Article 17. (Appointment of Committee - Arlington Center Railroad Station.)

A substitute motion offered by Edward J. Mulcahy, town meeting member from Precinct 14, duly seconded, was declared lost by the Moderator on a standing vote, 73 having voted in the affirmative and 128 in the negative. On the original motion of the Finance Committee, it was

VOTED: That no action be taken under Article 17 of the Warrant.

There being no further business under Article 17, the Moderator declared it disposed of.

Article 18. (R. R. Station - Vets. of Foreign Wars.)

VOTED: That the Town Manager be and hereby is authorized and empowered on behalf of the Town to extend until June 27, 1967 the time for completion of any sale, conveyance or disposition of the wooden building now located in the rear of Railroad Avenue, and formerly known as the Arlington Center Railroad Station, to Arlington Post No. 1775, Veterans of Foreign Wars of the United States, Inc. for the sum of one dollar (\$1.00 provided that said building shall be removed by said organization, at its own expense, at the time of sale from its present location on Town owned land to some other location within the Town to be obtained by said Arlington Post No. 1775, Veterans of Foreign Wars of the United States, Inc.

There being no further business under Article 18, the Moderator declared it disposed of.

Article 19. (Appointment of Committee - Permanent Building and Survey.)

VOTED: That no action be taken under Article 19 of the Warrant.

There being no further business under Article 19, the Moderator declared it disposed of.

Article 20. (Procure Preliminary Plans and Estimates - M. Norcross Stratton School Addition.)

VOTED: That the sum of twenty six thousand dollars (\$26,000) be and hereby is appropriated to be expended under the direction of the Pheasant Avenue School Building Committee, appointed under Article 88 of the Warrant for the 1959 Annual Town Meeting, for the purpose of procuring preliminary plans and estimates for an addition to the M. Norcross Stratton School; said sum to be raised by general tax.

There being no further business under Article 20, the Moderator declared it disposed of.

Article 21. (Oil Burning Boilers - Cutter School.)

VOTED: That the sum of sixty eight thousand dollars (\$68,000) be and hereby is appropriated for the purpose of installing new oil burning boilers, an incinerator and a complete pneumatic heat control system and other related equipment at the Cutter School; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 21, the Moderator declared it disposed of.

Article 22. (Boilers, Oil Burners - Peirce School.)

A substitute motion offered by Mr. Werner A. Carlson, Jr., town meeting member from Precinct 13, duly seconded, was declared carried by the Moderator on a standing vote, 101 having voted in the affirmative and 100 in the negative, following which, on the motion of the Finance Committee as substituted, it was

VOTED: That the sum of sixty-three thousand dollars (\$63,000.00) be and hereby is appropriated for the purpose of installing oil burners, an automatic temperature control system and other related equipment in the Peirce School, said sum to be raised by general tax and expended under the direction of the town manager.

There being no further business under Article 22, the Moderator declared it disposed of.

On motion of Mr. John P. Ligor, town meeting member from Precinct 11, duly seconded, it was

VOTED: (Standing Vote, 94 in the affirmative and 86 in the negative) That the meeting adjourn.

The meeting thereupon adjourned at 11:00 P.M. on Monday, March 15, 1965, until Thursday, March 18, 1965, at 8:00 P.M.

A true record.

ATTEST:

Ann Mahon

Town Clerk

ADJOURNED ANNUAL TOWN MEETING - MARCH 18, 1965

Pursuant to the vote of adjournment of March 15, 1965, and written notices sent by mail by the Town Clerk, the town meeting members met in the Town Hall on Thursday evening, March 18, 1965, to act upon the remaining articles set forth in the Warrant for the Annual Town Meeting.

Lists of the duly qualified town meeting members were used at the entrances to the meeting place and were in charge of Mary A. Farrington and Charlotte E. Emerson. The lists contained the names of two hundred forty (240) town meeting members and six (6) town meeting members at large qualified to participate and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that two hundred twenty-five (225) town meeting members and five (5) town meeting members at large (93.4% of total - 246) attended the meeting.

The Moderator, Lawrence E. Corcoran, declaring a quorum present, called the meeting to order at 8:10 P.M.

The meeting was opened with the singing of "The Star Spangled Banner" by the assembly accompanied by Mr. Anton Kovar, pianist and Mr. Richard Laman, trumpeter, both of the School Department.

The invocation was given by Reverend Robert F. Casey, Curate of Saint Agnes Church.

Town Meeting Members not previously sworn were thereupon sworn by the Moderator.

On motion of Selectman Greeley, duly made and seconded, it was

VOTED: (Unanimously) That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Monday evening, March 22, 1965 at 8'00 o'clock.

The Moderator declared Article 23 to be before the meeting.

Article 23. (Survey - Robbins Library.)

VOTED: That the sum of one thousand dollars (\$1,000) be and hereby is appropriated for the purpose of a survey to be made of the physical plant of the Robbins Library to determine whether or not there is a necessity for an addition to said building to provide for present and future library needs; said sum to be raised by general tax and to be expended under the direction of the Town Manager.

There being no further business under Article 23, the Moderator declared it disposed of.

Article 24. (Appointment of Committee - Voting Machines.)

VOTED: That the Town Manager be and hereby is empowered and instructed to appoint a committee of five persons, one of whom shall be the Town Clerk, to investigate, consider and make recommendations as to the advisability of installing voting machines in any or all of the precincts of the Town; said Committee to report not later than the Annual Town Meeting of 1966; and that the sum of one hundred dollars (\$100.00) be and hereby is appropriated for the use of said committee, said sum to be raised by general tax.

There being no further business under Article 24, the Moderator declared it disposed of.

Article 25. (Skating Arena and Recreational Centre.)

A substitute motion offered by Mr. Arthur D. Saul, Jr., duly seconded, was declared by the Moderator to have carried on a standing vote, 144 having voted in the affirmative and 76 in the negative. However, the motion as substituted was declared lost on a roll call vote, 144 having voted in the affirmative and 82 in the negative, lacking the required two-thirds vote.

Mr. William A. Trenchard, town meeting member from Precinct 14, served notice of his intention to move to reconsider Article 25.

(See vote on motion to reconsider Article 25 on March 24, 1965.)

Article 26. (Petition General Court - Permission to Erect Skating Arena and Recreational Centre.)

On motion of Mr. Edward C. Monahan, Town Manager, duly seconded, it was

VOTED: That Article 26 be laid on the table.

Article 27. (Town Departmental Outlays and Expenses.)

MOVED AND SECONDED: That sums be appropriated to defray departmental obligations, outlays and expenses for the year 1965 to be raised by general tax except as otherwise specifically voted and expended, and that the disposal of motor vehicles and other personal property be authorized, all under the direction of the respective department heads as follows:

VOTED: That the sum of nineteen thousand dollars (\$19,000) be and hereby is appropriated for the extension of the sewerage system; said sum to be raised by general tax and expended under the direction of the Town Manager, substantially as follows:

Extension of Sewerage System (including Tools and Equipment.)

There being no further business under Article 28, the Moderator declared it disposed of.

Article 29. (Appropriation for the Extension of the Water Mains.)

VOTED: That the sum of fifteen thousand dollars (\$15,000) be and hereby is appropriated for the extension of water mains; said sum to be raised by general tax and expended under the direction of the Town Manager, substantially as follows:

Laying and relaying water mains of not less than six inches in diameter (including Tools and Equipment).

There being no further business under Article 29, the Moderator declared it disposed of.

Article 30. (Appropriation for the Extension of the Storm Drains.)

VOTED: That the sum of twenty five thousand dollars (\$25,000) be and hereby is appropriated for the extension of storm drains; said sum to be

raised by general tax and expended under the direction of the Town Manager, substantially as follows:

Extension of Storm Drains (Including Tools and Equipment).

There being no further business under Article 30, the Moderator declared it disposed of.

Article 31. (Appropriation for the Construction of Sidewalks and Edgestones.)

VOTED: That the sum of twenty thousand dollars (\$20,000) be and hereby is appropriated for the construction and installation of sidewalks and edgestones; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 31, the Moderator declared it disposed of.

Article 32. (Maintenance of Public Sidewalks.)

VOTED: That the sum of twenty five thousand dollars (\$25,000) be and hereby is appropriated for the reconstruction and maintenance of permanent sidewalks and resetting of edgestones upon the public ways of the town; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 32, the Moderator declared it disposed of.

Article 33. (Improvements to Drainage System.)

VOTED: That no action be taken under Article 33 of the Warrant.

There being no further business under Article 33, the Moderator declared it disposed of.

Article 34. (Reconstruction of Certain Streets.)

On motion of Mr. George J. Remmert, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Article 34 be laid on the table.

Article 35. (Laying Out of Dodge Street.)

VOTED: (Unanimously) That the laying out of a town way from Forest Street to No. 33, substantially in the location of the private way known as Dodge Street, as more particularly described in Article 35 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 35, the Moderator declared it disposed of.

Article 36. (Laying Out of Lorraine Terrace.)

VOTED: (Unanimously) That the laying out of a town way from Dodge Street to Dodge Street, substantially in the location of the private way known as Lorraine Terrace, as more particularly described in Article 36 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 36, the Moderator declared it disposed of.

Article 37. (Laying Out of Benjamin Road.)

VOTED: That no action be taken under Article 37 of the Warrant.

There being no further business under Article 37, the Moderator declared it disposed of.

Article 38. (Laying Out of Hillcrest Street.)

VOTED: That no action be taken under Article 38 of the Warrant.

There being no further business under Article 38, the Moderator declared it disposed of.

Article 39. (Laying Out of Wheeler Lane.)

A substitute motion offered by Mr. Robert R. Bryant, town meeting member from Precinct 11, duly seconded, was declared lost on a standing vote, 41 having voted in the affirmative and 122 in the negative, following which on the original motion of the Finance Committee, it was

VOTED: That no action be taken under Article 39 of the Warrant.

There being no further business under Article 39, the Moderator declared it disposed of.

(See reconsidered vote after Article 41)

Article 40. (Laying Out of Woodside Lane.)

VOTED: (Unanimously) That the laying out of a town way from end of acceptance to its present end, substantially in the location of the private way known as Woodside Lane, as more particularly described in Article 40 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 40, the Moderator declared it disposed of.

Article 41. (Laying Out of Rublee Street.)

The motion of the Finance Committee as appearing in its printed report was declared lost by the Moderator on a standing vote, 25 having voted in the affirmative and 124 in the negative.

There being no further business under Article 41, the Moderator declared it disposed of.

On the motion of Mr. Harry P. McCabe, town meeting member from Precinct 13, duly seconded, and declared by the Moderator to have carried, it was

VOTED: That Article 39 be reconsidered.

Article 39. (Laying Out of Wheeler Lane.)

A substitute motion offered by Mr. Robert R. Bryant, town meeting member from Precinct 11, duly seconded, was declared by the Moderator to have carried on a voice vote, following which on the motion of the Finance Committee as substituted it was

VOTED: (Standing Vote, 153 in the affirmative and 5 in the negative) That the laying out of a Town way from Mountain Avenue to Dickson Avenue, substantially in the location of the private way known as Wheeler Lane, as more particularly described in Article 39 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 39, the Moderator declared it disposed of.

On the motion of Mr. Berg Keshian, town meeting member from Precinct 9, duly seconded, it was

VOTED: That the meeting adjourn.

The meeting thereupon adjourned at 11:05 P.M. Thursday, March 18, 1965, until Monday, March 22, 1965, at 8:00 P.M.

A true record.

ATTEST:

Ann Mahon

Town Clerk

ADJOURNED ANNUAL TOWN MEETING - MARCH 22, 1965

Pursuant to the vote of adjournment of March 18, 1965, and written notices sent by mail by the Town Clerk, the town meeting members met in the Town Hall on Monday evening March 22, 1965, to act upon the remaining articles set forth in the Warrant for the Annual Town Meeting.

Lists of the duly qualified town meeting members were used at the entrances of the meeting place and were in charge of Mary A. Farrington and Charlotte E. Emerson. The lists contained the names of two hundred forty (240) elected town meeting members and six (6) town meeting members at large qualified to participate in and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that two hundred thirty (230) elected town meeting members and five (5) town meeting members at large (95.5% of total 246) attended the meeting.

The Moderator, Lawrence E. Corcoran, declaring a quorum present, called the meeting to order at 8:15 o'clock P.M.

The meeting opened with the singing of the "Star Spangled Banner" by the Assembly, accompanied by Mr. Anton Kovar, pianist, and Mr. Richard Laman, trumpeter, both of the School Department.

On motion of Selectman Greeley, duly seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Wednesday evening, March 24, 1965, at 8:00 o'clock.

On motion of Mr. George J. Remmert, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Budget 38 of Article 27 be taken up.

Article 27. Budget 38 (Town Departmental Outlays and Expenses - School Department)

A substitute motion offered by Mr. John P. Kedian, town meeting member from Precinct 12, was declared lost by the Moderator on a voice vote, following which, on the motion of the Finance Committee, it was

VOTED:

38. School Department

* New Position

Article 42. (Laying Out of Hibbert Street.)

VOTED: (Unanimously) That the laying out of a town way from its present end to Rublee Street, substantially in the location of the private way known as Hibbert Street, as more particularly described in Article 42 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 42, the Moderator declared it disposed of.

Article 43. (Laying Out of Rublee Street.)

VOTED: (Unanimously) That the laying out of a town way from Hibbert Street to the Lexington Line, substantially in the location of the private way known as Rublee Street, as more particularly described in Article 43 of the Warrant, under the provisions of law authorizing the assessment of betterments as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 43, the Moderator declared it disposed of.

Article 44. (Laying Out of Udine Street.)

VOTED: (Unanimously) That the Laying out of a town way from Station 6 plus 07.93 to Rublee Street, substantially in the location of the private way known as Udine Street, as more particularly described in Article 44 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk, by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 44, the Moderator declared it disposed of.

Article 45. (Laying Out of Sylvia Street.)

VOTED: (Unanimously) That the laying out of a town way from Lots 33 and 54 to Rublee Street 340 southerly, substantially in the location of the private way known as Sylvia Street, as more particularly described in Article 45 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 45, the Moderator declared it disposed of.

Article 46. (Reconstruction of Edmund Road.)

VOTED: (Unanimously) That the alteration of the way known as Edmund Road, on the southeasterly corner at Summer Street, substantially in the location as made and reported by the Board of Selectmen, in its capacity as a Board of Survey, and as more particularly described in Article 46 of the Warrant be accepted and said way as altered be established and used under the

provisions of law as a public way; and that the sum of eleven hundred eighteen dollars (\$1,118.00) be and hereby is appropriated for the alteration of, construction of and specific repairs upon said way; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 46, the Moderator declared it disposed of.

On the motion of Mr. George J. Remmert, Chairman of the Finance Committee, it was

VOTED: That Articles 47 and 48 be tabled.

Article 49. (Laying Out of Yale Road.)

VOTED: (Unanimously) That the laying out of a town way from River Street to Everett Street, substantially in the location of the private way known as Yale Road, as more particularly described in Article 49 of the warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 49, the Moderator declared it disposed of.

Article 50. (Laying Out of Wigwam Circle.)

VOTED: (Unanimously) That the laying out of a town way from Washington Street to its end, substantially in the location of the private way known as Wigwam Circle, as more particularly described in Article 50 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 50, the Moderator declared it disposed of.

Article 51. (Laying Out of Gay Street.)

VOTED: (Unanimously) That the laying out of a Town way from Washington Street 220' westerly, substantially in the location of the private way known as Gay Street, as more particularly described in Article 51 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 51, the Moderator declared it disposed of.

Article 52. (Laying Out of Rublee Street.)

VOTED: (Unanimously) That the laying out of a Town way from Wollaston Avenue 170' southeasterly, substantially in the location of the private way known as Rublee Street, as more particularly described in Article 52 of the

Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 52, the Moderator declared it disposed of.

Article 53. (Laying Out of Hemlock Street.)

VOTED: (Unanimously) That the laying out of a Town way from Yerxa Road to Dickson Avenue, substantially in the location of the private way known as Hemlock Street, as more particularly described in Article 53 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 53, the Moderator declared it disposed of.

Article 54. (Construction of Ways.)

VOTED: That the sum of six thousand dollars (\$6,000) be and hereby is appropriated for the construction of public ways, the laying out of which is accepted at this meeting under Articles 49 to 53 inclusive of the Warrant, all under the provisions of law authorizing the assessment of betterments; said sum to be raised by general tax and expended under the direction of the Town Manager, substantially as follows:

Yale Road (Article 49)	\$ 100.00
Wigwam Circle (Article 50)	\$ 100.00
Gay Street (Article 51)	\$ 100.00
Rublee Street (Article 52)	\$ 2,000.00
Hemlock Street (Article 53)	\$ 3,700.00
	<u>\$6,000.00</u>

There being no further business under Article 54, the Moderator declared it disposed of.

Article 55. (Reconstruction of Chestnut Terrace.)

VOTED: (Unanimously) That the sum of fourteen thousand five hundred dollars (\$14,500) be and hereby is appropriated for the reconstruction, including sidewalks and edgestones, of the public way in the Town known as Chestnut Terrace; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 55, the Moderator declared it disposed of.

Article 56. (Traffic Signals.)

VOTED: (Unanimously) That the sum of twenty three thousand one hundred dollars (\$23,100) be and hereby is appropriated for the conversion of a portion of the traffic signals now existing within the Town to conform with the requirements contained in the Manual on Uniform Traffic Control Devices

issued by the Bureau of Public Roads of the U. S. Department of Commerce; said sum to be raised as follows: twenty thousand six hundred dollars (\$20,600) to be raised by general tax, and the unexpended balance of twenty five hundred dollars (\$2,500) taken from the appropriation under Article 26 of the 1963 Town Warrant.

There being no further business under Article 56, the Moderator declared it disposed of.

Article 57. (Installation of Traffic Signals.)

VOTED: (Unanimously) That the sum of twelve thousand forty dollars (\$12,040) be and hereby is appropriated for the reconstruction, channelization and the installation of pedestrian actuated traffic signals at the intersection of Summer Street and Brattle Street; said sum to be taken from unexpended balances in the treasury under Article 53 of the 1964 Town Warrant and to be expended under the direction of the Town Manager.

There being no further business under Article 57, the Moderator declared it disposed of.

Article 58. (Sidewalks - Appleton Street.)

VOTED: That no action be taken under Article 58 of the Warrant.

There being no further business under Article 58, the Moderator declared it disposed of.

Article 59. (Appropriation for - Fire Alarm Equipment.)

VOTED: (Unanimously) That the sum of sixteen thousand seven hundred dollars (\$16,700) be and hereby is appropriated for new Fire Department communication equipment and for further replacement of fire alarm equipment in fire alarm central office at Fire Headquarters; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 59, the Moderator declared it disposed of.

Article 60. (Sale of Fire Engine.)

VOTED: (Unanimously) That the Town authorize the Town Manager to sell, transfer, or otherwise dispose of one 1929 750-gallon pumper fire engine owned by the Town and formerly used by the Fire Department.

There being no further business under Article 60, the Moderator declared it disposed of.

Article 61. (Boston & Maine Bridge - Park Avenue.)

VOTED: (Unanimously) That the sum of seven thousand (\$7,000.00) dollars be and hereby is appropriated for the reconstruction, including all necessary repairs, of the bridge over the Boston & Maine Railroad located at Park Ave., between Massachusetts Avenue and Downing Square; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 61, the Moderator declared it disposed of.

Article 62. ZONING (Area of Gardner Street.)

Chairman David A. Leone reported for the Planning Board and on his motion, duly seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Mr. Leone, duly seconded, it was

VOTED: That no action be taken under Article 62 of the Warrant.

There being no further business under Article 62, the Moderator declared it disposed of.

Article 63. ZONING (Area of Summer Street.)

Chairman David A. Leone reported for the Planning Board and on his motion, duly seconded, it was

VOTED: That the report be received.

Mr. Leone then presented the motion of the Planning Board which was seconded. A substitute motion offered by Mr. Edward John Doherty, town meeting member from Precinct 13, duly seconded, was declared carried by the Moderator on a voice vote. Thereupon, on the motion as substituted it was

VOTED: (Standing Vote, 139 in the affirmative and 55 in the negative) That the Town amend its Zoning By-Law by altering the zoning map therein referred to so as to include in the Residence E District the area now included in the Residence B District, and bounded and described as follows:

WESTERLY by Summer Street, 125.4 feet;
NORTHERLY by Lot numbered 157, 100 feet;
EASTERLY by Lot A, 115 feet; and
SOUTHERLY by Lot C, 103 feet.

Containing 11,950 square feet of land. Said parcel being shown as Lot numbered 158 and Lot B on "Sub-Division of Land in Arlington, Mass. Owned by Angelo Pasquantonio, by J. M. Keane, C. E." recorded with the Middlesex South District Deeds in Book of Plans 406, Plan 7.

There being no further business under Article 63, the Moderator declared it disposed of.

Article 64. (Sale of Park Land.)

A substitute motion offered by Mr. Daniel A. Healy, Jr., town meeting member from Precinct 8, duly seconded, was declared lost by the Moderator on a voice vote. Thereupon, on the original motion of the Finance Committee it was

VOTED: That no action be taken under Article 64 of the Warrant.

There being no further business under Article 64, the Moderator declared it disposed of.

Article 65. ZONING (Area of Boston & Maine Railroad and DiMare Brothers.)

Mr. Joseph S. Vahey, town meeting member from Precinct 9, requested in behalf of the petitioner that Article 65 be withdrawn.

There being no further business under Article 65, the Moderator declared it disposed of.

On the motion of Mr. George J. Remmert, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Article 66 be tabled.

Article 67. ZONING (Area of Massachusetts Avenue, east of Arlington Center.)

Chairman David A. Leone reported for the Planning Board and on his motion, duly seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Mr. Leone, duly seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law by altering the Zoning Map therein so as to include in the Business C District the area now included in the Business A District and the Residence C-1 District, bounded and described as follows:

1st Section:

Beginning at the point of intersection of the centerline of Winter Street and the centerline of Mass. Avenue, thence northwesterly on said centerline of Mass. Avenue to a point opposite the division line between the properties numbered 395 and 397 Mass. Avenue, thence northeasterly on said division line and its extension and on the northwesterly boundary line of the property numbered 280 Broadway and its extension to the centerline of Broadway, thence southeasterly on said centerline of Broadway to a point, thence southwesterly by the present C-1 district and on a line 100 feet southeasterly of and parallel to the southeasterly sideline of Franklin Street to an angle point located 125 feet northeasterly of the northeasterly sideline of Mass. Avenue, thence southeasterly on a line 125 feet northeasterly of, parallel to and concentric with the northeasterly side line of Mass. Avenue to the centerline of Winter Street, thence southwesterly on said centerline of Winter Street to the point of beginning.

2nd Section:

The area now included in the Business A district located between the centerline of Marathon Street and the centerline of Trowbridge Street and between Mass. Avenue and the present Residence C-1 district.

3rd Section:

The area now included in the Business A district located between the centerline of Windsor Street and the centerline of Amsden Street and between Mass. Avenue and the present Residence C-1 district.

4th Section:

The area now included in the Business A district located between the division line between 103 and 105 Mass. Avenue, which is 50 feet southeasterly of the southeasterly sideline of Amsden Street and the centerline of Henderson Street and between Mass. Avenue and the present Residence C-1 district.

5th Section:

The area now included in the Business A district located between the centerline of Lafayette Street and the division line between 80 and 82 Mass. Avenue, which is located 50 feet southeasterly of the southeasterly sideline of Thorndike Street and between Mass. Avenue and the present Residence C-1 district.

6th Section:

The area now included in the Business A district located between the division line between 114 and 116 Mass. Avenue, which is located 100 feet northwesterly of the northwesterly sideline of Magnolia Street and the division line between 130 and 132 Mass. Avenue, which is located 50 feet southeasterly of the southeasterly sideline of Milton Street and between Mass. Avenue and the present residence C-1 district.

7th Section:

The area now included in the Business A district located between the division line between 218 and 220 Mass. Avenue and the division line between 230 and 232 Mass. Avenue, which is located about 100 feet southeasterly of Orvis Road and between Mass. Avenue and the present Residence C-1 district.

8th Section:

The area now included in the Business A district located between the centerline of Orvis Road and the division line between No. 314 and No. 324 and which is located about 125 feet northerly of the northerly sideline of Linwood Street and between Mass. Avenue and the present Residence C-1 district.

9th Section:

The area now included in the Business A district located between the centerline of a right-of-way between 364 and 370 Mass. Avenue and the centerline of Moore Place and between Mass. Avenue and a line 125 feet southwesterly of, parallel to and concentric with the southwesterly sideline of Mass. Avenue.

10th Section:

The area now included in the Business A district located between the center line of Henderson Street and the westerly boundary line of the property No. 39 Mass. Avenue and between Mass. Avenue and a line 125 feet northeasterly of the northeasterly side line of Mass. Avenue.

There being no further business under Article 67, the Moderator declared it disposed of.

Article 68. ZONING (Land Use and Height and Area Standards.)

Chairman David A. Leone reported for the Planning Board and on his motion, duly seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Mr. Leone, duly seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law as follows:

- 1 By inserting after Section 17-1 the following new title, "Business C Districts" and new sections:

17-1.1 Use Regulations:

In the Business C districts, no new building or part thereof shall be constructed or used and no building or part thereof shall be altered, enlarged, reconstructed or used and no land shall be used for any purpose except the following:

- (a) Any purpose which is authorized or may be permitted in the Residence C-1 districts
- (b) One or more of the following uses:
 - (1) Funeral home
 - (2) Business or professional office or agency
 - (3) Public or semi-public building
- (c) Any other purpose which the Zoning Board of Appeals shall specifically find is of the same general character as any of the foregoing purposes authorized or permissible in the district, provided the approval of the Zoning Board of Appeals is obtained in the manner set forth in Section 4 and 4a of the Zoning By-Law.
- (d) Such other accessory purposes as are customary or usual in connection with any of the foregoing purposes and are incidental thereto.

17-1.2 Building Coverage and Court Regulations

In the Business C districts, all buildings used for residential purposes shall conform to the building coverage and court regulations as set forth in Section 15-A for Residence C districts, except that where a particular business district has a maximum dimension of less than 500 feet and is bounded on all sides by a Residence A and/or Residence B district, the coverage and court regulations as set forth in Section 15-2 for Residence D districts shall apply instead.

17-1.3 Height and Area Regulations

The height and area regulations in the Business C districts are hereby established as set forth in the "Schedule of Heights and Area Regulations" attached hereto. All buildings in the Business C districts used for residential purposes shall conform to the yard, parking and Landscaping and Recreation Area regulations as set forth for Residence C and C-1 districts, except that where a particular business district has a maximum dimension of less than 500 feet and is bounded on all sides by a Residence A and/or Residence B district, the yard, parking and Landscaping and Recreation Area regulations as set forth for Residence D districts shall apply. Buildings in Business C districts used exclusively for residential purposes may rise to the height permitted in adjacent Residence C-1 districts except that where a particular business district has a maximum dimension of less than 500 feet and is bounded on all sides by a Residence A and/or Residence B district the height limitation shall be 40 feet and 3 stories. Buildings in Business C districts used primarily for non-residential purposes shall not exceed 40 feet and three stories in height.

17-1.4 Enclosure of Uses

In the Business C districts, all uses which are authorized or may be permitted, and all uses accessory thereto, shall be conducted wholly within a completely enclosed building, except the following:

1. Uses which are authorized or may be permitted in the Residence C districts.
2. Plants growing in the soil.
3. Automobile parking lots.
4. Exterior signs, if so arranged as not to shine upon secondary streets and away from adjacent residential districts.
5. Exterior lights, if so arranged as to reflect away from streets and from adjacent residence districts.

There being no further business under Article 68, the Moderator declared it disposed of.

Article 69. ZONING (Definition of term "office".)

Chairman David A. Leone reported for the Planning Board and on his motion, duly seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Mr. Leone, duly seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law as follows:

By inserting within Section 6. Definitions, the following new definition: "Office": The term "office" is defined as a place in which functions such as directing, consulting, record keeping, clerical work, and sales (without the presence of merchandise) of a firm are carried on. An office is also defined as a place in which a professional man conducts his professional business.

There being no further business under Article 69, the Moderator declared it disposed of.

Article 70. ZONING (Additions to Schedule of Height and Area Regulations.)

Chairman David A. Leone reported for the Planning Board and on his motion, duly seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Mr. Leone, duly seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law as follows:

1. By making the following additions to the Schedule of Height and Area Regulations attached to and made a part of the Zoning By-Law pertaining to the Business C District.

- a. District Designation - Business C
- b. Height limitations
 - Feet: - 17-1.3
 - Stories: - 17-1.3
- c. Yard Spaces required 17-1.3
- d. Front yard minimum depth in feet 17-1.3
- e. Side yard minimum width in feet 17-1.3
- f. Rear yard minimum depth in feet 17-1.3
- g. Minimum areas and Court Regulations 17-1.2

There being no further business under Article 70, the Moderator declared it disposed of.

Article 71. ZONING (Establishment of Districts.)

Chairman David A. Leone reported for the Planning Board and on his motion, duly seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Mr. Leone, duly seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law as follows:

1. By striking out the first paragraph of Section 1 entitled Establishment of Districts and inserting in place thereof the following new paragraph:

“For the purposes of this By-Law the Town of Arlington is hereby divided into districts of ten classes to be known as:

1. Residence A Districts
2. Residence B Districts
3. Residence C Districts
4. Residence C-1 Districts
5. Residence D Districts
6. Residence E Districts
7. Business A Districts
8. Business B Districts
9. Business C Districts
10. Industrial Districts

There being no further business under Article 71, the Moderator declared it disposed of.

Article 72. ZONING (Standards for Apartment Development within Industrial Districts.)

Chairman David A. Leone reported for the Planning Board and on his motion, duly seconded, it was

VOTED That the report be received.

Thereupon, on the motion of Mr. Leone, duly seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law as follows:

By striking out Section 18-B, inserting in place thereof the following section 18-B and adding the following new sections 18-C and 18-D:

18-B Height and Area Regulations:

The Height and Area regulations in the Industrial Districts are hereby established as set forth in the “Schedule of Area Regulations” attached hereto. All buildings in the Industrial Districts used for residential purposes shall conform to the height and yard regulations as set forth for Residence B districts, except that all buildings containing three or more dwelling units shall conform to the height and area regulations as set forth in Section 15-1.3 of the Zoning By-Law for Residence E Districts.

18-C Parking Requirements:

In the Industrial Districts automobile parking spaces and driveways for buildings containing three or more dwelling units shall be required in conformance with the regulations set forth in Section 15-1.2 of the Zoning By-Law for Residence E Districts.

18-D Landscaping and Recreation Areas:

In the Industrial Districts, Landscaping and Recreation Areas shall be required for all buildings containing three or more dwelling units in conformance with the Landscaping and Recreation Area requirements as set forth in Section 15-1.4 of the Zoning By-Law for Residence E Districts.

There being no further business under Article, 72 the Moderator declared it disposed of.

Article 73. ZONING (Schedule of Height and Area Regulations.)

Chairman David A. Leone reported for the Planning Board and on his motion, duly seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Mr. Leone, duly seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law as follows:

1. By making the following additions to the Schedule of Height and Area Regulations attached to and made a part of the Zoning By-Law pertaining to the Industrial District.

a. Height Limitation

feet: 18-B

stories: 18-B

b. Front yard minimum depth in feet: 18-B

c. Side yard minimum width in feet: 18-B

d. Rear yard minimum depth in feet: 18-B

There being no further business under Article 73, the Moderator declared it disposed of.

On the motion of Mr. George J. Remmert, Chairman of the Finance Committee, it was

VOTED: That Article 74 and Article 75 be tabled.

Article 76. ZONING (New Definitions.)

Chairman David A. Leone reported for the Planning Board and on his motion, duly seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Mr. Leone, duly seconded, it was

VOTED: (Standing Vote, 168 in the affirmative and 36 in the negative) That the Town amend its Zoning By-Law as follows:

By inserting within Section 6, Definitions, the following new definitions:
"Accessory Signs": Any billboard, sign or other advertising device that advertises, calls attention to, or indicates the person occupying the premises

on which the sign is erected, or the business transacted thereon. The definition does not include signs which advertise the property itself or any part thereof for sale or rent.

“Awning”: The word awning shall be held to have the following meaning: A rooflike covering, as of canvas, stretched upon a frame that is affixed to a building and used above or before any place as a shelter from rain or sun.

“Business Area”: A business area is any area included within a district zoned primarily for business or commercial purposes under the Zoning By-Law. It does not include any area within a district zoned for residential purposes under said Zoning By-Law as hereinafter defined, regardless of whether the area is being lawfully used or is available for such use through a special permit or a variance granted by the Board of Appeals or through a non-conforming use or by any other mean.

“Erected”: The word erected shall include the words attached, built, constructed, reconstructed, altered, enlarged and moved.

“Marquee”: The word marquee shall be held to have the following meaning: A rigid surface canopy structure projecting from a building over an exterior entrance thereto and used as a shelter from rain or sun.

“Non-accessory Sign”: Any billboard, sign or other advertising device that does not come within the foregoing definition of an accessory sign.

“Parking Area”: A public parking area or private parking area that is open to parking of motor vehicles by customers of the stores.

“Person”: The word person shall include one or more individuals, a partnership, an association or a corporation.

“Residential Area”: A residential area is any area situated within a district zoned primarily for residential purposes under the Zoning By-Law.

“Sale or Rent Signs”: A sale or rent sign includes signs which advertise the property itself or any part thereof for sale or rent.

“Sign”: The word sign shall include any letter, word, symbol, drawing, picture, design, device, article and object that advertises, calls attention to or indicates any premises, person or activity, whatever the nature of the material and manner and composition or construction.

“Size”: In applying the maximum height and width limitations described in this By-Law for signs, any intermediate removable surface to which a sign is affixed shall be deemed to be part of the sign.

“Standing Sign”: The term standing sign shall include any and every sign erected on or affixed to the land and every exterior sign that is not attached to a building.

“Store”: A store shall include any establishment, place of business or office.

“Street”: Any public way or a private way that is open to public use.

“Zoning By-Law”: The Zoning By-Law of the Town of Arlington which as from time to time is in force and effect.

There being no further business under Article 76, the Moderator declared it disposed of.

Article 77. ZONING (Signs and Advertising Devices).

Chairman David A. Leone reported for the Planning Board and on his motion, duly seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Mr. Leone, duly seconded, it was

VOTED: (Standing Vote, 132, in the affirmative and 44 in the negative) That the Town amend its zoning By-Law as follows:

By inserting after Section 24 the following title, "Signs and Advertising Devices" and new sections:

25-A Number:

There shall not be more than one exterior sign for each store, except that if the store has direct entrances into the store in walls other than the store front there may be a secondary sign affixed to each of such walls. If the store has a wall, other than the store front, that faces upon a street or parking area, there may be a secondary sign affixed to such wall whether or not such wall contains an entrance to the store; provided, however, that no store shall have more than three secondary signs in any event. The cumulative width of secondary sign or signs shall not exceed fifty percent of the maximum possible width of the sign on the store front. In addition to the foregoing sign or signs, there may be one directory of the occupants or tenants of the building affixed to the exterior wall of the building at each entrance to the building. Such directory shall not exceed an area determined on the basis of one square foot for each occupant or tenant of the building.

25-B Location:

In any industrial and business district, no sign shall be affixed to a building except as hereinafter provided. A sign attached to a building shall be securely affixed to one of the walls and shall be parallel with and not project more than twelve inches from the face of such wall and shall not project beyond the face of any other wall of the building to which it is affixed. No sign shall project above the highest line of the wall of the building to which it is affixed. If the sign is attached to a parapet, it shall not exceed the height of the parapet.

25-C Illumination and Animation:

Flashing, moving and animated signs are prohibited in all zoning districts. No red or green lights shall be used on any sign if, in the opinion of the Building Inspector, such light would create a driving hazard. No sign shall be illuminated between 12:00 M. and 6:00 A.M. except signs identifying police or fire stations and such other signs as the Zoning Board of Appeals may specifically authorize to be illuminated at other hours, if the Board finds that the nature of the use of the premises is such that illumination should be permitted in the public interest. The provisions of this paragraph shall apply not only to exterior signs but also to interior signs that are designed or placed so as to shine through windows and doors of any building.

25-D Size:

In all industrial and business districts, a sign on the exterior wall of the first floor of a building shall not be more than four feet over-all in height, and may extend across the full width of the store front. A sign on the exterior wall of a store occupying other than the first floor of a building shall not exceed two feet in height and three feet in width.

25-E Marquees and Awanings:

1. A marquee and/or awning shall be permitted at each public entrance or display window of a store.

2. A marquee, including any lettering which may be attached to the top surface thereto, shall not be more than four feet over-all in height, such letters must be three-dimensional and parallel with the store front.

3. All regulations pertaining to animation, illumination, and location of signs shall also apply to marquees and awnings, with the exception that painted letters may be applied directly to an awning without the requirement of an intermediate surface thereto.

4. Notwithstanding the foregoing, any marquee or awning shall be subject to the provisions of the Building Code and the Regulations of the Board of Survey regulating signs, marquees, etc., projecting into, on, or over a public street or way.

25-F Standing Signs:

Standing signs are prohibited except as follows:

(1) In particular instances, the Zoning Board of Appeals may permit standing signs in industrial and commercial districts if it is determined that the nature of the use of the premises, the architecture of the building or the location of the building with reference to the street is such that a standing sign or signs should be permitted in the public interest. In granting such permission, the Board of Appeals shall specify the size, type and location of the sign and impose such other terms and restrictions as it may deem in the public interest, subject, however, to the provisions of the Building Code and the regulations of the Board of Survey regulating signs projecting into, on or over a public street or way.

(2) During the construction of a building in residential, commercial and industrial districts, a standing sign may be erected on the premises identifying the building, the owner, the contractors, the architects or the engineers, but such sign shall not exceed thirty-five square feet in surface area nor ten feet in any dimension. Such sign shall be removed promptly after the completion of the building.

25-G Gasoline Filling Stations and Garages:

Gasoline filling stations and garages may, if they elect to do so, divide the one exterior sign affixed to the front wall of the building to which they are entitled as hereinabove provided into separate signs affixed to and parallel to such wall to indicate the separate operations or departments of the business, provided, however, that the total of the widths of the separate signs shall not exceed the maximum width permitted under the section of this By-Law pertaining to number of signs. In addition, one sign, standing or otherwise, indicating the company whose gasoline is being sold may be erected of such type, in such location and in such manner as the Zoning Board of Appeals may permit. The standard type of gasoline pump, bearing thereon in usual size and form, the name or type of gasoline and the price thereof, shall not be deemed to be in violation of this By-Law.

25-H Construction:

No sign shall be painted or posted directly on the exterior surface or any wall, including windows and doors. All signs must be painted, posted, or otherwise securely affixed to a substantial intermediate removable surface and such surface shall be securely affixed to the wall of the building. The foregoing, however, shall not prevent installation of a sign by individual letters of devices cut into or securely affixed to the exterior wall of a building, provided that such letters or devices have a minimum depth or projection of one fourth ($1/4$) of an inch. The material of the sign and intermediate surface and the manner of affixation of the sign to the intermediate surface and of the intermediate surface to the wall of the building shall be subject to the approval of the Building Inspector for the purpose of protecting the safety of the public. Notwithstanding the foregoing, signs may be painted or posted on the interior surface of any wall including windows and doors.

25-I PERMITS:

No sign shall be erected on the exterior of any building or on any land unless and until application for the erection of such sign has been filed with

the Building Inspector, with such information and drawings as he may require, and a permit for the erection of the sign has been issued by him. The provisions of this section shall not apply to permitted signs in residential districts except such as by the terms of this By-Law are permitted only with specific permission of the Board of Appeals.

25-J Pertinence to Other Laws:

The zoning by-law shall not be construed so as to be inconsistent with or in contravention to sections twenty-nine through thirty-three inclusive of Chapter 93, or section eight of Chapter 85 of the General Laws of the Commonwealth of Massachusetts as Amended.

25-K Nonconforming Signs:

1. Any nonconforming sign legally erected prior to the adoption of this section, or any amendment thereof, may be continued to be maintained for a period not longer than five years after the date of adoption of this section. Such a sign shall not be enlarged, reworded (other than in the case of theatre signs), redesigned or altered in any way unless it is brought into conformity. Any such sign which has been destroyed or damaged to such an extent that the cost of restoration would exceed 35% of the replacement value of the sign at the time of the destruction or damage, shall not be repaired or rebuilt or altered unless in conformity with this section.

2. The exemption herein granted shall terminate with respect to any sign which (1) shall have been abandoned; (2) advertises or calls attention to any products, businesses or activities which are no longer carried on or sold, whether generally or at the particular premises; or (3) shall not have been repaired or properly maintained within sixty days after notice to that effect has been given by the Building Inspector.

25-L Special Signs:

In particular instances the Zoning Board of Appeals may permit more than the number of signs hereinabove permitted or signs of a greater size or in a location other than hereinabove specified, if it is determined that the architecture of the building, the location of the building with reference to the street or the nature of the use being made of the store is such that additional sign or signs of a larger size should be permitted in the public interest. In granting such permission, the Board of Appeals shall specify the size and location of the sign or signs and impose such other terms and restrictions as it may deem to be in the public interest.

25-M Non-Accessory Signs:

1. No non-accessory signs shall be erected or maintained in any residential district.

2. No non-accessory signs shall be erected or maintained in any business or industrial district except as permitted under a permit lawfully issued, and remaining in full force and effect by the Outdoor Advertising Authority, or any board or officials succeeding to this authority in the administration of Sections 29-33, inclusive, of Chapter 93 of the General Laws, or any act in addition thereto or amendment thereof.

3. Any non accessory sign shall comply with the provisions of this by-law with respect to Illumination, Movement, Construction, and Maintenance.

25-O Exceptions:

This section, or any amendment thereof, shall not apply to any church, or any building or land used for religious purposes, or educational purposes which are religious, sectarian, denominational, or public.

There being no further business under Article 77, the Moderator declared it disposed of.

On the motion of Mr. Joseph S. Daly, town meeting member from Precinct 11, duly seconded, it was

VOTED: That the meeting adjourn.

The meeting thereupon adjourned at 11:05 P.M. on Monday, March 22, 1965, until Wednesday, March 24, 1965, at 8:00 P.M.

A true record.

ATTEST:

Ann Mahon

Town Clerk

ADJOURNED ANNUAL TOWN MEETING - MARCH 24, 1965

Pursuant to the vote of adjournment of March 22, 1965, and written notices sent by mail by the Town Clerk, the town meeting members met in the Town Hall on Wednesday evening, March 24, 1965, to act upon the remaining articles set forth in the Warrant for the Annual Town Meeting.

Lists of the duly qualified town meeting members were used at the entrances of the meeting place and were in charge of Mary A. Farrington and Charlotte E. Emerson. The lists contained the names of two hundred forty (240) elected town meeting members and six (6) town meeting members at large qualified to participate in and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that two hundred nineteen (219) elected town meeting members and five (5) town meeting members at large (91% of total - 246) attended the meeting.

The Moderator, Lawrence E. Corocran, declaring a quorum present, called the meeting to order at 8:02 o'clock P.M.

The meeting was opened with the singing of the "Star Spangled Banner" by the assembly, accompanied by Mr. Anton Kovar, pianist, and Mr. Richard Laman, trumpeter, both of the School Department.

The invocation was given by Rev. Halsey I. Andrews, Pastor of St. John's Episcopal Church.

A town meeting member who had not previously been sworn was thereupon sworn by the Moderator.

On motion of Selectman Greeley, duly seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Monday evening, March 29, 1965, at 8:00 o'clock.

Article 78. ZONING (Signs and Billboards.)

Chairman David A. Leone requested for the Planning Board that Article 78 be withdrawn.

There being no further business under Article 78, the Moderator declared it disposed of.

On the motion of Mr. David A. Leone, Chairman of the Planning Board, duly seconded, it was

VOTED: That Articles 74 and 75 be taken from the table.

Article 74. ZONING (Definition of term "Political Sign".)

Chairman David A. Leone reported for the Planning Board and on his motion, duly seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Mr. Leone, duly seconded, it was

VOTED: (Standing Vote, 179 in the affirmative and 18 in the negative) That the Town amend its Zoning By-Law as follows:

By inserting within Section 6. Definitions, the following new definition: "Political Sign": A political sign is an outdoor sign of a temporary nature used in an election campaign which may pertain to candidates for elective office or to matters brought before the public in the form of referendum. Town precinct bulletin boards and any notices thereon shall not be construed as political signs.

There being no further business under Article 74, the Moderator declared it disposed of.

Article 75. ZONING (Political Signs.)

Chairman David A. Leone reported for the Planning Board and on his motion, duly seconded, it was

VOTED: That the report be received.

Thereupon on the motion of Mr. Leone, duly seconded, it was

VOTED: (Standing Vote, 180 in the affirmative and 17 in the negative) That the Town amend its Zoning By-Law as follows:

By inserting after Section 25-M the following new section:

25-N Political Signs:

Political signs, as herein defined, shall not be permitted in any zoning district.

There being no further business under Article 75, the Moderator declared it disposed of.

Article 79. ZONING (Lot Area - Residence A.)

Chairman David A. Leone reported for the Planning Board and on his motion, duly seconded, it was

VOTED: That the report be received.

Thereupon, the motion of Mr. Leone for the Planning Board which was duly seconded, was declared lost by the Moderator on a standing vote, 133 having voted in the affirmative and 70 in the negative, lacking the required two-thirds vote.

There being no further business under Article 79, the Moderator declared it disposed of.

Article 80. ZONING (Schedule of Height and Area Regulations.)

Article 81. ZONING (Lot Frontage and Area-Residence B.)

Article 82. ZONING (Schedule of Height and Area Regulations.)

Chairman David A. Leone requested for the Planning Board that Articles 80, 81 and 82 be withdrawn.

There being no further business under Articles 80, 81 and 82, the Moderator declared them disposed of.

Article 83. ZONING (Area of River Street and Broadway; North Union Street and Hadley Court; Decatur, Gardner, Fremont and Everett Streets.)

Chairman David A. Leone reported for the Planning Board and on his motion, duly seconded, it was

VOTED: That the report be received.

Thereupon, the motion of Mr. Leone for the Planning Board which was duly seconded, was declared lost by the Moderator on a voice vote.

There being no further business under Article 83, the Moderator declared it disposed of.

Article 84. ZONING (Area bounded by River Street and Everett Street.)

Chairman David A. Leone reported for the Planning Board and on his motion, duly seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Mr. Leone, duly seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law as follows:

By altering the Zoning Map therein so as to include in the Residence A District the area now included in the Residence C District, bounded and described as follows:

Beginning at the point of intersection of the centerline of Ernest Road and the centerline of River Street, thence northeasterly on said centerline of River Street to a point opposite the rear boundary line of lot 21 or No. 2 Yale

Road, thence southeasterly by the rear boundary lines of Lots 21 to 26 inclusive and the extensions thereof to the centerline of Everett Street, thence southwesterly on said centerline of Everett Street to its intersection with the centerline of Ernest Road, thence northeasterly on said centerline of Ernest Road to the point of beginning.

There being no further business under Article 84, the Moderator declared it disposed of.

Article 85. ZONING (Area in rear of Broadway.)

Chairman David A. Leone reported for the Planning Board and on his motion, duly seconded it was

VOTED: That the report be received.

Thereupon, on the motion of Mr. Leone, duly seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law as follows:

By altering the Zoning Map therein referred to so as to include in the Business A District the area now included in the Residence B District between Everett Street and North Union Street and between the Business A District and the Playground Area, bounded and described as follows:

Beginning at a point on the centerline of N. Union Street, 100 feet northeasterly of the northeasterly sideline of Broadway and on the northeasterly boundary line of the Business A District, thence northwesterly by said Business A district to the centerline of Everett Street, thence northeasterly on said centerline of Everett Street a distance of 20.0 ft. to an angle point, thence southeasterly on line 20.0 ft. northeasterly of and parallel to the northeasterly boundary line of the Business A District to the centerline of N. Union Street, thence southwesterly on said centerline of N. Union Street 20.0 ft. to the point of beginning.

There being no further business under Article 85, the Moderator declared it disposed of.

A motion by Mr. William A. Trenchard, Jr., town meeting member from Precinct 14, duly seconded, that Article 25 be reconsidered was declared lost by the Moderator on a standing vote, 101 having voted in the affirmative and 107 in the negative.

There being no further business under Article 26, the Moderator declared it disposed of.

On the motion of Mr. George J. Remmert, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Budget No. 33 of Article 27 be taken from the table.

Article 27. Budget 33 (Town Departmental Outlays and Expenses - Division of Highways and Bridges.)

By consent of the meeting, the motion of the Finance Committee was considered withdrawn, and on the new motion of Mr. George J. Remmert, Chairman of the Finance Committee, it was

VOTED:

33. Division of Highways and Bridges

(Town Manager)

Maintenance of Highways and Bridges

(to be expended substantially as follows:)

Labor \$ 273,600.00

Expenses 45,000.00

\$ 318,600.00

Removal of Snow & Ice

78,152.86

Maintenance of Snow Removal

Equipment and supplies

27,362.64

TOTAL

\$ 424,115.50

VOTED: To be raised by

General Tax

\$ 410,870.84

To be taken from the

Parking Meter Fund

a/c removal of Snow

and Ice from Parking

Areas

13,244.66

There being no further business under Article 27, the Moderator declared it disposed of.

On the motion of Mr. George J. Remmert, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Article 34 be taken from the table.

Article 34. (Reconstruction of Certain Streets.)

By consent of the meeting, the motion of the Finance Committee was considered withdrawn, and on the new motion of Mr. George J. Remmert, Chairman of the Finance Committee, it was

VOTED: That the sum of twenty nine thousand eight hundred dollars (29,800.00) be and hereby is appropriated for the relocation, alteration and widening, construction of, specific repairs upon, and improvement of all or any part of Mystic Street, Summer Street, Medford Street and Lowell Street, within the Town as now existing or hereafter relocated, altered and widened, including land damages, if any, under the provisions of law authorizing the assessment of betterments or otherwise; said appropriation to be used with any sum or sums which may be allotted by the Commonwealth or County of Middlesex, or both, for such purpose or purposes; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 34, the Moderator declared it disposed of.

On the motion of Mr. Arthur D. Saul, Jr., duly seconded it was

VOTED: That Article 26 be taken from the table.

Article 26. (Petition General Court - Permission to Erect Skating Arena and Recreational Centre.)

VOTED: That no action be taken under Article 26 of the Warrant.

There being no further business under Article 26, the Moderator declared it disposed of.

On the motion of Mr. George J. Remmert, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Article 47 be taken from the table.

Article 47. (Appropriation for Construction of Way.)

By consent of the meeting, the motion of the Finance Committee was considered withdrawn and on the new motion of Mr. George J. Remmert, Chairman of the Finance Committee, it was

VOTED: (Unanimously) That the sum of Two Hundred Thirty-nine thousand Two Hundred Dollars (\$239,200) be and hereby is appropriated for the original construction of public ways, the laying out of which is accepted at this meeting under Articles 35,36, 39, 40, 42, 43, 44 and 45, including land damages and the cost of pavements and sidewalks laid at the time of such construction, all under the provisions of law authorizing the assessment of betterments; that for this purpose the sum of One Hundred Seventy-nine thousand Two hundred thirty dollars and forty-eight cents (\$179,230.48) be raised by general tax and Fifty-nine Thousand Nine Hundred Sixty-nine dollars and fifty-two cents (\$59,969.52) be taken from unexpended balances in the treasury as follows:

There being no further business under Article 47, the Moderator declared it disposed of.

On the motion of Mr. George J. Remmert, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Article 48 be taken from the table.

Article 48. (Easements in Land.)

By consent of the meeting, the motion of the Finance Committee was considered withdrawn and on the new motion of Mr. George J. Remmert, Chairman of the Finance Committee, it was

VOTED: (Unanimously) That the Board of Selectmen be and hereby is authorized and empowered on behalf of the Town to purchase or take by eminent domain or other-wise acquire, easements in land adjoining the location of ways, the laying of which is accepted at this meeting under Articles 35, 36, 39, 40, 43, 44 and 45, consisting of the right to have the land of said location protected by having the surface of such adjoining land slope from the boundaries of said location; that for this purpose the sum of five hundred dollars (\$500) be and hereby is appropriated; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 48, the Moderator declared it disposed of.

On the motion of Mr. George J. Remmert, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Article 66 be taken from the table.

Article 66. (Amend Building Code - Swimming Pools.)

By consent of the meeting, the motion of the Finance Committee was considered withdrawn and on the new motion of Mr. George J. Remmert, Chairman of the Finance Committee, it was

VOTED: (Unanimously) That the town amend Division 4 of the Building Code established under Article 15 of the Town's By-Laws by inserting after Section 4-4 the following new section.

Section 4-5 Swimming pools

Building Department Construction Permits and Approval

Before work is commenced on the construction of a permanent swimming pool or a permanent family pool or on any alteration, addition, remodeling, or other improvement to a permanent swimming pool or a permanent family pool, an application for a permit to construct and the plans and specifications and pertinent explanatory data shall be submitted to the Building Department for its approval, and no part of the work shall be commenced until the Inspector of Buildings has granted such approval by a written permit to construct and has further evidenced his approval by a suitable endorsement upon such plans and specifications. No department of the town charged with the duty of issuing permits for building, plumbing or for other work in connection with the construction of a permanent swimming pool or the construction of any alteration, addition, remodeling or other improvement to a permanent swimming pool or permanent family pool shall issue a permit for a permanent swimming pool until the plans and specifications thereof have been endorsed by the Inspector of Buildings.

Enclosure of Permanent Swimming Pools

Every outdoor permanent swimming pool or permanent family pool; except portable above ground swimming pools; shall be completely surrounded by a fence or wall not less than 4 feet in height, which shall be so constructed as not to have openings, holes, or gaps larger than 4 inches in any dimension except for doors and gates; and if a picket fence is erected or maintained, the horizontal dimension shall not exceed 4 inches. A dwelling house or accessory building may be used as part of such enclosure. All gates or doors opening through such enclosure shall be equipped with a self-closing and

self latching device for keeping the gate or door securely closed at all times when not in actual use, except that the door of any dwelling which forms a part of the enclosure need not be so equipped.

This requirement shall be applicable to all new permanent swimming pools or permanent family pools; except portable above ground swimming pools; hereafter constructed, other than indoor pools, and shall apply to all permanent existing pools which have a minimum depth of 18 inches of water. No person in possession of land within the town, either as owner, purchaser, lessee, tenant or a licensee upon which is situated a permanent swimming pool or permanent family pool; except portable above ground swimming pools; having a minimum depth of 18 inches of water shall fail to maintain such fence or wall as herein provided.

The Inspector of Buildings may make modifications in individual cases, upon a showing of good cause with respect to the height, nature or location of the fence wall, gates or latches, or the necessity therefore, provided the protection as sought hereunder is not reduced thereby. The Inspector of Buildings may permit other protective devices or structures to be used so long as the degree of protection afforded by the substitute devices or structures is not less than the protection afforded by the wall, fence, gate and latch described herein. The Inspector of Buildings shall allow a reasonable period within which to comply with the requirements of this Section.

There being no further business under Article 66, the Moderator declared it disposed of.

On the motion of Mr. Joseph S. Daly, town meeting member from Precinct 11, duly seconded, it was

VOTED: That the meeting adjourn.

The meeting thereupon adjourned at 11:07 P.M. on Wednesday, March 24, 1965, until Monday, March 29, 1965, at 8:00 P.M.

A true record.

ATTEST:

Ann Mahon

Town Clerk

ADJOURNED ANNUAL TOWN MEETING - MARCH 29, 1965

Pursuant to the vote of adjournment of March 24, 1965, and written notices sent by mail by the Town Clerk, the town meeting members met in the Town Hall on Monday evening, March 29, 1965, to act upon the remaining articles set forth in the Warrant for the Annual Town Meeting.

Lists of the duly qualified town meeting members were used at the entrances to the meeting place and were in charge of Mary A. Farrington and Charlotte E. Emerson. The lists contained the names of two hundred forty (240) town meeting members and six (6) town meeting members at large qualified to participate and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that one hundred ninety-eight (198) town meeting members and five (5) town meeting members at large (82.5% of total - 246) attended the meeting.

The Moderator, Lawrence E. Corcoran, declaring a quorum present, called the meeting to order at 8:05 P.M.

The meeting was opened with the singing of "The Star Spangled Banner" by the assembly accompanied by Mr. Anton Kovar, pianist and Mr. Richard Laman, trumpeter, both of the School Department.

On motion of Selectman Greeley, duly made and seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Wednesday evening, March 31, 1965, at 8:00 o'clock.

Article 86. (Purchase of Land for a Park.)

VOTED: (Unanimously) That the Board of Park Commissioners be and hereby is authorized and empowered on behalf of the Town to acquire by purchase, eminent domain or otherwise for the purpose of public playground or recreation centre, the parcel of land hereinafter described, any portion thereof, any interest or easements therein, and any rights or easements of way or otherwise as appurtenant thereto, and subject to or with any reservation of any rights or easements therein; and that for this purpose the sum of three thousand dollars (\$3,000) be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the Board of Park Commissioners. Said land is bounded and described as follows:

1st Parcel: Beginning at a point on the southeasterly side line of Magnolia Street 305.0 feet southwesterly of the southwesterly side line of Herbert Road, thence southeasterly on the division line between land of Town of Arlington and Lot 55 a distance of 100.06 feet to a point, thence southwesterly on the southeasterly boundary line of Lots 55, 54, 53, 52, 51, 50 and 49 a distance of 210.0 feet to a point, thence northwesterly on the division line between Lot 49 and Lot 48 a distance of 100.06 feet to a point on the southeasterly side line of Magnolia Street, thence northeasterly on said southeasterly side line of Magnolia Street a distance of 210.0 feet to the point of beginning and containing 21,000 square feet, as shown on a plan on file in the office of the Town Engineer entitled "Plan of Land taken for playground purposes, Arlington, Mass., Scale: 1" - 40', Jan. 1965, W. H. Roby, Town Engineer".

2nd Parcel: Beginning at a point on the northwesterly side line of Magnolia Street 229.98 feet southwesterly of the southwest side line of Herbert Road, thence southwesterly on said northwesterly side line of Magnolia Street a distance of 220.0 feet to a point, thence northwesterly on the division line between Lot 38 and Lot 39 a distance of 100.0 feet to a point, thence northeasterly by the northwesterly boundary line of Lots 38, 37, 36, 35, 34, 33 and 32 a distance of 220.0 feet to a point, thence southeasterly on the division line between Lot 32 and Lot 31 a distance of 100.0 feet to the point of beginning and containing 22,000 square feet, as shown on a plan on file in the office of the Town Engineer entitled "Plan of Land taken for playground purposes, Arlington, Mass., Scale: 1" - 40", Jan. 1965, W. H. Roby, Town Engineer".

There being no further business under Article 86, the Moderator declared it disposed of.

Article 87. (Transfer of Cemetery Funds.)

VOTED: That the sum of eight thousand dollars (\$8,000) be and hereby is transferred from Mount Pleasant Cemetery Sale of Lots and Graves Fund to the Cemetery Commissioners for the improvement of the Town Cemeteries.

There being no further business under Article 87, the Moderator declared it disposed of.

Article 88. (Appointment of a Committee - 100th Anniversary of the Town.)

VOTED: That no action be taken under Article 88 of the Warrant.

There being no further business under Article 88, the Moderator declared it disposed of.

Article 89. (Appointment of a Committee - Conflict of Interests.)

A substitute motion offered by Joseph F. Mulherin, town meeting member from Precinct 7, duly seconded, was declared lost by the Moderator on a standing vote, 46 having voted in the affirmative and 128 in the negative. A second substitute motion offered by Mr. Edward J. Doherty, town meeting member from Precinct 13, in behalf of Dr. Herbert Meyer, which was duly seconded, was declared lost by the Moderator on a voice vote.

Thereupon, on the original motion of the Finance Committee, it was

VOTED: That no action be taken under Article 89 of the Warrant.

There being no further business under Article 89, the Moderator declared it disposed of.

Article 90. (Arlington Historical Committee.)

A substitute motion offered by Mr. John O. Parker, town meeting member from Precinct 8, duly seconded, was declared lost by the Moderator on a voice vote.

An amendment to the original motion of the Finance Committee offered by Mr. George J. Remmert, Chairman, duly seconded, was declared by the Moderator to have carried on a voice vote. Thereupon, on the motion as amended, it was

VOTED: (Standing Vote, 154 in the affirmative and 26 in the negative) That the sum of one thousand dollars (\$1,000) be and hereby is appropriated under the direction of the Arlington Historical Committee to promote appreciation and preservation of Arlington's unequalled contributions to our national heritage to establish a fitting memorial on the occasion of the 200th Anniversary of the birth of a native son, Samuel Wilson, the prototype of Uncle Sam, the symbol of our great nation; said sum to be raised by general tax, and to be spent under the direction of Arlington Historical Committee.

There being no further business under Article 90, the Moderator declared it disposed of.

Article 91. (Easement - Town of Lexington.)

A substitute motion offered by Mr. Joseph S. Vahey, town meeting member from Precinct 9, duly seconded, was declared carried by the Moderator on a standing vote, 118 having voted in the affirmative and 48 in the negative.

On the motion of Mr. Werner A. Carlson, Jr., town meeting member from Precinct 13, duly seconded, it was

VOTED: That Article 91 be tabled.

Article 92. (Acceptance of Easement.)

A substitute motion offered by Mr. Joseph S. Vahey, town meeting member from Precinct 9, duly seconded, was declared by the Moderator to have carried on a standing vote, 147 having voted in the affirmative and 34 in the negative. Thereupon, on the motion as substituted, it was

VOTED: (Standing Vote, 156 in the affirmative and 30 in the negative) That the Town accept a perpetual easement or right of way from Antonio Busa to the Town of Arlington for the use of the general public, its board, officers, agents and employees for all legal purposes to provide access by foot and by vehicle into the Great Meadows over a certain strip of land in Lexington, bounded and described as follows:

Beginning at the point of tangency of a curve to the left at the northwesterly intersection of Circle Road and an unnamed street, thence northwesterly a distance of 57 + or - feet to a point on the southerly property line of the Great Meadows, thence easterly along said property line of the Great Meadows, a distance of 46 + or - feet to a point, thence southeasterly along the easterly sideline of said unnamed street a distance of 34 + or - feet to a point, thence southwesterly at right angles to the easterly sideline of said unnamed street a distance of 40 feet to the point of beginning, all as shown on a plan on file in the office of the Town Engineer made by Miller and Nylander and dated June 12, 1964.

There being no further business under Article 92, the Moderator declared it disposed of.

On the motion of Mr. Werner A. Carlson, Jr., town meeting member from Precinct 13, duly seconded, it was

VOTED: That Article 91 be taken from the table.

Article 91. (Easement - Town of Lexington.)

On the original motion of the Finance Committee, as previously substituted by the motion of Mr. Joseph S. Vahey, town meeting member from Precinct 9, it was

VOTED: (Standing Vote, 161 in the affirmative and 27 in the negative) That the Town authorize the Board of Selectmen to grant an easement to the Town of Lexington for the installation and maintenance of a storm drain pipe, with appurtenances over land in the Great Meadows, hereinafter described, for the purpose of draining surface waters from Circle Road in Lexington into and onto the Great Meadows. Said easement is bounded and described as follows:

Beginning at the division line between Lot 5 and Lot 6 said point being 140 + or - feet northwesterly of Circle Road and on the boundary line of the Great Meadows, thence southwesterly by said Lot 6 a distance of 17+ or - feet, thence northwesterly through the Great Meadows a distance of 68 + or - feet, thence northeasterly a distance of 15 feet to an angle point, thence south-easterly a distance of 60 feet to the point of beginning and being on extension of the drain easement shown on Lot 6 and as shown on a plan on file in the office of the Town Engineer made by Miller and Nylander and dated June 12, 1964.

There being no further business under Article 91, the Moderator declared it disposed of.

Article 93. (Storm Drain System - Renfrew Street.)

VOTED: That no action be taken under Article 93 of the Warrant.

There being no further business under Article 93, the Moderator declared it disposed of.

Article 94. (Sale of Land - Peabody Road.)

By consent of the meeting, the motion of the Finance Committee was considered withdrawn, and on the new motion of Mr. George J. Remmert, Chairman of the Finance Committee, it was

VOTED: That no action be taken under Article 94 of the Warrant.

There being no further business under Article 94, the Moderator declared it disposed of.

Article 95. (Chain Link Fence - Bishop School.)

VOTED: That the sum of two thousand five hundred dollars (\$2,500) be and hereby is appropriated for the erection of a chain link fence, not to exceed eight (8) feet in height, on the westerly property line of the Bishop School property and the adjacent Park Property this being also the rear property line of land fronting on Crosby Street; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 95, the Moderator declared it disposed of.

Article 96. (Real Estate Revaluation.)

By consent of the meeting, the motion of the Finance Committee was considered withdrawn, and on the new motion of Mr. George J. Remmert, Chairman of the Finance Committee, it was

VOTED: (Standing Vote, 121 in the affirmative and 59 in the negative) That a committee be appointed to be known as The Committee to Consider Revaluation of Real Estate, among the purposes of which shall be to study the question of revaluation of all the real estate in the town; said committee to consist of five (5) registered voters of the town who shall serve without compensation, one appointed by the Assessors, one appointed by the Chairman of the Finance Committee, and three appointed by the Town Manager; said committee to make a report of its findings to the 1966 Annual Town Meeting; and appropriate the sum of \$100 for the use of said committee.

There being no further business under Article 96, the Moderator declared it disposed of.

Article 97. (Fourth of July Celebration.)

A substitute motion was offered by Mr. Joseph S. Daly, town meeting member from Precinct 11, following which, on his motion, duly seconded, it was

VOTED: That Article 97 be tabled.

Article 98. (Veterans' Day Observance.)

On the motion of Mr. Joseph S. Daly, town meeting member from Precinct 11, duly seconded, it was

VOTED: That Article 98 be tabled.

Article 99. (Advertising Town By-Laws.)

VOTED: That the sum of one thousand two hundred fifty dollars (\$1,250) be and hereby is appropriated for the purpose of defraying the expense of advertising and other costs relating to the By-Laws voted at this meeting; said sum to be raised by general tax and expended under the direction of the Town Clerk.

There being no further business under Article 99, the Moderator declared it disposed of.

Article 100. (Ornamental Lighting - Christmas Holiday Season.)

A substitute motion offered by Mr. Berg Keshian, town meeting member from Precinct 9, duly seconded, was declared by the Moderator to have carried on a voice vote. Thereupon, on the motion as substituted, it was

VOTED: That the sum of twenty six hundred dollars (\$2600.00) be appropriated for the purpose of providing ornamental and additional light to the Town during the Christmas Holiday Season; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 100, the Moderator declared it disposed of.

Article 101. (Headquarters for Lt. Stanley G. Benner Detachment Marine Corps League of Arlington.)

VOTED: That the sum of twelve hundred dollars (\$1200) be and hereby is appropriated for the purpose of providing headquarters for the "Lt. Stanley G. Benner Detachment, Marine Corps League of Arlington" in accordance with Chapter 40 Section 9 of the General Laws of Massachusetts, as amended by Chapter 409 of the Acts of 1946; and that said sum be raised by general tax and expended under the direction of the Board of Selectmen.

There being no further business under Article 101, the Moderator declared it disposed of.

Article 102. (Appropriation - Barracks No. 2701 The Veterans of World War 1 U.S.A.)

VOTED: That the sum of one hundred dollars (\$100) be and hereby is appropriated for the purpose of providing suitable headquarters for the Barracks No. 2701 of the Veterans of World War 1, U.S.A.; said sum to be raised by general tax and to be expended under the direction of the Town Manager.

There being no further business under Article 102, the Moderator declared it disposed of.

Article 103. (Addition to the Stabilization Fund.)

A substitute motion offered by Mrs. Grace C. Kelly, town meeting member in Precinct 11, duly seconded, was declared by the Moderator to have carried on a voice vote. Thereupon, on the motion as substituted, it was

VOTED: That prior to the presentation by the Stratton School Building Committee of their plans for an addition as voted under Article 23 of the Warrant that the School Administration and/or School Committee furnish the town meeting with information concerning the future expansion, if any, in school buildings in the Arlington School System.

There being no further business under Article 103, the Moderator declared it disposed of.

Article 104. (Appropriation of Available Funds.)

VOTED: (Unanimously) That the sum of five hundred fifty thousand dollars (\$550,000) voted for appropriations heretofore made under the Warrant for this meeting, and not to be borrowed or to be taken from available funds or from balances of special appropriations made in other years, shall be taken from any available funds in the Treasury; and that the Assessors be instructed to use free cash in the Treasury in any available funds to that amount in the determination of the 1965 tax rate.

There being no further business under Article 104, the Moderator declared it disposed of.

On the motion of Mr. Joseph S. Daly, town meeting member from Precinct 11, duly seconded, it was

VOTED: That Article 97 be taken from the table.

Article 97. (Fourth of July Celebration.)

A substitute motion offered by Mr. Joseph S. Daly, town meeting member from Precinct 11, duly seconded, was declared lost by the Moderator on a standing vote, 67 having voted in the affirmative and 94 in the negative. Thereupon, on the original motion of the Finance Committee, it was

VOTED: That no action be taken under Article 97 of the Warrant.

There being no further business under Article 97, the Moderator declared it disposed of.

On the motion of Mr. Joseph S. Daly, town meeting member from Precinct 11, duly seconded, it was

VOTED: That Article 98 be taken from the table.

Article 98. (Veterans' Day Observance.)

A substitute motion offered by Mr. Joseph S. Daly, town meeting member from Precinct 11, duly seconded, was declared carried by the Moderator on a voice vote. Thereupon, on the motion as substituted, it was

VOTED: That the sum of \$1800. be and hereby is appropriated for the proper observance of Veterans' Day; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 98, the Moderator declared it disposed of.

On the motion of Mr. George J. Remmert, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Article 3 be taken from the table.

There being no further business under Article 3, the Moderator declared it disposed of.

On the motion of Mr. George J. Remmert, Chairman of the Finance Committee, duly seconded, it was

VOTED: That the meeting adjourn.

The meeting thereupon adjourned at 10:40 P.M. on Monday, March 29, 1965.

A true record.

ATTEST:

Ann Mahon
Town Clerk

WARRANT
FOR
SPECIAL TOWN MEETING
MONDAY, NOVEMBER 15, 1965

TOWN WARRANT

THE COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To the Constables of the Town of Arlington, in said County:

GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington to meet in the

TOWN HALL

in said Town on

MONDAY, THE 15TH DAY OF NOVEMBER, 1965

at 8 o'clock P.M., at which time and place the following articles are to be acted upon and determined exclusively by town meeting members in accordance with, and subject to the referenda provided for by Chapter 43A of the General Laws.

Article 1. To hear and act upon the reports of the Finance and other committees heretofore appointed.

Article 2. To see if the Town will vote to accept the gift to The Robbins Memorial Public Library set forth under Clause Thirtieth of the Will of the late Edith M. Fox, to be expended under the direction of the Trustees of Robbins Library; or take any action relating thereto.

(Inserted at the request of the Trustees of Robbins Library)

Article 3. To see if the Town will vote to accept the gift to The Robbins Memorial Public Library of a share of the residue of the estate of the late Edith M. Fox set forth under Clause Thirty-first of her will, to be expended under the direction of the Trustees of Robbins Library; or take any action relating thereto.

(Inserted at the request of the Trustees of Robbins Library)

Article 4. To see if the Town will acquire by purchase, eminent domain or otherwise, for library purposes or for any other lawful purpose, the parcel of land hereinafter described, any portion thereof, any interest or easements therein and any rights or easements of way or otherwise as appurtenant thereto and subject to or with any reservations of any rights or easements therein; make an appropriation of money for the purpose aforesaid; determine in what manner the money shall be raised and expended; or take any action relating to all or any of the foregoing. Said land is bounded and described as follows:

Beginning at a point on the northwesterly side line of Cleveland Street, said point being 53.0 feet northeasterly of the point of intersection of said northwesterly side line of Cleveland Street and the northeasterly side line of Massachusetts Avenue, thence northwesterly by Lot E a distance of 104.03 feet to an angle point, thence northeasterly by Lot G a distance of 47.19 feet to an angle point, thence southeasterly by Lot C (No. 8 Cleveland Street) a distance of 103.95 feet to a point on the northwesterly side line of Cleveland Street, thence southwesterly on said northwesterly side line of Cleveland Street, a distance of 51.0 feet to the point of beginning and containing 5103 square feet, as shown on a plan on file in the middlesex South District Registry of Deeds, Cambridge, Massachusetts, in Book 409, Page 36, and dated December 10, 1927, by L. G. Brackett & Co., Engineers.

(Inserted at the request of the Trustees of Robbins Library)

Article 5. To see if the Town will vote to appropriate a sum or sums of money to be expended under the direction of the Committee appointed under Article 88 of the Warrant for the 1959 Annual Town Meeting for the purpose of erecting an addition, or additions, to the present M. Norcross Stratton School and to provide for other alterations and improvements to and remodeling and reconstruction of said M. Norcross Stratton School including the cost of furnishings, equipment and lighting for said additions and other facilities for both the present building and the proposed additions; determine in what manner the money shall be raised; or take any action relating to any or all of the foregoing.

(Inserted at the request of more than 200 registered voters)

And you will notify and warn the voters of the Town of Arlington to meet at the time and place herein specified by leaving at every dwelling house in the Town a printed copy of this Warrant, and also by posting a copy of the same at the doors of The Town Hall, and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands, at said Arlington, this eleventh day of October, in the year of our Lord one thousand nine hundred and sixty-five.

(Signed)

JOSEPH P. GREELEY
KEVIN P. FEELEY
HORACE H. HOMER
JOHN J. BILAFER
ARTHUR D. SAUL, JR.

} SELECTMEN
OF THE
TOWN
OF
ARLINGTON

FRANK K. NICKSAY

ATTEST:

Constable, Town of Arlington

CONSTABLE'S RETURN

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss

Arlington, November 10, 1965

By virtue of this Warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and place and for the purposes herein specified by causing a printed attested copy of said Warrant to be left at every dwelling house in the Town, and by posting an attested copy of said Warrant at the doors of the Town Hall and in two or more conspicuous places in each of the fourteen precincts of the Town, seven days at least before the day of said meeting. A notice of the time, place and objects of the meeting was published in the local papers.

(Signed) Frank K. Nicksay

Constable of the Town of Arlington,
Massachusetts

SPECIAL TOWN MEETING - NOVEMBER 15, 1965

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town by a constable of said Town, notices having been sent by mail by the Town Clerk at least seven days before the day of the meeting to the town meeting members elected and qualified to act in town meetings in Arlington under the provisions of Chapter 43A of the General Laws, as amended, and published in the local newspapers as required by the Town's By-Laws, the town meeting members met in the Town Hall, in said Town, on Monday, November 15, 1965, at eight o'clock in the evening. The Warrant calling the meeting served as the notice sent by mail to the town meeting members by the Town Clerk.

Certificates were filed with the Town Clerk by the Chairmen and Clerks of certain precincts relative to elections to fill town meeting vacancies until the next annual election at special meetings held for the purpose on November 15, as follows:

Precinct 4 - Claire C. O' Neil, 55 Mott Street, to fill the vacancy arising from the resignation of Charles R. Palmer, whose term was to expire in 1966.

Precinct 6 - Robert L. Smith, 81 Kensington Park, to fill the vacancy arising from the resignation of Warren S. Berg, whose term was to expire in 1968.

Precinct 9 - Charles T. Cronin, 22 Russell Street, to fill the vacancy arising from the removal from Arlington of Martha A. (Clancy) Sheehan, whose term was to expire in 1967.

Precinct 13 - Charles T. King, 41 James Street, to fill the vacancy arising from the resignation of Warren E. O' Leary, whose term was to expire in 1967.

Lists of the duly qualified town meeting members were used at the entrances to the meeting place and were in charge of Mary A. Farrington and Charlotte E. Emerson. The lists contained the names of two hundred thirty-seven (237) town meeting members and six (6) town meeting members at large qualified to participate and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that one hundred ninety-seven (197) town meeting members and five (5) town meeting members at large (83.1% of total 243) attended the meeting.

Lawrence W. Burt was sworn by the Town Clerk as Stenographer to impartially and correctly report the proceedings of the meeting to the best of his ability.

The Moderator, Lawrence E. Corcoran, declaring a quorum present, called the meeting to order at 8:05 P.M.

The meeting was opened with the singing of the Star Spangled Banner by the assembly, accompanied by Mr. Anton Kovar, pianist, and Mr. Gabriel Gouveia, trumpeter, both of the School Department.

The invocation was given by Reverend Henry L. Tomsuden, Pastor of St. Paul's Lutheran Church.

The Town Meeting Members who had not previously been sworn were thereupon sworn by the Moderator.

There being no objection to the request of Mr. Joseph P. Greeley, Chairman of the Board of Selectmen, permission was granted by general consent for Mr. Feeley of the Board of Selectmen; Mr. Nicksay, Executive Secretary of the Board of Selectmen; Messrs. Dunn, Higby, Sliney, Lawlor, Bartholomew, Cotter, Sisson, Dillon and Blackmon of the Finance Committee; Mr. Ahern, Executive Secretary of the Finance Committee; Mrs. Porteus, Mrs. Cremens and Miss Carter, Messrs. Morine, Coughlin, Baker and Allen of the School Committee; Messrs. Tobey and Camarano of the Stratton School Building Committee; Messrs. Cameron and Smith of the School Department and Mr. Purcell, Town Counsel, to sit within the Town Meeting enclosure.

The Town Clerk read the call of the meeting and the Constable's Return of the Warrant, the reading of the remainder of the Warrant being waived by consent of the meeting.

On motion of Selectman Greeley, duly seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Monday, November 22, 1965, at 8 o'clock.

On motion of Selectman Greeley, duly seconded, it was

VOTED: That Article 1 be taken up. (Reports of Finance and other committees.)

On motion of Mr. George J. Remmert, Chairman of the Finance Committee, duly seconded, it was

VOTED: That the report of the Finance Committee as presented in its printed form be now received.

On motion of Mr. Remmert, duly seconded, it was

VOTED: That the remaining articles in the Warrant be now taken up separately in the order in which they appear in said Warrant, and that the recommendations of the Finance Committee under said articles as presented in their printed report be considered as now before the meeting, to be voted upon without further motion, separately, under the respective articles as they appear in said report.

On motion of Mr. Remmert, duly seconded, it was

VOTED: That Article 1 be laid on the table.

Article 2. (Acceptance of Gift.)

VOTED: (Unanimously) That the Town accept the bequest to The Robbins Memorial Public Library as set forth under Clause Thirtieth of the will of the late Edith M. Fox; said sum of money to be administered and expended under the direction of the present Trustees of the Robbins Library or their successors in office.

There being no further business under Article 2, the Moderator declared it disposed of.

Article 3. (Acceptance of Gift.)

By consent of the meeting, the motion of the Finance Committee as appearing in its printed report was considered withdrawn, and on the new motion of Mr. George J. Remmert, Chairman of the Finance Committee, it was

VOTED: (Unanimously) That the Town accept the gift to The Robbins Memorial Public Library of a share of the residue of the estate of the late Edith M. Fox as set forth under Clause Thirty-first of her will and that the present Trustees of the Robbins Library and their successors in office be and hereby are empowered to accept said share of the residue of said estate on behalf of the Town; said gift to be administered and expended under the direction of the present Trustees of the Robbins Library and their successors in office, and that they be and hereby are authorized and empowered further to expend the income or the income and principal thereof, or any part or parts of same, for the acquisition of land and construction of and additions to buildings for library purposes in the Town and for any other library purposes.

There being no further business under Article 3, the Moderator declared it disposed of.

Article 4. (Acquisition of Land - Library Trustees.)

A substitute motion offered by Mr. Edwin A. Barnard, town meeting member from Precinct 1, duly seconded, was declared lost by the Moderator on a voice vote. Thereupon, on the original motion of the Finance Committee, it was

VOTED: (Standing Vote, 171 in the affirmative and 17 in the negative) That the Board of Selectmen be and hereby is authorized and empowered on behalf of the Town to purchase or take in fee by eminent domain or otherwise acquire for Library purposes, the parcel of land hereinafter described, any portion thereof, any interest or easements therein and any rights or easements of way or otherwise as appurtenant thereto and subject to or with any reservations of any rights or easements therein; and that for this purpose the sum of seven thousand two hundred and fifty (\$7,250.00) dollars be and hereby is appropriated, said sum to be taken from available funds now in the Treasury and expended under the direction of the Board of Selectmen. Said land is bounded and described as follows:

Beginning at a point on the northwesterly side line of Cleveland Street said point being 53.0 feet northeasterly of the point of intersection of said northwesterly side line of Cleveland Street and the northeasterly side line of Massachusetts Avenue, thence northwesterly by Lot E a distance of 104.03 feet to an angle point, thence northeasterly by Lot G a distance of 47.19 feet to an angle point, thence southeasterly by Lot C (#8 Cleveland Street) a distance of 103.95 feet to a point on the northwesterly side line of Cleveland Street, thence southwesterly on said northwesterly side line of Cleveland Street a distance of 51.0 feet to the point of beginning and containing 5103 square feet, as shown on a plan on file in the Middlesex South District Registry of Deeds, Cambridge, Massachusetts, in Book 409, page 36, and dated December 10, 1927 by L. G. Brackett & Co., Engineers.

There being no further business under Article 4, the Moderator declared it disposed of.

Article 5. (M. Norcross Stratton School Addition.)

At the request of Mrs. Velma B. Brown, Chairman of the School Committee, permission was granted for Dr. Richard W. Baker, as Chairman of the Sub-Committee on Long Range Planning, and Dr. Mary K. Carter, as a member of the Stratton School Building Committee, to address the meeting for the purpose of reporting for the School Department under mandate of Article 103 of the 1965 Annual Town Meeting.

Following the report of Dr. Baker and Dr. Carter, on the motion of Mrs. Velma B. Brown, Chairman of the School Committee, duly seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of the Finance Committee it was

VOTED: (Standing Vote, 179 in the affirmative and 7 in the negative)
(1) That the sum of four hundred thirty-four thousand six hundred and fifty dollars (\$434,650.00) be and hereby is appropriated for the purpose of

of constructing and originally equipping and furnishing an addition to the present M. Norcross Stratton School building and that to meet said appropriation, the sum of nine thousand six hundred and fifty dollars (\$9,650.00) be taken from available funds now in the Treasury, the sum of one hundred thousand dollars (\$100,000.00) be and hereby is transferred from the Stabilization Fund, and that the Treasurer, with the approval of the Selectment, be and hereby is authorized to borrow at one time or from time to time the sum of three hundred twenty-five thousand dollars (\$325,000.00) under the provisions of Chapter 645 of the Acts of 1948 as amended and to issue bonds and notes of the town therefor, each issue of such bonds or notes to be payable in not more than ten years from its date; provided, however, that, if and to the extent that, prior to the sale of all of said bonds and notes, the Town shall have received from the Commonwealth of Massachusetts, under the provisions of Section 9 of said Chapter 645 of the Acts of 1948 as amended, the amount of any accelerated construction grant, said amount shall be used for the aforesaid purposes in lieu of the proceeds of bonds and notes and the amount of said bonds and notes hereinbefore authorized so far as unissued and unsold shall, to that extent, be reduced accordingly.

VOTED: (Standing Vote, 180 in the affirmative and 1 in the negative)

(2) That the sum of forty thousand one hundred eighty dollars (\$40,180.00) be and hereby is appropriated for the purpose of providing other alterations and improvements to and remodelling and reconstruction of the present M. Norcross Stratton School building, including furnishings and equipment related to said alterations, improvements, remodelling and reconstruction, said sum to be taken from available funds now in the Treasury.

Said appropriations shall be expended under the direction of the Pheasant Avenue School Building Committee, appointed under Article 88 of the Warrant for the 1959 Annual Town Meeting; said committee to have full authority to do all things necessary to carry out the provisions of this vote.

There being no further business under Article 5, the Moderator declared it disposed of.

On the motion of Mr. George J. Remmert, Chairman of the Finance Committee, duly seconded it was

VOTED: That Article 1 be taken from the table. (Reports of Finance and other committees.)

On the motion of Mr. George J. Remmert, Chairman of the Finance Committee, duly seconded, it was

VOTED: That the meeting adjourn.

The meeting thereupon adjourned at 10:10 P.M. on Monday, November 15, 1965.

A true record.

ATTEST:

Ann Mahon

Town Clerk

Report of the Town Clerk's Department

To the Citizens of Arlington:

The following annual report of the Town Clerk for the year ending December 31, 1965, is herewith submitted, in accordance with Section 3 of Article 3 of the Town's By-Laws.

The total amount collected by the department during the year and deposited with the Town Treasurer was \$19,015.65, an increase of \$563.15 over the previous year. Included in the total amount was \$5,187.85 for conservation licenses and \$5,323.25 for dog licenses.

The breakdown of fees collected is as follows:

Marriage Intentions	\$ 1,158.35

Report of the Sealer of Weights and Measures

January 17, 1966

Mr. Edward C. Monahan
Town Manager
Arlington, Mass.

Dear Sir:

I respectfully submit the Annual Report of the Sealer of Weights & Measures for the year ending December 31, 1965:

<u>Scales</u>	<u>Adjusted</u>	<u>Sealed</u>	<u>Condemned</u>
Over 10,000 lbs.	0	0	0
100 to 5000 lbs.	4	36	0
Under 100 lbs.		195	20
<u>Weights</u>			
Avoirdupois	0	83	0
Apothecary	0	244	0
<u>Automatic Measuring Device</u>			
Gasoline Meters	11	128	0
Oil & Grease Meters	0	20	14
Vehicle Tanks	4	30	0
Bulk Storage	0	3	0
Taxi Meters	0	31	0
Yard Sticks	<u>0</u>	<u>1</u>	<u>0</u>
Totals	19	771	34

TRIAL WEIGHINGS & INSPECTIONS

	<u>Number Tested</u>	<u>Correct</u>	<u>Under</u>	<u>Over</u>
Fruits & Vegetables	981	950	11	20
Meats	1022	982	40	0
Confectionary	90	90	--	--
Provisions	64	64	--	--
Flour	10	10	--	--
Bread	90	90	--	--
Butter	110	110	--	--
Cheese	<u>22</u>	<u>22</u>	<u>--</u>	<u>--</u>
Totals	2389	2318	51	20

This Department has turned in to the Town Treasurer the sum of Six Hundred and Four Dollars and ten cents (\$604.10) which was collected as Sealing Fees. There was an increase in collections by this department of One Hundred and Ninety-eight Dollars and Eighty cents (\$198.80) due to the increase of rates of sealing fees enacted by the Legislature in May 1965 which will bring an added increase for the full year of 1966.

Respectfully submitted,

JAMES J. DOLAN
Sealer of Weights & Measures

JJD/f

Annual Report of the Board of Assessors

During 1965, the Board of Assessors met every Monday evening, as well as for special meetings called by the Chairman, especially during July and August when regular meetings are not scheduled.

At the organizational meeting on the Monday following the Annual Town Election, the members, Mr. Walter S. Cooledge, Jr., Mr. John B. Byrne, Jr., and Mr. William O. Hauser, met and unanimously elected Mr. Byrne, Chairman and Mr. Cooledge, Clerk for the ensuing year.

Hearings were held with property owners, regarding valuations of Real and Personal Property and Motor Excise taxes, as well as Statutory Exemptions for Veterans, Elderly, Widows, etc.

During the year, the Board members attended all the conferences conducted by the State Department of Corporations and Taxation, and also the Assessors' Seminar held at the University of Massachusetts.

The Board made weekly trips into the "field" during the year to assess new property, as well as additions and alterations to existing buildings.

During the month of January, members of the Board made individual inspections throughout the town and assessed Personal Property in the amount of \$5,936,200.00.

The number of bills processed this year was in excess of 39,000, broken down as follows:

Motor Excise	26,000
Real Estate	12,426
Personal Property	<u>580</u>
	39,006

The following permits were received from the Building Department during the year:

Apartment Buildings	8	Demolish Buildings	17
1-family dwellings	59	Fire Escape	1
2-family dwellings	15	Move Buildings	6
Signs	38	Comm. & Storage buildings	5
Garage	7	Greenhouse	1
Additions & Alterations	92	Aluminum Siding	18
Swimming Pools	7	Fireplace	2
Foundation	1	Miscellaneous	24

The following is a comparison of exemptions granted on Real Estate, as authorized by law:

<u>Classification</u>	<u>1965</u>	<u>1964</u>
Elderly	\$ 271,526.39	\$ 224,603.88
Veterans (disability, etc.)	183,217.16	174,460.72
Widows	19,183.28	17,274.53
Blind	5,856.00	5,648.60
Hardship	4,503.60	5,111.54
Old Age	1,561.60	1,111.20
Minors	390.40	370.40
	<u>\$ 486,238.43</u>	<u>\$ 428,580.87</u>

The total amount of Statutory Exemptions granted in 1965 represents approximately \$5.14 on the Tax Rate.

New property was found and total valuation increased as follows:

January 1, 1961	\$ 1,686,400
January 1, 1962	1,428,200
January 1, 1963	1,984,800
January 1, 1964	1,904,450
January 1, 1965	1,661,600
January 1, 1966	1,600,000 (estimate)

The total Real valuation is broken down as follows:

<u>Type</u>	<u>Percentage</u>
Residential	81.96
Vacant Land	.76
Commercial	8.12
Industrial	1.03
Apartment Houses	7.12
Utilities	.70
Others	.31
	<u>100.00</u>

With the increasing pressure being brought to bear on the cities and towns of the Commonwealth in the area of tax equalization, and the many instances of disproportionate assessments that have been brought to light in recent court decisions, the issue of revaluation has been under consideration and study by this Board.

At the Annual Meeting of March, 1965, under Article 96, a committee was appointed to study the need for revaluation. The members were appointed as follows: 3 members by the Town Manager, 1 member by the Finance Committee and 1 member by the Board of Assessors. The committee was instructed to report their findings to the 1966 Town Meeting.

During the year, this Board has met with the committee and discussed various aspects of such a program. This Board was more or less instrumental in the original organization of the committee, as the Assessors have long recognized the need for a comprehensive program of tax equalization.

The tax rate figures, statistics and percentages of appropriations by departments follows:

John B. Byrne, Jr., - Chairman

William O. Hauser

Walter S. Cooledge, Jr., - Clerk

Assessors Record of percentages of appropriations raised by taxation in 1965 (\$11,328,296.71) and voted for use by the Departments, Boards, etc.

Report of the Finance Committee

There occurred the following resignations during the year:

- Precinct 12 - Norris Hoyt
- Precinct 14 - Charles N. Brennecke

The following were appointed as members:

- Precinct 12 - Charles W. Blackmon, 15 Linden St.
- Precinct 14 - William E. Collins, 81 Wachusett Ave.

Membership is as follows:

<u>Precinct</u>	<u>Term Expires</u>
1. Edwin A. Barnard	1967
2. William H. Dunn	1966
3. Ronald E. Higby	1968
4. George J. Remmert	1967
5. Joseph L. Sliney	1966
6. George K. Rugg	1968
7. Eugene F. Lawler, Jr.	1968
8. Richard J. Bartholomew	1967
9. John R. Cotter	1968
10. Robert G. Sisson	1967
11. Gilbert F. Dillon	1966
12. Charles W. Blackmon	1968
13. Percival E. Richardson	1967
14. William E. Collins	1966
Member at large - J. Howard Hayes	1968

Organization officers were elected as follows:

George J. Remmert	Chairman
George K. Rugg	Vice-Chairman
Gilbert F. Dillon	Secretary
Philip D. Ahern	Executive Secretary

The chairman appointed the following sub committees:

Sub Committee A with budgets #1, 2, 3, 4, 7, 10, 11, 14, 16, 18, 19, 20, 21, 22, 23, 35, 42, 43, 44, 45, 46, 47.

Percival E. Richardson, Chairman
Edwin A. Barnard
Richard J. Bartholomew

Sub Committee B with budgets #6, 8, 9, 13, 15, 24, 25, 26, 27, 28, 29, 30, 34, 39, 40, 41, 50, 51.

Gilbert F. Dillon, Chairman
William H. Dunn
Robert G. Sisson

Sub Committee C with budgets #12, 31, 32, 33, 33a, 49

Eugene F. Lawler, Jr., Chairman
William E. Collins
J. Howard Hayes
Joseph L. Sliney

Sub Committee D with budgets 5, 17, 36, 37, 38, 48.

George K. Rugg, Chairman
Charles W. Blackmon
John R. Cotter
Ronald E. Higby

Policy Committee

George K. Rugg, Chairman
Gilbert F. Dillon
Eugene F. Lawler, Jr.
Percival E. Richardson

Personnel Committee

J. Howard Hayes, Chairman
John R. Cotter
George K. Rugg

The Chairman of the Finance Committee is a member (ex-officio) of all Sub Committees.

There have been 28 regularly scheduled committee meetings along with 53 sub committee meetings as well as the regular meeting with the precincts just prior to town meeting.

Status of Reserve Fund Budget #47 at the close of 1965 was as follows:

Amount of Reserve	\$100,000.00
6/7/65 Transfer to budget 40 - Capital Outlay	880.00
6/7/65 Transfer to budget 38-4B - Operation & Maintenance of Plant	1,150.00
6/7/65 Transfer to budget 32 - Garbage Disposal	5,510.00
6/7/65 Transfer to budget 33A- Highway Capital Outlay...	1,125.93
6/7/65 Transfer to budget 7 - Capital Outlay	484.00
10/18/65 Transfer to budget 51 - Town Interest Budget Account	5,346.22
11/15/65 Transfer to budget 42 - Non Contributory Pensions	20,200.00
11/15/65 Transfer to budget 20 - Expenses	1,500.00
12/13/65 Transfer to budget 37 - Aid and Assistance	5,000.00
12/27/65 Transfer to budget 37 - Aid and Assistance	4,000.00
12/27/65 Transfer to budget 48 - Expenses	500.00
12/27/65 Transfer to budget 36- - Old Age Assistance	11,528.32
Total Transfer	\$ 57,224.47
Balance returned to treasury	\$ 42,775.53

Respectfully submitted,

Gilbert F. Dillon
Secretary

Report of the Tree Warden and Superintendent of the Moth and Town House Grounds Department

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I herewith submit the report of the Tree, Moth and Town House Grounds Department for the year ending December 31, 1965:

TREE DEPARTMENT

In 1965 we started to implement a change in our planting practices. In place of our past practice of planting Norway Maples almost exclusively we planted Red Maples (50), Columnar Maples (76), Imperial Locust (50), Pin Oaks (57), Lavalli Hawthorns (25), and Lindens (9). In addition several trees salvaged from past years were replanted on our public ways. A total of 276 street trees were planted in 1965.

As part of our regular spring street tree planting and replacement program, streets constructed or accepted in 1964 were planted with Hawthorns, Pin Oaks, Imperial Locusts, Columnar Maples, Red Maples and Norway Maples. Sixty-seven trees were planted on new public ways this year.

In addition one hundred and sixty-five trees were planted as replacements on our older public ways as part of our regular spring planting program.

Our fall planting of shade and ornamental trees continued in business districts. The south side of Massachusetts Avenue from the Robbins Library to Linwood Street was planted with Schwedler Maples, Columnar Maples, European Lindens and Pin Oaks. We also planted several areas of Massachusetts Avenue in East Arlington with Maple and Oak trees. A total of 26 Columnar Maples, 5 Schwedler Maples, 9 Lindens and 4 Pin Oaks were planted in this operation.

Twelve large trees, one Plane tree, two Red Oaks, five Maples and four Elms were ordered out by the Board of Selectmen for the construction of streets, side walks, or other necessary construction at: Dickson Avenue (1); Udine Street (2); Mystic Street (4); Lake Street (4); and Appleton Street (1). Additional trees were removed for the construction of storm drains and sewerage maintenance on Hibbert Street, Boundary Road, and at the landfill area at Summer Street.

Public Hearings were held for the removal of trees at: 221 Broadway (Norway Maple); 33 Trowbridge Street (Norway Maple); and 79 Claremont Avenue (Horsechestnut). As no objections arose, these trees were removed at the expense of the petitioner.

Various trees were removed, pruned, sprayed and otherwise maintained for the Park, School, Cemetery and Public Works Departments upon request of the Department Heads. The removal of large diseased or damaged trees in Menotomy Rocks Park, Spy Pond Shore and trees hindering Public Works Department construction formed the bulk of this work.

The effects of the prolonged drought are clearly reflected in the serious increase in removal of trees of all sizes in the past year. Many of these trees have been weakened over the past several years by drought and have finally been killed by fungi, root diseases, vascular diseases or the like which are of a secondary nature. Enclosed is a copy of our 1965 tree removal records. These records show the actual disease responsible for the removal of the tree but I feel that the vast majority of these diseases gained entrance through the prolonged affects of the four year drought. If the ground water levels are not materially increased before the approaching growing season we will be faced with an ever-worsening general condition of our public trees.

The Boston Edison Company and New England Telephone & Telegraph Company removed the tops of twenty (20) large trees with their wires going through them. Our Department removed the debris from these trees and the remainder of the trees below the wires. In addition our Department removed a total of 168 trees in 1965 with private contractors removing eight (8) trees during the Chapter 90 work on Lake and Mystic Streets this year. This makes a total of 196 trees removed from public property in 1965. Of the 196 trees removed this year 78 were two feet or over in diameter. The remaining 118 were younger, more vigorous trees; the main group weakened by drought.

All stumps from the above trees were either removed below grade with our stump cutter; dug out, roots and all; or, if an out of the way location, were flushed with power saws. All wood chips resulting from stump removal operations were stockpiled and used throughout the summer as a mulch in our parks, tree strips, etc.

Numerous Elm trees, both private and public were sampled for Dutch Elm Disease; six public and five private trees showed positive results. This is a marked increase over past years. Again I feel many of the infected trees were weakened by drought, paving the way for the insect and fungi infection. Many Elm samples, due to the dehydrated condition of the trees, I feel, did not reflect the true cause of death.

The following is a breakdown of major reasons for tree removal in 1965:

1. Heartwood Rot (30)

This disease in its many forms is capable of infecting almost all species of trees with fast growing species such as Silver Maple, Norway Maple and Willow most susceptible.

2. Maple Die Back (16)

This disease infects Sugar Maples seriously, Norway Maples and Elms less severely. This relatively new disease is very slow working and is becoming more serious every year.

3. Verticillium Wilt (24)

This vascular disease infects mainly Norway Maples. With the number of Norway Maples on our streets this disease has the most dangerous potential in our Town.

4. Canker Diseases (4)

Capable of infecting many species of tree, usually through mechanical injury in the trunk.

5. Root Diseases (6)

A soil-born disease usually associated with poor environmental conditions.

6. Dutch Elm Disease (20)

Infects American and English Elms.

7. Drought (19)

Affects all species and is clearly shown in the rapid dehydration of young vigorous trees.

Followed in a lesser degree by mechanical injury, storm damage, adverse environmental conditions and other more specific fungus diseases.

Our yearly maintenance program continued with the raising, pruning and cutting back over private property of all the trees on 62 public ways during the year. All dead and dangerous limbs and any low limbs possibly obstructing the passage of vehicular and foot traffic were removed from all the trees on these streets. Many individual requests for maintenance were received and taken care of by this Department.

Tree limbs were trimmed for better vision of street lights, traffic lights and traffic signs upon request of the Wire Department and the Police Department.

Trees and shrubs were planted at the Robbins Library and the Dallin Branch Library upon request of the Library Trustees.

Several houses were moved from the Arlmont Village Area on Route 2 to various locations on Rublee Street, Day Street and Appleton Street. Many young trees were transplanted to allow for the passage of these houses and several trees were trimmed or tied back where necessary. All routes were approved by this Department and all work was done at the mover's expense.

Christmas trees were removed throughout the Town with brush chippers.

The personnel and equipment of this Department assisted the Public Works Department throughout the year when called upon to do so.

The Boston Edison and New England Telephone & Telegraph Companies were given permission to spot line clear areas for the installation of new cables, etc. At the present time the tree contractor hired by these utilities is in the process of line clearing all utility lines throughout the Town. All work specifications were approved by this Department and all work is inspected daily.

Due to the severe drought of the past years we have increased our watering facilities materially. We watered heavily all the young trees planted in the

last few years, especially trees planted in business districts. Due to the severe water restrictions we employed pumps to fill our tanks from Spy Pond and the Reservoir. The equipment used in this operation included one 400 gallon hydraulic sprayer; one 275 gallon tank with a gravity feed, one 2,000 gallon tank truck with a gravity feed; and one 1,000 gallon hydraulic tank on the Public Works Department Myers Machine. The last two pieces of equipment were loaned to us from the Public Works Dept. periodically throughout the summer.

As part of our cultural practices to combat dry conditions approximately sixty yards of wood chip mulch was used on new plantings. These woodchips were a by-product of our stump removal and brush chipping operations.

MOTH DEPARTMENT

All employees of this Department were licensed for the application of pesticides by the Massachusetts Pesticide Board for a period of two years. Licenses were issued for the application of insecticides, herbicides and rodenticides on both the supervisory and operational level.

All trees on public property in the Town were sprayed when and where necessary by this Department. We resumed our dormant spray program of Elm trees to control the Elm Bark, Beetle, the vector of Dutch Elm Disease in 1965. 3,050 gallons of Methoxychlor was sprayed on Elm Trees located on public ways, parks, schools and cemeteries of the Town. All work was done and all formulations used were recommended by the Massachusetts Pesticide Board and the University of Mass.

All Elm and Willow trees on public ways, parks, schools or other public property were sprayed with Sevin, a new, effective and safe insecticide, to control Elm Leaf Beetles and Willow Leaf Beetles. 3,250 gallons of spray formulation was used in this operation.

Other pests including Tent Caterpillars, Rose Chafers, Canker Worms, Leaf Miners, Borers, Carpenter Ants and lesser pests were sprayed when necessary throughout the year. Spray formulations of Methoxychlor, Lindane, Sevin, Chlordane, DDT and Pyrethrum were used to control these insects.

The severe drought also showed its effect on the insect population as the year developed. Early in the summer we had several infestations of aphids and leafhoppers in spots throughout the Town. As the dry conditions continued a marked drop in insect activity was noted. The dry condition of the soil reduced the Japanese Beetle and other insects of the same nature to a bare minimum. The much less than normal insect activity of late Summer last year allowed us to use the labor and equipment usually needed for pest control for our watering program.

Several Maple, Hawthorn, and Crabapple trees were sprayed with a fungicide to control leaf diseases.

Poison Ivy and other noxious weeds were sprayed with 2-4-D, 2-4-5,T, and Amino Triazole herbicides at 38 locations throughout the Town and at the Great Meadow in Lexington. Several heavy infestations previously treated in 1964 were retreated for minor growth this year. The prolonged dry conditions appear to have had no effect on Poison Ivy and other noxious weeds.

Bees' and hornets' nests were sprayed or cut down when called to our attention.

The park area at the Town Hall, Robbins House and Library was sprayed completely once to control leaf feeding insects. Individual treatments were given to control borers, bark beetles, aphids, fungi and other pests as needed throughout the year.

Due to dry conditions, abnormal amounts of Wilt-Pruf, an anti-dessicant, were applied to our young trees and shrubs planted in 1964 and 1965 to control loss of water from these young plants.

Several times throughout the summer we assisted the Public Works Department by spraying the landfill area on Summer Street with disinfectant and insecticide.

TOWN HOUSE GROUNDS

As in the past the personnel of the Tree and Moth Departments maintained the areas at the Town House Grounds, the lawn and shrub areas of the islands on Mystic Street, the Municipal Parking Lots and the Police Station.

The pool at the Town House Grounds was repaired and painted as usual with Blue Silasheen paint.

The regular maintenance of the grounds was carried on as usual with the application of 3,000 lbs. of dry fertilizer, 250 lbs. of lime and several spot treatments of liquid fertilizer. Due to severe winter injury, a 500 sq. ft. area of sod was replaced on the oval at the Town House Grounds. The lawns and shrub beds were trimmed and cared for as needed and an additional 30 yards of woodchip mulch was used throughout the year.

Due to the severe water restrictions several lawn areas became badly burned late in the summer. All these areas, excepting one, located on the oval near the Robbins Library, appeared to recover following the lifting of water restrictions in early Autumn.

All of our specimen trees and shrubs namely the Dogwoods and deciduous evergreens were protected by heavy mulching and watering with Reservoir water throughout the trying period.

The Dogwood trees damaged by severe winter kill in past years continued to receive special attention. They were treated with special paint and sprayed to control borers, fertilized periodically and sprayed to control foliage damaging insects. They appear to be doing well with the exception of one Pink Dogwood which is barely holding its own.

The foundation planting at the entrance to the Town Hall Annex was increased and numerous trees and shrubs added to bare areas throughout the Park.

The following is a list of trees and shrubs planted at the Town House Grounds this year:

- 10 Mt. Andromeda
- 10 Korean Azalea
- 10 Hino Crimson Azalea
- 10 Japanese Quince
- 10 Pfitzer Juniper
- 3 Carolina Rhododendron
- 2 Redbud trees
- 1 Flowering Dogwood
- 9 Rock Cotoneaster.

We also transplanted several specimine trees from the Park Department property at Summer Street between Mill and Mystic Streets and from Symmes Hospital hill area. We received permission from Symmes Hospital for the removal of trees from the former Town property on Summer Street. The following is a list of these trees and shrubs planted at the Town House Grounds from the aforementioned areas:

- 2 Japanese Crabapples
- 5 Washington Hawthorns
- 5 Norway Maples
- 2 White Oak
- 2 Barberry

Twenty-five Virginia Creeper Vines and twenty-five Boston Ivy plants were set out at the base of the high wall at the Winslow Street parking lot. It is hoped they will develop and provide a softening effect for this wall in the future.

A watchman was employed during the summer to patrol the Town Hall Grounds every evening and on Saturdays, Sundays, and Holidays. He also checked the Robbins Library on weekends.

Snow removal from all the pedestrian areas of the Town Hall and Robbins House was taken care of as usual. All areas including paths, parking lots and roadways were sanded when necessary.

In conclusion I wish to thank you, the members of your Department, the personnel of the Tree Department and all other Departments of the Town.

Respectfully submitted,

Frank P. Wright
Tree Warden
Superintendent of Moth Department and
Town House Grounds Department

FPW:as

Annual Report of the Park Commission

January 7, 1966

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Mr. Monahan:

We, herewith, submit the annual report of the Arlington Park and Recreation Department for the year ending December 31, 1965. The Board of Park Commissioners expresses its sincere appreciation to the Town Manager, the Honorable Board of Selectmen and all branches of our Town government for their cooperation, understanding and support in the promotion of a sound, progressive and ever expanding program.

MAINTENANCE

New Equipment

New recreation office and storage equipment room made available for expanding program.

Twelve new vandal proof frames for portable picnic tables constructed. Frames made of 3/8" steel stock with all joining sections welded together.

Complete construction of twelve foot rowboat for Reservoir swimming area.

Repairs of Facilities and Equipment

- Resurface of ball diamonds - Little League diamond at Linwood Street.
- Softball diamond at Thorndike Street.
- Both diamonds at Summer Street.
- Baseball diamond at Robbins Farm.

Spy Pond Tennis Courts

Installed approximately 250 feet of 2 x 10 x 16 spruce plank at bottom of chain link to prevent tennis balls from going out of playing area.

Reservoir Beach

General improvements made to girls' bathhouse.

Added 100 lbs. of H.T.H. to water daily to prevent pollution.

Average attendance - 500.

Warren A. Peirce Field

Regraded and reseeded gridiron.

Fertilized entire area.

Replaced rotted player's benches adjacent to gridiron.

Replace 40 2 x 10 x 12 spruce footing boards on the West side of gridiron.

Relocated girls' field hockey court.

Spy Pond Girls' Field House

Replace clabboards on the North side of building.

Capital Expenditures

Four foot bituminous walk, 525 linear feet at Robbins Farm installed by Public Works Department at a cost of \$958.00.

Resurfaced three tennis courts and a sealer coat applied at Ethel Wellington Playground by Trimont Bituminous Company at a cost of \$3287.00.

GENERAL MAINTENANCE

The Maintenance staff of ten men have been charged with maintaining a high standard of efficiency. The expanding demands of this rapidly growing town places heavy burdens on this force, which has not been increased in the past 15 years.

The Park Department is charged with the maintenance of all play equipment on playgrounds and all school athletic fields. These costs are carried in the Park Department budget with no transfer from school funds.

As the schools have increased in numbers and their programs have expanded, the Park Maintenance staff has been forced to extend its service.

The increase in Little League play has added to our maintenance work. Five Little League fields are now directly under our control.

The conditions on all Recreation grounds have been constantly improved and maintenance requirements have been held at a high standard.

Serious consideration must be given to the ways and means of curtailing destructive vandalism on our playgrounds. The Park Department could rebuild a baseball diamond, construct a tennis court or increase greatly its playground facilities each year at what it costs to repair our playground equipment.

A great deal of time and effort was spent in maintaining the twenty-four flower beds in order to create an atmosphere of beauty and elegance throughout the town.

Arlington must plan to extend its swimming and skating facilities. Progressive communities, regarding swimming as an inherent summer function, have installed modern outdoor swimming pools and bathhouses, based on sound health regulations, to accommodate its citizens.

Reservoir Beach, although not now meeting the standards of a modern swimming area, could, with constructive improvement, become an area worthy of family participation; a credit to the community and a useful, attractive landmark.

Although the Park Department floods five areas, Robbins Farms, North Union, Wellington, Parallel and Waldo Playgrounds, warm or rainy weather has defeated these efforts. For example, during the 1964-65 season, Arlington had only seven skating days.

Artificial skating rinks, having proved successful in other communities, should do no less for Arlington. Some excellent sites, available now under town maintenance and supervision, could be investigated for this purpose.

To maintain its superiority in class A competition, the High School track team, must have a modern running track at Warren A. Peirce Stadium. Most communities, enjoying successful track teams, have installed bituminous tracks.

RECREATION

Recreation is a universal need, a rightful expectation in a democratic society. It is part and parcel of democratic living. It is of the essence of the American way of life, for recreation is an important segment of the living process. By their recreation, people's lives and personalities are shaped, communities take on complexion, nations develop cultures. Recreation takes its place with work, religion and education as a vital function of life.

ACTIVITIES UNDER THE TOWN OF ARLINGTON PARK AND RECREATION DEPARTMENT

<u>Recreation Activity</u>	<u>No. of Units</u>	<u>Age Group</u>	<u>Location</u>	<u>Season</u>
Summer Playgrounds	18	Under 16	Playgrounds School Grounds	June-August
Archery	3	Under 16	Playgrounds	June-August

Basketball	8	Adult	School Building	December-March
Bowling	12	Adult	Public Alleys	September-April
Physical Fitness	1	Adult	School Building	January-April
Softball	16	Adult	Playgrounds	April-September

Summer Playground Program

The total attendance figure for the 1965 season was 100,968 as compared to the 1964 figure of 78,115 and the 1963 figure of 72,146. This is an increase of 22,853 over last year.

The playgrounds were officially opened on Monday, June 21. The schedule called for operation at eighteen areas with full time supervision morning and afternoon. A pre-training organizational meeting was held at the High School on June 16, 17 and 18. This pre-training meeting was for information and instructional purposes as to organization, responsibility and program management. The classes were conducted by our own personnel for the first time and proved highly successful. Immediately following these meetings, the leader in charge of each playground received an issue of playground equipment, valued at more than \$300.00 for use on his playground.

The following descriptive list indicates the span of our summer program:

Baseball

Pee Wee

Age Group:	Under 10
Program:	10 game schedule
Teams:	14
Participation:	239 boys

Midget

Age Group:	10 to 12
Program:	12 game schedule
Teams:	17
Participation:	245 boys

Juniors

Age Group:	12 to 16
Program:	8 game schedule
Teams:	6
Participation:	80 boys

Tennis

Due to the increasing interest in tennis, a full-time tennis instructor was hired for our summer program. Attendance averaged at eighteen children per court per lesson. The participants were grouped in five according to their ability. The correct grips, strokes, forehand and backhand, and then the running forehand and backhand, with emphasis on the correct footwork was taught in that order. The season closed with a tournament for all participants, and a champion for each court was determined.

Archery

Classes commenced on June 30 and continued in the following pattern throughout the eight weeks:

Monday and Wednesday	High School Field
Tuesday	Spy Pond Field
Friday	Menotomy Rocks Park

The classes were held from 9:30 to 11:30 in the morning. There was a total of ninety-five participants.

Girls' Softball

The softball program expanded this year in so far as more teams were organized on the junior level. The division between the junior and senior league was based on age and ability, with much emphasis on the latter. During the week of June 28 - July 2, thirteen junior teams were organized and five senior teams. The Junior League was established for those who had little or no experience with softball, or those who were too young to play on a more advanced team. The Senior League was designed for those who had a substantial amount of experience and were in an older age bracket. In order to stimulate interest, encourage good sportsmanship and increase competitive spirit, five All-Star games were scheduled with Waltham.

Arts and Crafts

The summer of 1965 saw many innovations regarding the Arts and Crafts program. These included the arts and crafts workshop at the Training Institute,

the addition of another supervisor, a revised schedule and an advanced arts and crafts class. The addition of another supervisor proved to be most beneficial. It enabled us to revise our schedule allotting more time to each area. Also, more time to be able to fluctuate the schedule due to special events or the weather. Also, on various playgrounds, attendance was somewhat improved because we could hold sessions for a longer amount of time and during the peak hours of the morning or afternoon. Another advantage of having the additional supervisor was more time to experiment with new craft ideas. On Friday mornings, we began an advanced class for girls over twelve. Permission was secured to use the multi-purpose room at the high school. Twenty-five to thirty girls participated in this and were charged a token fee for materials. Craft projects used in this class were: mosaic tile hot plates, turtle soap sponges of art foam, and leather craft coin purses. Since the class has proved both popular and a challenge to the older children, we hope to continue the class next year, expanding it to every Friday morning and then perhaps, to interested boys.

Reservoir Beach

Forty-three hundred residents were registered for the beach this season. The facilities were available daily from 10:00 a.m. to 8:00 p.m. Swimming lessons were given by the lifeguards. The classes were held twice a day at 11:00 a.m. and 2:00 p.m. for eight weeks. At the end of the eight weeks the participants were tested and a certificate by the American Red Cross was given to them who fulfilled the requirements. This year two hundred certificates were awarded. The primary aim of all the classes was to teach the child safety in the water and to help to benefit the non or weak swimmer in an effort to develop the child's skill. On Tuesday, August 3, the American Red Cross sponsored a Water Safety Show under the direction of Robert M. Dender, Jr. The show featured the techniques of safety most beneficial to children and adults. Mr. Dender with the aid of Mr. Houston put on a most exciting and forceful show.

Retarded Program

The third season of the summer recreation program for the retarded children of Arlington began on June 28. This Park program is held on the Brackett school grounds and is sponsored by the Park and Recreation Department in cooperation with the Arlington Chapter of the Greater Boston Association for Retarded Children. On Tuesdays, there is bowling at the local alleys; Wednesday, the children go to the beach; and Fridays, they go on field trips such as Pleasure Island. Except on a rainy day, all activities are held in the school yard with lunch being eaten at the picnic tables under the shade of the huge trees. Favorite games are baseball, croquet, bowling "on the green", sandbox play by the little ones, story reading, music and radio, dancing, singing, film, arts and crafts, exercises, and daily visits to the well-equipped playground across the street.

This recreation program fills a special need for retarded children. The physical activity, the fun, and the companionship experienced in this group recreation spurs their progress and development and enriches their lives.

HIGHLIGHTS OF THE SUMMER PROGRAM

1. Sixteenth Annual Playground Festival
Wednesday, August 18, 1965
Attendance: approximately 1,900 youngsters
2. Annual Pleasure Island Trip
Wednesday, August 4, 1965
Attendance: 726 youngsters
3. Annual Weenie Roast & Talent Show
Wednesday, July 28, 1965
Menotomy Rocks Park
Talent Show - 43 participants
Total attendance: 1,600 youngsters
4. Annual Arts and Crafts Exhibit
Week of August 9-13
Harvard Trust Company, Arlington Center
Suburban National Bank of Arlington
5. Parents' Night
Tuesday, July 20, 1965
Time: 6:45-8:15 P.M.
Attendance: 429 parents and 1,232 children
6. Jimmy Fund Week
Week of July 19-23
Total amount collected by children \$307.00
7. Breakheart Reservation
Thursday, July 8, 1965
Place - Saugus, Mass.
Attendance: approximately 500
8. Boston Red Sox Game
Thursday, July 22, 1965
Attendance: 746 youngsters
9. Annual Track Meet
Thursday, July 15, 1965
Warren A. Peirce Field-10 events
500 participants - 190 prizes
10. Reservoir Beach
Red Cross swimming certification
Total number passing - 200
11. Twilight Basketball
Six week program
170 boys participated of high school age
Conclusion-All-Star game with Lexington
12. Town Championship
Baseball Softball
Archery Tennis

Grammar School Basketball

The league consists of twelve teams of fifth and sixth graders exclusively. The positions on the teams are not competitive, that is, any boy of age and grade may play if he so desires. The program, part training period and part actual play, is designed for participation - to play to learn and to enjoy. A ten game round-robin schedule was set up beginning in December and continued through March, with a championship game to conclude the program. One hundred and eighty boys registered.

High School Basketball

The high school league enjoyed a fast paced season. The program consisted of eight teams, played twice a week Tuesday and Friday for ten weeks culminating in an all-star game and supplemented by games with teams from surrounding communities. Eligibility extended only to those boys of high school age who were in no way connected with varsity basketball. After two rounds of scheduled play the first four teams entered an elimination tournament to determine the championship. The department awarded trophies to the winners.

Twilight Basketball

The addition of Twilight Basketball to our recreation program aroused considerable interest and enthusiasm. This league was initiated to meet some of the needs of the high school youth during the summer months. Although virtually in its embryonic stages, the program has more than exceeded its expectations. The turnout was encouraging and the dropouts, not unusual in any summer activity, were non-existent. This program lasted for a period of six weeks, during which time 170 boys of high school age participated. An All-Star game with Lexington concluded the program.

Adult Basketball

This league was organized with eight teams and played on Wednesday evenings for a ten week period at the Junior High West. The program gave young men between the ages of 20 and 35 an opportunity to get some exercise. There were four games each night; the league played one round and the first four teams played an elimination series to determine the champion of the town. Any adult interested in playing basketball could join this supervised program.

Flag Football

The Park and Recreation in conjunction with the Arlington Public Schools sponsored an afternoon intramural Flag (non-tackling) Football program. The program started the week of September 18 with several practice sessions devoted to team organization and instruction in basic fundamentals. Flag football is a form of football which involves no tackling and no leaving the feet to block your opponent. The practice periods were followed by a seven week round-robin schedule of games with eight teams in the league. Wednesday night, November 10, this department hosted a Sports-Refreshment Night for some 450 members of the Flag Football program and their parents. "Artie" Graham, ace end for the Boston Patriots, was guest speaker. Film strips featuring cartoons and highlights of the Boston Patriots prefaced the refreshment period which terminated the evening. Our second annual championship game was played on Veterans Day between the Brackett School Packers and the Stratton-Peirce School Giants.

Pee Wee Hockey

This league was organized for the seventh year with 150 sixth, seventh and eighth grade boys registering. The league was formed into eight teams with fifteen boys on each team. Games were played every Saturday from 7:00 a.m. to 9:30 a.m. at the M.D.C. Rink on Route 2. The season opened December 4 and ended March 5.

Ballroom Dancing

This "Junior Adult" program was held on Tuesday afternoon at both the Junior High East and West for a ten week period. Due to the large enrollment at the West, a Wednesday class was also necessary. The dance program consisted of standard dances, some training in the fad dances and a well-balanced social etiquette education. Our social etiquette program could easily be called a "Courtesy" Program, with the following basic principals being covered: proper dress, good manners, consideration for others, getting along with others and meeting and mixing with people easily and correctly. Prizes were awarded and refreshments served at the final lesson. Total enrollment—one hundred and forty-eight students.

Winter Arts & Crafts

There were six areas that participate in this program. These areas were scattered throughout the town in order to accommodate all sections of the town. Competent college students instructed the girls and at least one project was planned for each Saturday morning session. In addition to arts and crafts, the girls participated in a wide variety of games. Volley ball and dodge ball were just two of the most popular games. Special holiday parties and a skating party at the M.D.C. Rink on Route 2 were enjoyed by the girls. Two hundred and twenty girls in grades 4, 5 and 6 registered for this November to March Saturday morning program.

Badminton

Adult badminton classes were held every Tuesday evening from November through March at the senior high school gymnasium. Competent instruction was available for those who wished to improve their game.

Men's Softball

This year changes had been made in the adult softball program. Instead of a strong "A" league and a weak "B" league there was a fast pitch league for those willing to maintain the pace and a slow pitch league for the more leisurely approach. The program still consisted of sixteen teams, eight in each league. This program accommodates about two hundred fifty men whose ages range from twenty to fifty. The annual banquet was held at American Legion Hall and awards were presented to the two winning teams.

Girls' Softball

Another new program inaugurated by this department was the Junior High Girls' Softball League. The league consisted of girls in grades 7 and 8 comprising eight teams from both public and parochial schools. All players at all times displayed good sportsmanship, recognition of ability of players by other players, and appreciation of the sport of softball. The girls who participated were not only enthusiastic and interested players, but fiery

competitors as is connoted by the names of their teams - "Aces", "Unbeatables", "Home Runners", "Romper's", and "Sluggers". The coaches of these teams, all college students, have a close community background with Arlington in civic and social endeavors, educational and political functions as well as athletic activities. As a fitting climax to the end of the Park League season, all participants were guests at a barbecue in their honor. Awards were presented to the winning team; however, each girl was a winner in her own right, for each personified the high standards of competitive sports.

Men's Physical Fitness

The department, realizing the need for such a function in the town, outlined a plan of operation tentative in construction but professional in operation and coordination. Those interested met Thursday evening at the high school gymnasium. The plan started with an orientation - get set series of mild exercises to limber up all major muscle groups and help assure a painless transition. There were five graded levels. As the participant moved up from one to the next, he was building toward a practical and satisfactory level of fitness. By building gradually - progressively - he was building soundly. A sound conditioning program should gradually stretch one's tolerance. The emphasis was on informality, not regimentation. The adult progressed at his own pace and was free to choose his own activities.

Indoor Golf

Golf, through the medium of television, and the desire of people to derive individual exercise and inspire competition, boomed to an all time high this year. Over one hundred and thirty adults registered for classes conducted at the Junior High East on Tuesday and Wednesday during the months of January and February. The purpose of the program was to teach basic fundamentals of the grip, stance, back swing, down swing and follow through.

Adult Tennis

Arlington's fourteen tennis courts were in almost constant use this summer. The interest was primarily the direct result of the activities of the Arlington Tennis Club and the Park and Recreation Department. The club now in its second year has a membership of over 150. About seventy-five students took advantage of the club's instructional program, and about the same number enrolled in the summer playground tennis program.

Senior Bowling League

Twelve teams competed for the 16th year in the Town Bowling League. There were two leagues of six teams, one bowling on Tuesday and the other Thursday. The season started in September and finished the following April. A banquet was held at American Legion Hall where awards were presented to individuals and teams at no expense to the town.

Golden Age Club

This Club was organized thirteen years ago and continues to grow. They held bi-monthly meetings at Fellowship Hall, Pleasant Street Congregational Church, from September through June. No dues were charged for membership and anyone over 62 years of age was eligible. The active membership has grown to 240 persons per meeting. Trips sponsored by this department were

well attended by these elderly persons seeking friendship and recreation. On some occasions as many as three buses were rented to transport them to the Ice Capades, Ice Follies, "Sound of Music", "My Fair Lady", five Red Sox ball games, the Flower Show at Wonderland Park, plus trips to Hampton Beach and Rockport. During the year, a luncheon and the annual banquet was held at Fellowship Hall.

Christmas Carols

For the 12th year this department registered groups wishing to sing at the creche at Monument Park in Arlington Center during the holiday season. Twelve groups participated, among them a group from the Bartlett School, Tom Dooley group, Protestant Youth Council, and neighborhood groups.

Permits

Over 300 permits to use facilities at Menotomy Rocks Park were issued to Girl Scouts, Boy Scouts, church and family groups. Approximately 220,000 persons used this area during the course of the year for picnics, fishing, ice skating and summer playground program. 110 softball and baseball teams were issued permits to use our fields and permits were also issued to basketball teams to use school gymnasiums.

The Board of Park Commissioners appreciate the cooperation and assistance rendered by the employees of the department.

Very truly yours,

J. Fred McGann, Chairman
John W. Walsh, 3d
Frederick R. Buckley, Jr.

Supervisor of Custodians and Maintenance

January 10, 1966

Mr. Edward C. Monahan
Town Manager
Town of Arlington, Mass.

Dear Mr. Monahan:

I, herewith, submit my report as Supervisor of Maintenance and Custodians for the year ending December 31, 1965.

Specifications and contracts for various types of repairs, alterations, and replacements to various Town Owned Buildings for contract work, including fuel, etc., were prepared by this Department and submitted to the Purchasing Agent to obtain competitive bids. After bids were awarded, this Department supervised and inspected all work and materials as the work progressed.

The following consists of some of the various types of projects completed by Contractors and the Building Maintenance Department personnel during the year:

Senior High School

Installed (29) movie screens in various classrooms in Freshman Building. Installed (2) stainless steel pipes on sidewalk outside of Freshman Building. Work done by the Building Maintenance Department.

Prepared and painted ceiling and walls in old boys' shower room "A" Building and walls in Room D1. Work done by the Building Maintenance Department.

Panelled 8' of wall from floor in Room 89 with prefinished plywood. Work done by the Building Maintenance Department.

Enclosed arch, paneled walls in alcove and installed door off of Room 64 in "B" Building to be used as an office. Work done by the Building Maintenance Department.

Installed whirlpool bath in locker room section of Freshman Building. Work done by the Building Maintenance Department.

Replaced (8) flushometers and made repairs in the various sanitariums on the fourth floor "B" Building. Work done by the Building Maintenance Department.

Prepared and painted entire stock room office section outside corridor and Room 11. Work done by Building Maintenance Department.

Placed order for Service Contract on Elevator in the "B" Building for January 1965 through December 31, 1965.

Replaced control switch in the Machine Shop and rotary switch on Electric Stove in the Cafeteria.

Made repairs to the Nash Boiler water feed system.

Replaced copper conductor and offset in the "B" section of the building.

Repaired and reinstalled dimmer in Auditorium and furnished and hung new fixture.

Made repairs and replacements to Intercom System.

Prepared and painted part of the interior of the "B" Building.

Prepared and painted the entire exterior wood and metal surfaces of the A, B, C, D, and E Buildings.

Removed (4) blower heating units and made up (4) replacement radiators for obsolete units formerly in use. Reinstalled units and tested. Work done by the Building Maintenance Department.

Installed Fluorescent light fixtures at fourth floor corridor and lobby in the "B" Building.

Installed galvanized grilles in all-purpose room.

Installed a 6' chain link fence and relocated Parking Bumpers.

Furnished and installed (20) Emergency Lights.

Installed 4-Station Fire alarm System in the A and C Buildings with D.C. batteries.

Replaced (3) defective 60-amp. switches - Building "A" Girls' Gym.

Toothed out and rebricked masonry walls and corners. Bricked up various holes in Room 2 in old shower room area.

Filled in worn out places on slate stair treads at Stairway D.

Installed Duct Work in conjunction with the Auto Steam Cleaning machine vent.

Repaired leak on skylight over old auditorium.

Furnished and installed (9) new toilet registers.

Jr. High West

Prepared and painted cafeteria and cafeteria kitchen. Work done by the Building Maintenance Department.

Prepared and painted wall and radiator in corridor of Stairway C, Office floor and painted all pipes, radiators and walls where new heat controls were installed. Work done by the Building Maintenance Department.

Removed two split radiators above stage and girls' side of gym. Made up new radiator assembly and installed and replaced leaking gaskets on Johnson valves in Fan Rooms and thermostat elements in float traps. Work done by the Building Maintenance Department.

Installed fluorescent light fixtures in 1st floor corridor.

Repaired cement steps in wooded area. Work done by the Building Maintenance Department.

Installed new flushometers in all girls' and boys' rooms in old building. Lubricated steam regulator valve in boiler room. Replaced spud washers in toilets as needed. Work done by the Building Maintenance Department.

Installed hot and cold water lines at disposal in wash room and repaired broken wedge in cold water gate valve on supply to cafeteria. Work done by the Building Maintenance Department.

Made repairs to master clock.

Repaired fluorescent light fixture Room 6 and secured loose receptacle in Cafeteria.

Reset lime stone caps at top of stairway wall.

Repaired C.P.C. - 40 controller.

Checked and repaired trouble in intercom system.

Replaced conductor pipe and new outlet on rear of building.

Installed new outlet for speaker Room 34. Replaced switch 1st floor classroom.

Lathed and plastered ceiling at Stairway D.

Jr. High East

Installed movie screens in Rooms 22, 23, 38, and 30. Work done by the Building Maintenance Department.

Reset P. O. plug in lavatory and cleared slow urinal in Boy's Sanitary on the Top floor. Work done by the Building Maintenance Department.

Prepared and painted new section of gym. Work done by the Building Maintenance Department.

Removed bleacher seats, etc. on Mass. Avenue side of gym and converted into storage area, installed shelving in closet in gym and made alcove in storage area into custodian's closet. Work done by the Building Maintenance Department.

Installed oak framed tan cork bulletin boards for the classrooms. Work done by the Building Maintenance Department.

Located and repaired leaks in the roof area of the Gym section.

Replaced (7) ceiling fixture in Girls' Shower Room and replaced (2) outside fixtures and repaired (1) outside fixture.

Supplied and installed asphalt tile in desk areas in Rooms 21-23.

Jr. High Industrial Arts

Replaced leaking gasket on steam main over hot water tank. Work done by the Building Maintenance Department.

Prepared and painted walls in 2nd floor corridor, 2 stairwells, ceilings and clinic and toilet. Work done by the Building Maintenance Department.

Replaced broken and missing slate on the East and Northeast side of the roof area.

Lathed and plastered ceiling and patched wall over stage on 3rd floor.

Brackett School

Checked and repaired cause of no heat in univent in Room B2 and replaced thermostat elements in 3 basement rooms on B & J traps. Work done by the Building Maintenance Department.

Repaired and replaced flushometer in toilet in Principals' office. Work done by the Building Maintenance Department.

Repaired railing around rear walk of building. Work done by the Building Maintenance Department.

Repaired Unit Vent motor and installed outlet for duplicating machine.

Crosby School

Remodeled coat room off room 3 for office and removed section of grille, coat hooks, etc. from front of coat room off room 4 and installed same on walls of coat room 4. Also, made and installed a pigeonholed box for letters, etc. Work done by the Building Maintenance Department.

Made a letter box with (20) pigeonholes for use by principal. Work done by the Building Maintenance Department.

Repaired leak on roof over kitchen and repaired pipe on rear of building.

Cutter School

Sanded and stained and installed guards for heating pipes in all classrooms. Work done by the Building Maintenance Department.

Cleaned roof gutters, repaired leaks, cleared stoppage in conductor offsets, replaced slate on roof area and replaced light of glass in roof skylight.

Installed heating and ventilating system in the Cutter School.

Repaired hall light. Replaced outlet in Boiler Room. Checked Fire alarm system and repaired open circuit. Installed (2) new horns, one in Boiler Room and (1) in 1st floor classroom.

Dallin School

Checked all flushometer and repaired leaking units in Building. Work done by the Building Maintenance Department.

Replaced filters for all heat units in the entire building.

Made repairs and replacements to the P. A. System.

Reset loose floor tiles in Girls' and Women's sanitariums and pointed up space between floor and wall in Gym.

Hardy School

Installed partition in basement area near Girls' Sanitary, Brooks Avenue end of building for classroom. Work done by the Building Maintenance Department.

Installed pneumatic controls on unit heater in Room B-1 and connected same to existing heat control system.

Disconnected burnt out motor and reconnected new one in Boiler Room.

Installed (7) toilet compartment doors and (7) pilasters.

Installed draperies in Auditorium.

Installed (10) American Standard Urinals and (10) Sloan Royal Flush Valves.

Wired new room in basement with switches, plugs and fixtures, and re-located existing fixture in hall and wired.

Locke School

Prepared and painted Rooms 5, 8, 6, 7, 4, 3, 9, 1, 16, 13, 15, 14, 12, 11, corridors and stairways including ceilings in the Auditorium and (2) anti-rooms adjoining. Work done by the Building Maintenance Department.

Installed paneling, window, floor tiles, etc. In room to be used as secretary's office. Work done by Building Maintenance Department.

Repaired trouble in Master Clock and reset all clocks.

Replaced 30' of 48" chain link fence.

Lathed and plastered wall in girls' and boys' sanitariums on the first floor, and stairway going from 2nd to 3rd floor.

Cleaned gutters, repaired leak and repaired slate roof.

Parmenter School

Refinished pupils desk tops in Rooms 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11 and 12. Work done by the Building Maintenance Department.

Made repairs and replacements to existing chain link fence. Installed rails and 50' of chain link fence.

Repaired roofs, replaced copper gutters, valleys, conductor pipes, etc. and did other related work.

Stratton School

Prepared and painted clinic room. Work done by the Building Maintenance Department.

Installed folding wooden doors in place of standard doors. Work done by the Building Maintenance Department.

Repaired leak in 2 1/2" C. water main in corridor at connecting door 2nd floor.

Replaced 4' plastic sky dome damaged by vandals on the roof area.

Made repairs to relay in Auditorium lights and reinstalled same.

Checked Auditorium lighting panel and replaced remote (3) phase relay.

Repaired roof leg flashing of built in gutter, etc.

Thompson School

Recemented loose tile in connecting units of building floor, Work done by the Building Maintenance Department.

Made repairs and adjustments to the clock and program system.

Replaced broken plastic domes on the roof damaged by vandals.

Repaired and replaced gutters, conductor pipe and made repairs to roof.

Located and repaired trouble in controls on pump.

Removed lights, speakers and wiring from shelter and installed (2) new flood-lights on building.

Bishop School

Checked cause of convectors not heating in the Auditorium and rooms in the north side of the building and made replacements where needed.

Removed hot water circulating pumps for repairs, reinstalled and did other related work. Work done by the Building Maintenance Department.

Peirce School

Alterations and additions were made to the heating and ventilating system in the Peirce School.

23 Maple Street

Prepared and painted (3) rooms. Work done by the Building Maintenance Department.

Replaced toilet and flush tank in the Supt. Toilet room, installed tile floor and painted area. Work done by the Building Maintenance Department.

Repaired roof leaks.

Robbins Town Hall

Repacked Jenkins steam valve.

Replaced Time Clock.

Repaired rubber mats in front hall.

Renewed license for Hall for one year.

Installed new microphones, amplifier, etc. in the Auditorium.

Railroad Station (V.F.W.)

Made and installed exterior door in V.F.W. Hall. Work done by the Building Maintenance Department.

Repaired tank in Ladies' room and flushometer in Men's Room. Work done by the Building Maintenance Department.

Robbins House

Repaired stair rails leading into Board of Health. Installed pair of doors in Board of Health Office. Work done by the Building Maintenance Department.

Replaced sill cocks. Work done by the Building Maintenance Department.

Located and replaced 200 ampe fuse.

Robbins Cottage

Replaced sill cocks. Work done by the Building Maintenance Department.

Repaired stair railing leading into rear of Robbins Cottage. Work done by the Building Maintenance Department.

Installed (2) combination screen doors and window screens.

Dallin Library

Installed 30-gallon gas water heater. Work done by the Building Maintenance Department.

Replaced broken light of glass in door Park Avenue entrance lower door. Work done by the Building Maintenance Department.

Robbins Library

Installed air conditioner in cataloging room. Work done by the Building Maintenance Department.

East Branch Library

Prepared and painted exterior trim of building. Work done by the Building Maintenance Department.

Cemetery

Replaced kitchen boiler, bathroom toilet and repiped basement. Installed tankless water heater and new toilet in bathroom. Insulated attic tank and removed old pipes. Work done by the Building Maintenance Department.

Park Department

Installed paneling in two offices, installed shelving, stained new wood and painted walls and ceilings. Work done by the Building Maintenance Department.

Removed section of wall and installed door jamb and door in office of Park Dept. Work done by the Building Maintenance Department.

Highland Fire Station

Made and installed (5) screens. Work done by the Building Maintenance Department.

Prepared and painted the exterior of the Highland Fire Station.

Central Fire Station

Replaced exterior door jamb, etc. in control room. Work done by the Building Maintenance Department.

Replaced all cracked glass. Work done by the Building Maintenance Department.

Installed tile flooring in the kitchen.

Police Station

Checked and repaired flush valve in public toilet. Repaired flush valve and cleared stoppage to urinal. Replaced ball float in office toilet. Work done by Building Maintenance Department.

Various

Sand blasting done in the following schools: Freshman Building at Sr. High School, Locke, Bishop, Crosby and Jr. High East.

Changed all exterior cylinders, keys and locks in various schools and libraries.

Installed window shades and draperies for the various schools.

Purchased Flush Valves for the toilet rooms of the various schools.

Contracts for oil burner service were processed through the Maintenance Office for all oil burners in the Town Owned Buildings.

Made necessary repairs to existing fences at the Bishop and Locke Schools.

All heating boilers, hot water tanks and air compressors in the Town Owned Buildings were inspected by the Insurance Inspectors and all repairs and replacements were made according to their requests. Certificates of approval were issued for each unit in each building for a period of one year.

The Fire Alarm System in all Schools was tested prior to fall school opening by the Fire Department and was found through the testing to be in good operation.

All Fire Extinguishers throughout the Town Owned Buildings were checked and recharged by the Fire Department.

In addition to the above work, well over two thousand work and repair orders were issued to the Building Maintenance Department personnel and Contractors for various types of work, such as plumbing, heating, painting, electrical work, roof work, boiler and oil burner repairs, carpenter work, furniture repairs and replacements, etc. The cost of these jobs varied from \$4.00 to \$1,000.00.

During the year 1,404 lights of glass were replaced by the Building Maintenance Department personnel in the various schools at a cost of \$8,394.12.

During the year 1965 Mr. George H. Greim, who served the Town for 34 years in the capacity of Supervisor of Custodians and Maintenance, retired. To him, who so faithfully and capably performed his duties to the Town of Arlington and its citizens, we bid good health and happiness in his well-earned retirement.

I wish to express my appreciation to you and to the Officials and Employees of the Department and all other Town Departments and Town Officials for their co-operation during the past year.

Respectfully submitted,

Anthony Quattrocchi
Supervisor of Custodians
& Maintenance

Annual Report of Inspector of Animals

January 10, 1966

Subject: Annual Report of Inspector of Animals

To: Town Manager

1. A total of 191 animals in Arlington were examined and quarantined for biting persons in 1965.

2. The heads of two animals were sent to the Wasserman Laboratory in Jamaica Plain for examination of the brain for evidence of Rabies. Both were negative.

3. There were no cases of Rabies in Arlington this year. This is no reason for complacency however, since during the year just ended there has been a steady advance on the borders of Massachusetts of cases of Rabies in domestic and wild animals. In this connection it might be well to give as much publicity as possible to the preventive inoculation program.

4. I want to take the pleasure of extending my appreciation to Mr. Comeau and his staff in the Board of Health and to the Police Department for their excellent cooperation.

Respectfully submitted,

John J. Murphy, Jr., D.V.M.

Annual Report of the Department of Civil Defense

January 7, 1966

Mr. Edward C. Monahan
Town Manager
Arlington, Mass.

Dear Mr. Monahan:

In accordance with the By-Laws of the Town, I submit herewith the sixteenth annual report of the Department of Civil Defense.

Shelters

This year the Army Corps of Engineers made another survey for shelter space in Arlington. To date we have not received the additional official figure, but it is estimated that we will have approximately 19,000 shelter spaces in Arlington.

Communications

In Arlington the Director of Civil Defense also has the supervision and maintenance control of the Local Government Communications System.

This year six more radios have been added. Two in the Engineering Department, two in the Public Works Department and one has been installed in the school bus.

Telephone Blackout

On Monday evening January 4, 1965 about 16,000 telephones were out of service for well over an hour. This was the result of a breakdown at the Pleasant Street exchange of the telephone company. A portable transmitter and receiver connected to Arlington's Local Government Radio System was quickly brought to the telephone exchange and was operated by members of the Police Department. Another portable transmitter and receiver was brought to Symmes Hospital. The telephone company's cooperation with this effort enabled the operators to manually receive the calls and then give them to our radio operators who, by radio gave them to police, fire or the hospital.

Blackout

On November 9, 1965 at 5:21 p.m. the entire North East, with a few exceptions, suffered a loss of electric power.

The Emergency Operating Center at the Town Hall was activated and the emergency generator in the hall came on automatically when Edison power went off.

The Civil Defense Auxiliary Police and Auxiliary Firefighters were called out by their respective chiefs. The Bay State 5 Watters, a mobile citizens band, was called by the Civil Defense Director and reported within minutes. A citizens band control station was activated at the Emergency Operating Center. Races sector net was also activated at the Center. Heads of certain departments reported and worked with the director.

Matching Funds

This is a Civil Defense Program under which we are able to collect one half our electric costs and also one half the price of equipment for which we can present a justification that meets the approval of the Federal Agency.

Under this program the following collections have been made.

Fire District 13	\$578.50
Electricity	<u>144.00</u>
Total	\$722.50

A commitment has been made by the Federal Government for \$1023.00 for the purchase of additional radios but will not be received until 1966.

Public Law 85-606

This is a program which reimburses a city or town, that has met the necessary qualifications, approximately one half of their administrative and personnel expenses. Arlington has been certified by the State and Federal Government as eligible participants. Of the seventeen cities and towns included in Sector 1C, Arlington is the only town eligible to receive 85-606 funds. There is also one city that is eligible.

Payments are made to the town on a quarterly basis. This year a total of \$3,149.75 was collected under this program. These checks are not added to the Civil Defense Budget but go directly to General Town Funds.

The total amount given to the Town Treasurer this year was:

Matching Funds	\$ 722.50
Public Law 85-606	<u>3,149.75</u>
Total	\$3,872.25

Surplus Property

During the year the following amount of surplus property was purchased.

<u>Government Cost</u>	<u>Our Cost</u>
\$37,876.44	\$1,502.54

Our outstanding purchases under this program this year were:

	<u>Gov't. Cost</u>	<u>Our Cost</u>
Steel	\$5,500.00	\$33.00
Compressor-Tree	1,183.00	25.00
Dept. to use this for spraying tractor	<u>1,500.00</u>	<u>75.00</u>
	\$8,183.00	\$133.00

Auxiliary Police

Captain John Y. Duggan of the regular Police Department is in charge of this group of men, who, have this year given to the town a total of 1,488-1/2 hours of service. Their assignments have been:

Church Traffic	1,137-1/2 hrs.
Auxiliary Police Meetings.....	121 hrs.
Traffic Assignments for Parades	76 hrs.
Halloween Assignments.....	60 hrs.
Power Failure Assignments.....	94 hrs.
November 9, 1965	
	<u>1,488-1/2 hrs.</u>

We are, indeed, grateful to these men who so gladly and freely give so much of their time in helping their community.

200 Bed Hospital

On Wednesday, December 29, 1965, the first shipment of a 200 bed packaged disaster hospital arrived at the Public Works Yard where it will be stored.

These, "packaged disaster hospitals" are made available under the Federal pre-positioning of emergency medical resources program and represents all the component parts of a complete hospital. Although worth \$125,000.00, it is stored at no cost to the community.

When the shipment is complete it will provide care for 200 patients for 30 days. Includes everything from x-ray and operating room equipment to medicines, blood, medical supplies, etc., in other words all components of a regular hospital.

Auxiliary Firefighters

This auxiliary group, under the direction of Auxiliary Chief A. Henry Ottoson served a total of 333 or more hours in the Highland Fire Station. Responded to 61 calls and worked 41 hours at actual fires.

They have had six instruction meetings in regular firefighting conducted by Captain Eugene Del Gaizo, training officer of the regular Fire Department and have also had a lecture on first aid and one on radioactive material.

We express our sincere appreciation to Auxiliary Chief Ottoson and all the men who have worked with him during the past year.

Ten members of Boy Scout Troop 368 took a twelve hour radiological shelter monitors course during their February vacation. They all successfully completed the course and were awarded certificates. The course was conducted by the director, who is a certified radiological defense officer.

The director attended a refresher radiological monitoring instructors course at the Eastern Training Center, Department of Defense, Brooklyn, New York from August 1st thru August 6th.

To all Civil Defense volunteers, who have assisted in the Civil Defense Program this past year my sincere thanks.

And to you Mr. Monahan, the Board of Selectmen and Department Heads, my appreciation for your continued support of the Civil Defense Program.

Respectfully submitted,

John P. Dempsey
Director of Civil Defense

Report of the Inspector of Buildings

January 7, 1966

Mr. Edward C. Monahan
Town Manager
Arlington, Mass.

10000 Lumen incandescent lamps	14
11000 Lumen mercury vapor lamps	67
20000 Lumen mercury vapor lamps.....	271

On the evening of November 9, 1965, an electric power failure blacked out the northeast section of the country from Ontario, Canada to New York City. Power was finally restored in Arlington after an outage of approximately eight (8) hours.

I wish to thank you and the various department heads for the many courtesies and the cooperation I received from them during the year.

Respectfully submitted,
ROBERT L. REID
Inspector of Wires

RLR/f

Annual Report of the Department of Veterans' Services

Mr. E. C. Monahan
Town Manager
Arlington, Mass.

Dear Sir:

Submitted herewith is the twenty-first annual report of the Department of Veterans' Services covering the calendar year 1965. Massachusetts laws make it mandatory that financial aid be furnished to needy veterans and their dependents who qualify for such aid and that there be made available to all veterans and their kin such advice, information and assistance, as may be necessary to enable them to procure the benefits to which they are, or may be, entitled relative to employment, vocational or other opportunities, hospitalization, medical care, pensions, compensations, insurance and other benefits and must keep on hand current booklets and other printed matter pertaining to the statutory rights and privileges of war veterans provided by Federal and State laws. The first section of this report deals with the services provided and the second part with the financial aid disbursed to needy veterans and their dependents.

VETERANS' SERVICES

Photostatic copies made	3,684
Documents notarized	37
Contacts made in furnishing counsel, information and assistance in prosecuting claims of veterans and their survivors and dependents and processing applications for all types of benefits	2,630
Visits to hospitals, homes and other places	920
Letters, histories and records	2,742
Veterans Administration forms completed	480
Veterans Administration claims handled as agent for claimants	163
Grave markers located	42
Veterans' graves decorated twice yearly (500 each)	1,000
Total for year 1965	11,698

Total of cash benefits accruing to Arlington claimants from the Veterans Administration through the efforts of this department \$107,643.

Estimated total of money saved the Town by reason of successful prosecution at the Veterans Administration of claims or persons who had applied for financial aid or would have been eligible to apply because of insufficient resources \$ 56,501.

VETERANS' BENEFITS, WAR ALLOWANCE AND BURIAL AID

A tabulation of the administrative work connected with the disbursement of financial aid to needy veterans and their dependents follows:

Contacts (visits, interviews, etc.)	2,640
Applications copied, history entries, records and letters	2,830
Cases on rolls (a) Settled in Arlington	64
(b) Settled in another community	0
(c) State settled	0

Annual case load	780
Monthly average case load	65
Applications and re-applications for aid received	175
Applications and re-applications for aid accepted	78
Applications and re-applications for aid rejected	34
Applications referred to other communities	24
Applications referred to other agencies	33
Applications pending	6
Refund cases	18

A tabulation of actual disbursements made to needy applicants for aid during the year 1965 follows:

VETERANS' BENEFITS

State participation 50% of all authorized payments\$86,953.32

WAR ALLOWANCE

No disbursement for this type of assistance during 1965 0.00

BURIAL AID

Chapter 115, General Laws of Mass. (needy cases)

State participation 50% in all Arlington settled cases
and 100% in all others 0.00

REIMBURSEMENT AND REFUNDS

State reimbursement has been made in full to the
Town Treasurer for the year 1964. No reimbursement
has yet been received for 1965.

Total disbursements for 1965	\$86,953.32
Refunds and recoveries	2,239.48
Expected State Reimbursement	42,356.92
Net disbursement by Town for aid expended in 1965	42,356.92

The year 1965, due in part to cost of living budget increases by the State Department of Veterans' Services and by the ever increasing cost of hospitalization, medical care in general, nursing and rest home care, has resulted in our expending a good deal more than we expected in our 1964 projection for this past year. However, through the efforts of this department, we have assisted in the acquisition of Federal funds for Arlington veterans in an amount exceeding \$100,000. Much of this money would have, of necessity, been expended by this or other town assistance programs. With the increasing tenseness of the global situation and our expanding draft quotas producing more veterans daily, the work load of this department is multiplying to a considerable degree, necessitating the addition of clerical help for 1966 in order for us to attain the degree of proficiency we are striving for.

Before the end of the current enrollment period, we will have secured Medicare coverage for all eligibles on our rolls. Our accomplishment in this regard will, I am sure, result in additional savings to the Town Treasury in the years to come.

In conclusion, I wish to gratefully acknowledge the cooperation and help received from the Board of Selectmen, the Town Manager, all other Town Departments and to express my sincere appreciation for the excellent work performed by the employees of the Veterans' Services Department.

Respectfully submitted,

James M. Coyne
Director

Report of the Board of Appeals

January 17, 1966

Honorable Board of Selectmen
Robbins Town Hall
Arlington, Mass.

Gentlemen:

Submitted herewith is the Annual Report of the Boards of Appeals for the calendar year ending December 31, 1965.

Variances Granted	20
Variances Granted with Restrictions	2
Variances Denied	6
Appeals Withdrawn	-
Appeals withheld pending further action or study	6
	<u>34</u>

The Building Board of Appeals heard a total of Fourteen of which Seven were granted and Seven were denied.

Respectfully submitted,
Ralph F. Tuller
Chairman Zoning Board of Appeals
Daniel A. Healy, Jr.
Chairman Building Board of Appeals

Report of the Dog Officer

January 5, 1966

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I herewith submit my report as Dog Officer for the Town of Arlington for the year ending December 31, 1965.

Complaints registered with me as follows:

Dogs impounded	246
Licensed dogs returned via telephone	322
Licensed dogs returned by car.	41
Unlicensed dogs impounded and turned over to the Animal Rescue League when owners could not be located.	168
Dogs claimed at pound	30
Dogs destroyed at pound	7
Dog owners contacted on warrant	2893
Dogs caused to be licensed	2358
Dogs licensed	2358

Complaints received at my office and investigated 101

Complaints registered with me to remove dead or mutilated animals from the highways are as follows:

Dogs	66
Cats	141
Skunks	31
Squirrels	60
Sea Gull	1
Turtle	1
Pigeons	18
Rats	10
Rabbits	2
Raccoons	3
Duck	1
Turkeys	2

At this time I wish to express my thanks to you and the Board of Selectmen for the advice and assistance given me in the settlement of controversies arising between the dog owners and complainants.

I would also like to take this opportunity to thank Police Chief Ryan, his department and the office of the Town Clerk for the splendid cooperation given me through the past year.

In conclusion, I gratefully acknowledge the prompt attention given by the dog owners of Arlington to the licensing of their dogs this year.

Respectfully submitted,

Samuel F. Femia

Dog Officer, Town of Arlington

Annual Report of the Arlington Housing Authority

Board of Selectmen
Town Hall
Arlington, Massachusetts

Gentlemen:

The Arlington Housing Authority submits herewith its annual report for the year 1965.

At the Annual Election held in March 1965, Mr. Joseph S. Vahey was re-elected for a term of five years. At the annual Authority meeting held on March 9, 1965, Mr. Joseph S. Vahey was elected Chairman; Mr. Thomas M. Kelly, Vice-Chairman; Mr. Edward J. Doherty, Treasurer; Mr. Myron D. Chace, Assistant Treasurer. All officers to serve for a period of one year.

During the course of the year the Authority met regularly on Monday evenings and at many special meetings. In addition to the operation and maintenance of the presently existing 176 veterans' apartments and 72 elderly apartments, substantial time was taken up with the details of construction of the 100 additional units in the new highrise development located at 54 Medford Street. Construction of these apartments was started in December of 1964 and occupancy was realized on November 15, 1965, which was 45 days ahead of schedule. At the close of the year the building was fully occupied and represents a step forward in the housing of the elderly persons of low income in desirable accommodations within their means.

This building is the first multi-story, all electric construction approved by the Massachusetts Division of Housing under the State Housing law and it will serve as a pilot throughout the Commonwealth.

During the course of the year the Authority made a voluntary payment to the Town in the amount of \$6336.00 in lieu of taxes, which is the largest amount permitted by the law for such payments.

The Authority wishes to thank the Board of Selectmen, the Town Manager, and all other Boards and Department Heads for their cooperation on various matters throughout the year.

Respectfully submitted,
Arlington Housing Authority

Joseph S. Vahey Thomas M. Kelly
Edward J. Doherty Myron D. Chace
James A. Coffey

Report of the Cemetery Department

January 7, 1966

Mr. Edward C. Monahan
Town Manager
Town Hall
Arlington, Massachusetts

Dear Sir:

The Board of Cemetery Commissioners herewith submit their Annual Report for the year ending December 31, 1965.

Plot EE in the new section was marked with 216 two grave lots. The roads in this section were named and signs erected. Many roads in the old section of the cemetery were repaired.

The Tree Department removed ten trees because of disease. These shall be replaced in the Spring.

There were 423 interments in 1965.

Mr. John H. Callahan was reappointed to the Board for a three year term to expire December 22, 1968.

The Board wishes to thank Town Manager Edward C. Monahan, all Department Heads, Supt. Edward C. Preston and the employees of this department for their help and cooperation during the year.

The following are the receipts of the Cemetery Department for the year ending December 31, 1965:

Sale of Lots and Graves	\$18,577.00
Annual Care	2,288.40
Foundations	2,466.75
Opening Graves	15,450.00
Miscellaneous.....	4,901.64
Perpetual Care	21,959.00
Income from Funds	19,780.98

Respectfully submitted,
Board of Cemetery Commissioners

John H. Callahan, Chairman
Arthur L. McAvoy
T. Gordon Smith

Annual Report of the Engineering Department

January 7, 1966

Mr. Edward C. Monahan
Town Manager
Town Hall
Arlington, Massachusetts

Dear Sir:

In addition to the usual Department work, which is listed later, all claims against the Town for damages or injuries alleged to have been caused by defects were investigated and reports and recommendations made. Many plans and sketches were made for the different Departments of the Town as well as reports and recommendations to the Selectmen and the Town Manager.

The following is a list of some of the work done by the Department during 1965:

Building Applications processed, house numbers assigned and grades checked	93
Inspection of work by Licensed Contractors on Public Ways.....	56
Supervision of Chap. 90 reconstruction projects	4
Design, layout and supervision of Chap. 822 reconstruction projects.	4
Design, layout and supervision of 1965 street construction	9
Supervision of Woodside Lane and Princeton Rd. developments.....	2
Taking plans for Park, Sewer, Water, and Street Acceptance	20
Lines and grades given for Street Construction, Fences, Curb, Sidewalks and Cemetery Lots	86
Estimated costs of 1966 Streets and Chap. 90 Streets	113
Traffic Signal installations, studies, design, contracts, specifications and supervision	5
Traffic Counts and data for future signal alterations, etc.	4
Tree Locations for Tree Department	7
Plans, specifications, supervision of contract for resurfacing Wellington Park Tennis Courts	1
Sewer, Water and Drain installations-lines, grades, locations, estimated and final assessments and plans.....	48
Additions and corrections to Block Plans (subdivisions, etc.).....	155

I extend my sincere thanks to the employees of the Department and to all Town Officials for their cooperation and assistance.

Very truly yours,

W. H. Roby
Town Engineer

The five fatal accidents, which resulted in the death of seven persons were as follows:

On January 7, 1965 at 12:10 A. M. Lena Costa, 32 years, 49 Hillside Avenue, Arlington, a passenger in a car being operated on Massachusetts Avenue toward Lexington, which struck an Edison Pole just West of Quinn Road, received injuries which resulted in her death on the same date, having been pronounced dead at 12:20 A. M.

Also on the above date, another passenger in the same car, Mary Tramonte, 52 years, 51 Hillside Avenue, Arlington, received injuries which resulted in her death on the same date, she having been pronounced dead at 3:45 A. M.

On February 5, 1965 at 3:55 A. M. John R. White, 17 years, 509 Putnam Avenue, Cambridge, was the operator of an automobile that struck a tree on Westminster Avenue, about three hundred feet West of Park Avenue, receiving injuries which resulted in his death at 5:13 A. M. on the same date.

On April 18, 1965 at 12:43 A. M. Wayne E. Fluke, 71 years, 11 Sherman Street, Belmont, while operating his car on Mystic Street toward Arlington, at the intersection of Mystic Street and Brookdale Road struck an Edison Pole, receiving injuries which resulted in his death on the same date.

On November 27, 1965, at 10:16 P. M. Edward E. Foster, 55 years, 60 Monroe Drive, Williamsville, New York, a passenger in a car being operated on the Concord Turnpike toward Lexington, just West of the Pleasant Street Underpass, which was involved in an accident with a car proceeding in the opposite direction on the Concord Turnpike, received injuries which resulted in his death on the same date.

Also a passenger in the above car was his wife, Nellie Foster, 55 years, 60 Monroe Drive, Williamsville, N. Y. received injuries which resulted in her death on the same date.

On December 16, 1965, George E. Tobey, 28 years, 1064 Beacon Street, Brookline, at 9:15 A. M. while operating his car on the Concord Turnpike in a Westerly direction, between Lake Street and the Pleasant Street Underpass, his car overturned in the roadway and he received injuries which resulted in his death on the same date.

(F) Miscellaneous	29,200.15	4,724.00
Total	\$198,856.76	\$111,302.50

TRAFFIC SIGNAL DEPARTMENT

The Traffic Signal Maintenance Division is responsible for the installation and maintenance of all aids to the regulation and control of vehicular and pedestrian traffic on the public ways.

Measures adopted in 1965 to expedite the flow of traffic and to facilitate parking were as follows:

The conversion of a portion of the traffic signals now existing to conform with the requirements contained in the manual on Uniform Traffic Control Devices issued by the Bureau of Public Roads of the U.S. Department of Commerce commenced under the supervision of the Town Engineer.

Major crosswalks were painted green throughout the Town to enhance safety of pedestrians.

Posters and pamphlets urging the public to observe the Pedestrian Law were disseminated throughout the Town.

Additional warning signs were erected to the approaches of the intersection at Gray Street and Jason Street.

A request for permits for "STOP" signs at the intersection of Gray Street and Oakland Avenue, and at George Street and Hillside Avenue have been submitted for approval by the Mass. Dept. of Public Works.

The widening of Chestnut Street between Mystic Street and Medford Street has been accomplished.

AUXILIARY POLICE

During the massive power failure on November 9, 1965, the members of this group once again proved their invaluable assistance to the regular department. I wish to take this opportunity to publicly acknowledge my sincere appreciation and to commend them for their unselfish devotion to duty.

CONCLUSION

Once again it is an honor and privilege to extend my sincere appreciation to the Honorable Board of Selectmen, our esteemed Town Manager, members of the Police Department, Town agencies and all others for their continued cooperation and support during the past year.

ANNUAL REPORT OF THE PUBLIC SCHOOLS

To the Citizens of Arlington:

As the Chairman of the Arlington School Committee for the year 1965 it gives me great pleasure to present this report on the progress of our schools. This was a year of decision for us; one in which the decisions we made would have far reaching effects on our school system for years to come.

The School Committee recommended to a Special Town Meeting the need for an eleven room addition to the Stratton School to alleviate the classroom shortage in that district. The Town responded almost unanimously in support of the addition so I am happy to report that construction will begin shortly after the first of the year. As a corollary, to this addition, the Committee reported to the Town on its long range building plans. It is felt that upon the completion of the Stratton addition and the probable addition to the Dallin that our classroom needs will be adequate for the predictable future. Upon completion of the Classroom phase, it is hoped that the community will undertake a progress of modernization and equalization of facilities in the older schools.

A paramount concern of the Committee has always been the provision of an education for every pupil of the type that will make him the best possible person he is capable of becoming. In order to do this, it is necessary to secure and maintain the type of professional staff able to supply this education. Good education is expensive. It is expensive because the nation as a whole is beginning to demand quality education with the result that competition for good teachers becomes keen. The Committee has taken cognizance of this fact, and after much soul-searching has come to the conclusion that Arlington must possess a salary schedule commensurate with contiguous communities or lapse into a second rate school system. This decision was not an easy one to make for the Committee is well aware of the cost to the taxpayer. However, the alternative (a second rate school system) was so abhorrent and contrary to Arlington tradition that a start on a truly professional salary schedule was effected this year. While this schedule will increase school costs it is within the community's ability to absorb such costs over the foreseeable future. A decision to do less would have resulted in a diminution of school services and in the long run would have been expensive in wasted pupil opportunities.

The primary interest of the Committee is and always has been the type of education being provided in the schools. In order to keep itself informed the Committee has had frequent reports, both oral and written, provided it by the Administration, principals and supervisors. As our system continues to grow in size and complexity more of this type of activity will be needed in order to make meaningful policies.

The year 1965 saw the retirement of nine long-term professional employees. The Committee on behalf of the Town wishes these employees a long, happy and well-earned retirement.

Miss Theresa B. Binnig, High School Dean of Girls and teacher in the Commercial Department, retired June 30, 1965 after 46 years of service.

Miss Ellen B. Fitzpatrick, High School Director of Guidance, retired June 30, 1965 after 38 years of service.

Miss Mary E. Donovan, High School Latin teacher, retired June 30, 1965 after 36 years of service.

Mr. Edward L. Humphrey, Special Teacher of Physical Education, retired June 30, 1965 after 36 years of service.

Miss Alexandra "Theresa" Krastin, High School English teacher, retired September 30, 1965 after 36 years of service.

Miss Frances York, second grade teacher at Stratton School, retired June 30, 1965 after 36 years of service.

Miss Arlene Dow, High School English teacher, retired February 22, 1965 after 34 years of service.

Mrs. Gladys M. LeBlanc, Junior High School West Mathematics teacher, retired June 30, 1965 after 23 years of service.

Mrs. Elizabeth Sampson, High School English teacher, retired December 7, 1965 after 11 years of service.

The Committee also wishes to acknowledge the retirement of Mr. George H. Greim, Supervisor of Maintenance for the Town, on March 31, 1965 for the 44 years of faithful service to the schools.

The Committee deeply appreciates the cooperation and assistance given by the entire staff of the Arlington Public Schools who so conscientiously help to carry out our responsibilities to the children in our schools.

We of the School Committee offer our sincere appreciation to the Town Manager and to other Town officials who have always given us their whole-hearted support.

Respectfully submitted,

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS
FOR THE YEAR 1965

To the School Committee of Arlington

Ladies and Gentlemen:

It is my duty and pleasure to submit a report on the progress of our public schools for the year 1965. It is our feeling that this past year we made significant progress toward making our good schools even better.

The School Committee received \$59,169.00 under Public Law 874. This year, for the first time, the entire sum was turned over to the Town to help defray some of the cost for schools.

OUR ELEMENTARY SCHOOLS

“Non Nova Sed Nove”
(Not new, but in a new way)

Education is not new but every day it is changing. It is changing in order to prepare today's children for tomorrow's world. The Arlington Public Schools takes cognizance of this fact and changes are occurring in our schools that we feel will benefit our students without losing those things that time and experience have proven to be good. This report will confine itself, to a large degree, to those practices which are relatively new to us during 1965 and that should prove of interest to the reader.

The teaching of handwriting (the second “R”) is not new to us but the manner in which it is taught is different at the Brackett School. The teaching of handwriting in Grades IV, V and VI is done solely by the principal over the Public Address System. Every child has a notebook of lined paper on which to write and a folder of duplicated lessons to use as a guide. The latter are distributed three times a year, forty lessons at a time. Supplementary activities combining handwriting with spelling, vocabulary building and written expression round out an entire program for the year.

The teaching is done daily for ten minutes immediately following opening exercises. The system is based on six basic factors necessary for improved writing: size, spacing, stiff downstrokes, slant, shape of the letters and speed. The same lessons are used for Grades IV, V and VI but the differences in grade levels are compensated for by the differences in application activities. Improvement is stressed so that children do not lose interest because of the repetition in each succeeding grade. Sixth graders who are excellent penmen serve as tutors for children in grade four who need individualized instruction.

This past year the kindergarteners and the first graders at Cutter School, in addition to normal instruction in handwriting techniques, took part in an experiment conducted by Professor Skinner of Harvard University. The experiment involved using specially prepared materials which would indicate

to the child immediately, through a changed color response, when he made an error in letter formation. It is interesting to note that the researchers felt they could not use the results because the Arlington pupils showed consistently more advanced handwriting skills than those from control groups in selected communities outside of Massachusetts.

Currently, in educational circles the old chestnut of phonics verses the "Look-Say" method of teaching reading is cropping up again. This has never been a problem in Arlington for we never abandoned the teaching of phonics when we adopted and adapted what was best in the "Look-Say" method. This past year the first grades at the Dallin School worked with a new phonics program called "Speech-to-Print Phonics." This program is a complete system and may be used independently of any basal reading system. Emphasis is upon the sound within the spoken word, rather than the sound of the printed letter in isolation. The movement is "forward" from speech to print.

The lessons are designed to assure reader success in beginning reading to enable the child to move swiftly and securely through the phonic abilities that give word power. The every-pupil response technique is used. This technique avoids the wasteful practice of "Taking turns" while others wait. It also shows the teacher more quickly which pupils are having difficulty.

The kindergarten teachers at the Peirce School attempted to answer the question should one use a reading readiness book in kindergarten? They felt that as we accept different maturation levels of children in school why not accept it for youngsters beginning school? Acting on this premise they proceeded to use an audio-visual approach to phonics and reading. Phonics was introduced by songs, games and dramatic play. Children made up sentences, printed them, and illustrated them in their own booklets as opposed to the standard workbook approach. While it is too early to predict that this approach is extremely successful the first grade teachers assure us that "the children are as well prepared as in previous years when much time was spent on workbooks." At any rate, it is certain that the pupil response was most gratifying and enthusiastic.

In one area of reading we are certain that something new has been added -- "the individualized approach to reading." Individualized reading is being introduced in many school systems throughout the country and Arlington is no exception. During the summer sessions of 1964 and 1965, the Pupil Enrichment Program, PEP, had Individualized Reading as one of its innovations.

What is Individualized Reading and what can it do for the children in the Town of Arlington? In essence, it places its primary emphasis on the individual child, his self-confidence, his needs, his interests, his self-respect, and his powers in reading. In simple terms, it takes the pupil from where he is and allows him to proceed at his own reading rate or pace and at his own level of reading skills ALONE. The core of the individualized reading program is Interest and Fun. The child reads books at his own level which he has chosen for himself out of a group of graded library books. The teacher acts as a guide and channels the child to the right level of books and to the right area of interest displayed in his tests. The teacher has regular individual conferences with the child, at which time silent reading comprehension questions are asked; oral reading takes place; individual skills are studied and noted for work; and enrichment is provided as a regular part of the procedure.

From our experience so far with individualized reading we make the following observations. There seems to be a definite change of attitude toward reading with this system. It has also shown a "carry-over" effect as more outside reading is occurring. There is evidence of greater self-confidence

because of the non-grouping effect. The child is no longer worried about making mistakes in front of his peers. Lastly, it is required that the teacher involved must know the systematic skills of all grades and all levels in the elementary school and not just the grade level skills of her own particular grade. This is why only selected teachers are chosen to use individualized reading and has implications for in-service training for other teachers before individualized reading can be made universal throughout the Arlington system.

Our proximity to Boston, and Boston University in particular, has proven to be a boon to eleven Arlington youngsters. Dr. Donald Durrell, a nationally known authority in reading, and a professor at Boston University, invited a number of pupils who needed specialized attention in reading to become part of a study he was conducting on reading skills. Each pupil selected has at his disposal the best materials and instruction that money can provide. Unfortunately, the number is limited, but the possibilities for improvement are unlimited.

Arlington can acknowledge another first in the developing of good listening habits for pupils by the use of headsets and a tape recorder. Headsets installed on a moveable table are plugged into a tape recorder. Tapes, previously prepared by the classroom teacher, and specifically suited to the needs of certain groups are played for those groups with follow-up work sheets provided for additional application or practice. These headsets currently are in use at the Hardy and the Stratton Schools. Much of the credit for their success is due to the work of Mr. Fagone of the Audio-Visual Aids Department who adapted the sets to our schools.

A new teaching machine called the Language Master is in use experimentally at the Hardy and Locke Schools for programmed learning in reading. Its purpose is to help children to develop fluency, phonetic ability and the skill of reading with expression. The machine is used to present visual and auditory responses in small segments. Cards containing sentences, printed in manuscript, with illustrative sketches and a strip of magnetic tape are fed through the machine. The reading program has been prepared under the supervision of Miss Christine Gibson, Head of Language Research, Inc. and her staff at Harvard University. The student reads one side of the card containing a sentence printed in large manuscript. He turns the card over and sees the same sentence printed smaller under illustrative sketches which give it meaning. Next, he records his own reading of the sentence on the drill track or magnetic tape. He plays back his recording to see if it is correct. Then he plays the instructor track on which a voice has been previously recorded, reading the same sentence. He compares his reading to that of the instructor. If in error, the student records his sentence correctly, playing it back to be sure it is right and comparing it with the master track. The student's recording can be erased and recorded many times without damaging the master track. Cards increase in difficulty in the program. In this way as the child proceeds through the program he is less likely to become frustrated and more likely to become motivated.

The Dallin and Locke School faculties are currently engaged in exploring the possibilities of organizing their schools on a non-graded or continual progress basis. After a year of intensive study and planning under the tutelage of Dr. Robert Anderson of Harvard University, we hope to submit a plan to the School Committee for approval and subsequent implementation.

Non-gradedness is not a method of teaching but rather an administrative tool to promote continuous pupil growth. It is based upon the rationale that

three of the important themes in education today are intellectual excellence, efficiency, and individualization. The goal of education for intellectual excellence is to produce a self-educating person who knows how to learn, how to think, and how to make judgments independently. Each student must be provided a program of studies suited to his learning needs and his rate of learning in order to achieve point two. Thirdly, if we are to individualize education, we must have greater flexibility in school organization. It is this need for flexibility, which includes the most efficient way of doing things, that has brought about a great interest in the value of the non-graded school.

If all goes according to schedule and the School Committee approves the plan in early 1966, this program could be initiated in September 1966. It is felt that by approaching this change in school organization in well-planned progressive steps, the transition from a rigid, graded structure to a continuous progress plan should operate smoothly. The plan is to "non-grade" the kindergarten, grades one and two in September 1966; grades three and four in September 1967; and grades five and six in 1968. During each school year 1965-69 inclusive the design is to continue in-service studies until the total program is in full operation.

The Parmenter School P.T.A. has evinced considerable interest in the elementary school library program this past year. As a result, they formed a special committee to study the library needs at the Parmenter. It further decided to donate the sum of \$400 for use by the teachers in the purchase of books specifically chosen to complement the on-going instructional program. This interested group of parents chose a positive approach toward making a good school library a better one.

Surely, one of the most vexing problems that faces any school system is to adequately house youngsters in truly functional situations. Arlington has not escaped this problem either. The Long Range Building Committee of the School Committee has met with the School Administration and others in order to resolve this dilemma most advantageously. The October 1, 1965 Town-wide census appears to give valuable clues to the future of our school building needs. Acting upon this information, plus the results of three years of intensive study, the School Committee recommended to the Special Town Meeting of November 15, 1965 the building of an eleven room addition to the Stratton School as Phase I of a three phase program. It further recommended that the School Survey Committee study the need of a possible addition to the Dallin School as a solution to the school building needs in the west portion of the Town as part of Phase II. In Phase III, to be undertaken only after the completion of the first two phases, it recommended the study of the equalization of facilities for other schools beginning with the oldest schools in Town.

The need for adequate housing of pupils is no less important than the need of adequate staffing of these schools. Arlington has long been proud of its professional staff and hopes to continue this tradition. During the 1964-65 school year it became apparent that the Town had fallen behind other communities in its salary schedule which is an important item in the recruitment and retention of good teachers. As a result, the School Committee is establishing a salary schedule which should place Arlington back in the competitive position that it formerly held. While salaries are not the only criteria in the selection of a good staff, it is an important one and will continue to be one, as long as the current inflationary spiral, that began in 1946, continues. It, therefore, is prudent to inform the taxpayers that the end is not yet in sight so far as salary increases are concerned. If we are to maintain Arlington's tradition for good education, it cannot be done without more funds at present and in the

future. The only real solution for the taxpayer and home owner to this dilemma is massive state aid which the present legislature seems reluctant to provide to the communities of the Commonwealth.

JUNIOR HIGH SCHOOLS

Over the years much has been written about the role that should be played by the Junior High School in the education of boys and girls. Some people believe that its primary function is one of exploration and experimentation, by youngsters, into academic areas of interest. Others believe that it is a mere transition from the self-contained classroom of the elementary school to the more fluid classes exemplified by a modern comprehensive high school such as we have in Arlington. Here in Arlington we appear to take a middle road between exploration and transition as functions of the Junior High School. Furthermore, there is a surprising amount of autonomy permitted the Junior High Schools in their manner of operation and intent without sacrificing any of the "basic tools" needed for success in further schooling.

The Junior High School East is engaged in the process of developing a new approach to English through the cooperative effort of the English teachers. The emphasis is on writing that can be useful and on literature that can be enjoyed as well as understood.

In composition, the primary goal is to get the student to regard writing not as a task to be performed as an assignment for a mark but rather to gain a skill by writing on meaningful topics that relate to their interests. A minimum objective is that each pupil be able to write a coherent paragraph. Length is not the criterion; vigorous expression is the intent of the program.

A "Dickensish" attitude in the selections of outside reading material is being avoided and is replaced by a desire to excite the reading appetite of this age group through the selection of titles based not on the idea that "this is a classic" but that here is something that will interest you, something that will whet your appetite for further reading. Such novels as "Tom Sawyer," "Huckleberry Finn," "Kidnapped," "Treasure Island," "Ivanhoe," "Cheaper by the Dozen," "The Guns of Navarone," and "Journey to the Center of the Earth," give the pupils a taste of the best of traditional and modern classics. Emphasis is placed on plot, characterizations, conflict theme and authors style rather than paragraph or chapter study.

The recognition of a subject, a direct object and other grammatical terms has little use or meaning unless the pupils can use them as tools to improve their own written and spoken word. It is with this in mind that English grammar is taught. Grammar becomes an integral part of the teaching of written composition, not as a subject in itself. What is studied is needed and used and thus hopefully retained.

Vocabulary, another necessary tool of the educated person, is never a list of irrelevant words but rather it is selected from the pupils reading assignments. Once again, as in grammar, stress is not placed on memorization but on meaningful use. Spelling becomes an important adjunct of vocabulary and it too becomes more meaningful and has practical usage as well.

Certainly one of the most vexatious problems that faces educators is what to do with the under-achievers; these are youngsters who possess average or above intelligence, but for some reason fail to function at this level. Last year one of our Junior High Schools attempted to do something about this problem.

The youngsters were easily identified by their grades plus the use of a mental ability test, reading scores, and teacher conferences. These seventh graders were, in our best judgment, pupils of average or above ability who had a history of low achievement in elementary school. An additional factor included in their selection was the absence of any tendency toward aggressive or anti-social behavior. They were referred to as a "G.P." group (good potential) for ease of identification.

It was the aim to raise the level of achievement of this group to grade level by the end of two years. It was hypothesized that this could be accomplished by: 1. building a high individual and class morale conducive to learning; 2. giving much individual and small group work made possible by the small size of the class and the absence of pupils with aggressive behavior; 3. the frequent use of audio-visual aids, magazines, and newspapers; 4. and, by complete freedom by the teachers in the selection and use of curriculum materials. In addition, the developmental reading consultant and the guidance counselor worked closely with the teachers. It was a team approach since all professional personnel concerned met regularly in conference, made plans together, and shared problems and successes together too.

The experiment appears to be a decided success in that test scores indicate growth in all areas of achievement and in some cases remarkably so. In fact, several of the group have already attained their grade level potential and have been transferred into regular classes where they are continuing to function well.

A number of significant facts were evident almost from the beginning of the experiment: all the pupils were lacking in self-confidence (possibly due to repeated experiences with failure); most were weak in reading comprehension; evidenced poor study habits, and seemed to experience great difficulty, at first, in participating in group discussions. Eventually, the combined efforts of many resulted in success for the group in attaining the level of achievement to which they were entitled.

The Junior High School has a particular responsibility to teach pupils the techniques of how to study and to help them acquire good study habits. Homework and other forms of independent study become increasingly important at the secondary level and in college. During the past year much time and effort has been given in all major subject areas to accomplish this aim.

Film strips and other visual aids have been acquired on the techniques of effective study habits. Guides and other materials have been prepared by our reading specialists. The classroom teachers used these guides to help pupils put them into practice in particular subject matter areas. Much stress was placed upon the need for continued use of these techniques before competency can be assured. Some of the areas discussed were as follows:

1. The characteristics and importance of a proper place and time for study.
2. How to use a textbook.
3. The importance and procedures of reading for a purpose.
4. How to take notes.
5. How to outline--various types.
6. How to make a book report.
7. How to write a research paper.
8. How to review effectively.
9. How to summarize.

10. The importance of following instructions.
11. How to increase ones vocabulary.

This year, for the first time, the Junior High Industrial Arts School is using the Harvard-Arlington Instruction Van. The students are part of an experiment, conducted by Miss Christine Gibson of Language Research Inc., to determine the effectiveness of teaching reading and basic English via tapes. In addition to the van instruction the pupils are receiving special help in the basic reading skills. Results so far seem to indicate that because of the novelty of the approach pupils are trying harder than ever to read well and are succeeding as a result.

The classes in special education are proceeding well. This past September the School Department increased the services to the Trainable Classes through extending their class time by two half-days or six hours. A small group of students, considered capable of benefitting from a longer school day, come from nine to three-thirty on Tuesdays and Thursdays, and on afternoons only on Monday, Wednesday and Friday. A special teacher has been added for the extra morning sessions. In order to house the additional pupil load, a room formerly used as an office by special teachers at the Junior High Industrial Arts School was converted into an attractive, fully equipped classroom. A visitor from the Special Education Department of the Commonwealth visited here recently and remarked, "If only other communities would do as much for special education as Arlington."

SENIOR HIGH SCHOOL

Last February, with the opening of the new ninth grade wing, the first step in a revision of the administrative setup began by the appointment of a housemaster in charge of the freshman building. During the spring and summer much time, effort and deliberation went into the authorization by the School Committee that the administration of the High School be decentralized further.

With the opening of school in September, a complete reorganization and enlargement of the administrative staff was begun with a full-time housemaster for each grade level. Although physical facilities inherent in our older buildings are far from adequate for a complete "house plan" of organization, each class may be identified with an individual who has administrative authority and with a group of teachers who serve as a core of each individual student's educational experience.

Homerooms are arranged as near as possible on levels, with the housemasters' offices placed at strategic points for maximum control. Each housemaster is responsible for about one-fourth of the faculty, as well, who receive direct assignments from the housemaster, as needed, to facilitate control. This accomplishes a much needed change for now it is possible for the first time to see that the entire building complex is thoroughly patrolled and responsibility can be pin-pointed.

Students in each of the four grades are now responsible to the housemaster for their attendance, tardiness, dismissal, conduct and general school behavior. Students experiencing discipline problems are referred by the teacher to the housemaster for prompt disposition.

The "house plan" decentralizes the necessary daily routine problems from the main office and places them one step closer to the individual teacher

where they can be dealt with on a more personal and effective basis. Furthermore, it has cut down on the traffic in the main office, particularly at the beginning of day, for routine matters are now administered through the four sub-offices.

In order for the "house plan" to function smoothly teachers have been called upon to accept more responsible assignments before, during and after school. These have been accepted with an attitude of cooperation and the realization that only through their efforts can the plan work successfully. An additional gain appears to be a positive change in teacher attitude and morale. This has received further impetus by the knowledge that at all times teachers are being supported by a person with administrative authority who knows and is sympathetic to their problems.

There has been a continuation of the intern program with Harvard University in English, Social Studies and Mathematics. The program in Social Studies has been broadened, through a joint-faculty appointment with Harvard University for the further development and revision of the curriculum. This program started last year, was continued during the summer with several teachers participating, and is expected to continue for several years.

A focal point of a well-run comprehensive high school is the library. During the first half of the 1964-65 school year our High School was on a two-platoon system with the result that our already over-burdened library was sorely overtaxed. It operated mornings (7:30 a.m. to 12:30 p.m.) for the sophomores, juniors and seniors, and during the afternoons until 4:45 p.m. for the freshmen, with older students permitted in the reference rooms. This dual operation restricted both groups but every effort was expended to minimize the loss of library time. With the opening of the new wing in March much of this difficulty was resolved.

Our two libraries are used to their capacity. Teachers are encouraged to bring classes to the library when special reports or projects are planned. A number of teachers, especially English and Social Studies, availed themselves of this opportunity; ninety-one such "workshop" classes met in the library during the year. In addition, freshmen were given instruction in the use of the library during the year. Each of the twenty-nine freshman English classes spent three class periods in the library, practicing the use of the card catalog, the periodical index, and a number of basic reference books.

Without the Robbins Library and its two branches our school library collection would be seriously inadequate; the 7202 volumes (in both our libraries) falls far short of the ten volumes per students ($10 \times 2600 = 26,000$) recommended by the National Library Association standards. However, the excellence and the accessibility of the public library collections changes this picture considerably. Nevertheless, complacency must not set in for a concerted effort must be undertaken to improve our acquisition rate. Our school library collection must grow to meet the ever-increasing needs of class work. As our methods of teaching change, the role of the library becomes more important for our emphasis is on the need for self-education. Hopefully, there will be a carry-over effect in later life, as authorities tell us, continuing education is with us and this means that the individual must be equipped to know how to do some of it on his own.

The secondary developmental reading program was begun at the High School this year in the ninth grade. The primary purpose of this program is to provide every ninth grader with a comprehensive reading and study skills

course. Through the program, each student will have the opportunity to receive some individual reading instruction at his level and ability. The basic course in this program coordinates with the ninth grade English classes. Each English teacher and her classes have a developmental reading program every day for four weeks or about twenty sessions. During this time, the reading teacher works with the English teacher and classes using materials in the ninth grade Reading Center. Individual programs of remediation and acceleration are carried on where needed. Through a built-in program of instruction, testing and evaluation it is felt that individual pupil academic growth will be facilitated.

TECHNICAL AND VOCATIONAL HIGH SCHOOL

Students who graduated in June 1965 were the first to have received four full years of technical or vocational training under the re-organization plan initiated in September 1961. The results were most gratifying.

Terminal students were better qualified for employment in highly skilled occupations and were eagerly sought after by employers in the area. The demand for graduates far exceeded the supply with resultant high starting salaries for all. Approximately 60% of the class furthered their education in one form or another. Students had applied and had been accepted at Lincoln College, Bay State Community College, Wentworth Institute and Franklin Institute.

School opened this September with the usual long waiting list of disappointed applicants. Unfortunately, only 46 pupils can be accepted for admission to the freshman class and these are selected from an average of 150 students who apply each year. Some consideration might be given to the accommodation of more students in the future. Short unit courses of one or two years duration might fit the needs of a great number of students. The proliferation of need for service type workers makes this idea intriguing. Graduates, of such shorter unit courses, would be trained for semi-skilled occupations assuring them of steadier employment in the years to come.

Pupil Shop Productivity for the 1964-65 School Year

<u>Department</u>	<u>Number of Jobs</u>	<u>Market Value</u>
Automotive	198	11,329.00
Electronics	220	22,900.00
Machine	207	26,188.00
	<u>625</u>	<u>\$60,417.00</u>

The Arlington Technical and Vocational High School is proud to be doing its share in re-training the unemployed. Several courses have been conducted after the regular school day under the Manpower Training and Development Act. In July the third 900 hour course for machinists was completed and the fourth class started in November. Two 600 hour courses for clerk-typists were completed with a third beginning in September. These courses are financed entirely by Federal Funds and trainees are enrolled through the Division of Employment Security. Training is authorized and approved by the Massachusetts Department of Education, Vocational Division.

Everyone tends to benefit through this training act. People are put back to work and removed from the unemployment roles thus restoring their pride

and independence plus saving money for the taxpayer. The Town and school benefits because equipment purchased by the government to conduct these classes is available to day school students. As of this date, equipment valued at over \$10,000 has been procured for the Business Department in the High School and equipment worth approximately \$22,000 has been obtained for the machine shop in the Technical School. Courses in data processing under the auspices of MPTA (Man Power Training Act) are being formulated and should materialize soon.

ARLINGTON TECHNICAL INSTITUTE

During the past two years the Arlington Technical Institute conducted a pilot program in electronic data processing. This involved the use of two laboratories and one classroom in the Vocational section of the High School building. Classes were scheduled from 10:30 A.M. to 10:00 P.M. so as not to interfere with the regular day school program. The unusual time arrangement also made it possible to engage instructors from the Arlington system on an hourly basis to teach the varied and complicated subject matter. Having completed the experimental phase, and having gained the necessary skills and knowledge, the program can now be offered on a formal and efficient basis to qualified students.

This is a two year post secondary course available to high school graduates who can meet the admission requirements. The objective of the course is to train students to become programmers or system analysts, a field in which a shortage of trained personnel exists. The school expects, eventually, to be authorized to award an Associate Degree in Applied Science to its graduates.

In June 1965, the first group of students graduated and met with outstanding success. Starting salaries went as high as \$8,000.00 per year. A bright and lucrative future can be predicted for those who completed the course. All were certified and placed in employment by the school.

Students presently in their second year of training are attending school on a cooperative basis whereby they meet alternately for two nine week sessions of class and two nine week sessions of supervised employment. Salaries paid during the employment period have averaged \$100.00 per week. The employment portion of the course will continue until all the necessary facilities have been procured. The exorbitant cost of equipment has delayed teaching the entire program within the school building.

Entrance exams for the incoming Freshman class were conducted last February. Of the 97 who competed, 39 passed, from which 22 were selected for admission, with the remaining placed on a waiting list. Due to popular demand, a second exam was held last July and an additional Freshman class was made up from those who passed and those who had qualified for the waiting list. In September, 40 were enrolled in two first year classes and 16 in one second year class for a total of 56 students.

This program has been financed entirely from Federal Funds and non-resident tuition payments. To date, over \$140,000.00 has been received from the Federal Government for the purchase of equipment, instructional supplies and for the payment of salaries. Tuition payments made to the Town will amount to approximately \$24,000.00 for the current school year.

Two rooms on the lower floor, recently vacated by the athletic department, are in the process of being converted into data processing laboratories. Additional equipment is expected before September 1966. When this occurs, all students will attend on a full-time basis and the cooperative plan will be dropped. A future enrollment of 160 students is anticipated with school in session from 8:00 A.M. to 10:00 P.M.

ADULT EDUCATION

The Adult Education Department offers our community a program of thirty-seven Practical Arts courses, two classes in English for the foreign born, and nine Business classes.

This year, in answer to numerous requests, courses in beginning French and Spanish were offered. Nearly fifty adults have availed themselves of these courses. Some persons plan to travel, others are studying for their own edification and a few find it an aid to their jobs. A course entitled "The Psychology of Our Roles as Women in Families" was offered and is operating at capacity. This particular class meets in the afternoon at the High School.

Classes in Woodworking and Drapery Construction were offered for the first time this year. The availability of space has permitted the return of Furniture Refinishing as a course. This extremely popular course is always over-subscribed because it combines useful learning with practical household advantages.

Each year a concerted effort is made to streamline and simplify registration proceedings. Early registration is permitted all senior citizens (over 65) by mail, telephone or in person. Pre-registration for students who had certificates in clothing classes last year was permitted with good results. Registration night itself went very smoothly when one considers that over 1,000 adults registered between the hours of 7:00 to 10:00 P.M. with only minimal confusion.

The future of Adult Education in Arlington is promising. More adults are aware of the possibilities available to them. The desire for vocational or avocational skills is an increasing one. It behooves the field of Adult Education to plan now for the influx of students in the ensuing years ahead. Greater leisure time, the absence of hired handy-men, cultural enrichment, and just plain fun work will demand that our facilities be taxed to their limit if we are to adequately serve our expanding horizons of education. The time is not too far distant when nearly all individuals will spend a portion of every year of their life in some form of public education. When that time comes we must be ready for it.

PUPIL PERSONNEL SERVICES

In the educational explosion that is going on in the country, Arlington High School graduates are reflecting and exceeding the national trend. One of the primary functions of the Guidance Department is the continuous attempt to evaluate and re-examine the progress of our pupils, during their school years and after they graduate. For the twenty-second consecutive year, the department has completed its annual survey, which discloses that a record number of graduates have gone on for further study. This year 69.4% of the class are having further full-time education compared with the previous record of two

years ago, 69.2%. In addition, of those who are working, many are doing part-time study, so that 72.9% of the class are working toward further education. Throughout the nation, about 30% of the college-age population is in the classroom.

Thirty-seven per cent of the class are attending four year degree granting colleges and universities.*As would be expected, a larger number of graduates are attending Greater Boston colleges, but many have gone far from home, as far as Ohio, Colorado, Kansas, and Oklahoma. Northeastern took the largest number of the class, 39, and this is an increase of about 60% over last year's group. The University of Massachusetts has jumped into second place, with 15 pupils going to the main campus in Amherst, and 11 more to the Boston branch. Boston University is in third place and Bentley in fourth. The class is also represented at Barnard, Bryn Mawr, Cornell, Dartmouth, Harvard, and the Massachusetts Institute of Technology. Other prominent colleges which have members of the class as freshmen are Bates, Boston College, Bowdoin, Brandeis, Connecticut, Holy Cross, Loyola, Ohio Wesleyan, Rensselaer, Rutgers, Simmons, Springfield and Tufts.

Our concerted effort to interest students in teaching, nursing, and the technical fields is continuing. Thirty-six students are taking education courses at State Colleges and 20 at other institutions. A larger proportion of our students are entering the teaching profession than in many other local schools. Eleven girls are preparing for the nursing profession and the department continues to encourage volunteer work at such hospitals as Symmes, Mt. Auburn, and Bedford VA so that girls will have a try-out experience to help them in making their decision to enter the profession. Eight students entered courses at the Arlington Vocational and Technical Institute. The Data Processing course is recognized for its accomplishments in this field and there will be increasing interest in this program.

A problem of national concern is unemployment or the lack of marketable skills among young people in the 16-21 age bracket. Our department feels strongly that bridging the gap between terminal education in high school and employment on an initial job is one of the most important aspects of our program. The Job Placement Bureau within the Department has been very active this year, and employment calls have far outnumbered the students available for placement. Many large companies and educational institutions in the area call Arlington first which reflects the relationship between employers and the Department and also the quality of training provided by the Business Education Department. Of the Class of 1965, one hundred thirty-nine or 24.5 per cent of the class were employed. Of these, 81 per cent were placed by the Guidance Department.

The department has carried on for many years a continuous study of College Board scores, to assist the school in an analysis of the level of achievement and to make average scores available to college admissions officers, who evaluate the school curriculum in the light of the scores. The study is also helpful in evaluating the effectiveness of the Academically Talented Program. Of the 386 test scores received in the March 1965 College Board Achievement Tests:

Scores of 700 or over	7%
Scores of 600 or over	29%
Scores of 500 or over	60%
Scores of 400 or over	90%

The national average score is 500, so it is evident that our students are achieving well above average. The results included a perfect score (800) in each of the following tests: Latin, American History, English, and Mathematics.

The average for all students taking the January English Achievement Test was 543. Eleven students in the Academically Talented Program had an average score of 679. The average for all students taking the Latin test was 649 while the 6 A.T. students had an average score of 728. The average of all students taking the Chemistry test was 537 and the mean score of the 3 A.T. students was 672. The Academically Talented Program, which was begun in 1958, has as its basic philosophy enrichment of existing courses to challenge our students who have the intellectual curiosity to pursue subjects in depth beyond the regular college preparatory curriculum. With our experience in this program as a basis, a gradual approach to Advanced Placement is in process. Many colleges report 25 per cent or more of their students entering with one or more Advanced Placement courses, and Arlington High School is making plans to initiate programs in the various subject areas. The Latin and Mathematics Departments already have an effective program in operation.

Another aspect of the Guidance Program is the responsibility for maintaining a continuous testing program for Grades 1 through 12. Intensive achievement testing is carried on in the elementary and junior high schools. At the high school level, evaluation of the college program is accomplished by the College Board Examinations and the outcome of the business program is indicated by an annual survey of employers. One of the programs advocated by Commissioner of Education Francis Keppel, is a system of national testing which can supply an objective assessment of the state of the schools. He contends that "what we don't know about education can hurt us." At our local level, we make an annual assessment of our elementary achievement which we compare with the national average and also with what we call Arlington Grade Potential, which is an indication, determined statistically, based on learning ability of what we might expect our average pupils to do, assuming they are working at their maximum capacity.

The outcome of the 1965 testing program is as follows:

Grade 1

National Average	1.7 grade equivalent
Arlington Grade Potential	2.1
Arlington Average (4 tests)	2.4

Grade 3

National Average	3.7
Arlington Grade Potential	4.4
Arlington Average (6 tests)	4.6

Grade 5

National Average	5.7
Arlington Grade Potential	6.5
Arlington Average (10 tests)	6.5

Grade 6

National Average	6.7
Arlington Grade Potential	7.8
Arlington Average (10 tests)	7.7

During the year, the department brought out a Survey Summary of the progress of our graduates from June 1941 to June 1964. The purpose of the study is to help the department become more effective in assisting students with their educational plans. If we care to apply the old adage, "The proof of the pudding is in the eating," all the evidence indicates that a student who avails himself of the opportunities at Arlington High School will be more than adequately prepared for admission to schools of higher learning.

The report included the following information:

1941 - 1964

Total for further Education		4,351
Total Institutions of Higher Education		336
4 Year Institutions	205	
Students		2,722
2 Year Institutions	34	
Students		384
Business Schools	27	
Students		719
Hospital Training Schools	36	
Students		227
Technical Institutions	10	
Students		200
Other Schools	24	
Students		99

As in past years, the Guidance Department has held seminars for instructors from nearby universities. Because of the academic achievement of our graduates, we were also very busy meeting with representatives of colleges, business and technical schools from all over the country. A close relationship with Admissions Officers is extremely helpful in the college admissions of our students and the counselors are constantly kept up to date about rapidly changing admission requirements and new college programs being offered.

The department is also participating in a radio program sponsored by Station WGBH entitled, "A Chance to Grow." WGBH is producing for national distribution a series of programs describing eleven of the turning points in life. Arlington students and parents have participated in two of the programs; the first included a group of students who were going out on their first job and the second included students who are going to college. Evening sessions were held with parents to find out more about the parents' reactions to these critical decisions.

It is with deep regret that we record the retirement of Miss Ellen Fitzpatrick, who gave many years of outstanding service as Director of the Department. Her untiring efforts and devotion to the pupils in the High School have made her a legend to those whom she counseled.

The Department of Psychological Counseling composed of school social workers and school psychologists augmented by five social work student

trainees from Simmons College School of Social Work and one from Harvard are deployed among our various elementary schools working with pupils who present problems based upon emotional difficulties or who do not seem to function properly. It has been our experience that the earlier we can identify these pupils with such problems the easier it is to effect treatment. For this reason the staff, in so far as it is possible, is concentrating on the primary grades.

During the past year a great many learning problems have been referred to this Department. Many of these are the result of well intentioned parental pressures. Some children feel discouraged when success does not come after one or two trials and then they give up feeling "hopeless." It is with this type of child with whom the psychological counselor has to spend much time in order to help him gain new confidence in himself and his abilities.

A LOOK TO THE FUTURE

The future belongs to those who plan for it. If we accept the premise of this adage, it behooves us to examine our plans for the future of the schools in Arlington.

Latest census figures indicate that we still have a growing school population and that this trend will continue for the next several years. In addition to providing classroom space for these pupils, a logical corollary is the need for qualified teachers. This problem will become increasingly difficult and expensive in the years to come. It is further complicated by the fact that we are still fortunate to have a relatively mature teaching staff, but many of these long-term teachers will be retiring within the next five years. Consequently, not only will we be seeking additional teachers in the near future but we will be seeking well-qualified mature replacement teachers at the same time. This will occur at a time when teachers' salaries are increasing yearly, so competition will be especially keen. As a result, it is inevitable, if we are to maintain our reputation for good schools, that teachers' salaries must increase substantially for some time yet.

The need for classroom space has been rather completely covered by the recent Special Town Meeting.

The future indications are that when Phases I and II of the School Committee's Long Range Plans are completed we are still faced with a prodigious task in the "equalization of facilities" for all. In addition to factors that are readily discernible to the eye (buildings for example) there are other factors to consider. The act of supplying an increasing school population with such staples as pencils, paper and textbooks is an expensive proposition. At the elementary level where workbooks once cost 60¢ a piece and textbooks \$1.25 each, now these same texts cost \$1.60 and \$2.75 each respectively. At the secondary level most standard textbooks now cost \$5.00 or more (Math. Science, etc.) It costs the School Department about \$30. to supply each new student at our high school with textbooks alone. Some specialized texts such as Chemistry which once cost \$4.00 with discount now cost us \$7.95 with discount. All this indicates that unless our school population decreases greatly or the national inflationary spiral stops, either alternative is unlikely, our school costs will continue to rise.

This past summer under the Office of Economic Opportunity our schools were able to introduce a nursery school program for a limited number of youngsters. This innovation was enthusiastically received and hopefully will

continue next summer providing the Federal Government continues to underwrite it. Just what the role of the Federal Government will be in the future is a matter for serious concern and conjecture. This much is certain that if education is to continue to improve (locally or nationally) it can only do so with massive injections of money from some source. Local sources of revenue, namely the property tax, are drying up and cannot logically supply the needed additional revenue. Only the State or Federal Government have the necessary taxing powers and revenue producing taxable property at their disposal to achieve these monies. This seems to indicate that with changing technology, automation, etc., proceeding rapidly that the concept of public education may have to change rapidly too in order to catch up with a galloping economy.

CONCLUSION

The Superintendent wishes to express his appreciation to the members of the School Committee for their support and counsel this past year.

To the members of the professional staff may I convey heartfelt gratitude for their devoted service and support. To the members of the clerical staff and custodial staff I express my sincere appreciation for a job well done.

On behalf of the entire school staff I wish to acknowledge the gracious assistance offered us whenever we have called upon the Board of Selectmen, the Town Manager, the Superintendent of Public Works, the Supervisor of Maintenance, the Supervisor of Custodians and other Town Department Heads.

Respectfully submitted,

Bert A. Roens
Superintendent of Schools

Report of the Planning Board

January 20, 1966

Mr. Edward C. Monahan
Town Manager
Robbins Memorial Town Hall
Arlington, Massachusetts

Dear Mr. Monahan:

In accordance with Section 49 of Chapter 90, and Section 71 of Chapter 41 of the General Laws, the Planning Board respectfully submits its report for the year ending December 31, 1965.

In the course of 1965, the Planning Board held twenty-two regular meetings. The Board conducted public hearings on twenty-one zoning articles, and furnished Town Meeting with reports on these as well as other articles dealing with land use development, as it customarily does. The Board has made several field inspection trips throughout the Town during the year. Land use and population data have been furnished to the School Department for its school planning program. Preliminary designs of proposed park and playground areas were furnished to the Park Department, at its request.

In the annual election of officers, Mr. David A. Leone and Mr. Richard L. Mullin were respectively reelected Chairman and Secretary of the Planning Board by unanimous vote.

In 1965, the Board continued to carry out various programs as set forth in the Comprehensive Plan and the Arlington Center Plan. A new Business C District has been created to prevent the haphazard development of commercial facilities and protect the fine appearance of the main streets of the Town. The new Zone has been successfully applied along Massachusetts Avenue east of Arlington Center. It is the intention of the Planning Board to extend the Business C district to other parts of the Town, where it would be needed.

Because of the Planning Board's concern and interest in preserving the suburban character of the Town of Arlington, it has initiated the regulation of signs within the Zoning By-Law. Action by the Planning Board in 1965 on this matter has been in response to a need for the regulation of signs that has long been recognized by the people in the Town of Arlington. That public sensitivity to these problems has been acute may be indicated by the overwhelming vote of Town Meeting in favor of sign control laws as inserted by the Planning Board in 1965.

The Residence E district was established in an area on Summer Street during the year. Residence E standards for apartment houses were applied to the Industrial districts, thereby creating higher standards for new development in these areas. Other areas were rezoned to Residence A to recognize existing land uses.

The Planning Board has continued its studies of open spaces and amenities. In 1965, an on-the-spot survey of the Great Meadows was made by the Board. The Board has been in touch with State officials to consider the future of this tract.

In 1965, the Planning Board initiated plans to improve the appearance of Arlington Center, in keeping with the "Arlington Center Plan of 1964". Accordingly, the firm of Mason & Frey, Landscape Architects of Cambridge, Massachusetts, were commissioned to design the improvement of three prominent parcels of land in the Center owned by the Town.

The Planning Board wishes to express its appreciation for the willing assistance and advice which has been given to us in its various programs by the Town Manager and other Town officials, boards, and departments.

Respectfully submitted,

David A. Leone, Chairman
 Richard L. Mullin, Secretary
 John A. Cataldo
 John J. Mulkerin, Jr.
 William Shea
 Harry J. Miller, Town Planner

Report of the Public Welfare Department

January 18, 1966

Mr. Edward C. Monahan
 Town Manager
 Arlington, Massachusetts

Dear Sir:

I have the honor of submitting the report of the Medical Inspector of the Department of Public Welfare, for the year ending December 31, 1965.

	<u>House Calls</u>	<u>Office Calls</u>	<u>Total</u>
Old Age Assistance	160	115	275
Medical Assistance to the Aged	158	55	213
Aid to Dependent Children	8	68	76
Disability Assistance	18	34	52
General Relief	10	38	48
Veterans Services	8	36	44

Respectfully submitted,

Edward W. Feeley, M.D.
 Medical Inspector
 Department of Public Welfare

January 10, 1966

Mr. Edward C. Monahan
 Town Manager
 Town Hall
 Arlington, Massachusetts

Mr. Monahan:

In accordance with your request, I hereby submit the Annual Report of the Department of Public Assistance for the year ending December 31, 1965.

Monthly Case Load

<u>Month</u>	<u>O.A.A.</u>	<u>M.A.A.</u>	<u>A.F.D.C.</u>	<u>D.A.</u>	<u>G.R.</u>

This type of assistance continues to hold a diminishing portion of the activities of the Department. Its main function now, is to serve as temporary relief for persons who are unable to qualify immediately for the various Federal and State aided programs. We can expect that the need for this category of aid will continue to decline as long as other maintainers of income are built into the economy.

OLD AGE ASSISTANCE (not including Medical Assistance to the Aged)

The total expenditures for Old Age Assistance	\$299,384.47
Federal Grants	\$165,776.55
State	72,466.54
Recoveries	17,481.37
	<u>\$255,724.46</u>

	<u>70</u>

The gross expenditures in this category of assistance were approximately \$19,000 less than that of last year. This decrease reflects a Nation-wide trend that the need for basic maintenance among the older citizen is lessening in its impact. While those cases that we do have, continue to need assistance, it is many times less than that needed because of the fact they have Social Security income, or because the former place of employment had private pension plans. We can anticipate that this decrease in the number of cases will continue at a much sharper curve, but the decrease in expenditures will probably be less, due to the increased cost of the various items of the recipient's budget.

MEDICAL ASSISTANCE TO THE AGED

Expenditures in this category of assistance increased over \$83,000 from the experience of the previous year. Our caseload is continuing to increase. Whereas in January of last year we had 236 cases, the last month of this year we now have 252. As well as increasing in case load, the expenditures can be expected continually to increase, because of the rising costs of medical care and the increased incidence of the need for medical care. During the past year the Federal Government has passed the so-called Medicare Program, but immediate substantial change in M.A.A. cannot be expected, as was pointed out in last year's Annual Report. The Medicare Program initially, in July of 1966, will provide for the payment of hospitalization for various periods of time. We can expect an approximate reduction of about 40% of our hospital expenditures during 1966. We can expect very little affect on the expenditures for nursing homes, because our nursing home cases, for the most part, are custodial cases, and nursing home care is eligible for Medicare payment only when the patient has been admitted to the nursing home from a hospital. It would not be valid to attempt to predict any kind of an exact affect upon our program that Medicare will have, but we can be sure that Medicare in the beginning, will not take care of the majority of our cases, and since the periods of coverage are of such short term duration, the net affect to this Department will probably be that we will receive a case later than we ordinarily would expect an application, and that our costs will be reduced to a great extent as the program continues, by changes in the benefit formula.

AID TO DEPENDENT CHILDREN

Total Expenditures		\$134,297.13
Less Reimbursements		
Federal Grants	\$ 60,055.48	
State	43,212.41	
Recoveries (1)	667.52	
	\$103,935.41	103,935.41
		<u>\$ 30,361.72</u>

An average of 63 cases was aided during the year. The average is one less than that of the previous year.

Expenditures in this category of assistance increased by \$13,000. This amount is not nearly as great as the rate of increase experienced by most other communities throughout the country. As mentioned in the previous report, the cause of most of these cases is broken homes, and although there seems to be a growing awareness that this is causing increased expenditures in dollars as well as in human lives and happiness, there still seems no realistic approach to solving the problem it creates. This trend, as everyone knows, exists across the country and it is a problem with which society as a whole, and the social work profession in particular, in concert with court authorities and legislatures, will sooner or later have to come to grips. We have indeed been fortunate that the national trend in an increasing case load has not been as apparent in the Town of Arlington.

While we show an increase in the case load of 5 cases during the progress of the past year, our average case load has increased but two, and in areas of this type, averages are not a very valid measure. Expenditures in this program increased slightly over \$5000. The principal reason that the rate of increase in the number of cases is not accurately reflected by the rate of increase in expenditures, is that with the liberalization of the Disability Program of the Social Security Administration, most of the new cases we now receive are but supplementary cases and our expenditure involves making up the difference in their needs and paying for medical care that the different disabled individuals may need. We can still expect that this category of assistance will remain relatively stable as time goes on.

CUBAN REFUGEE PROGRAM

We aided three families and our total expenditures amounted to \$5,414.50. As mentioned in previous years, this program is paid for in its entirety by the Federal Government on a monthly claiming basis. There is no appropriation required for this program and there is no involvement of local funds.

NEW EQUIPMENT

As has been the program for the past three years, we have continued to upgrade the level of the equipment in the Department and we are happy to say we are just about at the point of having the equipment necessary to continue to do the work of the Department. We have requested the purchase of a new type of equipment in the Budget for 1966, but this is not a major expenditure in relation to the renewal job that has been going on for the past two or three years.

Equipment Purchases

3 Storm Windows	\$ 57.00
Lino Floor Covering (basement).....	170.00
1 Posture Chair	39.95
1 Verifax Regent Copier	288.61
1 Stenorette Versatile	199.00
1 Mist Green Stand	81.50
3 Smith Corona Typewriters	574.00
1 Halsey Refrig. Drinking Fountain...	199.00
4 Anderson Track Windows	76.00
1 Record File Cabinet.....	67.00
	<u>\$1,752.06</u>

Net Cost to the Town of Arlington for Departmental Operations

Administration ,.....	\$ 23,208.28
General Relief'	9,913.55
Old Age Assistance.....	43,660.01
Medical Assistance to the Aged	81,304.08
Aid to Dependent Children.....	30,361.72
Disability Assistance	20,422.23
	<u>\$230,603.46</u>

This total in relationship to the total expenditures of the Department, represents the amount of money that is not reimbursed to the community from any source for Departmental operations. The sum does not, of course, include receipts from the State Government since statute requires that these funds are not to be used for the Department without appropriation by the Town Meeting in a succeeding year.

WELFARE ADMINISTRATION

Total Expenditures for Administration.....	\$118,154.99	
Personal Services	\$105,036.57	
Dr. David H. Gersh		
Medical Consultant	2,215.00	
Dr. Edward M. Feeley		
Medical Inspector	781.00	
Office Expenses	10,122.42	
	<u>\$118,154.99</u>	
Less Federal Grants Received		
In Administration	\$ 68,654.62	
State Share	<u>26,292.09</u>	
	\$ 94,946.71	94,946.71
		<u>\$ 23,208.28</u>

Total expenditures, all operations of the Department amount to \$1,115,443.95

During 1965, the Department experienced one retirement that was truly an event. Miss Margaret Cronin had served the Town of Arlington as a Social Worker since the latter days of the Great Depression, coming to work in this Department in 1940.

Mrs. Claire Johnson, was transferred from the Welfare Department to the Health Department during the latter part of the year.

Over the past two years we have been able to eliminate two positions in the Department. This elimination of positions has been made possible through the consolidation of operations and functions of various employees of the Department. For their cooperation in attempting to accomplish our goals, both the Board and the Director, can say nothing but "thank you" to the Staff.

The writer has served in his position for the past three years. During that time he has enjoyed, both from the Manager and the Board, constant understanding and support. We have had, of course, cooperation in great measure from other Town Departments, and the list would have to include just about all the official departments of the Town. We enjoy this cooperation, and hope that we reciprocate on our part when necessary.

The Board of Public Welfare, the Director, and all the Staff say thank you very much to all agencies, public and private, that have enabled us to perform our duties and responsibilities in a manner consistent with the best interests of the Town of Arlington.

Respectfully submitted,

JOHN F. M. KEANE, ACSW
Director of Public Assistance

Annual Report of the Department of Youth Services

January 7, 1966

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Mr. Monahan:

In accordance with Section 49 of Chapter 40 of the General Laws, herewith is submitted the Annual Report of the Department of Youth Services for the year ending December 31, 1965.

The 1965 Budget for this department was approved by vote of the Town Meeting under Article No. 27 in the Town Warrant necessitating the appointment of a Board of Directors since the former Board had been officially created as a Committee. The following citizens were appointed to serve:

Mr. Anthony J. DiNatale,	3 years, term expires April 1, 1968
Miss Rebecca Glasmann,	3 years, term expires April 1, 1968
Rev. Robert F. Casey,	3 years, term expires April 1, 1968
Mr. George P. Faulkner,	2 years, term expires April 1, 1967
Rev. Lewis W. Williamson,	2 years, term expires April 1, 1967
Dr. Lawrence H. Anderson,	1 year, term expires April 1, 1966
Mr. Jacob Katz,	1 year, term expires April 1, 1966

The department continues to maintain its office on the third floor of the Robbins House and continues to be staffed by:

Mr. Arthur E. Johnson, Director
Mrs. Mary M. Burke, Caseworker
Mr. Fred Seifer, Caseworker
Mrs. Mary W. Doherty, Clerk-Stenographer

Half of the total cost of the department's operation is provided by the Massachusetts Youth Service Board under Section 69b of the Youth Service Act (Chapter 605 of 1952).

Since October 1963 when direct services were first initiated, 193 youngsters and their families have been referred to this department for casework help. As of December 31, 1965, 106 are still active with the department. The remainder have completed their contact either through solution of the immediate problem or referral to another agency.

In addition, 592 Arlington youngsters have been listed with the registration file maintained by this department as youth who are either involved with another agency or potentially needing help.

During 1965, this department participated in 225 conferences in which the efforts of various agencies were coordinated. 240 consultations were given by this department to professional and semi-professional people in the community.

Members of the staff have conducted 14 speaking engagements during 1965 and throughout the year have received numerous inquiries and requests from other communities who hope to emulate this program.

The department wishes to take this opportunity to give our sincere thanks to the Town Manager, the Board of Selectmen and other town departments for their close cooperation during the past year.

Respectfully submitted,

Arthur E. Johnson, Director

Annual Report of the Personnel Board

January 5, 1966

To the Citizens of Arlington:

The Personnel Board herewith respectfully submits its annual report for the year ending December 31, 1965.

The membership of the Board changed with the appointments of John J. Gibbons and Jack A. Marshall to succeed Kenneth R. Andrews whose term expired after a contribution of three years of valued service and William J. Frost who declined reappointment because of an increased evening schedule at Northeastern University. Mr. Frost served since March 13, 1956 and gave unselfishly of his time and talents in the continued development of the various municipal personnel functions. Walter H. O'Leary's term as an employee representative will expire on March 12, 1966. F. Lawrence Doherty and John E. Bowler, an employee representative, were appointed to March 12, 1967. F. Lawrence Doherty was elected Chairman for the coming year.

The Board has held twelve meetings during the year, five of which were joint meetings with the committee relative to the Evans survey. The revised Article 7C of the By-Laws prepared by Charles M. Evans and Associates was voted at the Annual Town Meeting and the salary schedule was increased by 4% as recommended by the Board. Nineteen requests relative to reallocation, fringe benefits and a reduction in hours for the Fire Department were received and are under advisement. The Board is again considering a recommendation of a general increase in order to maintain a median comparison and a fair standard of living for our employees.

In addition to the meetings, we have had frequent contact with the Executive Secretary on various personnel matters that have arisen between meetings. The Executive Secretary has had numerous conferences with the Town Manager, department heads, employees and the Division of Civil Service on matters pertaining to Civil Service procedure, the operation of the Classification and Pay Plan and the Leave Regulations. The following are some of the personnel procedures handled by the department this year:

Civil Service Requisitions	90
Emergency appointments	25
Appointments, temporary, provisional, renewals	216
Permanent appointments	37
Promotions - permanent and temporary	22
Termination of temporary employment	225
Termination of permanent employment	25
Permanent and temporary transfers	6
Loyalty Oaths	88
Group Insurance	28

There are at present 583 permanent full-time, 46 permanent part-time, 8 temporary full-time, 33 temporary part-time, and 45 seasonal part-time classified employees in the service of the Town. The peak employment period was during the summer months with a total of 776. These figures do not include personnel appointed by the School Committee.

The Board appreciates the cooperation and assistance given by the Board of Selectmen, Town Manager, Finance Committee, officials, boards, Town Counsel and employees in our effort to administer the duties and responsibilities involved. We also wish to express our sincere appreciation for the capable services of our Executive Secretary and for the clerical work performed by Mrs. Helen McCluskey.

Respectfully submitted,

Walter H. O'Leary

John E. Bowler

John J. Gibbons

Jack A. Marshall

F. Lawrence Doherty, Chairman

Report of the Purchasing Department

January 3, 1966

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Mr. Monahan:

I herewith submit my report as Assistant Purchasing Agent for the year ending December 31, 1965.

The year 1965 saw a continued rise in the cost of materials, supplies and services which were necessary for the proper functioning of the various Town Departments. As previously these costs have been held in most instances to a minimum through our competitive bidding process. Items such as Type K, underground copper tubing used extensively by our Public Works Department for water services have not only risen in price exorbitantly but is almost unavailable.

Major items such as gasoline, No. 2 and No. 5 fuel oil, tires and tubes, incandescent and fluorescent lamps, bituminous road products, fine sand, run-of bank gravel, ordinary borrow (cheap fill) and coarse sand to mention a few were all purchased on a yearly basis with minimum prices being obtained. At the present time we are paying .16905 per gallon for gasoline which is an excellent price and .1030 for No. 2 fuel oil.

Strict compliance with By-Laws governing purchasing for the Town was observed. Publicly advertised bids were sought on all materials or services which cost more than one thousand (\$1,000.00) dollars. For items which were estimated to be from four hundred (\$400.00) to one thousand (\$1,000.00) dollars bids were sought by circular letter to three or more vendors or contractors who would be qualified to supply or perform. These were also publicly opened. Specifications were carefully drawn specifically outlining the quality of materials or the work to be performed. After the bids had been opened they were carefully analyzed. If the low bidder was a company or individual with whom we had had no previous experience references were requested and carefully checked. The award was then made and contracts drawn with the company or individual concerned. Where necessary, performance bonds were required and insurance certificates covering Public Liability and Property Damage were obtained. Every effort was expended to protect the interest of the Town.

For smaller requirements quotations were sought by telephone from three or more vendors. Our responsibility was to obtain competition for all materials or services necessary for the use of the various departments of the Town. Competitive bidding without sacrificing quality is a sound practice. I believe we enjoy an excellent reputation for our fairness in dealing with vendors and contractors while still being insistent upon good performance.

I wish to take this opportunity to express my sincere appreciation to the Town Manager, Board of Selectmen, various boards, Commissioners, Trustees, Town Officials, Committees, Department Heads, and my staff for their cooperation throughout the year.

Respectfully submitted,

Warren E. O'Leary
Assistant Purchasing Agent

Annual Report of the Fire Department

January 1, 1966

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Mr. Monahan:

As Chief of the Arlington Fire Department, I submit the Annual Report for the year ending December 31, 1965.

PERSONNEL

The uniformed force consists of 103 men: the Chief of Department, 5 Deputy Chiefs, 9 Captains, 18 Lieutenants and 70 Fire Fighters. The department has a Master Mechanic, Doward L. Barter; a Physician, Dr. Edward W. Feeley, and two Clerks, Margaret Harrington and Catherine D'Amore. Deputy Chief Albert G. Lennon is in charge of Department Personnel.

RETIREMENTS

The following members were retired on disability pensions:

Lieutenant Bartholomew Colby	February 8, 1965
Fire Fighter Joseph White	July 30, 1965
Lieutenant John Carey	August 28, 1965
Lieutenant Francis Donahue	October 10, 1965

During the years, these men were always willing and loyal members of the Arlington Fire Department.

Miss Anna B. Hurley, Principal Clerk, retired on July 10, 1965 after 30 years service. She was an outstanding employee who served under four Fire Chiefs.

PROMOTIONS:

The following were advanced in rank:

March 7, 1965,	John G. Spadaro from Fire Fighter to Lieutenant, replacement for Lieutenant B. Colby.
May 30, 1965,	Joseph F. Cronin from Fire Fighter to Lieutenant, replacement for Lieutenant J. Carey.
December 19, 1965,	Donald Corbett from Fire Fighter to Lieutenant, replacement for Lieutenant F. Donahue.

RESIGNATIONS

Mrs. Margaret Howard resigned as clerk-typist on July 10, 1965 after one year's employment to accept a position with the United States Social Security Administration. During her stay in the office, she showed unusual capabilities.

APPOINTMENTS

January 24, 1965	Edward J. Farrell,	59 Mount Vernon Street
January 31, 1965	Paul Rubenskas,	140 Lake Street
April 11, 1965	John J. Valminuto,	74 Fremont Street
August 15, 1965	Richard O'Brien,	7B Memorial Way
October 10, 1965	James E. Keatley,	11 Alton Street
December 5, 1965	Clifford Fallis,	16 Webster Street
July 12, 1965	Margaret L. Harrington,	4 Clyde Terrace
August 16, 1965	Catherine D'Amore,	65 Fisher Road

DEPARTMENT CHAPLAINS

Reverend William W. Lewis of the First Unitarian Church has been Department Chaplain since 1959.

Reverend Father Charles A. McCarthy, curate at St. James Church, Department Chaplain since 1952, died on October 29, 1965. He carried out his position with great dignity and his spiritual assistance to the members of the department will always be remembered.

APPARATUS AT HEADQUARTERS

Engine 1 (1954 - Mack), 1000-gallon pumping unit
 Engine 4 (1954 - Mack), 1000-gallon pumping unit
 Ladder 1 (1961 - Mack Tractor attached to 1937 Seagrave Trailer), 85-foot aerial ladder truck.
 Rescue 1 (1958 - Mack), equipped for emergency calls and floodlighting operations.
 Life Boat (1952), 14-foot metal boat with outboard motor and lifesaving equipment.
 Chief's Car (1961 - Pontiac)
 Deputy's Car (1965 - Ford)
 Fire Prevention Car (1962 - Chevrolet)
 Utility Pick-Up Truck (1963 - Ford) 1-ton capacity

APPARATUS AT HIGHLAND STATION

Engine 2 (1952 - Seagrave), 1000-gallon pumping unit
 Ladder 2 (1952 - Seagrave), non-tractor drawn 65-foot aerial ladder truck
 Ladder 3 (1949 - Seagrave) spare, 750-gallon pumping unit and a non-tractor drawn 65-foot aerial ladder

APPARATUS AT PARK CIRCLE STATION

Engine 3 (1965 - Mack), 1000-gallon pumping unit
 Two 500-gallon auxiliary fire pumps (1941-Buffalo) numbered Engine 15 and Engine 16.

RESPONSE

The department responded to 1510 calls of which 429 were box alarms, 938 still alarms and 114 mutual-aid (out-of-town) calls; of the 1074 telephone calls received 136 were box alarms.

This 1965 total is the second largest in the department, the previous high being 1661 alarms in 1963.

A summary of alarms revealed that the most number of such calls occurred in the month of November; that more occurred on Saturday than any other day of the week, and also that of these calls, the largest number being between the hours of 11:00 a.m. and 12 noon; and between 4 p.m. and 5 p.m.

One hundred and forty-six (146) false alarms were sounded as compared with 183 in 1964.

Rescue Unit #1 responded to 177 first aid emergency calls where the resuscitator and inhalator were requested for administration of oxygen. Rescue equipment on this unit was used on several occasions to release persons trapped when involved in automobile accidents; also on calls to homes where accidents occurred through the misuse and faulty operation of home appliances.

Received 9 calls for use of department life boat.

FIRE FATALITIES

April 18, 1965, Rita Bartolone, 56 Lancaster Road, victim of severe burns.

CAUSES OF ALARMS IN 1965

Accidents	24	Heaters	17
Automobiles	84	Incinerators	21
Awning	1	Investigating	28
Bomb Scare	4	Lightning	4
Careless Smoking	37	Locked Out	81
Children & Matches	26	Malicious Mischief	1
Chimneys	1	Miscellaneous	34
Dump	3	Needless	33
Electrical Devices	16	Oil Burners	33
Electrical Portable Equipment ..	34	Oil Tank Leaks	5
False Alarms	146	Out-Of-Town	114
False Telephone Calls	35	Refrigerator Leaks	6
First Aid	177	Rubbish	46
Gas Leaks	11	Spontaneous Ignition	2
Gasoline	33	Sprinkler Systems	3
Grass	380	Televisions	4
Grease	30	Unknown	1

MULTIPLE ALARMS

January 19, 1965, second alarm sounded Box 8241, at 4:38 p.m. house fire at 172-174 Park Avenue.

November 7, 1965, second alarm sounded box 487, at 4:56 a.m. house fire at 172 Highland Avenue.

November 30, 1965, second alarm sounded Box 421, at 7:00 a.m. house fire at 36-38 Lombard Terrace.

GENERAL SUMMARY OF EQUIPMENT USED AT FIRES

Ladders Raised	4006 feet
Hose Used	44100 feet
Water from Booster Tanks.....	54341 gallons
Pumping Operations.....	479 for 112 hours
Miles Traveled.....	5924 miles
Service.....	3615 hours

UNUSUAL DATA

During the last six months of 1965, a serious drought existed whereby it was necessary to conserve water, thus increasing the fire danger as wooded areas and most buildings were tinder dry.

On November 9, 1965, the northeast section of the country experienced a major electrical black-out. However, it had no effect on the fire alarm system or lights in the fire stations as power was supplied by our auxiliary generators. As in the past on several occasions these auxiliary generators have definitely proved their worth.

FIRE LOSSES

80 losses occurred, 11 of which accounted for \$82,537.00 of the entire yearly loss.

The total assessed value of property endangered, insurance thereon, loss sustained, and amount of insurance paid are as follows:

	<u>Assessed Value</u>	<u>Insurance</u>	<u>Damage and Insurance Paid</u>
Buildings	\$1,432,650.00	\$2,641,608.00	\$137,317.74
Contents	878,462.00	878,462.00	20,252.66
Total	\$2,311,112.00	\$3,520,068.00	\$157,570.40

APPROPRIATION

1965 Appropriation	\$ 789,832.30
Expended	<u>779,835.50</u>
Balance	\$ 9,996.80

CREDITS

Fees for 23 permits to blast	\$ 11.50
Fees for 5 permits for flammable fluids.....	2.50
Fees for 13 permits to use tar kettles.....	6.50
Sale of junk	<u>98.15</u>
Total	\$118.65

REPORT OF DEPARTMENT PHYSICIAN

Dr. Edward W. Feeley, Department Physician, rendered the following services in 1965: office calls 80, station calls 1, house calls 4, hospital calls 8, physical examinations 4. Furthermore, Dr. Feeley responded to emergency calls and alarms of fire. Several conferences were held with the Fire Chief on medical matters pertaining to the department.

On October 20th and December 10th, Dr. Feeley inoculated the members of the department for prevention of "Flu".

FIRE PREVENTION WEEK

October 3-9 was observed as Fire Prevention Week. Practical fire prevention pamphlets and booklets for children were passed out to schools with permission of Dr. Bert A. Roens, Superintendent of Schools. These pamphlets were favorably received by the children.

Fire department officers distributed fire prevention posters and calendars in all public buildings and some business establishments.

During fire prevention activities, the Public Works Department cooperated in removing accumulated rubbish and debris set out at curbsings for collection.

FIRE PREVENTION

Assigned to the following phases of fire prevention were:

Deputy Chief Irving L. Proctor	-	Quarterly Inspections of Nursing Homes and Hospitals
Deputy Chief Charles J. Doherty	-	Lodging and Rooming Houses
Deputy Chief Francis M. Doherty	-	Mercantile Inspections

For the sixth year, the recharging of fire extinguishers was carried out by the "in-service" plan whereby the Fire Fighters responded with apparatus to each public building, instructing occupants in the operation and actual use of a fire extinguisher in case of fire. A total of 435 fire extinguishers were recharged or inspected during the year.

During 1965 Lieutenant Daniel J. Mahoney, Inspector of Oil Burning Installations and Flammables inspected 219 oil burners in addition to flammable installations and storage equipment. 177 permits were issued for approved installations after inspection. It was necessary to reinspect 42 installations because of faulty equipment and failure of installers to meet the state rules and regulations.

Gasoline leakage was discovered at 1501 Massachusetts Avenue. Lieutenant Mahoney worked closely with the particular oil company until correction was attained.

Deputy Chiefs conducted quarterly inspections of town-owned buildings in conjunction with the insurance program.

Officers and Fire Fighters made periodic inspections of places of business, public buildings, schools, hospitals, convalescent homes and places of public assembly. Records of existing conditions with date of corrections were kept.

Theatres were regularly inspected by Deputy Fire Chiefs.

DWELLING INSPECTIONS

In April the Annual "Clean-Up, Fix-Up, Paint-Up" program began and continued into the month of May. During this inspection, Fire Fighters pointed out common hazards to occupants with emphasis on all practicing safety in the home.

For the ninth year this "in-service" inspection of dwellings was conducted by Lieutenant Harold C. O'Leary whereby approximately 12,000 homes were inspected by Fire Fighters.

The Public Works Department also assisted as in Fire Prevention Week by picking up rubbish and debris placed at curbings.

FIRE DRILLS IN SCHOOLS

In compliance with Massachusetts General Laws, Chapter 148, four fire exit drills were conducted in public, parochial and private schools under the supervision of officers of the Arlington Fire Department.

The "in-service" method was employed, as in past years, whereby apparatus is available for response to an alarm of fire through the medium of two-way radio.

A record was made of classrooms, pupils, exits used and the time required to evacuate each building, a copy of which was sent to the School Department.

FIRE DRILLS IN NURSING HOMES

In accordance with the provisions of Chapter 333, Massachusetts General Laws, Deputy Chief Irving L. Proctor made periodic inspections and held required fire drills at Symmes Hospital and the nine nursing homes in Arlington. Reports were forwarded to the Massachusetts Department of Public Health.

HYDRANT INSPECTIONS

During 1965, the annual testing of hydrants for pressure and volumes was suspended due to the serious water shortage. However, in November, all hydrants were checked for water in the barrel and if water was found it was pumped out. This program was conducted by members of the Water Department and the Fire Department jointly.

Permanent records are kept by the Fire Department and close cooperation with the Water Department is maintained. Faulty or defective hydrants were restored to service as soon as possible.

TRAINING OF FIRE FIGHTERS

The training program for the department is under the supervision of Deputy Chief Robert C. Blomquist, who is assisted by Captain Eugene Del Gaizo.

During the month of October, a four-week training course was held at the rear of the Highland Station for all members of the department. The program covered fire fighting procedures including the laying of hose lines, pump operations and use of all types of ladders.

Drills were conducted in pump drafting methods and life boat practice at Spy Pond and at Heights Reservoir, also frequent drills were held in the fire stations on use of forcible entry tools, first-aid, all types of gas masks, and resuscitator units. Further, on several occasions fire training films were shown to all members of the department.

Both Deputy Chief Blomquist and Captain Del Gaizo are members of the Massachusetts Drill Masters Association. Members of the association are kept informed as to the latest techniques of scientific fire fighting evolutions.

AUXILIARY FIRE FIGHTERS

Auxiliary Fire Fighters worked in the stations from 7 p.m. until 10 p.m. on many occasions and rendered stand-by assistance, they responded and aided the regular department during fires, snow storms, and other unusual weather conditions.

Deputy Chief Irving L. Proctor, is the Fire Department Coordinator for this group under the direction of Civil Defense.

DETAILS

April 19th, Engine #3 participated in the Patriots' Day Parade in Arlington and Lexington.

May 30th, Engine #3 in line for Memorial Day Parade.

Since 1949 Fire Fighters at Park Circle Station have been assigned during school hours for traffic duty in that section to protect school children.

Fire Fighters were detailed to stand-by duty as precautionary measure to guard against fire during welding operations or when blow torches were being used for repairs in school or public buildings.

In 1965, the Highland Fire Station was utilized for registration of voters and voting purposes by the town. Park Circle Station was used for voter registration and a meeting place for many civic groups.

BUILDING MAINTENANCE

At Headquarters, all skylights were repaired by replacing all broken panes of glass, puttying, and painting of metal frames. A new rubber tile floor was installed in the kitchen area and the walls on the apparatus floor were painted. The original front door to the station was replaced because of the deplorable condition as a result of the years of hard use.

Three heavy duty door openers were installed, completing this station. Each door has an automatic timer to close the doors after the apparatus has left the station and, also, they have a pneumatic safety device to reverse the travel of the door when it comes in contact with any object.

As recommended by the Fire Insurance Underwriters, lightning rod protection was installed on the fire tower at fire headquarters which should provide positive protection to the tower and the fire horn system.

At Highland Station, work was completed on the front of this station including roof and gutters. Masonry repairs, caulking and silicone waterproofing were applied to the exterior of the building. Also, repairs were made to the wooden area of the rear porch and the entire exterior was painted.

An automatic electric timer was installed to shut lights off in the station after the Departure of the Apparatus responding to an alarm.

At Park Circle Station, a chain link fence of 74 feet was installed on the southwest side of the property to replace a section of wooden fence that had decayed.

RECOMMENDATIONS

For the year 1966, I recommend that \$798,562.00 be appropriated.

CONCLUSION

To the Honorable Board of Selectmen, Town Manager, Members of the Fire Department and all other departments, my sincere thanks for their unlimited support during the year.

Respectfully submitted,

John E. Canniff
Chief of Department

Report of the Fire and Police Signal System

January 1, 1966

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

As Superintendent of the Fire and Police Signal System, I submit the annual report for the year ending December 31, 1965.

This system is maintained by Assistant Superintendent Lester W. Cameron together with two signal maintainers.

FIRE ALARM AND POLICE SIGNALS

Experienced many difficulties as the result of temporary breakdowns in aerial and underground lines. Storms, high winds, rain, snow and lightning inflicted severe damage and circuits showed ground readings, immediate steps were taken to correct these ground conditions.

Made routine repairs, wound and tested fire alarm boxes and police signal boxes. Maintained and painted 329 fire alarm boxes and 89 police signal boxes throughout the town. Conducted water-flow tests on signal boxes connected to sprinkler systems. Installed decal "Fire" on fire pedestals. Checked police signal desk, signal registers, air whistle and master clocks.

During 1965, held periodic testing of fire alarm signal boxes as recommended by the New England Insurance Rating Association. Tests were under the direction of Deputy Chief Charles J. Doherty and the Assistant Superintendent of the Fire and Police Signal System, Lester W. Cameron. Faulty and defective boxes were rectified immediately upon discovery.

The installation of a modern police operations desk was completed at Police Headquarters including all the necessary equipment relating to the two-way radio and the fire and police signal system of the town.

In 1962, a survey was made of the fire alarm system in the Town of Arlington. At this time, a three (3) year program was proposed and initiated: The fire alarm room was to be moved from the first floor of fire headquarters to the second floor, replacing of the outmoded fire alarm equipment, the addition of four more alarm box circuits, the purchase of a recorder for emergency calls and the modernizing of all equipment in the fire alarm room.

For this purpose, \$9,480.00 was appropriated at the 1963 town meeting, \$13,600.00 at the 1964 town meeting and \$16,700.00 at the 1965 town meeting. The total amount appropriated for the three (3) year program was \$39,780.00.

This work has been completed giving to the Town of Arlington a fire alarm system with modern equipment, located on the second floor of fire headquarters.

INSTALLED NEW FIRE ALARM BOXES

Box 5314	Senior High School	- Freshman Building
2853	St. Jeromes' Church	- Lake Street
6842	Park Circle Nursing Home	- Park Circle
3512	Old Age Housing	- 54 Medford Street

The doors on the following fire alarm boxes were changed from rattler-type to quick-action doors:

Box 867	George Street and Hillside Avenue
154	Windsor Street and Massachusetts Avenue
5312	Senior High School - Old Section

CABLE CONSTRUCTION

Repaired 6-conductor underground cable at Public Works Department Yard. Cable pulled out by trench machine. Installed button in office to horn in yard.

Reran 2-conductor aerial cable on the following streets:

Russell Street	- Prescott Street to Water Street
Richfield Road	- Saratoga Road to Montrose Street
Kilsythe Road	- Inverness Road
Chestnut Terrace	
Edgehill Road	
Sutherland Terrace	

Replaced 2-conductor plastic cable at the following:

Academy Street
Foster Street and Massachusetts Avenue

Replaced, reran and pulled up 6-conductor aerial cable on the following street:

Florence Avenue	- Park Avenue to George Street
Marathon Street	- Broadway to Waldo Road and on Waldo Road
Amsden Street	- Marathon Street
Hemlock Street	- Summer Street to Yerxa Road

The above had 1/4" span wire to which the cables were lashed.

North Union Street

Old Mystic Street

Hutchinson Road

Brattle Street at Summer Street

- Mystic Street to Hutchinson Road.

- Old Mystic Street to Oldham Road.

Replaced 6-conductor anhydrex cable at the following:

Cabot Road

Chestnut Terrace

- Lake Street to Eliot Road

Made transfers of cable to new poles, rebuilding lines and pulling up slack on aerial conductors.

Removed and trimmed trees and branches throughout the town away from aerial lines of the signal system, and installed wood mold where wires came in contact with trees.

AIR RAID SIGNALS

Tested air raid sirens on first and third Fridays of each month. Routine inspection was made of air raid sirens throughout the town:

Massachusetts Avenue	- Teel Street
Massachusetts Avenue	- Winter Street
Massachusetts Avenue	- Tufts Street
Massachusetts Avenue	- Mill Street
Massachusetts Avenue	- Brattle Street
Massachusetts Avenue	- Forest Street
Massachusetts Avenue	- Park Avenue
Florence Avenue	- George Street
Summer Street	- Mill Street
Summer Street	- Park Avenue Extension
Broadway	- Everett Street
Broadway	- Silk Street
Lake Street	- Margaret Street
Highland Avenue	- Ottawa Road
Mystic Street	- College Avenue
Medford Street	- Sherborn Avenue
Pleasant Street	- Gould Road
Lowell Street	- Park Avenue Extension

DETAILS

Set up public address system on many occasions for various departments.

April 19th, Patriot's Day, sounded 1-7-7-5 on air whistle.

July 4th, Independence Day, sounded 1-7-7-6 on air whistle.

During the year houses were moved from the Arlmont Village Section to other locations in Arlington and to Lexington. During the moving processes it was necessary to move fire and police signal wires out of the path of these houses, and still keep the system in operation.

In the coming year, due to the reconstruction of Route 2, it is possible that signal lines, police and fire boxes may have to be relocated.

The town clock in Church Steeple, Massachusetts Avenue, and Pleasant Street wound weekly on Friday.

Arranged Christmas lighting and decorations at the Town Hall, Library, Police Headquarters, on tree and crib at Monument Park and at the three fire stations. Set up public address system for the playing of carols from tower of Fire Headquarters Building.

APPROPRIATION

1965 Appropriation	\$ 24,245.76
Expended	<u>20,113.33</u>
Balance	\$ 4,132.43

RECOMMENDATIONS

For the year 1966 recommend that \$28,801.00 be appropriated.

CONCLUSION

To the members of the Board of Selectmen, and to Town Manager, Edward C. Monahan, for interest and cooperation in matters pertaining to this signal system, my sincerest thanks.

To the Assistant Superintendent of the Fire and Police Signal System, and to the Signal Maintainers, for best efforts to efficiently operate our signal system, my deepest gratitude.

Respectfully submitted,

John E. Canniff
Superintendent Fire and Police
Signal System

Report of the Board of Selectmen

The Board of Selectmen herewith submits its Annual Report for the year ending December 31, 1965.

The Selectmen's role in government has often been defined as a responsibility in leadership that looks beyond tomorrow and that works in the best interests of all the people. In keeping with this precept we have performed the routine, as well as the unusual, obligations demanded by this office.

As the year began we embarked upon our multiple duties by selecting a list of more than 600 qualified Jurors; we opened, closed and drew a Warrant for the Annual Town Meeting containing a total of 104 articles; approved an annual budget for all departments of the Town amounting to more than \$10,000,000.00; approved the publication of the Town report; consulted with various Boards and Commissions on Town Meeting matters and, in general, considered policies which would be of benefit to the Town's inhabitants.

The 1964 Annual Town Meeting voted to change the Town's Charter by changing the Annual Election date from the first Monday in March to the first Saturday in March, and the first election held under this inversion on March 6, 1965, brought out a total of more than 15,000 voters.

By virtue of this election Mr. Arthur D. Saul, Jr., was returned to office for a period of three years.

The Board organized for the current year on the first Monday following the Annual Election, with Mr. Joseph P. Greeley being unanimously elected as Chairman and Mr. Kevin P. Feeley being unanimously elected as Vice-Chairman.

One of the first acts of the Board, after organizing for the year, was to reappoint Mr. Edward C. Monahan for a fifth successive three year term as Town Manager, beginning on May 1, 1965. This completes the twelfth year that the Town has operated under the Town Manager form of government. We feel that the Town has been fortunate in being able to retain the services of the same Manager since the inception of this form of government, since it has provided him with the opportunity of developing a firm and cohesive organization geared to the administration of the Town's business.

By virtue of State Law this marked the year in which we were charged with the responsibility of enumerating all the Town's inhabitants in a Decennial State Census. The Registrars of Voters were requested to incorporate this work with their annual true listing of persons 20 years of age and older. They agreed to this arrangement and, through the use of their enumerators, the entire census was completed within the limiting date prescribed for filing. The completed card file divided into precincts and segregating males and females was forwarded to the office of the State Secretary who, after verification of the count, advised we were officially a community composed of 52,482 individuals. The result of this census gives Arlington the distinction of being second only to Brookline as the largest Town in the nation which category we can enjoy at least until 1970, when the Federal census will be taken.

A number of meetings were held with the Arlington Historical Committee relative to its proposal to perpetrate the memory of Samuel Wilson as the progenitor of Uncle Sam. This personality was born in Arlington in 1766, and the committee proposes the erection of a statue depicting the image of Uncle Sam with funds to be raised by popular subscription.

The legitimacy of the foregoing fact has been substantiated by a resolution passed by the Congress and it was unanimously conceded that this distinction was not only unique but constituted as well, a valuable asset as another object of historical interest to be added to the now famous Heritage Trail.

This Committee is working arduously towards this goal and we feel it deserves the financial backing of each and every citizen, when the drive for the necessary funds is initiated.

In November of this year the Committee lost one of its most valuable members in the person of Ernest R. Moore, who was called to rest by his maker. We regret his passing and offer our deepest sympathy to his family.

In keeping with historical events, we have had the good fortune to have retained the services of Sidney L. Kahan as Permanent Chairman of the Patriots Day Committee for the past ten years. Under his expert guidance the celebration of Patriots Day had developed from a nondescript token affair to a commemorative ceremony which has outstripped the efforts of surrounding communities. In October of this year, however, Mr. Kahan was suddenly taken from our midst. We mourn his passing and offer our sincere sympathy to his widow and his family. Despite the shock of this bereavement, Mrs. Kahan has consented to carry on her husband's duties as Permanent Chairman of this Committee. We are grateful to her for this magnificent offer and will certainly give her our unqualified support in this continuing venture.

The Arlington Youth Council originally created as an adult guide for the conduct and deportment of our youthful citizens was reorganized as the "Arlington Citizens for Youth", and has for its objective the coordination of parents, citizens and youth in a balanced and realistic youth program operated under a mutually accepted code of ethics.

We wholeheartedly support such a program and will cooperate in every way possible to insure reasonable and healthful outlets for the youth of Arlington that will guide them into channels of responsible citizenship.

Three years ago the Town adopted a pilot program designed to combat juvenile delinquency. This program was administered by a Town Committee known as the "Board of Directors of Youth Services". It was largely supported by grants from the United Fund and from State allotments which were supplemented by a modest Town appropriation. Since its inception the work of this Committee has been so impressive that the Board unanimously recommended its acceptance as a full fledged Town department. The Town Manager, under his statutory powers, took the required procedure to honor our recommendation and Arlington now has the distinction of being a pioneer in this field, as well as having its own department to administer this very vital social service.

This program will tie in very well with the Economic Opportunity Act passed last year by the Federal Government which is designed, among other things, to provide funds for potential High School dropouts who are forced to leave school because of economic home conditions. Under this program funds are allotted for a Neighborhood Youth Corps which permits qualified applicants to earn funds while attending school, thus contributing to the family budget. A Community Action Council, as required by the precepts of this program, was appointed by the Selectmen. It will be their function to obtain Federal allotments and to institute work programs with the Youth Service Department and other agencies advising of eligible participants. Although we have, as yet, not participated in this program, there is every reason to believe that an allotment of funds will be available for this purpose in the coming year.

Each year in order to provide additional funds for the operation of the Boys' Club activities the Board grants the Boys' Club Associates, an adult group pledged to the support of this program, a license to conduct a Fair on one of the Town's playgrounds. This organization has realized a substantial monetary return on the operation of these fairs and has enjoyed an exclusive monopoly on this type of license for the past ten years, during which the Arlington Boys' Club has benefited from the receipt of these funds. It has been our consistent policy to deny licenses for this type of entertainment, particularly when the proceeds were used to embellish treasuries of local organizations. Beginning last year, however, this privilege was extended to the Arlington Lodge of Elks to provide the necessary funds they normally use in their charitable functions. It is planned at this writing to continue a rigid policy of limiting this type of license to these two organizations.

Every five years we are obligated by Law to meet with officials of our immediate neighbor communities to perambulate the common boundary lines. This marked the year for this function and after visiting all existing monuments depicting these boundaries we can report that they are intact and in proper order.

This year was unique with respect to the unusual emphasis that was placed on recreation and recreational facilities which, in all probability, will intensify as the trend for a shorter work week and more leisure time becomes available in the future. The committee appointed to consider the erection of a recreational building and skating arena recommended the construction of such a facility but failed by a slight margin to obtain the necessary two-thirds vote of the Town Meeting to realize this objective. During the year we were approached by the Selectmen of the Town of Lexington with a proposal to purchase the Great Meadows with the intent to develop it for recreational purposes. This proposal was referred to a joint committee from both towns who, after careful consideration, will submit its recommendations to the Selectmen of both communities who, in turn, will determine the advisability of turning the matter over to their respective Town Meetings for their decision.

In pursuing the possible acquisition of recreational facilities provided at the expense of the Metropolitan District Commission, we invited the Commissioner of this facility to meet with us to thoroughly discuss the Town's chances of realizing either a swimming pool or a skating arena or both. Although the meeting did not end in a spirit of optimism for the Town,

neither did we receive a direct refusal. Any possible consideration from this source rests entirely upon a survey to be conducted by the Commission to determine whether a saturation point for these facilities has been reached. If this investigation ends in a negative conclusion, there is a distinct possibility that Arlington may be considered for at least one of these facilities in the future.

Traffic problems continue to grow worse as the congestion on highways increases. In an effort to prevent unnecessary accidents the pedestrian control law authorized by the Town Meeting in 1963 is now being placed in effect and is being preceded by an educational period urging all pedestrians to cross streets at specific locations prescribed for such crossings. We urge all citizens to cooperate with us in this venture, thus making it unnecessary to apprehend anyone but flagrant or defiant violators.

Improvement in on-street parking is being given consideration through the replacement of defunct and outmoded parking meters. This is being contemplated on an extended program of several years.

The widening of Route 2 from the Lexington Town line to the Cambridge City line has now been finalized and we have had numerous meetings with officials of the State Department of Public Works to iron out minor differences. Although the idea of losing a number of dwellings and adjacent land for this improvement is not particularly appealing, we feel we have achieved the best possible concessions for the Town since, in this age of vehicular travel, the construction of bigger and better roads cannot be stopped. Most of the dwellings for the required takings have already been made and we have issued numerous permits for the moving of these dwellings to other locations. The section of this widening from Route 128 to the Lexington Town line has already been awarded and reconstruction will undoubtedly be in full swing early in 1966. The Arlington portion will, no doubt, be reconstructed within the next two years. When this roadway is completed a substantial portion between the Lexington Town line and Pleasant Street will lie in Belmont and the Selectmen of that Town have already contacted us for the purpose of changing the Town line between the two communities to the center of the new expressway. This proposal is under consideration and, if agreed upon, will require both Town Meeting action and approval by the State Legislature.

At the request of more than 200 registered voters we called a Special Town meeting in November to provide an appropriation for an addition to the Stratton School. It was contended by the applicants that this action would save approximately six months in the construction schedule. The appropriation will, however, be added to the 1966 tax levy.

In our routine assignments we filled appointments to the Election Officer list, Boards of Appeal, Registrars of Voters, Town Accountant, Weighers of Commercial Vehicles, Fence Viewers, Field Drivers, Special Police Officers, Licensed Contractors, Licensed Drain Layers and approved Town Manager appointments to the Planning Board, Board of Public Welfare, Board of Health, Board of Park Commissioners, Board of Cemetery Commissioners, Board of Library Trustees and the Trust Fund Commission.

We also issued licenses for Theatres, Entertainment, Filling Stations, Garages, Bus Transportation, Common Victuallers, Junk Dealers, Auctioneers, Lodging Houses, Peddlers, Sale of Automobiles, Tag Days, Parking

Lots, Bowling Alleys and issued Identity Cards to young adults.

We authorized court action for zoning violations; settled numerous claims against the Town for personal injuries, property damages and land takings; instituted action against Insurance Companies whose clients had defaulted on performance bonds, and approved temporary loans by the Treasurer in anticipation of the receipt of taxable revenue.

We also levied betterment assessments for street, sewer and water installations and granted abatements where such action was justified. We granted locations for utility lines and gas mains, declared an emergency in the use of water due to the drought and performed innumerable detailed tasks that are a part of our official duties.

In closing we would like to express our appreciation to the Town Manager and the various Boards and Commissions who have conferred with us during the year, for their cooperation and assistance in resolving many complex problems. We also wish to express our gratitude to our Executive Secretary and to the Office Staff whose efficient and meticulous attention to their respective duties has eased the burdens of this office.

Report of Registrars of Voters

Honorable Board of Selectmen
Arlington,
Massachusetts

Gentlemen:

The Registrars of Voters herewith submit their annual report for the year ending December 31, 1965, in accordance with Section 3 of Article 3 of the By-Laws.

Temporary Assistant Registrars were again designated by our Board to make a complete canvas of the Town for the purpose of taking the Annual listings of persons twenty years of age and older and of owners and keepers of dogs, as required under the law, and, simultaneously therewith, in response to the request of your Board, the Decennial State Census of all persons, in accordance with Section 7 of Chapter 9 of the General Laws, as amended.

The final tabulation of the State Census showed an official population of 52,482 as of January 1, 1965. Following is the breakdown by precincts showing numbers of males and females:

<u>1965 CENSUS TOTAL</u>			
	<u>TOTAL</u>	<u>MALE</u>	<u>FEMALE</u>
Precinct 1	2661	1226	1435
2	3595	1658	1937
3	1845	779	1066
4	3164	1429	1735
5	4835	2355	2480
6	2608	1163	1445
7	2408	1085	1323
8	3044	1412	1632
9A	2393	1165	1228
9B	2208	1095	1113
10A	1362	614	748
10B	1673	812	861
11A	3404	1651	1753
11B	3105	1603	1502
12A	2523	1151	1372
12B	1105	526	579
13	4356	2091	2265
14A	2750	1335	1415
14B	3443	1643	1800
Total	<u>52482</u>	<u>24793</u>	<u>27689</u>

Our board certified the signatures of 3534 voters appearing in nomination papers filed by or in behalf of candidates seeking town offices at the Annual Town Election, in petitions for articles to be inserted in the Warrant for the Annual Town Meeting and in applications for absentee ballots.

Nine special evening sessions for the registration of voters were held prior to the Town Election at various public buildings throughout the town. At these sessions 121 persons were qualified to vote in elections. Throughout the year, daily sessions for the registration of voters were held during regular business hours at the Registrars' Office in the Town Hall, at which an additional 391 were so qualified, making a total of 512 new registered voters in 1965.

For the Annual Town Election held on Saturday, March 6, 1965, the Registrars were in session throughout the entire period during which the polls were open - 7:00 a.m. to 8:00 p.m. - following which they assisted in the tabulation of the returns of ballots cast until the results were announced at 6:45 a.m. on Sunday, March 7, 1965.

A recount of the ballots cast in Precinct 11 (A & B) at the Annual Town Election on March 6 for the office of Town Meeting Member in said Precinct was held on Saturday, March 13. Mr. Von M. Weston was appointed as a Substitute Registrar for the day in the absence of Harlan P. Smith. The details thereof are included in the "Records of Elections and Town Meetings" which appear elsewhere in the Town Report.

Mr. Joseph H. Cormier was reappointed as a Registrar of Voters for three years by your Board.

Upon completion of the work of revising the voting list, in accordance with the true list information that had been presented, a total of 2311 notices

were sent by first-class mail, as required by law, to persons whose names were to be removed from the voting list for the reason that they had not been reported as residing in Arlington on January 1, 1965. Those who proved residence were reinstated.

As a result of the notices mailed, names of voters who had moved out of Arlington were removed from the voting list. In addition, names were removed because of death, change of name by marriage or court decree, failure to comply with the notice and other changes in voting status.

The total number of registered voters upon completion of the revision of the voting list was 28,123 and of this number 13,972 were enrolled Democrats and 6,429 were enrolled Republicans. Following is a breakdown of the voters by precincts:

<u>PRECINCT</u>	<u>TOTAL NUMBER VOTERS</u>	<u>TOTAL DEMOCRATS</u>	<u>TOTAL REPUBLICANS</u>
1	1463	816	243
2	1965	1191	311
3	1153	595	271
4	1842	970	357
5	2361	1570	226
6	1464	541	535
7	1439	905	211
8	1681	592	653
9A	1333	628	300
9B	1161	493	304
10A	739	310	205
10B	937	375	332
11A	1644	751	344
11B	1558	827	287
12A	1340	572	390
12B	661	267	205
13	2235	1124	485
14A	1353	608	348
14B	1794	837	422
Total	28,123	13,972	6,429

These figures represent the usual decrease in the number of registered voters in the year following a State or Presidential Election due to a lesser number of new registrants because of lack of interest on the part of eligible non-voters.

During the year the information contained in the approximately 35,000 listing slips of residents of the Town as of January 1, 1965, was transferred to their individual master cards, which provide for a complete official record of residence for all persons twenty years of age or older from the time they first become residents of the Town of Arlington.

Respectfully submitted,

Joseph H. Cormier, Chairman

Alfred M. DeVito

Harlan P. Smith

Ann Mahon, Clerk

REGISTRARS OF VOTERS

Report of the Board of Health

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Mr. Monahan:

The Board of Health herewith submits its Annual Report for the year ending December 31, 1965, which gives an account of the services rendered by the Department, together with reports on vital statistics.

On February 9, 1965, the Board held its reorganization meeting and elected Mr. Ralph LaValle as Chairman.

We, the Board, are most grateful to you Mr. Monahan and all other officials of the Town for the consideration and cooperation extended to us throughout the year.

In conclusion, the Board wishes to extend its sincere appreciation to its Director, and its Staff, for their loyalty and assistance during the past year.

Respectfully submitted,

Ralph L. LaValle, Chairman
Paul F. Burke, D.M.D.
Carl E. Barstow, M.D.

REPORT OF PUBLIC HEALTH NURSE

COMMUNICABLE DISEASES:

Home visits were made of certain cases reported with or in contact with reportable diseases, in compliance with the Board of Health and/or State Department of Health requirements.

TUBERCULOSIS:

All reportable cases were investigated with arrangements made for admission. Epidemiological studies were conducted for the examination of contacts. A revision of the case register of all known cases and contacts were made during the year 1965.

CLINIC SERVICES:

Prepared for and assisted at the Town Employees "Flu Vaccination Clinic".

Prepared for and assisted at the "Anti Rabic Clinic".

SCHOOL HEALTH PROGRAM:

Assisted the school physician with all examinations. Referrals were sent to the parents of pupils with physical defects. Home visits were made when no action had been taken on referrals mailed.

The Massachusetts Vision Test was performed on the pupils, attending Parochial Schools, by the Public Health Nurse. In regards to failures, home visits were made when no action had been taken on referrals sent to parents.

Hearing tests were conducted on all pupils attending Parochial Schools. In regards to failures, home visits were made when necessary.

This year all grades in private schools, including teachers, cafeteria workers, bus drivers, custodians, were administered the "Tine Test". All positive reactors were instructed on followup, detailed records being maintained on each person tested.

Health guidance for pupils and parents when necessary. School health records were kept current with pertinent information.

IN-SERVICE EDUCATION:

Attended seminars, at the Middlesex County Sanatorium on Modern Concepts of Epidemiology of Tuberculosis.

Attended a meeting on the Vaccination Assistance Program, sponsored by the Department of Public Health.

NURSING HOMES:

Periodic inspections were conducted and recommendations submitted when applicable.

Prepared for and maintained all records in connection with the duties of the Public Health Nurse, and as School Nurse for the Parochial Schools in Arlington.

Detailed and statistical reports were recorded and submitted to the Director, relative to the performance of duties.

REPORT OF BOARD OF HEALTH PHYSICIAN

Physical examinations were completed on 486 pupils of the elementary and high school grades of Parochial Schools.

Administered 208 inoculation of Influenza Vaccine at clinics, conducted by the Board of Health for Town employees.

Intramural Cardiac check-ups were given to 429 Parochial School children who participate in Intramural Sports Activities.

Consultations were held in regard to Contagious Diseases.

REPORT OF INSPECTOR OF SLAUGHTERING

There was no slaughtering performed in the Town for the year 1965.

REPORT OF THE DOG OFFICER

Throughout the year, efforts were made to determine ownership of stray animals which were impounded.

Carcasses of small animals and fowl were collected and disposed of by the Dog Officer upon receipt of request from the Board of Health and other Town Departments. A total of 336 carcasses were collected and disposed of.

Statistical reports were submitted monthly to the Board of Health showing the species and number.

Report of the Town Counsel

December 31, 1965

Mr. Edward C. Monahan
Town Manager
Town of Arlington
Robbins Memorial Town Hall
Arlington, Mass. 02174

Dear Sir:

I herewith submit my report for the year 1965 in accordance with Section 3 of Article 3 of the By-Laws of the Town of Arlington.

There have been twenty-nine accident claims against the Town of Arlington this year. Seven have been settled as authorized by the Town Manager and the Board of Selectmen. Four have brought suit and eighteen are in abeyance. Of the previous years' claims and suits, four were abandoned without suit, one was abandoned at the time it was reached for trial, five were settled as authorized by the Town Manager and the Board of Selectmen, sixteen are still pending, and one was tried resulting in a finding for the Town. There were no verdicts against the Town.

Nine land damage claims against the Town arising from street widenings and storm drain installations were disposed of by compromise settlements authorized by the Town Manager and the Board of Selectmen.

There were five cases pending against the Town before the Massachusetts Appellate Tax Board petitioning for real estate tax abatements. Two cases were settled prior to trial and two were withdrawn at the time of trial. The remaining case was tried and there was a finding for the Town denying the requested abatement.

An order of the Board of Selectmen restraining a dog was appealed to Court by the dog's owner requesting that the order be reversed. Trial of this case resulted in a finding by the Court denying the dog owner's appeal and upholding the order of the Selectmen.

Suit which was brought by the Town for breach of contract against a developer and surety company for failure to complete street development contract resulted in recovery by the Town of full amount required to complete the contract and correct damages arising from failure to properly perform same.

A petition was filed in the Land Court by an abutting landowner to determine the validity of the Zoning By-Law Amendment enacted under Article 80 of the Warrant for the 1962 Annual Town Meeting. Trial of this case resulted in a finding by the Judge of the Land Court that the Zoning By-Law Amendment voted under said Article 80 of the Warrant for the 1962 Annual Town Meeting placing the land in question in a Residence C Zone was an

invalid exercise of the authority and powers conferred on the Town of Arlington by the statute. This decision was appealed to the Supreme Judicial Court of the Commonwealth. An opinion has been handed down recently by the Supreme Judicial Court upholding the Finding of the Judge of the Land Court.

There were two Bills in Equity filed by the Town in the Middlesex Superior Court seeking injunctions to restrain violations of the Zoning By-Law of the Town. In both cases, the respondents were ordered by the Court to discontinue the violations in question. The respondent in one case refused to abide by the order of the Court. A petition for contempt was then brought by the Town against the offending party resulting in his being adjudged in contempt of Court and given a continuous fine until compliance with the Order of the Court.

Substantial amounts of money for aid rendered by the Bureau of Old Age Assistance have been recovered and turned over to the Town Collector.

The Town Counsel has been available at regular and special meetings of the Board of Selectmen, has worked in close cooperation with the Town Manager, has rendered opinions as requested by the Town Manager, various Boards, Departments, Committees and Officers, has attended meetings at State Boards and Commissions, and has been vigilant in all matters affecting the interest of the Town.

For the kind consideration and cooperation extended to me by all the officials of the Town during the past year, and especially to the Board of Selectmen and Town Manager, I desire to record my sincere appreciation.

Very truly yours,

Joseph A. Purcell
Town Counsel

Marjorie Gersh	School Librarian

REPORT OF THE TRUSTEES OF THE ROBBINS LIBRARY

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Mr. Monahan:

The Trustees of the Robbins Library feel that the facilities and services offered by the library constitute one of the most important assets of the community. This report highlights some of the progress, some of the problems, and some of the prospects of the Library.

Personnel

Several staff vacancies occurred during the year. Shortage of trained librarians and a still inadequate salary scale made it difficult to fill these positions, and it was not until November that the replacements were completed.

In May, Grogan Brown, Readers' Adviser and Head of Circulation, resigned to accept a position with the Library of the University of Buffalo. In September, Miss Corrie Latimer, a graduate of Converse College with a Master's Degree in Library Science from Simmons College, School of Library Science, was appointed to the Staff, and in November was made Head of the Circulation Department.

Upon graduation in June from Northeastern University, Frederick C. Dooe, a native of Arlington, was appointed to the Staff of the Reference Department replacing Miss Elizabeth des Cognets. Mr. Dooe had been connected with the Robbins Library for four years as a Cooperative student while attending Northeastern University, and is presently working for his Master's Degree in Library Science at the University of Rhode Island.

Catalogers are especially difficult to find. The Robbins Library was fortunate in securing the services of Mrs. Ching Tu in August, to replace Mr. Ernest Kruhmin who resigned in March for reasons of health. Mrs. Tu is a graduate of Taiwan University, has studied in Paris, and has completed her graduate work in Library Science at the Library School of Catholic University of America, Washington, D.C.

In October, Mr. Clinton W. Tao was appointed Head of Technical Services to replace Mrs. Yu T. Chiu who tendered her resignation early in the year, effective October 1, 1965. Mr. Tao has an A.B. Degree from Chieng-Shan University, an M.A. from Teacher's College at Columbia University,

and earned his Master's Degree in Library Science at the University of Washington in Seattle. His experience includes better than six years with the Library of Congress.

In August, Miss Shirley Utudjian, of the Robbins Library Staff, was made Music Librarian to fill the vacancy caused by the resignation of Miss Patricia Mahoney. Miss Utudjian has been a member of the Robbins Library Staff since September 1963, is a graduate of Northeastern University, has worked at the Boston Public Library for a number of years and has a broad background in Music. She is presently studying for her Master's Degree in Library Science at Simmons.

Miss Gjoa Aanderaa, a professional librarian on extended leave from the Public Library of Oslo, Norway, was appointed to take Miss Shirley Utudjian's place as Readers' Adviser in the Circulation Department.

Several changes have also taken place on the staff of the School Librarians, due to the resignations of Mrs. Marjorie Gerish and Miss Barbara Anderson.

The new appointments include the following:

Mrs. Lois Yamak, who received her Master's Degree in Library Science from Columbia University, has worked in the New York Public Library and for four years was on the Library Staff of the American University at Beirut; Mrs. Ruth Brown, who has a Master's Degree in Education from the University of Pennsylvania, has worked in the Belmont Public Library and is presently working for her Master's Degree in Library Science at Simmons College, School of Library Science; and Mrs. Bernice Ostrowsky, a graduate of Douglass College, who is also working for her Master's Degree in Library Science at Simmons.

Trustees

The resignation of Mr. Robert Brosnan, who has served as a Trustee for more than twelve years was a distinct loss to the Board. Mr. Robert T. Uek and Mr. J. Milton Washburn, Jr., were reappointed for three year terms. In September, Mrs. Maude D. Thompson was elected Chairman.

During the year the Board held eleven regular meetings and a number of special meetings to deal with particular problems.

The Trustees again entertained the entire Library Staff at a Christmas dinner party in December.

On October 3, 1965, Mrs. Henry Dodge and her daughter, Miss Bernice Dodge, were guests at a tea given in their honor by the Trustees. Other invited guests were friends and relatives of the Dodge family, and a few town officials. The occasion was arranged so that the Trustees might express the appreciation of the Library for the Junior High book corridor which was made possible by a \$1,000. bequest from the late Henry E. Dodge.

Buildings and Grounds

The catalogue room was air-conditioned, a great improvement to a crowded room with no cross ventilation. Bids have been accepted for sixty-four chairs and ten tables for the Reference Room, and nine chairs and two tables for the Business Area. This will provide increased and improved seating for both areas. A few chairs were also purchased for the adult stack area and also for the East Branch. New locks were installed on all library doors, as part of a project for all town buildings. Boiler trouble developed at the Dallin Branch and temporary repairs were made. A hot water heater was installed at that branch. The East Branch was repainted, resulting in a considerably improved appearance.

Children's Room at Dallin Branch

The physical arrangements necessary in converting the former meeting hall into a Children's Room have been completed. Shelving and furniture have been installed. However, opening the room is necessarily delayed until funds are available for staff.

Edith M. Fox Bequest

The Robbins Library was fortunate in being named as one of the beneficiaries under the will of the late Miss Edith M. Fox. It received a \$5,000. bequest and is to share in the residue. Attorneys for the estate advised the Board of Library Trustees that it would probably receive a total of approximately \$140,000. As of December 31, 1965, \$77,250. had been received from this bequest.

It was the decision of the Trustees to use a portion of the money to enlarge the East Branch. The necessity for this has been obvious for some time, due to the heavy circulation, increased patronage, and crowded conditions there. Representatives of P.T.A. groups from the Hardy, Crosby and Thompson Schools had earlier requested a meeting with the Trustees to discuss the need for expanded library facilities in that area of the community.

Since the only feasible method of expansion is to use the vacant land directly behind the present library, the Trustees conferred with the owner about selling it. The owner did not wish to sell, so an article authorizing the Town to take the land by eminent domain was inserted in the warrant for the Special Town Meeting on November 14, 1965. The article was approved by the Town Meeting and action is under way.

School Libraries

The Trustees met with the School Committee to discuss the need for increasing the annual budget item for books for school libraries. This item has remained at \$6,000. for several years, and with the increased cost of books and the larger numbers of children, it is inadequate to purchase the needed books. P.T.A. groups have expressed their dissatisfaction with the number of new books available each year.

Discussions were also held with the School Superintendent about the need for additional school librarians. The numbers of children in the three largest schools, Thompson, Hardy and Stratton, are such that the librarians must spend all their time holding classes, leaving no time for the many other duties. It was agreed that full-time librarians were needed at these schools.

Survey

The 1965 Town Meeting approved a request of the Trustees for \$1000. for a survey of future library building needs. Mr. Francis R. St. John, library consultant, was chosen to make the survey. After a visit to Arlington, when he consulted with the Town Manager, Head Librarian and the Trustees, Mr. St. John advised that a complete survey, including an analysis of the future growth of Arlington, could be made for \$4,500. The Trustees and the Town Manager agreed that a broad survey was desirable and sensible, and additional funds to contract for it are being sought at the next Town Meeting.

Friends of the Library

Once again the Friends of the Library celebrated National Library Week by presenting an outstanding author. Miss Cornelia Otis Skinner appeared

in The Wives of Henry VIII before a capacity audience in the Lowe Auditorium of the High School. Arrangements have been made to present Art Buchwald, famous syndicated columnist, as the speaker for the 1966 National Library Week Program.

Robbins Print Collection

Dr. Ellen P. Wiese, Curator, arranged a number of interesting and timely shows in the Art Gallery throughout the year. These included two shows of prints from the Robbins Collection, and one from the George Binet Print Collection, together with exhibits from the Arlington Art Association. In commemoration of United Nations Week an exhibition of work from South America was sponsored by the Arlington Citizens for Peace. Included were a number of tapestries by Peruvian children which attracted considerable attention.

An important activity of the Print Department was the selection and donation of 13,800 "first" prints to the Smithsonian Institution. In addition, a number of duplicate prints were also donated to the National Portrait Gallery. All belong to the "American" group, and will be permanently designated "Gift of the Robbins Print Collection, Arlington, Massachusetts."

Increase in Overdue Charges

At the request of the Board of Selectmen, the Trustees voted to increase overdue fines from two cents per day to four cents per day for adults, and from one cent to two cents per day for children. An increase in the total fines collected has resulted. However, other consequences have been less desirable. Telephone renewals have multiplied, as many as 600 calls per month, requiring a great deal of staff time to handle them. More serious has been the theft of books to avoid from paying the fines. Persons take books without having them checked out, and return them when, and if, convenient by placing them directly in the stacks or in the outside book bins. With no record on them, such books are in effect "lost" to other users of the library.

Student Discipline Problem

The student discipline problem has been increasing until it has assumed grave proportions. A small minority of students, mostly of high school age, use the library merely as a "hangout". They disrupt the study of other students and disturb patrons by talking loudly, scuffling, racing through the stacks, purposely upsetting piles of books and cards, and deliberately tearing magazines. When spoken to by a staff member, they are impudent and insulting, and often use obscene language. Upon being put out of the library, they return and dare anyone to take action against them. Some evenings it is necessary for the staff to spend more time trying to handle these persons than in serving the general public. Unless this situation improves greatly, the Trustees will be forced to ask for funds to hire a policeman for duty during the busy hours.

Grant-in-Aid

Through State Aid to Libraries legislation, the Town of Arlington received a grant of \$12,488.25, representing twenty-five cents per capita, from the Commonwealth of Massachusetts for 1965. This money goes directly into the Town Treasury.

In addition, the Library returned to the Town \$13,337.03, collected as fines for overdue and lost books.

Conclusion

The sole aim of the Trustees is to provide the best possible library facilities and services to the citizens of Arlington. In carrying out our job we have had the assistance of many persons.

The Trustees are cognizant of the devotion and cooperation of the Librarian and the entire staff in making the library program effective and far-reaching and to the custodial staff for its interest and help in keeping the building and grounds in good condition.

The Trustees wish to pay special tribute to the Town Manager for his constant support and help, and to the Board of Selectmen for their concern for the library.

The cooperation of the personnel of the many town departments upon whose help the library is so dependent is likewise appreciated. Finally, the Trustees wish to thank the Friends of the Robbins Library for their sustaining interest and active participation in the library program.

Respectfully submitted,

Maude D. Thompson, Chairman
Board of Library Trustees

Report of the Librarian

To: The Board of Library Trustees

There is no doubt about it! Times have changed! Evidence of this change within recent years can be noted in the altered attitude of the public at large toward its public library. Where once the so-called "readers" and occasional students found their way to its doors, today, young and old are filling its reading rooms, using its resources to the fullest, and making ever increasing demands for more. Where once the library was considered a so-called luxury provided by the town for its "cultured" citizens and for recreational purposes, today it has a vastly expanded role to fill in serving people of all types and classes as an educational, informational, and cultural center.

The importance placed on the public library today was significantly illustrated during the recent transit strike which took place in New York City. Urging the public to stay at home on that first Monday of the strike, the Mayor concluded his radio appeal by saying, "Essential services will be available. Public schools and colleges will be closed . . . but the stock market will remain open and the New York Public Library will be open as usual." Not too long ago the library would not have been considered an essential service. Times have changed!

Today, every person who can read, has within his grasp the knowledge to help him become an informed individual who can question critically, accept or refute ideas and gain new perspectives and broadened horizons, if only he knows where to look. The library is one important source available to him, where help can be found, provided, of course, that the town through the years, has adequately supported it with sufficient funds to make it a real center of information and culture, staffed by trained personnel. For of what use is a

collection of books, filled as they are, with facts and figures, information and history, fads and fancy, if their contents remain hidden and inaccessible to the seekers and standing as unused dust collectors on their shelves?

Happily, Arlington's people must know where to go for help, for never before in its history has the library experienced such a busy year as in 1965. Not many books gathered dust on their shelves; not many books retained their secrets. But how, one will ask, can it be said that 1965 was the busiest year in the library's history when circulation figures for books borrowed for home use showed a decrease compared to those of 1964 which was another banner year? The answer is simple enough. The library serves a dual function. It provides materials for home use and it supplies reference materials for research within the library itself. The loss in circulation materials was two and eight-tenths percent, or, if the book circulation realized in the elementary schools is included, the loss became even less. Reference work, however, increased by some thirty percent. Such use of the library as a reference and information center is not peculiar to Arlington; it seems to be a nation-wide phenomenon. It stems from today's quickened educational pace on all levels, from the so-called information explosion, with new areas of knowledge opening up almost daily, the desire of the public to keep up with new events and new ideas, and the need of people in all fields to be alive to what is happening.

THE LIBRARIAN KNEW WHERE TO LOOK

The records which, at best, do not tell the whole story, show that the librarians answered 33,051 reference questions during the year. This was the number actually recorded; countless others went unrecorded. Some questions were easy, quickly answered. Others took real research and consequently a considerable amount of time. They came from children, high school pupils, college students, adults, both men and women, from all walks of life. The diversity of subjects was great, as the following sampling will show.

1. What are the latest findings on Mitochondria; enzymes for cellular respiration?
2. Select any level of French life during the French Revolution; find material in detail on all phases of daily life, religion and culture, in order to write a play on this period.
3. What is the hypothesis of how molecules can be synthesized?
4. Find the latest available map of the moon.
5. Humor in the Middle Ages.
6. Information about poisonous plants in back yards.
7. Material on the Everson school bus case.
8. Identification of a carpenter ant from a living specimen.
9. Accident rate of motor scooters.
10. Origin of tipping.
11. Hospital conditions in the Civil War.
12. Criticism of Caesar as a writer.
13. Education in Colonial America.
14. De-scenting a skunk.
15. Description of Brasilia.

And so it went; patrons turned to the Reference Room as well as to the other departments, students came with perhaps more scholarly assignments, and others came seeking solutions to their personal problems, on all subjects in which human beings become involved and interested.

"HERE IS A BOOK MADE AFTER MINE OWN HEART, GOOD PRINT, GOOD TALE, GOOD PICTURE AND GOOD SENSE, GOOD LEARNING AND GOOD LABOUR OF OLD DAYS."

Many of the 26,230 registered borrowers apparently found books after their own heart for they borrowed 437,501 volumes during the year, not including those borrowed from the elementary school libraries, which totaled 109,895 volumes. If reckoned on a per capita basis, eight books were circulated for every resident of the town; figured on the number of library borrowers, the per capita figure came to sixteen books per borrower.

CIRCULATION - 1965

Main Library	
Adult Department	142,402
Young Adults' Department	37,121
Junior Library	78,721
Dallin Branch	69,638
East Branch	103,156
Agencies	3,772
Hospital	2,691
TOTAL	437,501

COLOR, HARMONY, AND RECORDED SOUND

No collection of material gets more enthusiastic endorsement than does that of the phonorecordings of the Music and Art Department. Teachers, students, families, groups, organizations and clubs made constant use of this collection to which, during the past year, were added such selections as the Library of Congress poetry recordings, the American Management Association recordings on interview technique, "Music of Viet Nam", Dr. Teller's "The Size and Nature of the Universe and The Theory of Relativity", "The Portrait of Adlai Stevenson", an anthropology lecture by Dr. Margaret Mead, foreign language study albums, and "American History in Ballad and Song". In all, 550 new albums were purchased, increasing the library's holdings to approximately 4,120 albums. The circulation of these recordings totaled 23,735 during the year.

Another service rendered by the Music and Art Department is supplying films to groups, clubs, and various organizations for program material. Film circulation during 1965 totaled 419 with a recorded viewing group of 21,640 persons. The films were in large part secured through the Massachusetts Film Cooperative of which the library is a contributing member and from the Canadian Travel Films which include Arlington on their circuit.

THE EXPERIMENT HAS BEEN A SUCCESS

Two years have passed since the business books, both circulating and reference, were shelved together in the first mezzanine alcove. Would this section prove useful? Would the business men, and women, too, consult its materials, borrow its books? Now the answer can be given without equivocation. Each day or so it seemed, a newcomer discovered the "Banker and Tradesman", the "Outlook", "Moody's Industrials", "Dun's Million Dollar Directory", the "Prentice-Hall Tax Guides", the "Directory of New England Manufacturers", etc. People are finding their way to this area of the library and getting information they did not expect to find. Serendipity!

“BOOKS HAVE ALWAYS A SECRET INFLUENCE...”

The work with young people of high school age is challenging, sometimes frustrating, but always rewarding. The rapidity of change during this present century has made new demands upon people in every aspect of their lives, and this is true of the young people too. According to the United States census, by 1970, no less than half of America's population will be under twenty-seven years of age. They will be the dominating force of our total society. Whether this is good or bad will depend on their ability to use this growing influence judiciously. The library, through its books and related materials, must seek to stir the young people to creative and imaginative expression, and encourage them to become creative agents who can help shape values in a changing society.

According to the Young Adults' Librarian, the Robbins Library has made great strides in helping young people during this past year. The Young Adults' Room is crowded almost every afternoon and evening, often with a line of students waiting for help. As stated earlier, there has been an added emphasis on reference work, especially this past fall and the reference load has doubled in this department. The opening of the Junior Library as a study hall from seven to nine every evening during the school year has proved to be an excellent move. It has given the young adults a place to study in the evening, and even though the Young Adults' quarters are not adequate to accommodate the large numbers that come to the library, by using the connecting Junior Library, the young adults have a feeling that the library is trying to provide more space to fill their needs.

Each year the library has made a special effort to maintain excellent school-library relationships. In October, a tea for all high school teachers in Arlington was given to which all teachers from Arlington Senior High School, Arlington Catholic High School, and St. Anne's School were invited. More than one-hundred teachers attended. It was the first time that these three groups had come together in such fashion. A happy outgrowth of the tea has been far better inter-school relationships and cooperation, as well as better library-school understanding. The ground has been broken for the meeting of minds and for future cooperation.

HIGH ADVENTURE WITH CHILDREN

Working with children is a joy to children's librarians. Some of the most effective work at Robbins Library is done with the children at the main library, the branches and in the elementary school libraries. For this work, understanding, wisdom and imagination are needed. The librarian must be familiar with the books and their authors, love children "en masse" as well as individually, and must have infinite patience, for children can be the most demanding of borrowers.

During the past year, the Robbins Library has carried on a full program and has offered its youthful patrons a variety of activities, all geared to interest them in the world of books and lead them along new trails toward expanding horizons.

At the Junior Library, thirty-five special programs were planned for Saturday mornings during the winter months and on Tuesdays during the summer time. These included story hours, movies and filmstrips, all with the purpose of stimulating reading and giving enjoyment. Sometimes one wonders if the effort put into learning stories to tell to the children is worthwhile; learning stories takes time and must usually be done on the librarian's

free time. But the joy with which the children receive the stories, and beg for more, compensates for all the effort put into the preparation. Perhaps the following incident will illustrate the impression these story hours make upon the children. Just before the Christmas holidays, one of the librarians received a call from an adult living out of town. She spoke of the wonderful story hours she had attended as a child and particularly recalled one series of stories. Could the librarian tell her if these stories were still available? She did so wanth children to have the same joy she had received from them and she mentioned the force these story hours had been in her life. As a child she could hardly wait from week to week for this treat!

The outstanding program was given in Book Week when Mr. John Sisson, a professional puppeteer presented a program which filled the library hall twice, making two presentations necessary.

In spite of the crowded area, the staff at the East Branch planned sixteen programs, but because of the limited space and other unfavorable conditions, attendance perforce was limited and the programs were discontinued until the hoped-for expansion of the Branch takes place. At the Dallin Branch, fourteen programs were presented from January through April; here, too, programs had to be discontinued as work on converting the auditorium into a children's room was begun.

"There are trails that a child may travel" . . . The children enjoyed the Mary Poppins Reading Club carried on during the summer months of July and August. Almost 800 children spent some of their leisure time reading for this activity, 200 each at the Junior Library and the Dallin Branch, and 373 at the East Branch.

Spring Book Festival and Book Week, Special Holidays and Christmas were observed at the branches as well as in the Junior Library with exhibits of new books, visits to the library by school classes for book talks and stories, and appropriate posters and decorations were made all for the purpose of attracting the boys and girls to enjoyment of reading.

Several allusions have already been made to the increased use of the library's reference services during 1965. Children contributed to this increased use. They, too, are feeling the effects of the modern teaching methods and are using reference books to a greater degree than ever before. Questions such as the following were typical of those asked by the children of the Junior Library and the Branches. "What are the Jim Crow laws", "explain probability in mathematics", "Haiku poetry", "how dynamite works", "what is horsepower", "reason why a leaf turns color", "Pax Romana", "the Renaissance and its effect on music", "history of Japanese writing", "farming in Ancient Rome", "colored, detailed pictures of British soldiers during the Revolutionary War", "Baroque music", etc.

AND EVERY ELEMENTARY SCHOOL HAS A LIBRARY

The eleven elementary school libraries, operated in cooperation with the School Department, continued to demonstrate their usefulness in 1965. Each class of all the schools met every week in the school library for instruction in the use of books and libraries and for curriculum enrichment programs. Circulation of books from the school libraries increased by 4,410 volumes with a total circulation of 109,895 volumes distributed as follows:

CIRCULATION ELEMENTARY SCHOOL LIBRARIES - 1965

Bishop School.....	9,405
Brackett School	10,491
Crosby School	8,621
Cutter School	9,984
Dallin School	9,556
Hardy School	15,205
Locke School	8,285
Parmenter School	5,911
Peirce School	11,589
Stratton School	9,433
Thompson School	11,415
TOTAL	109,895

One of the several activities sponsored by the School Librarians is the Reading Certificate Program by which children read and write reports on library books. 422 children received certificates for reading five books and fifteen received the gold certificate for completing twenty books.

The outstanding special event took place in May when Arlington was host to school librarians from the Greater Boston and Eastern Massachusetts area. The all-day program included visits to four of the school libraries, a tea at the Thompson School Library, followed by a meeting and a supper discussion at the Robbins Library Hall. From the interest shown in the program carried on by the School Librarians of Arlington, it was evident that this town is in the forefront in the area of elementary school libraries.

AND ALSO TO BE MENTIONED

The work of the Technical Services Department goes on unnoticed and unknown to the general public, but without its services the library could not function. During 1965 this department continued its work of ordering, receiving, cataloging and processing books, keeping records, controlling expenditures and preparing reports. One of the department's major functions is to maintain the card catalog which indicates to the public the books to be found in the library collection. During 1965, a total of 7,704 volumes were catalogued and processed and 26,819 catalog cards were prepared for the card catalogs and filed in their proper places. Of the number of books added to the collection, 5,350 were adult and 2,354 juvenile. Another thousand volumes were purchased, but, because of staff shortages, had to be left for 1966 for processing. With the two professional positions filled as of November, 1965, however, these books will soon be ready for the public. During the year, 4,378 volumes were withdrawn because of poor condition, or of being out of date and so no longer useful. At the end of the year the book collection totaled 152,941 volumes.

IN BRIEF REVIEW

Booklists on a number of subjects such as Race Relations, the Mentally Retarded, Lenten Reading and so forth have been compiled for general distribution, and many special book displays on current affairs and topics of interest have been made available in all departments and at the branches.

Through the courtesy of the Arlington Art Association, the Main Library and Dallin and East Branches have been loaned a "Picture of the Month" each

month during the past year. These paintings, executed by members of the Club, have created a great deal of interest and favorable comment.

The Library has also been fortunate in having a number of friends loan exhibits of various kinds for varying lengths of time to the branches as well as to the main library. These displays have included autographed collections, coin collections, old valentines, nature and art exhibits as well as other exhibits.

4,439 reserves were filled for books specially requested by the public and 117 additional books were borrowed from other libraries through the Inter-library Loan system for special study projects. The library loaned sixty-four books to other communities.

15,097 notices were sent to borrowers for overdue books and the custodians made twelve trips for overdue books, visiting a number of homes on each trip.

Semi-weekly visits have been made to the Symmes Hospital by a library assistant offering bedside book service to the patients.

The Main Library facilities were used for 391 meetings by the various organizations of Arlington during the year, these meetings in large part taking place from September through May.

The Librarian and various staff members attended a number of library meetings during the year, on a national as well as state and local level, and several librarians participated in panel discussions. On a local level, staff members were asked to speak before Church groups, various clubs and PTA groups, usually on some phase of reading or on the use of the library itself.

Some staff members are working toward higher degrees and several used their summer vacations to attend summer sessions. Mrs. Marie O'Day, Miss Shirley Utudjian, Mrs. Bernice Ostrowsky, Mrs. Ruth Brown, and Mr. Frederick Dooe were in this group.

"THE SUMMING UP"

New days, new ways. Age-old concepts of library service are being revised. The nature of the materials which the library gathers and organizes is constantly expanding and the buildings in which these materials are housed are being planned from the point of view of function. Greater changes are in the offing. With automation studies being currently made, with funds being made available by the new Library Services and Construction Act, with increased cooperation between libraries, the end of library expansion does not appear to be in sight.

In closing, a word of appreciation is due to many people who have helped and supported the library program during the past year. The Town Manager, the Board of Library Trustees, the Library Staff, the Custodial Staff, and the friends and borrowers -- to all, a warm thank you.

Respectfully submitted,

Judith E. Stromdahl
Head Librarian

Annual Report of the Department of Public Works

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Mr. Monahan:

I herewith submit the Annual Report of the Department of Public Works for the year ending December 31, 1965.

During 1965 the Public Works Department constructed Dodge Street from Forest Street to No. 33; Lorraine Terrace from Dodge Street to Dodge Street; Wheeler Lane from Mountain Avenue to Dickson Avenue; Hibbert Street from its present end to Rublee Street; Rublee Street from Hibbert Street to the Lexington Line; Udine Street from Station 6 plus 07.93 to Rublee Street; Sylvia Street from Lots 33 and 54 to Rublee Street 340 feet southerly; and Woodside Lane from end of acceptance to its present end.

Under the provisions of Articles 49, 50, 51, 52, 53 and 54 of the 1965 Warrant, certain ways which had originally been constructed by developers were completed by the Department. These consisted of Yale Road from River Street to Everett Street; Wigwam Circle from Washington Street to its end; Gay Street from Washington Street 220' westerly; Rublee Street from Wollaston Avenue 170' southeasterly; and Hemlock Street from Yerxa Road to Dickson Avenue.

Under Article 53 of 1964, reconstruction of certain streets, the Department reconstructed Appleton Street from Hillside Avenue to Wachusett Avenue; Eastern Avenue from Fayette Street to Park Circle; Academy Street from Maple Street to Massachusetts Avenue; Jason Street from Irving Street to Gray Street; Orvis Road both sections from Massachusetts Avenue to Brooks Avenue and Russell Street from Mystic Street to Water Street.

Under Article 55 of 1965 the Department constructed Chestnut Terrace from Chestnut Street to its end.

Under Article 46 of 1965 the Department reconstructed a portion of Edmund Road on the southeasterly corner at Summer Street.

Under Article 57 of 1965 the Department constructed traffic islands and excavated trenches and installed conduit necessary for pedestrian actuated traffic signals at Summer Street and Brattle Street. Wiring and Traffic Signals were installed by Eagle Signal System.

Under Article 95 a chain link fence was erected on westerly property line of Bishop School, adjacent to park property and along rear property line of homes on Crosby Street.

Under Article 31 of the 1965 Warrant new concrete and bituminous sidewalks, drives and new curbstone were installed in various locations throughout the Town.

Under Article 32 of the 1965 Warrant public sidewalks which had become raised or deteriorated were reconstructed and curbstone reset. This is an excellent program and should be continued.

Chapter 90 reconstruction of 1964 was performed on Lake Street from Massachusetts Avenue to Concord Turnpike and Mystic Street from Farrington Street to Winchester Line.

We experienced heavy rainfall the latter part of February which necessitated sand bagging certain areas and the ultimate cleaning up of roadways and catch basins.

Sewer, water and storm drain systems were extended in various locations throughout the town. Mains were also installed by developers in certain areas. In some strategic areas the size of the grating of the storm drain catch basins was enlarged to better cope with abnormal rainfall. These catch basins are cleaned regularly.

As in the past and in conjunction with the Fire Department periodic inspections and tests were made of all hydrants throughout the town. When any defects were noted they were immediately repaired by our Water Division. The excellent cooperation of the Fire Department is deserving of comment.

Over twenty (20) miles of sewer mains were cleaned and flushed in 1965. Our eight sewer pump chambers were maintained and constantly observed. Two storm drain pump chambers, one on Chestnut Terrace and one on Reed Street were maintained. We continued to render service on particular sewer connections when called upon. These services become clogged with tree roots and excessive use of detergents. I consider this to be one of the better services which we render on an around the clock basis, seven days a week. The residents are invariably pleased with the prompt and economical service rendered.

Our land reclamation project on Summer Street, east of Reed Street is still in operation and we are now filling that portion of the area known as Draelon Street. This entire area will sometime in the future be valuable land for almost any purpose.

During 1965 bids were sought for the collecting and removal of garbage from the town. Pitt Disposal Service was the low bidder by a substantial amount and we are now under contract with this company until May 20, 1968.

During the winter season we expended every effort to plow, sand and salt our roads. With the increased efficiency of snow blowers, we were able to remove snow from the business and church areas very rapidly. We were once again under contract with owners of large trucks and tractors should the snowfall be of such scope as to warrant their use. The extreme hilly nature of approximately two-thirds of our town presents a unique problem when we have to plow, sand or salt. Thought should be given to renewing our snow-fighting equipment which was comparatively old when acquired and is becoming increasingly more difficult to maintain.

In cooperation with the Board of Health we arranged for vaccine shots for those employees who work out in the elements. These were given by Dr. Feeley on two occasions.

On November 9, 1965 when the black-out occurred we immediately put into operation our emergency generators thereby providing light and power at

the Town Yard and the Town Hall. In conjunction with Civil Defense we constructed an area at the Town Yard for the storage of all supplies, beds, refrigerator etc. for a two hundred (200) bed emergency hospital. We conveyed all of this material from Tewksbury in our trucks and stored same at the yard.

During 1965 we performed many services for other departments as follows:

Park Department:

Installed bituminous walk at Robbins Farm area, grading at Warren A. Pierce Field: constructed signs relative to no wading or swimming, repaired pipe rail fence at Spy Pond Field and made repairs to walk at North Union Street playground.

Robbins Library:

Repairs to walk: painted outside trim at Dallin Branch: installed shelves at Robbins Library: performed carpentry work at Robbins Library and repaired windows at Dallin Branch.

School Department:

Conveyed food supplies throughout the year to cafeterias from Boston: conveyed surplus property from Taunton: changed lettering on door at Administration Building: removed brick and concrete blocks from old athletic area at Senior High School: removed shelter and changed lettering at Thompson School and constructed signs at Bishop School and Senior High School.

Building Maintenance:

Sand blasted obscene lettering from Senior High School, Locke School, Bishop School, Crosby School and Junior High East.

Elections and Town Meetings:

Repaired and reset precinct boxes: made repairs to voting booths and lighting in various precincts: delivered, picked-up and stored voting equipment.

Engineering Department:

Painting and installing decals on vehicle.

Cemetery Department:

Painting at Mount Pleasant Chapel.

Police Department:

Installed six gates at Municipal Parking area: patched around parking meters and repairing pipe of parking meters.

General:

Our sign paint division in addition to maintaining and installing new signs also installed and maintained fences. On many occasions this division constructed and installed all types of signs when called upon.

Automotive:

This division not only maintained and serviced all Public Works vehicles but also serviced and maintained the vehicles of all departments with the

exception of the Fire and Police Departments. Our department is almost completely mechanized now which makes it incumbent upon these men to keep rolling heavy equipment such as power shovels both on tracks and on rubber: power cranes mounted on rubber: tractors on rubber and tracks: road rollers up to fifteen (15) ton weight: front-end loaders up to one and one-half yard capacity: compressors, pumps of all sizes and design, road graders and Walter's Snow Fighter's whose average age is twenty-two (22) years. Some idea of the scope of our work may be ascertained when it is taken into consideration that we register one hundred and nine (109) vehicles in the Public Works alone. We continue to maintain a large stock room and as before allow other departments to draw upon this stock.

The following are the net expenditures made by the Department of Public Works:

General Administration	\$ 114,456.89
Highway, Maintenance and General, including Snow and Ice.	401,718.92
Highway, Capital Outlay	87,782.73

ARLINGTON WATER WORKS

Arlington, Middlesex County, Massachusetts

Population by census of 1965, 52,482
Date of Construction Low Service System, 1872; High Service, 1894.
By Whom owned, Town of Arlington.
Source of Supply - Metropolitan Water System.

CONSUMPTION

1. Estimated total population at date, 53,000
2. Estimated population on lines of pipe, 53,000
3. Estimated population supplied, 53,000
4. Total consumption for the year 1,864,552,000 gallons.
5. Percentage of consumption metered 100%
6. Average Daily Consumption 5,108,400 gallons
7. Gallons Per Day Per Capita, 97

Distribution

(Including Auxiliary Supply from Old Reservoir)

Mains

Three thousand, two hundred and sixty three (3,263) feet of new water mains were laid during the year and connected with the Metropolitan System. Details of regular water main installation will be found in Table VIII.

1. Kind of pipe; cast-iron, cement and transite.
2. Sizes; from 4 inch to 16 inch.
3. Extended feet during year, 3,263.
4. Number of feet renewed during year, 0
5. Discontinued during year, 0
6. Total Now in use, 125.1 miles
7. Cost of repairs per mile, \$231.68.
8. Length of pipe less than 4 inches in diameter, 0
9. Number of hydrants added during year, 8.
10. Number of hydrants now in use, 1,348.
11. Number of stop gates added during year, 33.
12. Number of stop gates now in use, 3,177.
13. Average pressure on mains at center of Town, 110 high system, 80 low, system.

Services

Eighty-nine (89) services have been added during the year and nine abandoned. There are for all purposes, except fire, 4,377 on the low 7,964 on the high and 5 on the Old Reservoir system. On the Metropolitan water supply there are 99 for municipal purposes, 53 sprinkler services, and 50 for sewer flushing purposes included in the above. On January 1, 1966 there were 190 services temporarily out of use.

1. Kind of pipe; Copper, cement-lined, black wrought iron, lead and 3" to 6" cast iron and transite.
2. Sizes, 1 inch to 6 inch.
3. Number of services taps added during year, 89.
4. Number of services abandoned during year, 9.
5. Number of services now in use 12,343.
6. Percentage of services metered, 100%.

Meters

Eighty-nine (89) meters were set during 1965 on services installed in 1964-1965. The total number of meters in use January 1, 1966 was 12,343.

February 12, 1966

The Honorable Board of Selectmen
Robbins Memorial Town Hall
Arlington, Massachusetts

Gentlemen:

Herewith is my report for the year ending December 31, 1965; it is the thirteenth annual report, 1953 to 1965 inclusive, that I have submitted to your Honorable Board since my appointment as Town Manager on May 1, 1953.

In connection with our constantly increasing local tax rate, the dominating factors continue to be School Department costs and the ever-increasing costs of state charges to the Town. The upward trend in welfare costs continued due to increased case-loads in M.A.A. (Medical Aid to the Aged) and A.D.C. (Aid to Dependent Children). The trend in such costs will undoubtedly continue.

Although all state and municipal authorities believe that something needs to be done to relieve the heavy burden on real estate property owners, it would seem that as we enter the year 1966, we are no nearer a solution than we have been for the last several years; nevertheless, there continues to be a "crying" need for action by the Massachusetts General Court to correct the inequity by a new tax program, the revenue of which would be distributed to cities and towns.

Particular reference is made to my report for the year ending December 31, 1961, which covers in great detail the effect on the Town's tax rate economy of the school construction program that has been in process pursuant to the original Harvard Survey Report of 1954. The matter is covered at considerable length in the 1961 report and there is no particular point in restating it here, except to say that school costs continue to have a progressively greater impact on local real estate taxes. The financing of an addition to the Stratton School which was authorized by a Special Town Meeting in 1965 will be included in the 1966 Tax Levy.

In this report, I present the results of a study I have made on the comparative facts and figures of a selected group of well regarded cities and towns in the State which reveal Arlington's ranking and standing in several highly important areas of municipal government. These comparative facts and figures speak for themselves without the need of any comments by me.

COMPARATIVE PER CAPITA COSTS OF LOCAL GOVERNMENTS IN 1965

Of twenty-four selected cities and towns in the Commonwealth of Massachusetts, Arlington ranks fourth in net operating costs of government as reflected by the Per Capita Direct Tax (source - Massachusetts Federation of Taxpayers Association, Inc., January 21, 1966)

*Participates in annual deficits of Metropolitan Transit Authority, now designated as Massachusetts Bay Transportation Authority.

**Operates Municipal Light Department, which is a source of additional income.

COMPARATIVE PER CAPITA DEBT OF LOCAL GOVERNMENTS

OCTOBER 1, 1965

Of twenty-four selected cities and towns in the Commonwealth of Massachusetts, Arlington ranks second in the amount of outstanding municipal debt as reflected by the Per Capita Debt as of October 1, 1965 (Source - Boston Safe Deposit and Trust Company, "Financial Statistics of Massachusetts", Fifty-Eighth Edition, January, 1966).

<u>RANKING</u>	<u>CITY OR TOWN</u>	<u>TOTAL DEBT</u>	<u>PER CAPITA-NET DEBT OCTOBER 1, 1965</u>
1	Belmont	\$1,160,000.00	\$ 40.
2	Arlington*	3,200,000.00	61.
3	Watertown	2,535,000.00	63.
4	Cambridge	6,168,000.00	67.
5	Milton	1,929,000.00	70.
6	Norwood	2,624,300.00	91.
7	Brookline	7,262,000.00	135.
8	Winchester	3,045,000.00	141.
9.	Wellesley	4,077,000.00	155.
10	Quincy	14,354,000.00	165.

<u>RANKING</u>	<u>CITY OR TOWN</u>	<u>TOTAL DEBT</u>	<u>PER CAPITA-NET DEBT OCTOBER 1, 1965</u>
11	Swampscott	\$ 2,313,000.00	\$165.
12	Newton	15,330,000.00	173.
13	Cohasset	1,233,000.00	188.
14	Waltham	11,241,000.00	197.
15	Weston	2,254,000.00	229.
16	Burlington	4,644,500.00	239.
17	Concord	3,684,400.00	254.
18	Weymouth	13,008,000.00	258.
19	Natick	8,631,400.00	284.
20	Framingham	15,312,000.00	292.
21	Wilmington	4,857,900.00	318.
22	Needham	9,791,000.00	334.
23	Bedford	4,147,000.00	384.
24	Lexington	11,479,000.00	366.

*Arlington's Debt as of October 1, 1965:

School Debt \$2,975,000.00
Street Debt 225,000.00

Total Debt \$3,200,000.00

Per Capita Debt \$ 61.00

COMPARATIVE FREE CASH OF LOCAL GOVERNMENTS JANUARY 1, 1965

Of twenty-four selected cities and towns in the Commonwealth of Massachusetts, Arlington ranks sixth in the amount of Free Cash as of January 1, 1965 (Source - Boston Safe Deposit and Trust Company, "Financial Statistics of Massachusetts", Fifty-Eighth Edition, January, 1966).

Note - Free Cash is defined as the Municipality's Surplus less Uncollected Poll, Personal Property and Real Estate Taxes as contained in its Statement of Financial Condition as of January first.

<u>RANKING</u>	<u>CITY OR TOWN</u>	<u>FREE CASH JANUARY 1, 1965</u>
1	Brookline	\$1,692,906.
2	Newton	1,055,279.
3	Cambridge	987,750.
4	Wellesley	967,038.

16	Cohasset	2,700.	34%
17	Swampscott	2,700.	35%
18	Waltham	2,500.	44%
19	Framingham	2,300.	47%
20	Milton	2,300.	33%
21	Norwood	2,200.	44%
22	Watertown	2,200.	38%
23	Quincy	2,100.	38%
24	Arlington	1,800.	35%

ARLINGTON'S CREDIT

Arlington's credit is the highest. On any given day (interest rates fluctuate from day to day), Arlington invariably borrows money at lower interest rates than any other city or town, whether the borrowing be for short term or long term, whether the maturity be one year, five years, ten years, fifteen years or twenty years. (Source - First National Bank of Boston's Letters on Bond and Note Sales, issued periodically.)

CLASSIFICATION OF FIRE INSURANCE RATES
TWENTY-FOUR SELECTED CITIES AND TOWNS IN MASSACHUSETTS

Source - New England Fire Insurance Rating Association, Municipal Protection Department, 89 Broad Street, Boston, Massachusetts - 02106 - as published in "Municipal Voice", May 1964 (Massachusetts League of Cities and Towns).

The classifications of Massachusetts cities and towns as listed are derived on the basis of application of the National Board of Fire Underwriters Standards Schedule for Grading Cities and Towns of the United States, with respect to their fire defenses and physical conditions. This Schedule is used throughout the United States, and classifications for all cities in the country are based on its application. The grading schedule is revised periodically to include changes brought about by technological advancements in fire protection.

There are seven major divisions of the grading schedule (see below) and the relative importance of each division with respect to the overall protection grading of the community may be seen from the percentages shown for each division.

The seven major divisions of the grading schedule are as follows:-

Water Supply	34%
Fire Department	30%
Fire Alarm	11%
Police	1%
Building Laws	4%
Fire Prevention	6%
Structural Conditions	14%

100%

CLASSIFICATION OF FIRE INSURANCE RATES
TWENTY-FOUR SELECTED CITIES AND TOWNS IN MASSACHUSETTS

<u>CITY OR TOWN</u>	<u>CLASSIFICATION</u>
Brookline	2
Newton	2
Arlington	3
Cambridge	3
Quincy	3
Watertown	3
Belmont	4
Milton	4

<u>CITY OR TOWN</u>	<u>CLASSIFICATION</u>
Natick	4
Needham	4
Norwood	4
Swampscott	4
Waltham	4
Winchester	4
Wellesley	4
Weymouth	4
Bedford	5
Burlington	5
Cohasset	5
Concord	5
Framingham	5
Lexington	5
Weston	6
Wilmington	6

Note - Only six communities in the State, five of them large cities, have a fire insurance rating higher than Arlington; they are Boston (pop. 697,197), Springfield (pop. 174,463), New Bedford (pop. 102,477), Fall River (pop. 99,942), Newton (pop. 92,384), and Brookline (pop. 54,044). All of said communities are in "Classification 2" as compared with Arlington's "Classification 3"; there are no communities in "Classification 1".

ARLINGTON'S PUBLIC SERVICES

In the opinion of many competent municipal observers, the standards of public service in Arlington in practically all respects are the highest. A few cities and towns may equal Arlington's public services in some respects, but taken as a whole, no community in the State can completely match Arlington's standards of public service, and these at the lowest possible costs to the taxpayer.

Of the twenty-four selected cities and towns, Arlington's Per Capita property valuations are the lowest; Arlington's Per Capita debt is among the lowest; Arlington's Per Capita operating costs are among the lowest; and Arlington's Free Cash Position is among the highest.

Considering only the towns of 40,000 to 60,000 population in the twenty-four selected cities and towns, Arlington has the lowest per capita costs, debt and assessed valuations, and the highest amount of free cash excepting only Brookline, as per the following figures:

	1965 Popu- lation	1965 Per Capita		1965 Free Cash	1965 Per Capita Assessed Valuation	1965 Assess- ment Ratio
		Tax	Debt			
Arlington	52,482	\$ 175.80	\$ 61.	\$ 883,532.	\$ 1,800.	35%
Watertown	40,115	180.20	63.	308,518.	2,200.	38%
Weymouth	50,468	189.50	258.	241,406.	2,800.	38%
Waltham	57,134	190.50	197.	51,259.	2,500.	44%
Framingham	52,369	213.20	292.	658,590.	2,300.	47%
Brookline	53,608	244.50	135.	1,692,906.	4,200.	38%

Herewith, also, are the annual reports for 1965 of the various town departments under the supervision of the Town Manager. I am sure you will find them most interesting and satisfying; they record performance and progress in the constant and continuing efforts of the town's employees to improve public service to the town's residents.

For their cooperation during the year, I wish to thank the Honorable Board of Selectmen, the Finance Committee, the Personnel Board, and all other town departments, boards and commissions.

My thanks are extended to the employees of all departments under my supervision and control who are especially deserving of my gratitude for their fine teamwork during the year. Considering the number of complaints and the enormity of the task, faults have apparently been relatively few in the rendering of public service to the citizens of the Town.

The Town of Arlington is indeed fortunate in the number of outstanding citizens, including Town Meeting members and members of school building committees, who give of their time and efforts to the various unpaid boards and commissions of the Town Government. Sincere thanks are expressed to them for their truly tremendous services to the town during the year just closed.

To the citizens of the Town, my sincere thanks are extended for their continued cooperation, confidence and encouragement which make worthwhile every effort expended in their behalf by their town employees, including the Town Manager.

Respectfully submitted,

Edward C. Monahan
Town Manager
